Why Bullies Are Cowards-Diane Bonner 2016-08-04 As a retired teacher I want to share the origin and reasons why I am writing a book titled, Why Bullies Are Cowards. I was born and spent most of my early years growing up on a small farm in northwestern Iowa. I had to ride a bus to school and sometimes some of the big boys on the bus would tease me and take my stuff. One day they were so mean that I began crying when I got home. I told my dad what had happened. He sat quietly listening and after I had finished relating what happened he said, "I think it's time you learn how to stand up for yourself." He continued by saying, "If these boys start teasing you tomorrow when you get on the bus and try to take your stuff, I want you to stand up, look them square in the eyes, and in a loud, clear voice tell these little cowards, "Pick on somebody their own size!" Needless to say, I was shocked by what he said I had to do. He made me practice saying this a couple of times. He then responded, "Yup, do it just like that!" Then I asked my dad, "What's a coward?" He replied, "Someone who must pick on others who are weaker, smaller or less able to protect and defend themselves because they are too scared to treat others who are bigger, tougher, and stronger than they are in the same manner!" The last seventeen

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

years of my career I taught at the intermediate school level where I had to deal with bullying situations experienced by sixth, seventh, and eighth grade students. I understood my dad was right. During this time I found that most bullying programs used ineffective forms of punishment to address and resolve peer-to-peer bullying problems rather than teaching students the “why’s, what’s and how’s” of what they must do to defend and protect themselves from being bullied. Why Bullies Are Cowards is intended to share with school personnel, parents, and community members that have contact with children the instructional materials and behavior management techniques I utilized to create a bully-free classroom environment. As bullying statistics and child suicide rates escalate, it is time for all concerned to step up and help teach children how to stop being bullying victims, perpetrators, or bystanders.

Well-Being, Positive Peer Relations and Bullying in School Settings-Phillip T. Slee 2016-09-15 This book focuses on well-being at school in association with positive peer relationships and bullying. Taking an integrative and community-based approach, the book outlines the significance of student-school relationships for well-being and emphasizes the importance of school and classroom climate for promoting well-being. Embedded in research and theory, the book reflects the belief that all of our dealings with children and young people in whatever role, whether as parent or teacher or in some other capacity, are bounded by theory, either implicit or explicit. The book highlights the role of partnerships and linkages in addressing school-based well-being and anti-bullying programs. It pays special attention to the barriers and facilitators that schools must address in engaging with external agencies to deliver strong evidence-based initiatives. The international concern with school bullying is given particular consideration in relation to its impact on the well-being of all involved. A feature of the text is the focus given to the implementation of programs into the busy and complex world of schools and classrooms recognizing that the effectiveness and impact of any school-based program is strongly related to the quality of its implementation. The text reflects a commitment of the authors to a broad-based systemic view of development, taking into account family, school, community and culture as influential factors. The text incorporates a number of pedagogical features.

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

classroom based activities and discussion starters, reflections on points raised in the text, and case studies. This book is of special interest to teachers, school counselors, educational psychologists and mental health professionals working in school settings.

All the Things That Could Go Wrong-Stewart Foster 2018-09-04 A moving and beautifully written story about what can happen when two completely different boys are forced to put aside their differences, for fans of Wonder. There are two sides to every story. Alex's OCD is so severe that it's difficult for him to even leave his house some days. His classmate Dan is so angry that he lashes out at the easiest target he can find at school: Alex. When their moms arrange for Alex and Dan to spend time together over winter break, it seems like a recipe for certain disaster...until it isn't. Once forced together, these two sworn enemies discover that there is much more to each other than they ever knew.

A. F.-V. and the Bullies-A. Feisty-Victim 2017-09-15 Everything and everybody we encounter in life shape us and influence us to a certain degree. In my case, the usual suspects apply family, coworkers, friends, and acquaintances as well as people whom I've only briefly interacted with or seen in the street. I've also been influenced by a myriad of experiences relating to home life, work, commuting, hobbies, vacations, and leisure time. Current affairs local, regional, national, and global have also shaped me during my fifty-odd years upon this earth. My acquisition of a religious faith during my later years has also had a profound influence upon me a very positive influence. Physical health problems that have dogged me on and off since early childhood have also had a profound influence upon me a very negative influence. However, there remains one elephant in the room: bullies.

