Buried Alive-Myra Friedman 2011-04-27 Electrifying, highly acclaimed, and intensely personal, this new and updated version of Myra Friedman's classic biography of Janis Joplin teems with dramatic insights into Joplin's genius and into the chaotic times that catapulted her to fame as the legendary queen of rock. It is a stunning panorama of the turbulent decade when Joplin's was the rallying voice of a generation that lost itself in her music and found itself in her words. From her small hometown of Port Arthur, Texas, to San Francisco's Haight-Ashbury, from the intimate coffeehouses to the supercharged concert halls, from the glitter of worldwide fame to her tragic end in a Hollywood hotel, here is all the fire and anguish of an immortal, immensely talented, and troubled performer who devoured everything the rock scene had to offer in a fatal attempt to make peace with herself and her era. Yet, in an eloquent introduction recently written by the author, Joplin emerges from her "ugly duckling" childhood as a woman truly ahead of her time, an outrageous rebel, a defiant outcast and artist of incomparable authenticity who, almost in spite of herself, became to so many a symbol of triumph over adversity. This edition also contains an afterword detailing the whereabouts of a large and colorful cast of characters who were part of Joplin's life, as well as "We Remember Janis," a new chapter of poignant and affectionate anecdotes told by friends.

Buried Alive-Myra Friedman 1992 A business associate and friend of the late rock star delves into the nature, character, and struggle of the person behind the legend

Buried Alive-Myra Friedman 1973

Born Dead Buried Alive-Larry Lent 2016-08-30 Words alone cannot describe the story written in all our hearts. Words... and the tears that accompany them. 2015 Oregon Christian Writers finalist. By 12 yrs old Larry was incarcerated for strong arm robbery, felony burglary and possession. After years of drug abuse and three near fatal overdoses he desperately reached out to God. After 30 years of faithfulness his life fell miserably apart. Larry had lost everything, including his 21 yr old son, dead in 8 minutes from an overdose of the Opioid drug Fentanyl! He was now faced with the biggest decision of his life. Run to God for help. Or run from Him, angry and hurt! Edited by Mick Silva acquiring editor for Focus on the Family, WaterBrook Multnomah, (Penguin Random House) Windblown Medias The Shack (with over 20 million copies sold) and Anne Voskamps best selling memoir One Thousand Gifts.

Buried Alive-Roy Hallums 2012-10-08 A true-life adventure sure to shock as well as inspire. AK47s, masked thugs, and brutal urgency erupt from Roy Hallums' account of his abduction in Iraq, shredding through those frequently sterile cable news reports revealing that another "American contractor is being held hostage . . ." Hallums was the everyman behind that report?a 56-year-old retired Naval commander working as a food supply contractor in Baghdad's high-end Mansour District. His abduction was transacted in a matter of minutes, amidst a hail of gunfire and a handful of casualties. For the first few months of his captivity, Hallums endured beatings and psychological torture while being shuffled from one ramshackle safe house to another. From the four-foot-tall crawlspace where he carried out the bulk of his nearly year-long abduction, Hallums established a surprising degree of normalcy;a system of routines and timekeeping, along with an attention to the particulars that defined his horrific ordeal. His experience is recreated here, rich with harrowing specifics and surprising observations.

Feelings Buried Alive Never Die-Prepress Staff 2014-02-01 Karol Truman provides a comprehensive and enlightening resource for getting in touch with unresolved feelings which, she explains, can distort not only happiness but also health and well-being. Leaving no emotion unnamed, and in fact listing around 750 labels for feelings, Truman helps identify problem areas, and offers a "script" to help process the feelings, replacing the negative feeling with a new, positive outlook. A chapter on the possible emotions below the surface in various physical ailments gives the reader plenty to work with on a deep healing level. FEELINGS BURIED ALIVE NEVER DIE combines a supportive, common-sense, results-oriented approach to a problem that is widespread and that can keep people from living fully.

Buried Alive!-Elaine Scott 2012-04-17 In August 2010, thirty-three miners were buried alive, two thousand feet below the surface of the earth. After seventeen tense days, just as hope was nearly gone, rescuers made contact with the men. Joy broke out around the world—all thirty-three men were alive! But it would be long weeks before they emerged from the mine. What did the miners feel, trapped in the steamy darkness so far underground? What did they eat? How did they get along? And most important, how did they survive in those seventeen days when death lingered so near, and after, during the long wait for rescue? This amazing true story about problem-solving, community, and real-life heroes is made kid-friendly by veteran nonfiction writer Elaine Scott. It will inspire for years to come.

