A Tale of Two Cities-Charles Dickens 2017-07-26 This is the Collector's edition with restored illustrations. Hard to find, we have limited copies available. A Tale of Two Cities (1859) is a novel by Charles Dickens, set in London and Paris before and during the French Revolution. The novel tells the story of the French Doctor Manette, his 18-year-long imprisonment in the Bastille in Paris and his release to life in London with his daughter Lucie, whom he had never met; Lucie's marriage and the collision between her beloved husband and the people who caused her father's imprisonment; and Monsieur and Madame Defarge, sellers of wine in a poor suburb of Paris. The story is set against the conditions that led up to the French Revolution and the Reign of Terror.
Win Win-Dale Scott 2013-10-31 There are more than 1,000 school and community college (K-14) districts in California. To build, repair, or equip their campuses, they must ask voters to approve a general obligation (GO) bond and raise their property taxes rates -- a big ask. While GO bonds have become a multi-billion-dollar market, there has to date been no "how to" guide for district administrators, elected officials, taxpayer organizations, and concerned citizens. There is now. With hard-earned wisdom and wry wit, Dale Scott, California's leading K-14 financial advisor, has written WIN WIN: An Insider's Guide to School Bonds to demystify the complex, often challenging process that goes on "underneath the hood" in developing, structuring, passing, and selling a GO bond. Drawing on three decades of work as an advisor to school districts and community college districts, investment banker on Wall Street, financial advisor, and campaign manager, Dale walks readers through each step of the process, answering the many questions he's been asked over the years. Hard-hitting, detailed, and humorous, WIN WIN explores and explains why some bond elections pass but others fail, how bond deals are put together, tips on selecting the right team of professionals, how to avoid recent scandals surrounding GO bonds, and how to tell if tax rate estimates are accurate or just wishful thinking. Scott's book is an upbeat demystification of the complex processes of California school bonds, showing that when executed correctly, the teamwork of passing a school bond can have a transformative effect on both local schools and people's sense of their role in their community.

Rite of Passage-Teno-E 2014-08-02 Seventy years ago, during World War 2, a mistake was made. You wouldn't know about it and probably never will. Our human mind is not capable to handle what is hidden from us, and to tell you would probably give you a ride to the asylum, to keeping the world safe from you know. Sometimes you will read things in books and horror stories, things that go bump in the night and this will give you a chill down your spine as you walk alone at night. If he gets you, you will be reported missing, missing forever. If the company does not get to you in time, you and he both will and you will be stuck between hereafter and heaven. But don't worry we are being watched every second of the day by 'The Company' who has the two headed wolf as their insignia. According urban legends the Company is located in the Vatican City; there they keep their technology and secrets safe between the walls and floors, hidden in bunkers with hundreds of secret rooms and catacombs tunnels. One person said that they have a direct line to the heavens there, but he is dead. He drowned whilst on holiday. In 1957, the first satellite was launched into space but this was not the truth - the first one was made operational in 1949, with insignia of the two headed wolf on its side. It made a 'bleeping' sound every few seconds showing it was alert and watchfully looking for him, the one they say the devil sent back by the devil himself. He is looking for revenge for those who made the mistake. They took his family, he is taking their families, one by one and has been for the past seventy years. Time does not heal everything. But there is one man that can end it all, his name was 'David Thomas' and he died more than a decade ago in catastrophic nuclear accident that occurred in 1986 at Chernobyl Nuclear Plant. Gunman's Reckoning-Max Brand 2018-03-01 Classic western. According to Wikipedia: "Frederick Schiller Faust (May 29, 1892 - May 12, 1944) was an American fiction author known primarily for his thoughtful and literary Westerns. Faust wrote mostly under pen names, and today is primarily known by one, Max Brand. Others include George Owen Baxter, Evan Evans, David Manning, John Frederick, Peter Morland, George Challis, and Frederick Frost. ... Faust managed a massive outpouring of fiction, rivaling Edgar Wallace and especially Isaac Asimov as one of the most prolific authors of all time. He wrote more than 500 novels for magazines and almost as many stories of shorter length. His total literary output is estimated to have been between 25,000,000 and 30,000,000 words. Most of his books and stories were turned out at breakneck rate, sometimes as quickly as 12,000 words in the course of a weekend. New books based on magazine serials or unpublished manuscripts or restored versions continue to appear so that he has averaged a new book every four months for seventy-five years. Beyond this, some work by him is newly reprinted every week of every year in one or another format somewhere in the world."