Business Ethics-Joseph W. Weiss 2014-07-14 NEW EDITION, REVISED AND UPDATED This is a pragmatic, hands-on, up-to-date guide to determining right and wrong in the business world. Joseph Weiss integrates a stakeholder perspective with an issues-oriented approach so students look at how a business's actions affect not just share price and profit but the well-being of employees, customers, suppliers, the local community, the larger society, other nations, and the environment. Weiss uses a wealth of contemporary

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

examples, including twenty-three customized cases that immerse students directly in recent business ethics dilemmas and ask them to consider how they would resolve them. The recent economic collapse raised ethical issues that have yet to be resolved—there could not be a better time for a fully updated edition of Weiss's classic, accessible blend of theory and practice. New to the Sixth Edition! New Cases! Fourteen of the twenty-three cases in this book are brand new to this edition. They touch on issues such as cyberbullying, fracking, neuromarketing, and for-profit education and involve institutions like Goldman Sachs, Google, Kaiser Permanente, Walmart, Ford, and Facebook. Updated Throughout! The text has been updated with the latest research, including new national ethics survey data, perspectives on generational differences, and global and international issues. Each chapter includes recent business press stories touching on ethical issues. New Feature! Several chapters now feature a unique Point/Counterpoint exercise that challenges students to argue both sides of a contemporary issue, such as too-big-to-fail institutions, the Boston bomber Rolling Stone cover, student loan debt, online file sharing, and questions raised by social media.

Columbine-Dave Cullen 2009-04-06 Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. "The tragedies keep coming. As we reel from the latest horror . . ." So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we "know" is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book—widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists, and the killers' own words and drawings.

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue

Today I'm Strong-Nadiya Hussain 2021-04 A brand-new and empowering picture book about finding your inner strength when school life gets tough, from the winner of The Great British Bake Off and national treasure, Nadiya Hussain, beautifully illustrated by Ella Bailey. I love to go to school. Well, most days I do. There are some days when what I really want is to stay at home with you. A touching story about building the courage to overcome bullying, with a powerful reminder to always be kind.

Nineteen Minutes-Jodi Picoult 2013-01-22 In the aftermath of a small-town school shooting, lawyer Jordan McAfee finds himself defending a youth who desperately needs someone on his side, while detective Patrick Ducharme works with the primary witness--the daughter of the judge assigned to the case.

Nasty People-Jay Carter 2003-05-26 Fourteen years since its first publication, the bestseller Nasty People has been revised and updated to cover the motivations of nasty people, how to avoid confrontation with a nasty boss, how to handle a nasty spouse, and much more, including: How to break the cycle of nastiness A new understanding of personality disorders and depression Narcissism, nasty behavior, and self-doubt Nasty people and self-validation The role adrenaline plays in nasty behavior and our responses to it. Everyone knows a person who has been hurt, betrayed, or degraded by nasty individuals or has experienced it themselves. In three books, Jay Carter, Psy. D., shows readers how to stop this cycle of overt and covert abuse, without resorting to nasty tactics. Now for the first time, this series is released together to cover all areas of dealing with difficult people. With straight-talking advice, real-life anecdotes, and psychology that makes sense, Carter explains how to handle and stop painful behavior that harms both the perpetrator and the victim.

The Adventure Zone: Here There Be Gerblins-Clint McElroy 2018-07-17 Okay. Harken to my tale. Once upon a time (a couple of years ago) there were these brothers who had a bunch of really successful podcasts, and they decided to do a new pod

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

their dad, where they all played D&D together as a family, and lo, this new podcast was called The Adventure Zone, and verily did it get downloaded over 10 million times, and wow did it totally eat the brains of all who listened, because: It was just. That. Rad. AND THEN did these guys team up with artist Carey Pietsch, and make a graphic novel where the weirdly sweet and brilliant but also super SUPER vulgar and honestly kind of bizarre story of The Adventure Zone got adapted into a goofy, innovative, and compelling graphic novel! Let no man deny that it was the best idea ever, right? Reader, we're publishing it.

