The Merovingian Mythos and the Mystery of Rennes-Le-Chateau-Tracy R. Twyman 2004 Do five mountains in Southern France contain the greatest treasure of human history? What exactly was the artifact known as the Holy Grail? Was civilization created by beings that were greater than human? Was there once a primeval language given to us by the gods? Does the so-called Grail bloodline descend not just from Jesus, but from the biblical Cain? What is it that makes the Grail bloodline special, and gives the "Grail kings" a divine right to rule? What is the nature of the ancient conflict that has shaped thousands of years of human history? These questions and more are addressed in Tracy R. Twyman's long awaited book "The Merovingian Mythos and the Mystery of Rennes-le-Chateau." Ms. Twyman has been a journalist and occult researcher for more than ten years. She has pursued the Grail mystery in her magazine, Dagobert's Revenge, for more than seven years. Now within the pages of this revolutionary work, Twyman reveals the shocking results of this exhaustive research. After reading this volume, you will never look at history or mythology the same way again.