Love, Janis-Laura Joplin 2017-12-26 A revealing and intimate biography about Janis Joplin, the Queen of Classic Rock, written by her younger sister. Janis Joplin blazed across the sixties music scene, electrifying audiences with her staggering voice and the way she seemed to pour her very soul into her music. By the time her life and artistry were cut tragically short by a heroin overdose, Joplin had become the stuff of rock-and-roll legend. Through the eyes of her family and closest friends , we see Janis as a young girl, already rebelling against injustice, racism, and hypocrisy in society. We follow Janis as she discovers her amazing talents in the Beat hangouts of Venice and North Beach-singing in coffeehouses, shooting speed to enhance her creativity, challenging the norms of straight society. Janis truly came into her own in the fantastic, psychedelic, acid-soaked world of Haight-Ashbury. At the height of her fame, Janis's life is a whirlwind of public adoration and hard living. Laura Joplin shows us not only the public Janice who could drink Jim Morrison under the table and bean him with a bottle of booze when he got fresh; she shows us the private Janis, struggling to perfect her art, searching for the balance between love and stardom, battling to overcome her alcohol addiction and heroin use in a world where substance abuse was nearly universal. At the heart of Love, Janis is an astonishing series of letters by Janis herself that have never been previously published. In them she conveys as no one else could the wild ride from awkward small-town teenager to rock-and-roll queen. Love, Janis is the new life of Janis Joplin we have been waiting for—a celebration of the sixties' joyous experimentation and creativity, and a loving, compassionate examination of one of that era's greatest talents.

Buried Alive-Jacqueline Wilson 2008-09-04 Tim can't wait to go on holiday - especially as he gets to bring his friend Biscuits along. But their trip unexpectedly becomes truly, terribly adventurous when an encounter with two local bully-boys threatens to disrupt the fun. Narrated by Tim and interspersed with revealing, illustrated extracts from Tim and Biscuits's holiday diaries, this is a wonderfully enjoyable story from one of the most popular writers around that both girls and boys will love.

Buried Alive (Behind Prison Walls) for a Quarter of a Century-Thomas S. Gaines 1892-07-01 In presenting this volume to the public I do not intend that the convict shall pose as a martyr. And as sensationalism is almost invariably incompatible with the truth, I shall also avoid that. Far more eloquent pens than mine have exhausted the subject of contract labor, showing the world the injurious effects it had on the workingman. It is now my aim to show the misery it causes to his more unfortunate brother on the inside of the walls. I make no comments, I merely portray the facts. I am the artist. You, reader, are the critic. But in sending forth this little book, should it gain the attention of some of our public benefactors, and through them be the means of bettering the condition of those bound to these modern despots, I shall feel that I have not written in vain.

Janis-Holly George-Warren 2019-10-22 Longlisted for the 2020 Andrew Carnegie Medals for Excellence This blazingly intimate biography of Janis Joplin establishes the Queen of Rock & Roll as the rule-breaking musical trailblazer and complicated, gender-bending rebel she was. Janis Joplin's first transgressive act was to be a white girl who gained an early sense of the power of the blues, music you could only find on obscure records and in roadhouses along the Texas and Louisiana Gulf Coast. But even before that, she stood out in her conservative oil town. She was a tomboy who was also intellectually curious and artistic. By the time she reached high school, she had drawn the scorn of her peers for her embrace of the Beats and her racially progressive views. Her parents doted on her in many ways, but were ultimately put off by her repeated acts of defiance. Janis Joplin has passed into legend as a brash, impassioned soul doomed by the pain that produced one of the most extraordinary voices in rock history. But in these pages, Holly George-Warren provides a revelatory and deeply satisfying portrait of a woman who wasn't all about suffering. Janis was a perfectionist: a passionate, erudite musician who was born with talent but also worked exceptionally hard to develop it. She was a woman who pushed the boundaries of gender and sexuality long before it was socially acceptable. She was a sensitive seeker who wanted to marry and settle down—but couldn't, or wouldn't. She was a Texan who yearned to flee Texas but could never quite get away—even after becoming a countercultural icon in San Francisco. Written by one of the most highly regarded chroniclers of American music history, and based on unprecedented access to Janis Joplin's family, friends, band mates, archives, and long-lost interviews, Janis is a complex, rewarding portrait of a remarkable artist finally getting her due.