Geese Are Never Swans-Kobe Bryant 2020-07-21 "Packed full of emotion. . . . An influential read with a powerful message."—Booklist Whether goose or swan, I have wings. And I'll fly. Gus's life is about one thing—swimming. And he knows that the only coach in town who can get him to the Olympics is Coach Marks. So it seems like a simple plan: convince Coach Marks to train him, and everything from there on in is just hard work. Gus has never been afraid of hard work. But there are a few complications. For one thing, Coach Marks was Danny's coach. Danny, Gus's brother, committed suicide after failing to make the national swimming team—a big step on the way to the Olympics. And for another, Gus and Danny didn't exactly get along; Gus never liked living in Danny's shadow. A shadow that has grown even bigger since his death. In this powerful novel about the punishing and the healing nature of sports, Gus's rage threatens to swallow him at every turn. He's angry at his brother, his mother, his coach . . . even himself. But as he works toward his goal and through his feelings, Gus does everything he can to channel this burning intensity into excelling at the sport that he and Danny both loved, and finds solace in the same place he must face his demons: in the water. In addition to Gus's incredible narrative, there are four pieces of original art featured in *Geese Are Never Swans*. The art was curated by TaskForce, a creative agency that collaborates with the most influential nonprofits, brands, and people taking on the most pressing challenges facing our nation and our world. TaskForce builds capacity and community for those shaping a more empathetic society through public opinion and policy. The artists' interpretations of their work are included in the book. **Downloaded from [jaremicarey.com](http://jaremicarey.com) on**

## Make Your Home Among Strangers-Jennine Capó Crucet

2015-08-04 Lizet, a daughter of Cuban immigrants and the first in her family to graduate from high school, secretly applies and is accepted to an ultra-elite college. Her parents are furious at her decision to leave Miami, and amid a painful divorce, her father sells her childhood home, leaving Lizet, her mother, and older sister, a newly single mom--without a steady income and scrambling for a place to live. Amidst this turmoil, Lizet begins college, but the privileged world of the campus feels utterly foreign to her, as does her new awareness of herself as a minority. Struggling both socially and academically, she returns home for a Thanksgiving visit, only to be overshadowed by the arrival of Ariel Hernandez, a young boy whose mother died fleeing with him from Cuba on a raft. The ensuing immigration battle puts Miami in a glaring spotlight, captivating the nation and entangling Lizet's entire family. Pulled between life at college and the needs of those she loves, Lizet is faced with hard decisions that will change her life forever. Her urgent, mordantly funny voice leaps off the page to tell this moving story of a young woman torn between generational, cultural, and political forces; it's the new story of what it means to be American today.

North American Odyssey-Craig E. Colten 2014-03-27 This groundbreaking volume offers a fresh approach to conceptualizing the historical geography of North America by taking a thematic rather than a traditional regional perspective. Leading geographers, building on current scholarship in the field, explore five central themes. Part I explores the settling and resettling of the continent through the experiences of Native Americans, early European arrivals, and Africans. Part II examines nineteenth-century European immigrants, the reconfiguration of Native society, and the internal migration of African Americans. Part III considers human transformations of the natural landscape in carving out a transportation network, replumbing waterways, extracting timber and minerals, preserving wilderness, and protecting wildlife. Part IV focuses on human landscapes, blending discussions of the visible imprint of society and distinctive approaches to interpreting these features. The authors discuss survey systems, regional landscapes, and tourist and mythic landscapes as well as the role of

