Bubba and the 12 Deadly Days of Christmas-C. L. Bevill 2012-11-01
Bubba Snoddy's got some problems. His family has descended for the Christmas holidays and not in a good way. His cousin wants to own the Snoddy Mansion, decrepit, falling down columns, termites, wood rot and all and isn't above using manipulative behavior to achieve his ends. Miz Demetrice is up to nefarious and illegal activities while trying to entertain relatives. His cousin's ten year old son is the personification of a demon and has hobbies of looking at medical photographs, making stun guns from scratch, and causing havoc wherever he roams. The woman of Bubba's dreams, Deputy Willodean Gray, is still evading his romantic pursuits.

Patients from the local mental institute are wandering over the town, ostensibly assisting with the Christmas Festival thanks to a program established by the mayor to cut costs. And Bubba has just found the dead body of a man dressed as Santa in the Christmas scene at City Hall. Oh, Pegramville, Texas is just the best place to be at Christmas if a fella has a bullet proof vest and a linebacker's helmet. All the folks think Bubba might have done did it...again, even though it was proven that he didn't done did it the first time, and Bubba has to move quickly in order to catch a murderer. Book 2 of the Bubba series.

Bubba and the Dead Woman-C. L. Bevill 2012-11-01 Bubba Snoddy is a good old country boy with a big problem. Although he's personable, handsome, and lives in a historical Southern mansion in a small Texas town, he has just discovered the dead body of a woman to whom he was once engaged to marry. His ex-fiancée was responsible for Bubba being thrown out of the military which in turn caused his shameful return to the tiny town of Pegramville, where everyone is a consummate gossip and no one has any secrets. Sheriff John Headrick, the townsfolk, and his own mother believes Bubba killed his ex-fiancée in a fit of vengeful rage. To top it all off, there are some mighty strange goings-on at the Snoddy Mansion, where ghosts walk the halls rattling chains in the midnight hour, and Bubba's own sainted mother, Miz Demetrice, runs an illegal gambling ring. Rumors run merrily rampant about Bubba, decadent Snoddy ancestors, missing Civil War gold, a to-die-for sheriff's deputy with the greenest eyes Bubba's ever seen, and a Basset Hound named Precious who likes to nip first and ask questions later. Bubba has to find out exactly who did murder his ex-fiancée and quickly before he goes to jail for the crime, or before someone murders him.

Bubba and the Curious Cadaver-C.L. Bevill 2017 What does a gentlemen's club, mysterious men in black, a dead body, a broken down car with a lady in dire need, a heavily pregnant beauteous sheriff's deputy, and Miz Demetrice trying to unionize exotic dancers have in common? Why, it's Bubba Snoddy and the day things went south, yet again. Quite naturally, or unnaturally, there's a humdinger of a mystery, and Bubba is right in the middle of it. Book 8 of the Bubba Mysteries series. Book 1 - Bubba and the

Bubba and the Zigzaggery Zombies-C. L. Bevill 2014-01-01 It's trouble as usual for Bubba. His mother, Miz Demetrice, and her good friend, Miz Adelia, are up to no good with the DEA watching them for mysterious reasons. In addition, Bubba's also trying to get the beauteous sheriff's deputy, Willodean, alone for some quality time, when zombies invade in a cinematic manner. Further, the director of the movie is apparently murdered by persons unknown, and someone is pointing a finger directly at Bubba (again).

Zigzaggery zombies, fetid filmmakers, maternal madness, and cryptic casualties are all par for the course. What's a Bubba to do?Bubba and the Zigzaggery Zombies is book 5 in the Bubba

series. Book 1 - Bubba and the Dead Woman. Book 2- Bubba and the 12 Deadly Days of Christmas. Book 3 - Bubba and the Missing Woman. Book 3.5 - Brownie and the Dame. Book 4 - Bubba and the Mysterious Murder Note. Book 4.5 - The Ransom of Brownie.

Bubba and the Mysterious Murder Note-C. L. Bevill 2013-07-07 Just when you thought it was safe to go back to Pegramville...Oh no! Bubba's got problems...again! For months, Pegramville and Pegram County have been relatively peaceful. But then there's the "attack" of the Pegramville Murder Mystery Festival, organized by none other than Miz Demetrice herself. Who knew people would make fun of the murders that happened in their own town? To add a spoonful of hot pepper to the mix, the local judge has just announced his run for the gubernatorial seat of Texas, and The Purple Singapore Sling has a new persona, causing all kinds of confusion, chaos, and commotion.During the midst of the festival madness, Bubba's truck has broken down, and he's found a cache of original car parts. One of the boxes contains a lost soul's plea that may be as old as the antique truck, "If someone finds this note, then I have been murdered. My name is M—."And you thought small towns were boring...

Bubba and the Missing Woman-C. L. Bevill 2012-11 Quite naturally,

Bubba's got another problem. The woman he likes, a lot, is missing. Folks 'round Pegramville don't have an inkling whether Bubba done did anything this time. In fact, Bubba doesn't know what to think, but he is plumb dedicated on finding Willodean Gray, through fair means or foul. It will take a trip to the big city of Dallas, a run-in with an unstable superhero called The Purple Singapore Sling, a kidnapping by a Dallas crime lord, and a headlong hunt for a devious individual who snatched the fair sheriff's deputy to figure out which end is up. What Bubba comes to understand is not all the crazy folks live in the country. Bubba's on the edge and he's goin' hog-wild in a donut factory! Book 3 of the Bubba series.

Conjuring Crisis-George Baca 2010 How have civil rights transformed racial politics in America? Connecting economic and social reforms to racial and class inequality, *Conjuring Crisis* counters the myth of steady race progress by analyzing how the federal government and local politicians have sometimes "reformed" politics in ways that have amplified racism in the post civil-rights era. In the 1990s at Fort Bragg and Fayetteville, North Carolina, the city's dominant political coalition of white civic and business leaders had lost control of the city council. Amid accusations of racism in the police department, two white council members joined black colleagues in support of the NAACP's demand for an investigation. George Baca's ethnographic research reveals how residents and politicians transformed an ordinary conflict into a "crisis" that raised the specter of chaos and disaster. He explores new territory by focusing on the broader intersection of militarization, urban politics, and civil rights.

DAGGER THE TIMES CRIME BOOK OF THE MONTH: 'Full of humour, originality and high-quality writing' East Long Beach. The LAPD is barely keeping up with the high crime rate. Murders go unsolved, the elderly are being mugged, children go missing. But word has spread: if you've got a case the police can't - or won't - touch, Isaiah Quintabe will help you out. They call him IQ. He's a loner and a high school dropout, his unassuming nature disguising a relentless determination and a fierce intelligence. His clients pay him whatever they can afford, a new set of tyres or some homemade muffins. But now he needs a client who can pay. And the only way to that client is through a jive-talking, low-life drug dealer he thought he'd left behind. Then there's the case itself. A drug-addled rap star surrounded by a crew of flunkies who believes his life is in danger; and a hit man who even other hit men say is a lunatic. If he solves this case, IQ can put right a mistake he made long ago. If not it won't just be the hit man coming after him ... WINNER of the ANTHONY AWARD for Best Debut, the SHAMUS AWARD for BEST FIRST P.I. NOVEL. the MACAVITY AWARD for Best First Novel; SHORTLISTED FOR THE 2017 EDGAR AWARD and STRAND CRITICS AWARD.
