A Trip to the Beach-Melinda Blanchard 2001-11-20 This is the true story of a trip to the beach that never ends. It's about a husband and wife who escape civilization to build a small restaurant on an island paradise -- and discover that even paradise has its pitfalls. It's a story filled with calamities and comedy, culinary disasters and triumphs, and indelible portraits of people who live and work on a sliver of beauty set in the Caribbean Sea. It's about the maddening, exhausting, outlandish complications of trying to live the simple life -- and the joy that comes when you somehow pull it off. The story begins when Bob and Melinda Blanchard sell their successful Vermont food business and decide, perhaps impulsively, to get away from it all. Why not open a beach bar and grill on Anguilla, their favorite Caribbean island? One thing leads to another and the little grill turns into an enchanting restaurant that quickly draws four-star reviews and a celebrity-studded clientele eager for Melinda's delectable cooking. Amid the frenetic pace of the Christmas "high season," the Blanchards and their kitchen staff -- Clinton and Ozzie, the dancing sous-chefs; Shabby, the master lobster-wrangler; Bug, the dish-washing comedian -- come together like a crack drill team. And even in the midst of hilarious pandemonium, there are moments of bliss. As the Blanchards learn to adapt to island time, they become ever more deeply attached to the quirky rhythms and customs of their new home. Until disaster strikes: Hurricane Luis, a category-4 storm with two-hundred-mile-an-hour gusts, devastates Anguilla. Bob and Melinda survey the wreckage of their beloved restaurant and wonder whether leaving Anguilla, with its innumerable challenges, would be any easier than walking out on each other. Affectionate, seductive, and very funny, A Trip to the Beach is a love letter to a place that becomes both home and escape.

A Trip to the Beach-Gwyn Perkins 2019-10-29 Today's the day - Iggy's going to catch a wave without any help! Or at least that's what Grandad thinks. Iggy isn't quite so sure. What follows is an unforgettable beach adventure that involves the best sandcastle ever built, fish and chips for lunch, lots of boats and a few perfect waves. Here is a story about the unique beauty of the Australian coast, the universal magic of the ocean, and the importance of finding your own way. Beach Trip-Cathy Holton 2009-05-12 BONUS: This edition contains an excerpt from Cathy Holton's Summer in the South. Mel, Sara, Annie, and Lola have traveled diverse paths since their years together at a small Southern liberal arts college during the early 1980s. Mel, a mystery writer living in New York, is grappling with the aftermath of two failed marriages and a stalled writing career. Sara, an Atlanta attorney, struggles with her own slowly unraveling marriage. Annie, a successful Nashville businesswoman married to her childhood sweetheart, can't seem to leave behind the regrets of her youth. And sweet-tempered Lola whiles away her hours—and her husband's money—on little pills that keep her happy. Now the friends, all in their forties, converge on Lola's lavish North Carolina beach house in an attempt to relive the carefree days of their college years. But as the week wears on and each woman's hidden story is gradually revealed, these four friends learn that they must inevitably confront their shared past, and a secret that threatens to change their bond, and their lives, forever.

The Beach-Alex Garland 2005-07-05 The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, The Beach by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

To the Beach!-Linda Ashman 2005 A family keeps forgetting the things they need to take to the beach.