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

gender, and photographic representation in shaping our understanding of past landscapes. Part V follows the urban impulse in an analysis of the development of the mercantile city, nineteenth- and twentieth-century planning, and environmental justice. With its focus on human-environment interactions, the mobility of people, and growing urbanization, this thoughtful text will give students a uniquely geographical way to understand North American history. Contributions by: Derek H. Alderman, Timothy G. Anderson, Kevin Blake, Christopher G. Boone, Geoffrey L. Buckley, Craig E. Colten, Michael P. Conzen, Lary M. Dilsaver, Mona Domosh, William E. Doolittle, Joshua Inwood, Ines M. Miyares, E. Arnold Modlin, Jr., Edward K. Muller, Michael D. Myers, Karl Raitz, Jasper Rubin, Joan M. Schwartz, Steven Silvern, Andrew Sluyter, Jeffrey S. Smith, Robert Wilson, William Wyckoff, and Yolonda Youngs

*Billy Gets Bullied*-James Minter 2017-10-29 Suitable for boys and girls aged 7 to 9. In this first book of the Billy Growing Up series, Billy Field is uber excited at his approaching tenth birthday. Not only is it his first double-digit birthday, but he'll be ten on the tenth day of the tenth month—a once in a lifetime event. Billy's invited his best friend Ant to his party. They're having a magician who's being assisted by Max, Ant's sister. Granddad magics Billy's present - a twenty-pound note, but soon after the party, Billy has his money stolen by the local bully. Bullying is unacceptable, and has to be dealt with... *Billy Has A Birthday* is a wonderful example of a story that young children can enjoy reading alone or together with their parents. Using traditional storytelling, it is entertaining while dealing with a serious issue that affects many children as they grow up. Bullying can be a difficult subject for children to talk about, and many feel frightened or embarrassed if they fall victim to bullying. This book acts as the perfect icebreaker for adults and children to begin discussing these issues. Find out how this negative experience turns out. A perfect read for children who enjoy school fiction, but with a positive learning to help other bullied children. If you enjoy reading David Walliams or Jeff Kinney you will love the Billy Growing Up series.

*Jake and Lily*-Jerry Spinelli 2012-05-08 Beloved Newbery Medalist Jerry Spinelli, author of *Maniac Magee* and *Wringer*, addresses issues of identity, belonging, family, and bullying in this

Downloaded from  
[jaremicarey.com](http://jaremicarey.com) on

and heartfelt novel about twins. Jake and Lily are twins. Despite their slightly different interests and temperaments, they feel exactly the same—like two halves of one person. But the year they turn eleven, everything changes. Their parents announce it's time for separate bedrooms. Jake starts hanging out with a pack of boys on the block. And Lily is devastated, not to mention angry. Who is she without Jake? And as her brother falls under the influence of the neighborhood bully, he also must ask himself—who is the real Jake? This is an often funny, poignant, and profound story of growing up, growing apart, and the difficult process of figuring out who you really are.

Sexting and Cyberbullying-Shaheen Shariff 2014-12-31 This book examines the lines between online joking and legal consequences and analyzes legal and educational responses to these issues.

Cyber Bullying-Robin M. Kowalski 2009-09-28 Cyber bullying has become more prevalent through the use of e-mail, instant messages, chat rooms, and other digital messaging systems. It brings with it unique challenges. Cyber Bullying provides the most current and essential information on the nature and prevalence of this epidemic, providing educators, parents, psychologists and policy-makers with critical prevention techniques and strategies for effectively addressing electronic bullying. Provides an empirically-based resource with up-to-date information about the nature and prevalence of cyber bullying through the use of email, instant messages, chat rooms, and other digital messaging systems

Examines the role of anonymity in electronic bullying Includes feedback from focus groups and individual interviews with students and parents Offers a handy reference with practical strategies for educators, parents, psychologists and policy makers about prevention and intervention of cyber bullying

Teaching Anti-Bullying-Claudio V. Cerullo 2011-12 Describes what bullying is, and gives instructions on how to deal with bullying.

Johnny Tremain-Esther Forbes 1998 After injuring his hand, a silversmith's apprentice in Boston becomes a messenger for the Sons of Liberty in the days before the American Revolution.

