Biker Billionaire #3: Riding the Heir-Jasinda Wilder 2016-11-03

Biker Billionaire #1: A Wild Ride-Jasinda Wilder 2012-08-30

Biker Billionaire-Jasinda Wilder 2013-02 \*\*\*Enjoy the first three Biker Billionaire stories in one volume, with a special bonus story\*\*\* A WILD RIDE The night I met Shane Sorrenson started off as the worst one of my life. I had just broken up with my fiance, John, after a huge fight. I decided I would rather walk home in the rain than drive with him another minute. Then Shane pulled up next to me on his Harley. He was huge, sexy and dangerous. Everything I'd never even dared fantasize about. I should have made him take me to a hotel, or a friend's house, or anywhere. Instead, I let him take me to his condo where he turned the worst night of my life into the most erotic, sensual experience I never would have imagined in my wildest dreams. THE MILE HIGH CLUB Well, I went with Shane. Crazy? Yes. But it was the ride of a lifetime. The things we did on his private jet...my god. It turned out, however, that I'd gotten myself into way more than I'd bargained for. I didn't even know he had a private jet, for starters. There's quite a lot I don't know about Shane Sorrenson, I discovered. I find myself faced with yet another last-minute decision that will change my life all over again. In a world of turbulent change, the one constant that I can rely on is hot sex with Shane. RIDING THE HEIR I jumped out of the frying pan and into the fire, it seems. I had a feeling there were some things about himself Shane Sorrenson was keeping from me. I mean, I knew his family was wealthy, but it turns out he is too. And now I've found my life, both day and night, becoming far more than I'd ever imagined it could be. Along the way, I've discovered a whole new side of Shane... Falling Into You-Jasinda Wilder 2014-11-13 I wasn't always in love with Colton Calloway; I was in love with his younger brother, Kyle, first. Kyle was my first one true love, my first in every way. Then, one stormy August night, he died, and the person I was died with him. Colton didn't teach me how to live. He didn't heal the pain. He didn't make it okay. He taught me how to hurt, how to not be okay, and, eventually, how to let go. Nell Hawthorne is in love with her life-long best friend, Kyle Calloway. Things are great, and they're in love, young, full of promise. Then Kyle dies in a tragic accident and Nell is forever changed. She meets Kyle's older brother Colton at the funeral, and there's a spark, but it's wrong and they both know it. The moment passes, and they both move on with life. A couple years later, they meet again in New York City, and Colton realizes that Nell has never really gotten over Kyle's death, and seems to be harboring a deeply rooted pain, something like guilt, perhaps. He knows he shouldn't get involved, but he can't help himself. Trust doesn't come easily for either of them, and they both have demons, Colton especially. Together, they learn the purpose of pain and the meaning of healing, and the importance of forgiveness. Not So Goode-Jasinda Wilder 2020-03-27 I've done everything right, my whole life. I never snuck out, never partied, never drank, never even had a high school boyfriend. Got all the best grades, got into all the best schools. I received not one, but TWO Ivy League University degrees. Had the paper-perfect fiancé, the paper-perfect life. And then it all fell apart. My fiancé cheated on me with my boss. I quit my job, left my fancy, upper-crust Boston condo, dumped my cheating fiancé...quit my entire life, basically. Took to day-drinking and bingeing Netflix. And then my younger sister Lexie calls me in a panic. She needs me to come rescue her, but won't say from what, just that I need to come get her...at her university...in New York. Which leads Lexie and I on road trip across the country. We form the no-bra man-hating day-drinkers roadtrip club...membership two. And then I...ummm...overindulge just a little bit, at a country music festival. Get harassed by assholes. Have to be saved by tall, dark, and handsome man named Crow. Crow turns my whole world upside down. He shows me what real pleasure is. Shows me what I've been missing my whole life...what a man can and should do to make a woman feel really, really

