When Godly People Do Ungodly Things-Beth Moore 2002-04-01 It is reported in the headlines, confessed in the pulpits, and hidden in the pews in churches around the world. The seduction of God’s people by the deceiver is a tale as old as the garden, but we are always surprised when it happens. We must realize that Satan is a lion on the prowl and we are his prey. Beth writes with a passion fueled by the Biblical warnings of the schemes of Satan’s seductive activity and the broken-hearted concern of a teacher who receives countless letters from repentant Christians limping on the road to finding restoration. Delivering dire warnings to Christians to safeguard themselves against Satan’s attacks, Beth also reveals how you can know if someone is vulnerable. Beth writes, “We, Christ’s church, are in desperate need of developing His heart and mind in issues like these.” She fears that often God is far more merciful than the Body of Christ is with the deeply repentant and those desperate to find their way home. When Godly People Do Ungodly Things will be a guide to authentic repentance and restoration.

The Daniel Prayer Study Guide-Anne Graham Lotz 2017-04-25 Do you ever feel your prayers are anemic? Hollow? Then this six-session video Bible study (DVD sold separately) is for you! Bestselling author Anne Graham Lotz looks at the life of Daniel and unpacks the prayer he prayed in Daniel 9. Unlike the everyday now-I-lay-me-down-to-sleep kind of prayer, this was a prayer birthed under heartache...grief...desperation. It was a plea for Heaven to move and change his nation. For an entire generation, Daniel’s people had been held in captivity and separated from their homeland—and thus separated from God. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out to the Lord to bring it to pass. Daniel’s example of praying God’s Word back to Him is what Anne calls “reversed thunder.” In this study, Anne explains how we, too, can reverse the thunder until Heaven is moved and our own worlds change. Following the pattern of Daniel’s original prayer, she helps us develop a more meaningful and powerful prayer life. As we learn how to storm the gates of Heaven and refuse to let go, we will see real change in the lives of not only those we are praying for, but also our own. Our prayers will become more effective as our faith is deepened and our personal relationship with God is strengthened. This guide includes weekly Bible study readings, video teaching notes, group discussion questions, group activities, and space for writing your own prayers. It is ideal for use in small groups and Sunday school classes and includes a simplified Bible study track for more limited meeting time (such as a workplace lunchtime setting). Sessions include: Preparing for Prayer Prompting in Prayer Pleading in Prayer Prevailing in Prayer The Battle in Prayer This study guide is designed for use with The Daniel Prayer Video Study (sold separately). A Facilitator’s Guide is included on the DVD only, with Additional Resources.

Believing God-Beth Moore 2015-04 “Is it working? Your belief system, that is. Is it really working? God’s intention all along has been for the believer’s life to work. From divine perspective toward terrestrial turf, God meant for his children to succeed. . . Are our Christian lives successful? Are they achieving and experiencing what Scripture said they would? In a recent sermon my son-in-law preached, Curt told us the only way we were going to impact the world and the next generation is to prove that our faith in Christ is real and that it works. For countless Christians I’m convinced it’s real. My concern is whether or not we have the fruit to suggest it works.”—Beth Moore; Believing God

Daniel-Todd Wilson 2015-06-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God’s Word. These 12-week study lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) “Gospel Glimpses” highlight the gospel of grace throughout the book; (3) “Whole-Bible Connections” show how any given passage connects to the Bible’s overarching story of redemption, culminating in Christ; and (4) “Theological Soundings” identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God’s grace on each and every page of the Bible. The book of Daniel has all the makings of a great story: memorable characters, cliff-hanging moments, and incredible visions. Yet we miss the point if we pay more attention to Daniel’s story than we pay to Daniel’s God. In this helpful study, readers will see how this fascinating biblical book ultimately points to the sovereign Lord of history, who rules over all earthly kingdoms and whose plans cannot be thwarted.