Fish in a Tree-Lynda Mullaly Hunt 2017-03-04 "Fans of R.J. Palacio's Wonder will appreciate this feel-good story of friendship and unconventional smarts." --Kirkus Reviews Ally has been smart enough to fool a lot of smart people. Every time she lands in a new school, she is able to hide her inability to read by creating clever yet disruptive distractions. She is afraid to ask for help; after all, how can you cure dumb? However, her newest teacher Mr. Daniels sees the bright, creative kid underneath the trouble maker. With his help, Ally learns not to be so hard on herself and that dyslexia is nothing to be ashamed of. As her confidence grows, Ally feels free to be herself and the world starts opening up with possibilities. She discovers that there's a lot more to her--and to everyone--than a label, and that great minds don't always think alike. Downloaded from [jaremicarey.com](http://jaremicarey.com) on

the beloved One for the Murphys gives readers an emotionally-charged, uplifting novel that will speak to anyone who's ever thought there was something wrong with them because they didn't fit in. This paperback edition includes The Sketchbook of Impossible Things and discussion questions. A New York Times Bestseller! \* "Unforgettable and uplifting."--School Library Connection, starred review \* "Offering hope to those who struggle academically and demonstrating that a disability does not equal stupidity, this is as unique as its heroine."--Booklist, starred review \* "Mullaly Hunt again paints a nuanced portrayal of a sensitive, smart girl struggling with circumstances beyond her control." --School Library Journal, starred review

Blubber-Judy Blume 2014-04-29 Jill goes along with the rest of the fifth-grade class in tormenting a classmate and then finds out what it is like when she, too, becomes a target. Reissued with a fresh new look and cover art. Simultaneous.

Brothers, Bullies and Bad Guys-N. D. Richman 2013-04-11 After their parents are kidnapped, brothers Christopher and Michael band together to save them and pursue a hunch that lands them on a fortified island fighting for their lives.

Loser-Jerry Spinelli 2009-10-13 From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

Talk to Me Always-HSH Prince Alexi Lubomirski 2020-10-27 ~~Downloaded from~~ [jaremicarey.com](http://jaremicarey.com) on

into the high-profile world of celebrity fashion photographer Alexi Lubomirski, who shot the iconic images of Prince Harry and Meghan Markle's engagement and wedding, as he explores the themes of love, loss, family, fatherhood, hope, courage, and inspiration. From bestselling author Alexi Lubomirski comes *Talk to Me Always*. Pairing his iconic photography with his hypnotic and dreamy poetry, this book is an ode to all art-lovers. With an incredibly curated platform, those interested in poetry and those interested in the high-growth artistic medium of "Photopoetry" and fashion photography will find *Talk to Me Always* mesmerizing.

*The Reluctant Journal of Henry K.* Larsen-Susin Nielsen 2014 After his life is shattered, Henry and his father are forced to resume their lives in a new city where in spite of Henry's desire to remain invisible he befriends some oddball characters at school and in the apartment building.

*Paper Towns*-John Green 2013 Special edition slipcase edition of John Green's *Paper Towns*, with pop-up paper town. From the bestselling author of *The Fault in our Stars*. Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for. Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

*Bystander*-James Preller 2009-09-29 Eric is the new kid in seventh grade. Griffin wants to be his friend. When you're new in town, it's hard to know who to hang out with—and who to avoid. Griffin seems cool, confident, and popular. But something isn't right about Griffin. He always seems to be in the middle of bad things. And if Griffin doesn't like you, you'd better watch your back. There might be a target on it. As Eric gets drawn deeper into Griffin's dark world, he begins to see the truth about Griffin: he's a liar, a bully, a thief. Eric wants to break away, do the right thing. But in one show

moment, he goes from being a bystander . . . to the bully's next victim. This title has Common Core connections.

**My Time Among the Whites**-Jennine Capó Crucet 2019-09-03 From the author of *Make Your Home Among Strangers*, essays on being an “accidental” American—an incisive look at the edges of identity for a woman of color in a society centered on whiteness In this sharp and candid collection of essays, critically acclaimed writer and first-generation American Jennine Capó Crucet explores the condition of finding herself a stranger in the country where she was born. Raised in Miami and the daughter of Cuban refugees, Crucet examines the political and personal contours of American identity and the physical places where those contours find themselves smashed: be it a rodeo town in Nebraska, a university campus in upstate New York, or Disney World in Florida. Crucet illuminates how she came to see her exclusion from aspects of the theoretical American Dream, despite her family’s attempts to fit in with white American culture—beginning with their ill-fated plan to name her after the winner of the Miss America pageant. In prose that is both fearless and slyly humorous, *My Time Among the Whites* examines the sometimes hopeful, sometimes deeply flawed ways in which many Americans have learned to adapt, exist, and—in the face of all signals saying otherwise—perhaps even thrive in a country that never imagined them here.