Scars of Sweet Paradise-Alice Echols 2000-02-15 Drawing on hundreds of interviews, a noted 1960s historian goes beyond the legend of Janis Joplin to reveal the roots of her musical talent and the chaotic world in which she lived and died. Reprint.

Buried Alive-Stacey Marie Brown 2018-01-06 Nine years after a tragic accident, Hannah "Brennley" Evans has returned home to the snowy mountains of Whistler, Canada. This is the very place that destroyed her, where her whole world ended, and the reason she now goes by Hannah Jennings. Struggling with his own tragic past, Rhys Axton, an infamous sexy snowboarder champion, wants nothing more than to be the next Olympic hopeful. Sex, snowboarding, and working out are all he cares about, which helps shut off the demons that haunt him and the family who rejected him. The moment Hannah walks into his room, he knows something is different about her. Drawn to her, he can't seem to stay away from the mysterious, guarded girl. They are two heartbroken souls who both understand the darkness. Little does he know she lives in lies and carries secrets that will bring his universe to its knees and secrets that will bury them both alive.

Buried Alive-Jan Bondeson 2002 Speculating that one out of a hundred people were buried alive a century ago, this fascinating book uses folklore, history, and literature to explore the nineteenth-century fears associated with this disturbing fact. Reprint.

Buried Alive Behind Prison Walls-Thomas S. Gaines 2017-10-16 William Walker was an African American man who was sold again and again to different slave owners and had to flee to Canada to realise his dreams of freedom. But little did he know that his dreams were soon to be shattered and that too ironically after his emancipation. His search for job took him to the dreaded South and on an unfeateful day his white neighbour's wife came running to his house to seek shelter from her abusive husband. What followed then was nothing less than a Hollywood film script! A must read for everyone who is interested in how Southern discriminatory laws buried African Americans behind prison walls to muffle their voices and protests... Thomas S. Gaines - nothing is known about this author but it is widely conjectured it is an assumed identity to expose the despicable state of Jackson State prison and bring back William Walker's tragic story from the oblivion.

What Happened to Cass McBride?-Gail Giles 2008-12-14 "The setting is claustrophobic, the characters are complex and the story will keep readers on the edge of their seats." KLIATT raved of this vivid, fast-paced psychological thriller in a starred review. Kyle Kirby has planned a cruel and unusual revenge on Cass McBride, the most popular girl in school, for the death of his brother David. He digs a hole. Kidnaps Cass. Puts her in a box-underground. He buries her alive. But lying in the deepest dark, Cass finds a weapon: she uses the power of words to keep her nemesis talking—and herself breathing—during the most harrowing 48 hours of her life.

Pearl-Ellis Amburn 1994 The singer Janis Joplin's childhood in a backwater Texas town, where her classmates punished her for her individuality, fuelled the compulsion to shock which became her hallmark. This account of the forces that drove her through a short, impulsive life, and her death from a drug overdose at the age of 27, encompasses her binges, her egotism, her insecurities, and her affairs with figures such as Jim Morrison, Kris Kristofferson and Jimi Hendrix, and many lesbian lovers.

Going Down with Janis-Peggy Caserta 1975-01-01

Janis Joplin-Ang Angel 2019-10-22 Forty years after her death, Janis Joplin remains among the most compelling and influential figures in rock-and-roll history. Her story—told here with depth and sensitivity by author Ann Angel—is one of a girl who struggled against rules and limitations, yet worked diligently to improve as a singer. It's the story of an outrageous rebel who wanted to be loved, and of a wild woman who wrote long, loving letters to her mom. And finally, it's the story of one of the most iconic female musicians in American history, who died at twenty-seven. Janis Joplin includes more than sixty photographs, and an assortment of anecdotes from Janis's friends and band mates. This thoroughly researched and well-illustrated biography is a must-have for all young artists, music lovers, and pop-culture enthusiasts.

Buried Alive-Jack Cuzozz 1998 Argues that Neanderthal skeletons are the remains of post flood very old biblical patriarchs.

Pompeii...Buried Alive!-Edith Kunhardt 2014-09-24 A Step 4 HISTORY reader. "The drama of natural disasters provides prime material to entice young independent readers. In this volume, the account of the eruption of Mount Vesuvius describes village life 2,000 years ago, the eruption itself and its aftermath, and the excitement when the buried town is rediscovered centuries later. A lively and factual glimpse of a devastating moment in history, in an accessible, attractive package."--Publishers Weekly. Step 4 Readers use challenging vocabulary and short paragraphs to tell exciting stories. For newly independent readers who read simple sentences with confidence. With full-color illustrations.