Leaves of Grass-Walt Whitman 2000-10-31 Abraham Lincoln read it with approval, but Emily Dickinson described its bold language and themes as 'disgraceful.' And Ralph Waldo Emerson found Leaves of Grass 'the most extraordinary piece of wit and wisdom that America has yet contributed,' calling it a 'combination of the Bhagavad Gita and the New York Herald.' Published at the author's own expense on July 4, 1855, Leaves of Grass initially consisted of a preface, twelve untitled poems in free verse (including the work later titled "Song of Myself" which Malcolm Cowley called "one of the great poems of modern times"), and a now-famous portrait of a devil-may-care Walt Whitman in a workman's shirt. Over the next four decades, Whitman continually expanded and revised the book as he took on the role of a workingman's bard who championed American nationalism, political democracy, contemporary progress, and unshamed sex. This volume, which contains 383 poems, is the final 'Deathbed Edition' published in 1892.

After the Fall-Ryan Phillips 2005 Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, heâs got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot--sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesn't fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.

From the Grave-William Castle 2011-07-01 As the Gypsies gather in the ancient village of Les-Saintes-Maries-de-la-Mer for the annual celebration honoring their patron saint, a mystical convergence of events brings four adolescents together at a haunted house and sets them on a perilous quest to locate a centuries-old manuscript that holds the power to release the devastating force of the Ancient Ones upon the Earth. Fifteen-year-old Sarah and her younger brother Luca are lonely Gypsy kids who travel about Europe with their parents. Forced by their Gypsy father to beg and pick pockets for money, Sarah and Luca find it impossible to earn their father's approval. Fifteen-year-old Edgar cannot stand his parents (and the feeling is mutual) when the family moves from New Jersey to France so that his parents can live out their dream of being French aristocracy. Fourteen-year-old Aleck's world is turned upside down when his parents are killed in a car crash and his older sister decides that he would be better off in France with their Aunt and Uncle whose real concern is their own lavish lifestyle. Beset by their parents and guardians, the four young people must also survive the mercurial activities of a spirit haunting the house that holds clues to the location of the manuscript which is also sought by a secret society bent on locating it for their own purposes. In a frenzied chase that takes them from the ancient villages of Provence through the blood-soaked quarries of Roussillon to the macabre catacombs of Paris, the four must put aside their differences and suspicions to outwit the evil forces who would stop at nothing to get their hands on the ancient book. "From the Grave: The Prayer" is a classic tale of terror, suspense and intrigue set in southern France, written by the Master of the Macabre, William Castle.

Buck Rogers in the 25th Century: A TV Companion (Hardback)-Patrick Jankiewicz 2015-11-30 This is the HARDBACK version. Buck Rogers in the 25th Century (1979-1981) premiered on American television in September 1979. The story followed a twentieth century astronaut revived after 500 years of suspended animation to become Earth's greatest hero. Created by Glen A. Larson and Leslie Stevens, the new series starred Gil Gerard, Erin Gray, and Felix Silla. Gerard looked to the past to prepare for his future production. As Executive Producer of another science fiction series, Battlestar Galactica (1978-1979), the early cancellation of the failed series left him with a quasar of props, costumes, sets, special effects film footage, and even a rejected model spacecraft designed by Ralph McQuarrie. He hit on the idea of recycling the artifacts into a less showy series that premiered to the delight of audiences. Viewers thrilled to a seemingly endless parade of notable guest stars, such as Henry Silva, Joseph Wiseman, Jack Palance, Roddy McDowall, John P. Ryan, Richard Lynch, Cesar Romero, Frank Gorshin, Julie Newmar, Jamie Lee Curtis, Vera Miles, Sam Jaffe, William Smith, Sid Haig, Jerry Orbach, Richard Moll, Ray Walston, Gary Coleman, Amanda Wyss, and Mary Woronof. Barrelhouse Boys-Joel E. Williamsen 2009 It is 1894, and Nebraska's glittering state capital draws young Bud Gardner away from drought and poverty towards a precarious existence within his uncle's saloon, extended family and eccentric circle of bootleggers. But amidst the whored, oddballs, and shady characters of Lincoln's Haymarket district, Bud discovers Anna Marie, a fiery Czech girl and the deadly forces that connect Chicago 's railroad strikes, Omaha's slaughterhouse riots, a grisly Lincoln train wreck, and a local black man that has "conveniently" been accused of causing it. Weaving together an intriguing storyline with the real historical events and luminaries of turn-of-the-century Lincoln, Nebraska, including John J. Pershing (commanding the Nebraska Corps of Cadets), Willa Cather (reporter for the State Journal), and Charles Dawes (lawyer and future Nobel Peace laureate), Barrelhouse Boys is a fictional romp through the gaslight era that shouldn't be missed. Nebraska Life Magazine: "Full of unexpected twists...vivid detail and lively dialogue. One inspired novel." Omaha World-Herald: "A fascinating event in Nebraska history...refreshingly readable...great historical facts and a likable hero...with mystery, romance, bigotry and riots." Lincoln Journal Star: "Rookie author Joel Williamsen creates an intriguing work of historical fiction. "The Barrelhouse Boys" is a mystery about a fatal Lincoln train wreck that might be connected to slaughterhouse riots in Omaha and railroad riots in Chicago. ... This interest in and extensive research of the history of his home state is evident in his first novel." Fremont Daily Tribune: "... a puzzle -- an 1890s train wreck that remains a mystery ..."

