Those Pricey Thakur Girls-Anuja Chauhan 2017-08-16 In a sprawling bungalow on New Delhi's posh Hailey Road, Justice Laxmi Narayan Thakur and his wife Mamta spend their days watching anxiously over their five beautiful (but troublesome) alphabetically named daughters. Anjini, married but an incorrigible flirt; Binodini, very worried about her children's hissa in the family property; Chandrakanta, who eloped with a foreigner on the eve of her wedding; Eshwari, who is just a little too popular at Modern School, Barakhamba Road; and the Judge's favourite (though fathers shouldn't have favourites): the quietly fiery Debjani, champion of all the stray animals on Hailey Road, who reads the English news on DD and clashes constantly with crusading journalist Dylan Singh Shekhawat, he of shining professional credentials but tarnished personal reputation, crushingly dismissive of her 'state-sponsored propaganda', but always seeking her out with half-sarcastic, half-intrigued dark eyes. Spot-on funny and toe-curlingly sexy, Those Pricey Thakur Girls is rom-com specialist Anuja Chauhan writing at her sparking best.

Baaz-Anuja Chauhan 2017-04-10 'Why do they call you Baaz?' 'It means falcon,' he replies solemnly. 'Or bird of prey. Because I swoop down on the enemy planes just like a Baaz would.' Then he grins. The grey eyes sparkle. 'It's also short for bastard.' 1971. The USSR-backed India-Mukti Bahini alliance is on the brink of war against the America-aided Pakistani forces. As the Cold War threatens to turn red hot, handsome, laughing Ishaan Faujdaar, a farm boy from Chakkahera, Haryana, is elated to be in the IAF, flying the Gnat, a tiny fighter plane nicknamed 'Sabre Slayer' for the devastation it has wreaked in the ranks of Pakistan's F-86 Sabre Squadrons. Flanked by his buddies Raks, a MiG-21 Fighter, Maddy, a transport pilot who flies a Caribou, and fellow Gnatties Jana, Gana and Mana, Shaanu has nothing on his mind but glory and adventure - until he encounters Tehmina Dadyseth, famed bathing beauty and sister of a dead fauji, who makes him question the very concept of nationalism and whose eyes fill with disillusioned scorn whenever people wax eloquent about patriotism and war... Pulsating with love, laughter and courage, Baaz is Anuja Chauhan's tribute to our men in uniform.

Popular Postcolonialisms-Nadia Atia 2018-07-04 Drawing together the insights of postcolonial scholarship and cultural studies, Popular Postcolonialisms questions the place of 'the popular' in the postcolonial paradigm. Multidisciplinary in focus, this collection explores the extent to which popular forms are infused with colonial logics, and whether they can be employed by those advocating for change. It considers a range of fiction, film, and non-hegemonic cultural forms, engaging with topics such as environmental change, language activism, and cultural imperialism alongside analysis of figures like Tarzan and Frankenstein. Building on the work of cultural theorists, it asks whether the popular is actually where elite conceptions of the world may best be challenged. It also addresses middlebrow cultural production, which has tended to be seen as antithetical to radical traditions, asking whether this might, in fact, form an unlikely realm from which to question, critique, or challenge colonial tropes. Examining the ways in which the imprint of colonial history is in evidence (interrogated, mythologized or sublimated) within popular cultural production, this book raises a series of speculative questions exploring the interrelation of the popular and the postcolonial.

The Forest of Enchantments-Chitra Banerjee Divakaruni 2019-01-07 The Ramayana, one of the world's greatest epics, is also a tragic love story. In this brilliant retelling, Chitra Banerjee Divakaruni places Sita at the centre of the novel: this is Sita's version. The Forest of Enchantments is also a very human story of some of the other women in the epic, often misunderstood and relegated to the margins: Kaikeyi, Surpanakha, Mandodari. A powerful comment on duty, betrayal, infidelity and honour, it is also about women's struggle to retain autonomy in a world that privileges men, as Chitra transforms an ancient story into a gripping, contemporary battle of wills. While the Ramayana resonates even today, she makes it more relevant than ever, in the underlying questions in the novel: How should women be treated by their loved ones? What are their rights in a relationship? When does a woman need to stand up and say, 'Enough!' Karma and Other Stories-Rishi Reddi 2009-10-13 In this sparkling collection, award-winning writer Rishi Reddi weaves a multigenerational tapestry of interconnected lives, depicting members of an Indian American community struggling to balance the demands of tradition with the allure of Western life. In "Lord Krishna," a teenager is offended when his evangelical history teacher likens the Hindu deity to Satan, but ultimately forgives the teacher against his father's wishes. In the title story, "Karma," an unemployed professor rescues birds in downtown Boston after his wealthy brother kicks him out of his home. In "Justice Shiva Ram Murthy," which appeared in The Best American Short Stories 2005, an irascible retired judge reconnects with a childhood friend while adjusting to a new life with his daughter and her American husband. In "Devadasi," a beautiful young woman raised in the United States travels back to India and challenges the sexual confines of her culture. And in "Bangles," a widow decides to return to her native village to flee her son's off-putting American ways. Set mostly in the Boston area, with side trips to an isolated immigrant community in Wichita, Kansas, and the characters' hometown of Hyderabad, India, Karma and Other Stories introduces a luminous new voice.