good. He's bad. Dangerous. Wild. He has a bad mouth, hard fists, and a dark, mysterious past. And a talented tongue. And hands I find myself wanting all over me, in a desperate way I thought was only real in the romances I read. And now, suddenly, I find myself wanting a wild mustang of a man, an untamable force of nature...and wondering if there's room in my safe, orderly, good girl world for him. Or if maybe I can learn how to be...not so good. \* \* \* She's everything good and sweet and innocent in the world, and I'm a hard-fisted brawler, an outlaw with a bloodstained past. I'm the exact, polar opposite to everything Charlie Goode is. I want her—I want her quick mind and her soft skin, her sexy curves and her sharp tongue. I want her body, and I want her soul. But I can't have her. When she finds out about the bloody, violent truth of my past, she won't want anything to do with me. She'll run away as fast and as far as she can, because I'm not meant for a sweet, innocent thing like her. Until then, though, I plan on getting her a little dirty. Showing her some of the wild side where I live my life. Take what I can get, and enjoy the ride, and worry about the state of my heart later. You know what they say about the best laid plans, though.

Badd Ass-Jasinda Wilder 2017-01-19 I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout "MEDIC!" training just kicks in. It's automatic, immediate. I don't think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he'd been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn't getting him, it's keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn't know what to do with him. It's not in my nature, and if life has taught me anything, it's to not trust anyone, least of all men like Zane. He's a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. \* \* \* Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR.

Badd Luck-Jasinda Wilder 2017-11-02

A Real Goode Time-Jasinda Wilder 2020-06-25 Rhys Frost—he's literally too good to be true. Tall, dark, and so handsome, with big strong grease-stained and work-roughed hands, a brilliant smile, and a heart of gold. He's patient. He's funny. And he wants me. He wants to do things to me that I've never even dared fantasize about. The problem is, I'm a virgin, and I haven't told him. \* \* \* I found Torie Goode on the side of the road in a torrential downpour, looking like a sad wet rat. Then I got a better look at her, and I realized I had a woman of truly breathtaking beauty in the passenger seat of my old CJ-7. Somehow, I managed to let myself get lured into a road trip with a gorgeous, tantalizing woman...who was, for some reason, reticent to let things go anywhere between us, physically. She's hiding something. And we're alone in a car for hours on end, days on end. Connecticut to Alaska, to be exact. I want her. She wants me. I just need to figure out what her hold up is, and how to get past it...and what to do if and when I do.

Badd Motherf\*cker-Jasinda Wilder 2016-10-28 Your wedding day is supposed to be the happiest day of your life, right? That's what they say, at least. I went into that day hoping I'd get the happiest day of my life. What I got? The worst. I mean, you really can't get any worse of a day without someone actually dying. So...I may have gotten just a little drunk, and maybe just a tad impetuous... And landed myself in a dive bar somewhere in Alaska, alone, still in my wedding dress, half-wasted and heart-broken. \*\*\* Eight brothers, one bar. Sounds like the beginning to a bad joke, yeah? I kinda think so. Wanna hear another joke? A girl walks into a bar, soaking wet and wearing a wedding dress. I knew I shouldn't have touched her. She was hammered, for one thing, and heartbroken for another. I've chased enough tail to know better. That kinda thing only leads to clinginess, and a clingy female is the last thing on this earth I need. I got a bar needs running, and only me to run it—at least until my seven wayward brothers decide to show their asses up... Then this chick walks in, fine as hell, wearing a soaked wedding dress that leaves little enough to the imagination—and I've got a hell of an imagination. I knew I shouldn't have touched her. Not so much as a finger, not even innocently. But I did.

Goode Vibrations-Jasinda Wilder 2020-08-28 I'm no stranger to beautiful places and beautiful women; the life I've led has left me jaded to both...or so I thought. Then a working holiday photographing the wild,

lonely places of America leads me to a goddess. She's all long black hair and dangerous curves, fiercely independent, with art in her soul. She sets me on fire, she turns me inside out—and in so doing, she shows me the man I've kept hidden within the inner sanctum of my lonely heart. She is Poppy Goode, and I cannot live without her. \* \* \* Hitchhiking from Manhattan, New York to Ketchikan, Alaska seems like a pretty interesting way to discover one's self, and one's purpose in this universe. I meet all kinds of people along the way, so it's not entirely surprising when I catch a ride with a gorgeous traveler from New Zealand. He's golden, tall and lean, and his accent is to die for—a New Zealand twang and roll that lilts and makes me laugh. He's got a million stories, each more unbelievable than the last: he's an adventurer and a photographer for Nat Geo, but none of his crazy, fascinating stories can hide the sadness in his eyes. We are both brave about everything except ourselves, and we embark on a path that takes us over the craggy mountains surrounding my heart and his. We share scorching, undeniable physical chemistry, but letting ourselves be really free requires immense courage, unflinching honesty, and vulnerability...which neither of us are certain we possess. There's a map for highways, but if there's a map for love, I never got it.