THIS SIDE OF PARADISE (1000 CO-Scott Fitzgerald 2016-12-06 This Side of Paradise centres on Amory Blaine, a young Midwesterner who, convinced that he has an exceptionally promising future, attends boarding school and later Princeton University. Amory has an unsuccessful attempt at love, and is shipped overseas to serve in World War I. When Amory returns home, he struggles to find love among the status driven women of New York City. This Side of Paradise is F. Scott Fitzgerald's debut novel. Published in 1920 and taking its title from a line of Rupert Brooke's poem Tiare Tahiti, the book examines the lives and morality of post-World War I youth. Its protagonist, Amory Blaine, is clearly based on Fitzgerald. Both are from the Midwest, attended Princeton, served in the army, and had a failed romance with a debutante. The novel explores the theme of love warped by greed and status seeking. This edition is limited to 1,000 copies.

Origins of an Idea-Barry Neil Shrum 2012-07-01 "Origins of an Idea defends the concept of 'original ideas,' as envisioned by our Founding Fathers, from the surge of attacks lodged against it by The Pirate Party, the Free Culture Movement, anti-SOPA proponents and others who would have us do away with the concept of intellectual properties and the monopolies established by our U.S. Constitution. Mr. Shrum advances an apologetic for the concept of original expression of ideas, and maintains that ownership thereof is an inherent human right that is indispensable to the advancement of human progress" -- P. The White Silk Scarf-Stephen Challis 2014-04-16 At just 19, Kurt Mueller had never expected to fall in love, least of all with a girl who was his enemy. As a pilot with the famed Jagdgeschwader 26 Fighter squadron based in France, Kurt had been looking forward to his first mission. That mission had come to an abrupt end when he had bailed out over Southern England in the summer of 1940. Now he was alone, with little prospect of return to France. His impulsive intervention to save a local farmers wife from a rapist had elevated him to local hero status. When a German double agent provides him with fake Identity papers, he feels secure. However it soon becomes clear that the Germans want something in return. Before long, Kurt is embroiled in a world of espionage-counter espionage, murder, and betrayal. He gets tangled up with a beautiful blonde killer with a hatred for the English, whose murderous actions bring unwelcome attention from MI5 agents. When the expected invasion of Britain is postponed and then cancelled Kurt's usefulness to the spy ring is questioned. And he finds himself desperate to stay one step ahead of both sides as events threaten to spiral out of control. The White Silk Scarf is a fast moving thriller set against the background of Wartime Britain. It is a story where the dividing lines between right and wrong, good, and evil have become blurred. It is also the story of a trusting and naive 17 year old girl and a dashing young fighter pilot who fall in love at the worst possible time and the worst possible location.

Buxton Branches-Lee Ann Simmers Dickey 2011-05-01 Established at the start of the 20th century, the small mining town of Buxton displayed a degree of racial integration unheard of elsewhere in the nation. Black and white miners worked side by side digging coal in the Monroe County hills; black and white clerks manned the company store; black and white students shared classrooms. Buxton flourished for two decades, but by the 1920s the coal mines had played out and residents moved on. Though the town has long been abandoned, the memories, heritage, and ideals of Buxton live on. BUXTON BRANCHES includes the most complete set of birth records in existence for the town. It is a companion book to BUXTON ROOTS, which includes marriage, death, cemetery and census records.
