A Girl Walks into a Book-Miranda K. Pennington 2017-05-16 How many times have you heard readers argue about which is better, Jane Eyre or Wuthering Heights? The works of Charlotte, Emily, and Anne continue to provoke passionate fandom over a century after their deaths. Brontë enthusiasts, as well as those of us who never made it further than those oft-cited classics, will devour Miranda Pennington's delightful literary memoir. Pennington, today a writer and teacher in New York, was a precocious reader. Her father gave her Jane Eyre at the age of 10, sparking what would become a lifelong devotion and multiple re-readings. She began to delve into the work and lives of the Brontës, finding that the sisters were at times her lifeline, her sounding board, even her closest friends. In this charming, offbeat memoir, Pennington traces the development of the Brontës as women, as sisters, and as writers, as she recounts her own struggles to fit in as a bookish, introverted, bisexual woman. In the Brontës and their characters, Pennington finally finds the heroines she needs, and she becomes obsessed with their

Girl Walking Backwards-Bett Williams 2014-12-30 In Girl Walking Backwards, Skye wants what all teenagers want--to survive high school. She lives in Southern California, though, which is making that difficult. Her mother has fallen victim to the pseudo-New Age culture and insists on dragging her to consciousness-raising workshops and hypnotists. As if this weren't difficult enough, Skye falls in love with Jessica, a troubled gothic punk girl who cuts herself regularly with sharp objects. When she finds her boyfriend having sex with Jessica in a bathroom stall at a rave, her romantic illusions collapse and she has to face the fact that she's been running away from her mother's insanity. Right when things look their worst though, Skye is helped by Mol, a pagan who becomes her true friend, and Lorri, a graceful volleyball player with whom she finds real love. From them she learns how to feel authentic emotions in a culture of poseurs and New Age charlatans. In this anti-coming-of-age novel by Bett Williams, where growing up is irrelevant, this is the best gift of all.

Vampires, Race, and Transnational Hollywoods-Dale Hudson

2017-05-18 The figure of the vampire serves as both object and mode of analysis for more than a century of Hollywood filmmaking. Never dying, shifting shape and moving at unnatural speed, as the vampire renews itself by drinking victims' blood, so too does Hollywood renew itself by consuming foreign styles and talent, moving to overseas locations, and proliferating in new guises. In *Vampires, Race, and Transnational Hollywoods*, Dale Hudson explores the movement of transnational Hollywood's vampires, between low-budget quickies and high-budget franchises, as it appropriates visual styles from German, Mexican and Hong Kong cinemas and off-shores to Canada, Philippines, and South Africa. As the vampire's popularity has swelled, vampire film and television has engaged with changing discourses around race and identity not always addressed in realist modes. Here, teen vampires comfort misunderstood youth, chador-wearing skateboarder vampires promote transnational feminism, African American and Mexican American vampires recover their repressed histories. Looking at contemporary hits like *True Blood*, *Twilight*, *Underworld* and *The Strain*, classics such as Universal's *Dracula* and *Dracula*, and miscegenation melodramas like *The Cheat* and *The Sheik*, the book reconfigures Hollywood historiography and tradition as fundamentally transnational, offering fresh interpretations of vampire media as trans-genre sites for political contestation.

*Shadow City*-Taran N Khan 2019-11-25 For most Indians, Kabul is a city that is near, yet far-familiar, yet unknown. When Taran N. Khan arrived in Kabul in the spring of 2006, five years after the overthrow of

of the Taliban regime, she was earnestly cautioned never to walk. Her instincts compelled her to do the opposite: to take that precarious first step and enter the life of the city with the unique, tactile intimacy that comes from being a walker. She didn't stop until 2013, when she returned to India. In *Shadow City*, Taran N. Khan paints a lyrical, personal, and meditative portrait of a city we know primarily in terms of conflict and peace. As a Muslim woman raised in a small town in India, Taran discovered that she had access to parts of Kabul uncharted by travellers before her. The result reads like an elegiac prose map of the city, rich with surprises—from the glitter of wedding halls that shine like a bizarre version of Las Vegas; to the mental health hospital where women are abandoned and isolated but exist in a rare space of freedom and solitude; to the bookseller behind *The Bookseller of Kabul*, who sued Åsne Seierstad for her portrayal of him and then published the rebuttal which he displays proudly in his shop window.

Women Who Wrote-Louisa May Alcott 2020-06-09 Meet the women who wrote. They wrote against all odds. Some wrote defiantly; some wrote desperately. Some wrote while trapped within the confines of status and wealth. Some wrote hand-to-mouth in abject poverty. Some wrote trapped in a room of their father's house, and some went in search of a room of their own. They had lovers and families. They were sometimes lonely. Many wrote anonymously or under a pseudonym for a world not yet ready for their genius and talent. We know many of their names—Austen and Alcott, Brontë and Browning, Wheatley and Woolf—though some may be less familiar. They are here, waiting to introduce themselves. They marched through the world one by one or in small sisterhoods, speaking to each other and to us over distances of place and time. Pushing back against the boundaries meant to keep us in our place, they carved enough space for themselves to write. They made space for us to follow. Here they are gathered together, an army of women who wrote and an arsenal of words to inspire us. They walk with us as we forge our own paths forward. These women wrote to change the world.

Kennedy has divided the collection into sections that signify to her the most notable milestones, passages, and universal experiences in a woman's life, and she begins each of these sections with an introduction in which she explores and celebrates the most important elements of life's journey. The collection includes works by Elizabeth Bishop, Sharon

Walk Two Moons-Sharon Creech 2009-10-06 In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. An instant classic, riotously funny, *A Walk in the Woods* will add a whole new audience to the legions of Bill Bryson fans.

Milkman-Anna Burns 2018-12-04 Winner of the Man Booker Prize  
“Everything about this novel rings true. . . . Original, funny, disarmingly oblique and unique.”—The Guardian  
In an unnamed city, middle sister stands out for the wrong reasons. She reads while walking, for one. And she has been taking French night classes downtown. So when a local paramilitary known as the milkman begins pursuing her, she suddenly becomes “interesting,” the last thing she ever wanted to be. Despite middle sister’s attempts to avoid him—and to keep her mother from finding out about her maybe-boyfriend—rumors spread and the threat of violence lingers. *Milkman* is a story of the way inaction can have enormous repercussions, in a time when the wrong flag, wrong religion, or even a sunset can be subversive. Told with ferocious energy and sly, wicked humor, *Milkman* establishes Anna Burns as one of the most consequential voices of our day.

debut is [a] modest-seeming story of 'ordinary' English lives that enthralls and moves you as it unfolds."—People (four stars) Meet Harold Fry, recently retired. He lives in a small English village with his wife, Maureen, who seems irritated by almost everything he does. Little differentiates one day from the next. Then one morning a letter arrives, addressed to Harold in a shaky scrawl, from a woman he hasn't heard from in twenty years. Queenie Hennessy is in hospice and is writing to say goodbye. But before Harold mails off a quick reply, a chance encounter convinces him that he absolutely must deliver his message to Queenie in person. In his yachting shoes and light coat, Harold Fry embarks on an urgent quest. Determined to walk six hundred miles to the hospice, Harold believes that as long as he walks, Queenie will live. A novel of charm, humor, and profound insight into the thoughts and feelings we all bury deep within our hearts, *The Unlikely Pilgrimage of Harold Fry* introduces Rachel Joyce as a wise—and utterly irresistible—storyteller.