Alpha One Security-Jasinda Wilder 2019-12-07 Nicholas Harris is a professional badass. Ex-Army Ranger, former personal security for the one and only Valentine Roth, mercenary, assassin, pilot, and my lover. After Roth and Kyrie holed up in their island fortress estate in the Caribbean, Nick started a private security contracting company: Alpha One Security. He hired the best of the best, the scariest, nastiest, toughest—and sexiest—security experts in the business. And oh yeah, there's little ol' me: Layla Campari, mercenary-in-training. \*\*\* Thresh. Just the name suggests power, dominance, danger...and the man himself? Oh man. I've never met anyone like him. Larger than life, exuding raw power. He's a mountain of rugged, masculine sex appeal. But I have walls that no man, no matter how big he is, has ever been able to break through. Thresh doesn't know how to take "no" for an answer, though. He's determined to get past all my defenses and show me what I've been missing. Can Thresh singlehandedly take on armed and dangerous men out to kill us AND my freight train of emotional baggage? \*\*\* Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Fortunately, Duke Silver is a hard-core badass, because it's going to take every last shred of skill he has as a killer commando to keep us both alive, and even then, nothing's a sure thing.

Stripped-Jasinda Wilder 2013-08-14 So how did I get myself into this situation, you ask? Simple: desperation. When you're faced with being homeless and hungry or taking off your clothes for money, the choice is easier than you'd imagine. That doesn't make it easy, though. Oh no. I hate it, in fact. There's nothing I'd like more than to quit and never go into another bar again, never hear the techno beat pulsing in my ears again, never feel the lecherous gazes of horny men again. Then, one day, I meet a man. He's in my club, front and center. He watches me do my routine, and his gaze is full of hunger. Not the kind of desire I'm used to though. It's something different. Something hotter, deeper, and more possessive. I know who he is; of course I do. Everyone knows who Dawson Kellor is. He's People Magazine's Sexiest Man alive. He's the hottest actor in Hollywood. He's the man hand-picked for the role of Rhett Butler in the long-awaited remake of *Gone With the Wind*. He's the kind of man who can have any woman in the entire world with a mere crook of his finger. So what's he doing looking at me like he has to have me? And how do I resist him when he looks at me with those intoxicating, changeable, quicksilver eyes? I'm a virgin, and he's an American icon of male sexuality. I'm a stripper, and he's a man used to getting anything and everything he wants. And he wants me. I know I should say no, I know he's the worst kind of player...but what my mind knows, my body and my heart may not. And then things get complicated.

Wicked Billionaire-Sawyer Bennett 2020-08-04 As the prince of a luxury hotel empire, I am as close to American royalty as one can get. I grew up accustomed to a certain lifestyle. One where people give me what I desire and anything, or anyone, else can be bought. Everyone wants a piece of me, yet no one is actually deserving of my time. That changes when Bailey Robbins, the smoking hot housekeeper in one of my hotels, catches my attention. Sure, she has curves for days but it's her smart mouth I can't help but be intrigued by. I may have avoided relationships all my life, but something about her makes me want to introduce her to my world. The darker, wicked side of Declan Blackwood.

Duke: Alpha One Security: Book 3-Jasinda Wilder 2016-12-09 Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Six-six, built like a god, red hair, blue eyes, and a tree trunk between his legs. Yeah. This is the guy I got kidnapped with. Phrasing is important there: kidnapped WITH, not kidnapped BY. Fortunately, Duke

Silver is a hard-core badass, because it's going to take every last shred of skill he has as a killer commando to keep us both alive, and even then, nothing's a sure thing.

