Protocol Violation- A protocol violation is a deviation from the IRB approved protocol that may affect the subject's rights, safety, or well being and/or the completeness, accuracy and reliability of the study data. If the deviation meets any of the following criteria, it is considered a protocol violation. Example list is not exhaustive. I.

Protocol Deviations and Violations

A subliminal message is any piece of information which is sent beyond the limit of human perception. However, the subliminal messages still get processed by your sub-conscious mind. In this way, positive changes can be made without your pre-existing self-beliefs getting in the way, and without holding you back.
