Dark Congress-Christopher Golden 2018-05-08 Since the beginning of time, the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future. This centennial event was called the Dark Congress. In the second century b.c., however, the Dark Congress failed to resolve their conflicts. Instead, the Congress ignited into a war that drove wedges between the various demon races from that time until now. And all of it began as a result of Kandida, the great North African river demon, being nearly killed by forces in the Congress and magically entombed in the riverbank. But now, Kandida is free, and for the first time in centuries, the Dark Congress is being called again. All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence, Rhode Island. Some gather in hopes of resolution, some in favor of war, and Kandida is tasked to broker a treaty and guide the Congress to peace, wherein everyone might simply agree to disagree. And so the demons gather under a banner of a truce. But the demons still harbor many bitter disagreements with one another. The Congress must have an arbiter of these conflicts, and that someone is Buffy Summers. Buffy is horrified and disgusted to be included. After all, she is not a demon...is she? She knows so little about her powers that she cannot say for certain where they truly spring from. How can she spend so much time wallowing in the darkness without becoming part of it? Can she possibly agree to a truce with all the horrors of the world, and allow them to come Providence without any attempt to stop them? And does she have a choice?

Queen of the Slayers-Nancy Holder 2005-06-01 After closing the Hellmouth, Buffy moves to Europe to help rebuild the forces of good, but she doesn't have much time before evil strikes again, especially now that she has to deal with the Queen of the Slayers as well.

Buffy the Vampire Slayer: New School Nightmare- 2018-09-25 An exciting and hilarious new middle grade story for anyone who likes (or doesn't like) vampires! Buffy Summers is just like any other student...except for the part where she's also a secret vampire slayer. In every generation, one girl is granted great strength to stand against the forces of darkness. Of course, power doesn't matter when it comes to eating lunch alone, getting picked on by the popular kids, or having way too much homework. Luckily, Buffy finds her way with a can-do attitude, a weird Watcher, and new besties, Sarafina and Alvaro—who might just have powers of their own. But will any of it be enough to turn the tide when an army of villainous vampires invade town? Can Buffy save herself, let alone the world? Like Star Wars: Jedi Academy and DC Comics' Secret Hero Society, this action-packed and fun-filled story is told through comics, journal entries, class notes, doodles, text messages, and other in-world artifacts.

Buffy the Vampire Slayer: The Official Grimoire-Willow Rosenberg 2017-10-24 This grimoire from the baddest witch around will teach potential slayers and aspiring wiccans everything they'll ever need to know about magic in Buffy the Vampire Slayer. Every good witch has a grimoire, and Willow Rosenberg is no exception. The Official Grimoire is the first and only truly comprehensive collection of every magical moment from all seven seasons of Buffy the Vampire Slayer, humorously narrated by beloved resident witch Willow Rosenberg. Completely illustrated and annotated by the rest of the gang, this book of spells is a unique keepsake for fans of the Buffy-verse and an incredible celebration of the show's twenty-year legacy.

The Reckoning-Joss Whedon 2018 The lives of Buffy and the Scoobies haven't been too eventful for a while - at least as far as fighting demons and the forces of darkness are concerned. But that all changes when Angel brings news of an amassing force that must be reckoned with: Wolfram & Hart, a legion of demons, and Harth, vampire from the future. Narrowly escaping an initial encounter, the gang travels to the future to recruit Fray and learn of their dismal fate should they fail to defeat this legion that has invaded the present. This is the reckoning - and it could be the end of Buffy, Fray, and all the Slayers, forever.

Out of the Madhouse-Christopher Golden 2017-12-05 KNOCKIN' ON EVIL'S DOOR Reerwolves. Trolls. Sea Monsters. Rain of toads. Skyquakes. Sunnydale is being besieged by dark forces. But even with Buffy providing her unique style of damage control while Giles is hospitalized out of town, it's more than one Slayer can handle -- especially since the abominations are coming from a centuries-old portal through time and space. Somehow, the hell-hole must be found and corked at its source. For Buffy, Angel, and the rest of her gang, that means a road trip to Boston where an ailing Gatekeeper resides over a supernatural mansion that has been, until recently, holding the world's worst monsters at bay. Once there, Buffy discovers the catastrophic truth: the magical structure houses thousands of rooms, all of which are doorways to limbo's "ghost roads," and all of which may bring her face-to-face with the most nefarious forces in hell and on earth -- forces bent on horrific plans far worse than the Slayer ever imagined.

Slayer-Kiersten White 2019-01-08 "Will get Buffy fans up in their feels." —Entertainment Weekly A New York Times and Publishers Weekly bestseller From bestselling author Kiersten White comes the first novel in a series set in the world of Buffy the Vampire Slayer that introduces a new Slayer as she grapples with the responsibility of managing her incredible powers that she's just beginning to understand. Into every generation a Slayer is born... Nina and her twin sister, Artemis, are far from normal. It's hard to be when you grow up at the Watcher's Academy, which is a bit different from your average boarding school. Here teens are trained as guides for Slayers—girls gifted with supernatural strength to fight the forces of darkness. But while Nina's mother is a prominent member of the Watcher's Council, Nina has never embraced the violent Watcher lifestyle. Instead she follows her instincts to heal, carving out a place for herself as the school medic. Until the day Nina's life changes forever. Thanks to Buffy, the famous (and infamous) Slayer that Nina's father died protecting, Nina is not only the newest Chosen One—she's the last Slayer, ever. Period. As Nina hones her skills with her Watcher-in-training, Leo, there's plenty to keep her occupied: a monster fighting ring, a demon who eats happiness, a shadowy figure that keeps popping up in Nina's dreams... But it's not until bodies start turning up that Nina's new powers will truly be tested—because someone she loves might be next. One thing is clear: Being Chosen is easy. Making choices is hard.

Though the show already attracted much scholarly attention, this is the first book to fully disinter the intellectual issues.

In the tradition of the classic horror films Buffy the Vampire Slayer addresses ethical issues that have long fascinated audiences. This book draws out the ethical and metaphysical lessons from a pop-culture phenomenon.

Music, Sound, and Silence in Buffy the Vampire Slayer-JanetK. Halfyard 2017-07-05 The intense and continuing popularity of the long-running television show Buffy the Vampire Slayer (1997-2003) has long been matched by the range and depth of the academic critical response. This volume, the first devoted to the show's imaginative and widely varied use of music, sound, and silence, helps to develop an increasingly important and inadequately covered area of research - the many roles of music in contemporary television. In addressing this significant gap, this book provides an exemplary overview of the functions of music and sound in the interpretation of a television show. This is done through analyses that focus on scoring and source music, the title theme, the music production process, the critically acclaimed musical episode (voted number 13 in Channel Four's One Hundred Greatest Musicals), the symbolic and dramatic use of silence, and the popular reception of the show by its international fan base. In keeping with contemporary trends in the study of popular music, a variety of critical approaches are taken from musicology, cultural studies, and media and communication studies, specifically employing critique, musical analysis, industry studies, and hermeneutics.