For a Goode Time Call...-Jasinda Wilder 2020-02-28 The size of a Kodiak bear and covered in tattoos. A heart of gold, a rough and tumble past. Confident, powerful, gentle. Wise. Artistic. Deep wild brown eyes that see far deeper into me than they should. Nothing in my life could ever have prepared me for the reality that is Ink Isaac. He's just so much more than anyone I've ever met, and my instant, inexplicable, and undeniable attraction to him leaves me reeling. But with my life recently turned upside down, the more time I spend around him, the more I realize I'm not even sure what my future looks like anymore—all I know for sure is, my heart and my body want him in it, even if my mind is saying something else. \*\*\* She's a tiny little thing, all hard edges and sharp wit. All woman, with slender curves and hypnotic eyes. She's all fire and bravado, and she's melting my big, bear-sized heart, little by little. I'm utterly hooked. Willing to risk it all for her. Everything she is seems to demand that I give her everything I am. I'm just not sure if I know how to do that, if she really knows what she's asking for when she looks up at me with those beautiful, blazing hazel eyes. She sets me on fire, but are either of us ready for what that fire will do to both of us?

Badd Boy-Jasinda Wilder 2018-04-13 I'm Harlow Grace, the newest, hottest face of Hollywood sex appeal, the woman every man wants and every woman wants to be... and I'm running away. I need an escape. I need to get away from the pressure, find somewhere I won't be hounded at every step—an impossible thing to ask when I'm on billboards everywhere, from LA to Laos, Japan to Jakarta, Sydney to Siberia. So, I buy a yacht and hide out in the most obscure, remote, and unexpected place I can think of: Ketchikan, Alaska. Instead of a peaceful vacation, however, what I find in Ketchikan is trouble. The kind of trouble that's six-plus feet of nerdy hotness I can't resist. I mean, who could? He's a genius with no idea how attractive he is, an enigma of contradictions: awkward yet confident, fascinating and flirtatious, yet aloof and evasive of physical touch. He's utterly and deliciously sexy in every way—and oh, so innocent. \* \* \* I can recite all of The Iliad and The Odyssey in the original Greek. I can do advanced mathematics in my head and memorize entire books with ease. By the time I graduated high school I had been scouted by several international soccer teams and recruited by think tanks, the NSA, and the CIA. All of which is totally useless when a woman like Harlow Grace is standing in front of me, trying to talk to me, flirting with me, touching me. She's Helen of Troy—a woman with a face that could launch a thousand ships, a woman wars are fought over. It turns out she's not just beautiful—she's famous. A Hollywood sex symbol. A superstar known all over the world... And yet somehow she's interested in me?

Just the name suggests power, dominance, danger...and the man himself? Oh man. I've never met anyone like him. Larger than life, exuding raw power. He's a mountain of rugged, masculine sex appeal. But I have walls that no man, no matter how big he is, has ever been able to break through. Thresh doesn't know how to take "no" for an answer, though. He's determined to get past all my defenses and show me what I've been missing. Can Thresh singlehandedly take on armed and dangerous men out to kill us AND my freight train of emotional baggage? \*\*\* Under ordinary circumstances, waking up bound and gagged next to a hot guy wouldn't be the worst thing that's ever happened, but these aren't ordinary circumstances. There's guys with guns after us...LOTS of them--both the guns and the guys. Fortunately, Duke Silver is a hard-core badass, because it's going to take every last shred of skill he has as a killer commando to keep us both alive, and even then, nothing's a sure thing.

It started with a window that was jammed shut. Pretty simple, right? All I wanted was to open the windows while I tidied the house. I'd been after my no-good husband to do it for months, but he never did. And then he shacked up with his secretary, leaving me with a pile of bills, husband-free for the first time in ten years, and with a house that was falling apart. The ad popped up on the side of my social media feed—a local contracting agency willing to do pretty much anything. Since I don't really know a screwdriver from a ratchet, I gave them a call. And let me tell you, the ad was NOT lying. Jesse O'Neill can do it ALL...and looks amazing doing it. He fixed my window, so I called him back to fix the sagging, splintery front steps. Which led to him fixing my kitchen sink. And then he recarpeted my stairs. And then fixed the squeak in my bed. He was supposed to fix my house, not my rusty, sputtering libido. And certainly not my broken heart.

