Forever Ride-Chelsea Camaron 2015-12-04 Events happen in life that can awaken our truest and deepest desires. They also show us our greatest fears. Sometimes, we are forced to face those fears; other times, we build unbreakable walls to protect ourselves. The danger, the wild, the chaos, and the lifestyle of the Hellions’ world has become too much for Savannah “Sass” Perchton. Swearing off bikers and attempting a “normal” life, she has settled, committed to Nick, her country club, pretty boy. Things aren’t always what they seem. Wrap an empty box in pretty paper and a bow, and it may look amazing, but it’s still a hollow shell. He’s a Hellions’ playboy. He has a different chick in his bed every time; he’s constantly off on a ride; and he’s always ready for something new. He’s Frank “Tank” Oleander, Hellions’ Road Chief. The fast pace of his life catches up to him. At a crossroads, he is forced to face some life changing thoughts or succumb to the darkness of death. Teetering on the brink of giving in, her voice is all he holds on to. These two once shared a profound connection, but what was previously a strong friendship is now shattered, and fate has stepped in and shaken both their worlds. Can he pull through? Can she ever see beyond the cut, into the heart of the man? Will they find their forever ride? 18 and older due to adult language and content please. The New York Chronology-James Trager 2010-09-07 For a city like no other comes a book like no other. The New York Chronology tells the epic story of how a remote trading outpost and fishing village grew into the “world’s capital” as we know it today. In tens of thousands of chronological entries, James Trager marches year by year through both the defining and incidental moments in the city’s history, from the arrival of Florentine navigator Giovanni da Verrazano in 1524 to the sad closing of Ratner’s Delicatessen on the Lower East Side "after 97 years of serving blintzes, kasha, latkes, and matzoh brei." With impeccable scholarship, humor, and an astonishing level of detail, Trager’s information-packed entries straddle 32 separate categories that define this great metropolis. Turn to any year and you’ll get a vivid sense of what life was like for New Yorkers at that time -- the political and financial developments that shaped their lives; the books, magazines, and newspapers they read; the restaurants, nightclubs, shows, and sporting events that entertained them; the fitful progress of their neighborhoods, schools, hospitals, public works, transportation systems, and so much more. Of course, New Yorkers themselves hold center stage, and The New York Chronology is loaded with eye-opening and colorful stories about its famous, infamous, and long-forgotten inhabitants. From society events and publicity stunts to scandals and murders, here are scores of offbeat tidbits that you simply won’t find in a more conventional history. Handsomely illustrated with more than 130 photographs and drawings, it is an entertainingand essential book for New York lovers -- a homage as grand as the city itself.

Born to Be Wild-Barry Bowe 2009-09-26 The restored true crime classic. The story of Bobby Nauss, an outlaw motorcycle gang member, from the host of America’s Best Crime Magazine podcast. Born to Be Wild recounts the criminal career of Bobby Nauss, a member of the Warlocks, an infamous Pennsylvania motorcycle gang, who was convicted of trafficking in drugs, killing a woman, and raping another, and who escaped from a maximum security prison. Nauss was featured on the second episode ever of America’s Most Wanted. Originally published in 1994, Born to Be Wild became a Main Selection of Doubleday’s Book of the Month Club and was translated into German under the title: Der Wilde. At that point, Barry Bowe quit writing for the next twenty years to devote his life to betting on racehorses and delivering pizza. In 2014, the passion to create returned and he revised the original version of Born to Be Wild by restoring the 40,000 words that he’d been forced to delete by the publisher to conserve space the first time around. Bowe is also the author of the Uber Driver series featuring The Dead Stripper and Gentlemen Prefer Blondes

Free Ride-M. N. Forgy 2017-12-06 I’m crazy, deranged, and psychotic. I’m out of my mind and my life isn’t even mine half the time. Having Dissociative Identity Disorder, it’s an accurate assumption. Born an MC brat, my only dream is to wear the colors of my father’s club, The Shadow Keepers. To feel the weight of the warm leather press across my back, and to be a part of something with purpose. It wasn’t until the last drop of blood dripped from my fingertips and the gun smoke faded into the night sky that I realized what was really important to me. Him. In a blink of an eye, I lost it all. I lost him. There’s no such thing as a Free Ride in life, and our story is an example of that.

Outlaw Bikers-John Korr 2020-05-11 BORN TO RIDE, THE ONES INSIDE Some 'one percenters' have committed criminal acts, 100% crimes. Hells Angel Chris Hudson, stewing in steroid, booze and ice juices, was, in his girlfriend-victim's words, 'completely out of his mind, insane, just completely gone' when his handgun came out, after his fist and boot went in. A lot of crimes were committed on Father's Day 1984, one of the saddest days for outlaws, when Bandido met Comanchero in the car park of the Viking Tavern. What did happen when the Bandidos prez KK - Chaos was another name - was gunned down by two Rebels in the basement of the Blackmarket Café, under the Hellfire S&M club? A sniper in the desert near Kalgoorlie and a Gypsy Joker bomb team in Perth are not two stories, they're one bloody unfinished revenge story. Melbourne Hells Angels Roger, Peter, Ray and Terence - the Greenslopes Angels - took the amphetamine group of drugs from petty contraband into the black mass market. And changed Australia.