**Punch-Mark Lemon** 1966

**Why Kids Kill**-Peter Langman, PhD 2009-01-06 Ten years after the school massacre at Columbine High School in Colorado, school shootings are a new and alarming epidemic. While sociologists have attributed the trigger of violence to peer pressure, such as bullying and social isolation, prominent psychologist Peter Langman, argues here that psychological causes are responsible. Drawing on 20 years of clinical experience, Langman offers surprising reasons for why some teens become violent. Langman divides shooters into three categories, and he discusses the role of personality, trauma, and psychosis among school shooters. From examining the material evidence of notorious school shooters at Columbine and Virginia Tech to addressing the mental states of the violent youths he treats, Langman shows how to identify early signs of homicide-prone youth and what preventive measures educators, parents and

Downloaded from

can take to protect themselves from the tragedy.

Ungifted-Gordon Korman 2014-02 Donovan, whose real gift is getting into trouble, finds himself at an academy for gifted students! Donovan is definitely skilled . . . at getting into trouble. And when one of his thoughtless pranks accidentally destroys the school gym during the Big Game, with the superintendent watching, he knows he's in for it. Suspension at best, maybe expulsion. Either way, a lawsuit and paying for damages. But through a strange chain of events, his name gets put on the list for the local school for gifted students: the Academy for Scholastic Distinction. Donovan knows he's not a genius, but he can't miss this chance to escape. Now, he has to figure out a way to stay at ASD - and fit in with the kids there. And who knows, maybe his real gift will come to light . . . A new story from the master of middle-grade and YA humour Gordon Korman, Ungifted is a funny exploration of the special (and often surprising) talents that make each of us gifted in our own way.

Have You Filled a Bucket Today?-Carol McCloud 2016-10-01 This heartwarming book encourages positive behavior by using the concept of an invisible bucket to show children how easy and rewarding it is to express kindness, appreciation, and love by "filling buckets." Updated and revised, this 10th anniversary edition will help readers better understand that "bucket dipping" is a negative behavior, not a permanent label. It also explains that it's possible to fill or dip into our own buckets.

Pink Is for Boys-Robb Pearlman 2018-06-05 An empowering and educational picture book that proves colors are for everyone, regardless of gender. Pink is for boys . . . and girls . . . and everyone! This timely and beautiful picture book rethinks and reframes the stereotypical blue/pink gender binary and empowers kids-and their grown-ups-to express themselves in every color of the rainbow. Featuring a diverse group of relatable characters, Pink Is for Boys invites and encourages girls and boys to enjoy what they love to do, whether it's racing cars and playing baseball, or loving unicorns and dressing up. Vibrant illustrations help children learn and identify the myriad colors that surround them every day, from the orange of a popsicle, to the green of a grassy field, all the way up to the wonder of a multicolored rainbow. Parents and kids will delight in Robb Pearlman's sweet, simple script, as well as

inspired from

powerful message: life is not color-coded.

No More Poems!-Rhett Miller 2019-03-05 Acclaimed singer-songwriter Rhett Miller teams up with Caldecott Medalist and bestselling artist Dan Santat in a riotous collection of irreverent poems for modern families. In the tradition of Shel Silverstein, these poems bring a fresh new twist to the classic dilemmas of childhood as well as a perceptive eye to the foibles of modern family life. Full of clever wordplay and bright visual gags--and toilet humor to spare--these twenty-three rhyming poems make for an ideal read-aloud experience. Taking on the subjects of a bullying baseball coach and annoying little brothers with equally sly humor, renowned lyricist Rhett Miller's clever verses will have the whole family cackling.
