'Roo and the Angel-Eve Langlais 2018-12-06 What idiot decided to make the Jones boys official agents with a license to FUC? Jeb did something bad. And no, he didn't murder anyone—recently. Nor did he put itching powder in his brother's jockstrap—again. He did, however, smuggle a test subject out of an experimental lab against FUC orders. In his defense, he saved an angel. At least that is how Jeb sees Nevaeh with her shadow wings. She's a maiden in need of rescue and a sweet girl—until you get on her bad side. Then things get really interesting—and violent. Which might be kind of why FUC is so interested in getting their paws on her. And don't get him started on ASS shaking its tail feathers, too. Everyone wants a piece of his angel. Know what he says? Too bad. So sad. Because this stubborn 'roo has decided he wants her as his mate. His new body doesn't work the same as his old one. He's a stranger in his own fur. How is he supposed to kick some butt if he can't even throw a good punch? He needs help, and the only person he can trust to help him is his ex-girlfriend, Maisy. He never forgot her, and seeing her again only fans the flames of his passion. But she's not ready to forgive.
