Bronx Masquerade-Nikki Grimes 2003-12-01 While studying the Harlem Renaissance, students at a Bronx high school read aloud poems they've written, revealing their innermost thoughts and fears to their formerly clueless classmates. Between the Lines-Nikki Grimes 2018-02-13 This thought-provoking companion to Nikki Grimes' Coretta Scott King Award-winning Bronx Masquerade shows the capacity poetry has to express ideas and feelings, and connect us with ourselves and others. Darrian dreams of writing for the New York Times. To hone his skills and learn more about the power of words, he enrolls in Mr. Ward's class, known for its open-mic poetry readings and boys vs. girls poetry slam. Everyone in class has something important to say, and in sharing their poetry, they learn that they all face challenges and have a story to tell—whether it's about health problems, aging out of foster care, being bullied for religious beliefs, or having to take on too much responsibility because of an addicted parent. As Darrian and his classmates get to know one another through poetry, they bond over the shared experiences and truth that emerge from their writing, despite their private struggles and outward differences. Family Dialogue Journals-JoBeth Allen 2014-04-15 This honest, clearly written, and accessible book shows how to use Family Dialogue Journals (FDJs) to increase and deepen learning across grade levels. Written by K-12 teachers who have been implementing and studying the use of weekly journals for several years, it shares what they have learned and why they have found FDJs to be an invaluable tool for forming effective partnerships with families. Learn from first-hand accounts how students write weekly about one big idea they have studied, ask a family member a related question, and then solicit their writing in the journal. Through these journal entries, they share their family knowledge with classmates while actively engaging with the curriculum. In turn, teachers extend the academic discussion by writing to each family and incorporating their funds of knowledge into classroom lessons—writing about everything from the use of thermometers to life in Michoacán, Mexico. Family participation in the FDJs is remarkably high across ages, ethnicities, and economic realities. “This is an incredibly readable book that is highly useful for teachers, teacher educators, and university researchers interested in this powerful practice. The descriptions of the classrooms are riveting and exemplify the kind of teaching we would all like to see in every classroom.” —Kathy Schultz, dean and professor, Mills College “Family Dialogue Journals is a beautiful, socially conscious book offering so much wisdom for curriculum, classroom norms, and creating learning-focused contexts. Readers will be immersed in classroom contexts, teachers' decisionmaking processes, and practical advice about how to foster a humble, genuine, ongoing dialogue built upon mutual respect and openness with their students and students' families. Family Dialogue Journals doesn't just demonstrate the power of interpersonal relationships, it links those dialogues and relationships directly to curriculum and supporting students' critical literacies of both community and academic ways of knowing and being Family Dialogue Journals is a beautiful, socially conscious book offering so much wisdom for curriculum, classroom norms, and creating learning-focused contexts.” —Stephanie Jones, professor, University of Georgia Jazmin's Notebook-Nikki Grimes 2000-01-01 Her name is Jazmin, and like the music of her name, her life throbs and swings?a few flat notes to be sure, but also bursting with rich passages that rise and soar. Sitting on her stoop she fills her notebook with laughs, anger, and hope. There?s the risky lure of ?luscious-looking? men and the consequences of free haircuts. This is a fourteen-year-old so-real girl living in Harlem in the 1960?s, ?born with clenched fists? and big dreams, and strengthened by the love of a steadfast sister. Captured within pages of her tough, exuberant life are all the beauty, chaos, confusion, and clarity that accompany the excitement of exploring life?s possibilities?and discovering they are endless. Racism in Contemporary African American Children's and Young Adult Literature-Suriyan Panlay 2016-10-25 Applying critical race theory to contemporary African American children's and young adult literature, this book explores one key racial issue that has been overlooked both in race studies and literary scholarship—internalised racism. By systematically examining the issue of internalised racism and its detrimental psychological effects, particularly towards the young and vulnerable, this book defamiliarises the very racial issue that otherwise has become normalised in American racial discourse, reaffirming the relevance of race, racism, and racialisation in contemporary America. Through readings of works by Jacqueline Woodson, Sharon G. Flake, Tanita S. Davis, Sapphire, Rosa Guy, and Nikki Grimes, Suriyan Panlay develops a new critical discourse on internalised racism by studying its effects on marginalised children, its manifestations, and the fictional narrative strategies that can be used to regain and reclaim a sense of self.