Delilah's Diary-Jasinda Wilder 2013-01 I've always been a good girl. I grew up in a small town, dated my high school sweetheart all the way through college, and married him. I even waited until our wedding night for my first time. Yeah, that kind of good girl. Finding my husband in bed with the church secretary came as quite a shock, needless to say. Finding out he'd slept with just about every female in town was an even bigger shock. Discovering those dirty little secrets is what sent me on a journey that I will never forget.

Screwed-Jasinda Wilder 2019-03-07 "He has to be ready for it, Jess," I say, my voice low and quiet. Jesse nods. "I know. It's just that I'm a fixer, and his broken-ass heart is the one thing I can't fix." "No one can," I say. "I can't fix his broken heart. He has to be willing to be with me with a whole heart. There'd be pieces missing, and seams and cracks, but offered as a whole. I'm worth more than just taking the screwed up mess of him, just to have part. I want more than that—I deserve more. If he can get there, I'll be here waiting. I've got nothing but time, Jess. I'm not going anywhere, and I told him that. I'm willing to wait—because I think he's worth waiting for." I smile at Jesse. "If he can get his head out of his ass and work on rebuilding his broken-ass heart, he'll be worth having waited for." Except I've already waited so long. For him—for anyone, but especially for him. Endured so much. Spent so long alone, and lonely. And now James is RIGHT THERE, but still out of reach. My heart wants him, my body wants him, but my fears say he'll only hurt me. And he himself says he's not sure he'll ever be able to get over the past—losing his wife. I don't blame him, but... How long can I wait? And if he does come around, will it be worth it?

Anselm-Jasinda Wilder 2019-12-05 I'm a thirty-nine year old single mother to a sweet little blond seven year old girl. An ER nurse just barely scraping by, working sixty-plus hours a week to make ends meet. I'm no stranger to ugly sights, but I keep all that locked away in a tiny dark little box where it'll never affect my baby girl. I wouldn't even classify what happened as meeting him, but it was enough, apparently, to warrant my involvement in a mess far beyond anything I could even imagine. What happened? I came home late one night after a hellish shift in the ER, ready for a glass of wine and some mindless TV before bed. Instead, I found a man in my kitchen, using my sewing kit to suture a glancing gunshot wound to his ribcage. Being a nurse, I couldn't help taking over. He said nothing, refused to even hear my name. The moment he was sewed up, he made for the door. He told me knowing nothing was safest for me—and he said this in a quiet, accented voice that only made me curious to know more about him. He vanished into the night as silently and mysteriously as he appeared, and that was that. Or, it should have been. Only, I woke up in the back of a helicopter, bound and gagged. Simply for meeting him. For seeing his face—hearing his voice. He rescued me, but that was only the beginning.

Lear-Jasinda Wilder 2019-11-07 It was supposed to be a one-night stand with a tall, wiry, handsome, slightly nerdy guy with oddly captivating green eyes. Those eyes were the only clue that there was a lot more to this guy than I'd first assumed—they were hard, wickedly intelligent, cunning eyes. They hid more than they revealed, and the name he gave, Lear, seemed made up. But he was sexy and he talked a good game, and I was in the mood for some fun. Turns out, though, that the green-eyed nerd I'd so enjoyed sleeping with was no one to screw around with, either. And he doesn't like being forced to violence—which he was, in rescuing me. Not that I needed rescuing, mind you. I mean, there were a lot of them, and they were tough, and well-trained. I could kick ass and takes names with the best black-ops commandos in the world, and this mysterious Lear seemed to be no slouch either. It would take all of our combined skills to stay alive, but that's not the part I was worried about. No, what worried me wasn't staying alive, it was staying out of love. I'd agreed to let Lear into my pants—one night only, thanks, and goodbye...it seemed fate had other ideas.

Falling for Colton-Jasinda Wilder 2016-01-14 I wasn't always in love with Nell Hawthorne; I was in love with a girl named India before I ever met Nell. India? She was my first love, the girl who made me want to be better than my past, better than the blood and violence. Live by the sword, die by the sword, that's what they say, right? It should have been me, that day. But it wasn't. It was her. And that changed me. Sent me down an even darker path than I'd been on before. Until I met her. Nell Hawthorne. The girl who changed everything. You know that story. But what you don't know is everything that led up to that rainy day under a tree, at a funeral.