An Embarrassment of Mangoes-Ann Vanderhoof 2011-03-11 Under the Tuscan Sun meets the wide-open sea . . . An Embarrassment of Mangoes is a delicious chronicle of leaving the type-A lifestyle behind -- and discovering the seductive secrets of life in the Caribbean. Who hasn't fantasized about chucking the job, saying goodbye to the rat race, and escaping to some exotic destination in search of sun, sand, and a different way of life? Canadians Ann Vanderhoof and her husband, Steve did just that. In the mid 1990s, they were driven, forty-something professionals who were desperate for a break from their deadline-dominated, career-defined lives. So they quit their jobs, rented out their house, moved onto a 42-foot sailboat called Receta ("recipe," in Spanish), and set sail for the Caribbean on a two-year voyage of culinary and cultural discovery. In lavish detail that will have you packing your swimsuit and dashing for the airport, Vanderhoof describes the sun-drenched landscapes, enchanting characters and mouthwatering tastes that season their new lifestyle. Come along for the ride and be seduced by Caribbean rhythms as she and Steve sip rum with their island neighbors, hike lush rain forests, pull their supper out of the sea, and adapt to life on "island time." Exchanging business clothes for bare feet, they drop anchor in 16 countries -- 47 individual islands -- where they explore secluded beaches and shop lively local markets. Along the way, Ann records the delectable dishes they encounter -- from cracked conch in the Bahamas to curried lobster in Grenada, from Dominican papaya salsa to classic West Indian rum punch -- and incorporates these enticing recipes into the text so that readers can participate in the adventure. Almost as good as making the journey itself, An Embarrassment of Mangoes is an intimate account that conjures all the irresistible beauty and bounty from the Bahamas to Trinidad -- and just may compel you to make a rash decision that will land you in paradise. From the Hardcover edition.

Last Trip Home-Wanda Maureen Miller 2018-05-15 "Who do you thank you are, the Quane of Anglund?" That's what Grace Marie's father used to say to her whenever he thought she was getting out of her place. In her fifties now, Grace Marie is a college professor living in a beach town in California, and when she gets a phone call telling her that her father is dead, she is glad. She hopes her return for his funeral will be her "last trip home." As a young girl Grace Marie struggled to escape from poverty, her father's lecherous, controlling grip, and a husband in the Klan. Determined to get an education, she clawed her way to a comfortable life and a home with indoor toilets—but her most unexpected struggle turned out to be survivor's guilt, so she kept returning home to "fix" her family and the sharecropper shack. After her father's funeral, Grace Marie burns down the family home—only to discover that she has unexpected ties to both the land and the people in her community. She realizes she will never have a "last trip home."

The Spice Necklace-Ann Vanderhoof 2010-01-05 A follow-up to the national bestseller An Embarrassment of Mangoes, Ann Vanderhoof and her husband navigate the Caribbean on a sailboat, discovering local culture in each tiny port, and collecting sumptuous original recipes along the way. Spices and herbs are the heart and soul of Caribbean cooking, adding more to the pleasures of the table here than perhaps anywhere else. In The Spice Necklace, award-winning food and travel writer Ann Vanderhoof embarks on a voyage of culinary discovery, as she follows her nose (and her tastebuds) into tiny kitchens and fragrant markets, through rainforest gardens and to family cookups on the beach, linking each food to its traditions, folklore and history. Meandering from island to island by sailboat, Vanderhoof takes readers along as she gathers nutmeg in Grenada, hunts crabs and freshwater crayfish in the mountains of Dominica, and obsesses about oregano-eating goats in the Dominican Republic. Along the way, she is befriended by a collection of unforgettable island characters who share with her their own delicious recipes, making this truly a book to savour. From the Hardcover edition.

A Trip To The Stars-Nicholas Christopher 2001-02-20 At a Manhattan planetarium in 1965, ten-year-old Enzo and his young aunt, Mala, are separated, an event that profoundly alters the rest of their lives. In an epic tale of love and destiny, A Trip to the Stars charts their paths over the next fifteen years as they search for each other and, in the process, discover themselves. As Enzo and Mala cross continents and seas on their separate journeys, they encounter a dizzying array of people: an arachnologist in New Orleans, an asteroid specialist, a wounded B-52 navigator in Vietnam, a professional mind reader, a maverick NASA astronomer, and countless others. All of them are searching for things they have lost -- loved ones, opportunities, enlightenment. Through them Mala and Enzo discover a world steeped in mystery, romance, and intellectual adventure. A Trip to the Stars is both a love story and a coming-of-age story that shows us what happens when we lose what matters most. Fusing imagination and suspense with remarkable narrative skill, Nicholas Christopher builds a story of tremendous scope that lingers in detail and sensation long after the last page has been turned.