Anticipating India-Shekhar Gupta 2014-04-22 How many, in a Mumbai room full of Hermes ties and finance whizkids, are Dalit? What if Mahesh Bhatt's son, David Headley's friend, had been a Muslim? Why is Delhi getting better as a city and Mumbai going downhill? When did the Congress first start shrinking its prime minister? When did it become clear that Narendra Modi would take over his party? Who are the HMTs? And what does an angry Arvind Kejriwal say about us? Raising such questions is the hallmark of Shekhar Gupta's National Interest, the most eagerly awaited news and current affairs column in Indian journalism. Informed by three decades and more of formidable reporting and a credibility that gives Gupta unrivalled access to decision makers in government, politics and business, the best of these columns in Anticipating India explain and interpret, provoke and predict change for more than a billion people. A riveting first draft of modern Indian history, Anticipating India interprets everything from the successes and failings of Atal Bihari Vajpayee and Manmohan Singh to the ascent of Rahul Gandhi, Narendra Modi and Arvind Kejriwal, from the forces that have deepened Indian federalism and constitutionalism to the public mood that keeps a check on excesses in the use of political power. Each chapter in Anticipating India, in its questioning of power, its use and abuse, carries within it ideas of India that challenge conventional wisdom, shatter stereotypes and, in the end, question our long-held assumptions of who we are as a nation and a people.

The Girls-Lori Lansens 2009-02-24 In Lori Lansens' astonishing second novel, readers come to know and love two of the most remarkable characters in Canadian fiction. Rose and Ruby are twenty-nine-year-old conjoined twins. Born during a tornado to a shocked teenaged mother in the hospital at Leaford, Ontario, they are raised by the nurse who helped usher them into the world. Aunt Lovey and her husband, Uncle Stash, are middle-aged and with no children of their own. They relocate from the town to the drafty old farmhouse in the country that has been in Lovey's family for generations. Joined to Ruby at the head, Rose's face is pulled to one side, but she has full use of her limbs. Ruby has a beautiful face, but her body is tiny and she is unable to walk. She rests her legs on her sister's hip, rather like a small child or a doll. In spite of their situation, the girls lead surprisingly separate lives. Rose is bookish and a baseball fan. Ruby is fond of trash TV and has a passion for local history. Rose has always wanted to be a writer, and as the novel opens, she begins to pen her autobiography. Here is how she begins: I have never looked into my sister's eyes. I have never bathed alone. I have never stood in the grass at night and raised my arms to a beguiling moon. I've never used an airplane bathroom. Or worn a hat. Or been kissed like that. I've never driven a car. Or slept through the night. Never a private talk. Or solo walk. I've never climbed a tree. Or faded into a crowd. So many things I've never done, but oh, how I've been loved. And, if such things were to be, I'd live a thousand lives as me, to be loved so exponentially. Ruby, with her marvellous characteristic logic, points out that Rose's autobiography will have to be Ruby's as well — and how can she trust Rose to represent her story accurately? Soon, Ruby decides to chime in with chapters of her own. The novel begins with Rose, but eventually moves to Ruby's point of view and then switches back and forth. Because the girls face in slightly different directions, neither can see what the other is writing, and they don't tell each other either. The reader is treated to sometimes overlapping stories told in two wonderfully distinct styles. Rose is given to introspection and secrecy. Ruby's style is "tell-all" — frank and decidedly sweet. We learn of their early years as the town "freaks" and of Lovey's and Stash's determination to give them as normal an upbringing as possible. But when we meet them, both Lovey and Stash are dead, the girls have moved back into town, and they've received some ominous news. They are on the verge of becoming the oldest surviving craniopagus (joined at the head) twins in history, but the question of whether they'll live to celebrate their thirtieth birthday is suddenly impossible to answer. In Rose and Ruby, Lori Lansens has created two precious characters, each distinct and loveable in their very different ways, and has given them a world in Leaford that rings absolutely true. The girls are unforgettable. The Girls is nothing short of a tour de force.