Buried Alive (Carson Ryder, Book 7)-J. A. Kerley 2010-10-14 The next in the bestselling series of psychological thrillers featuring Carson Ryder, the detective with a unique perspective on serial killers

The 5 Choices-Kory Kogon 2016-04-05 "Time management for the 21st century"--Cover.

Buried Unsung-Zeese Papanikolas 1991-01-01 Louis Tikas was a union organizer killed in the battle between striking coal miners and state militia in Ludlow, Colorado, in 1914. In Buried Unsung he stands for a whole generation of immigrant workers who, in the years before World War I, found themselves caught between the realities of industrial America and their aspirations for a better life.

BURIED ALIVE-Amberly Carter 2016-11-07 Community organizer and cousin of Emmett Till and Mamie Till Mobley digs up vulnerable moments throughout her young adult life, revealing the historic and systemic consequences of the plight of Black children in America 60 years after Jim Crow. Buried Alive is a touching, inspiring story of one modern day descendant of Emmett Till, 14 year old boy whose lynching haunts the United States as its greatest stain on justice, and her struggle to feel included and loved despite her differences in a "post-racial" America. She highlights her moments of growth - some thrilling, some gut-wrenching, all of them enlightening, that nurtured her own Black womanhood. She also unearths her observations on critical issues she feels passionate about, from race, gender and crime and the school-to-prison pipeline to the student loan debt crisis.

A Knock at Midnight-Brittany K. Barnett 2020-09-08 An urgent call to free those buried alive by America's legal system, and an inspiring true story about unwavering belief in humanity—from a gifted young lawyer and important new voice in the movement to transform the system. NAMED ONE OF THE BEST BOOKS OF THE SUMMER BY USA TODAY AND NEWSWEEK • "An essential book for our time . . . Brittany K. Barnett is a star."—Van Jones, CEO of REFORM Alliance, CNN Host, and New York Times bestselling author Brittany K. Barnett was only a law student when she came across the case that would change her life forever—that of Sharanda Jones, single mother, business owner, and, like Brittany, Black daughter of the rural South. A victim of America's devastating war on drugs, Sharanda had been torn away from her young daughter and was serving a life sentence without parole—for a first-time drug offense. In Sharanda, Brittany saw haunting echoes of her own life, both as the daughter of a formerly incarcerated mother and as the once-girlfriend of an abusive drug dealer. As she studied this case, a system came into focus: one where widespread racial injustice forms the core of America's addiction to incarceration. Moved by Sharanda's plight, Brittany set to work to gain her freedom. This had never been the plan. Bright and ambitious, Brittany was a successful accountant on her way to a high-powered future in corporate law. But Sharanda's case opened the door to a harrowing journey through the criminal justice system. By day she moved billion-dollar deals, and by night she worked pro bono to free clients in near-hopeless legal battles. Ultimately, her path transformed her understanding of injustice in the courts, of genius languishing behind bars, and the very definition of freedom itself. Brittany's riveting memoir is at once a coming-of-age story and a powerful evocation of what it takes to bring hope and justice to a system built to resist them both.

Buried Alive-Jack Egan 1999 An eyewitness account of the first five years of Australia's settlement, based on the journals, diaries, letters and drawings of the first European inhabitants. The 33-Héctor Tobar 2015-10-13 Now a Major Motion Picture Starring Antonio Banderas Includes New Material Exclusive to the Paperback A Finalist for a National Book Critics Circle Award A Finalist for a Los Angeles Times Book Prize A New York Times Book Review Notable Book Selected for NPR's Morning Edition Book Club When the San José mine collapsed outside of Copiapó, Chile, in August 2010, it trapped thirty-three miners beneath thousands of feet of rock for a record-breaking sixty-nine days. After the disaster, Pulitzer Prize-winning journalist Héctor Tobar received exclusive access to the miners and their tales, and in The 33, he brings them to haunting, visceral life. We learn what it was like to be imprisoned inside a mountain, understand the horror of being slowly consumed by hunger, and experience the awe of working in such a place-underground passages filled with danger and that often felt alive. A masterwork of narrative journalism and a stirring testament to the power of the human spirit, The 33 captures the profound ways in which the lives of the Chilean miners and everyone involved in the catastrophe were forever changed.

The Last Empress-Hannah Pakula 2009-11-03 With the beautiful, powerful, and sexy Madame Chiang Kai-shek at the center of one of the great dramas of the twentieth century, this is the story of the founding of modern China, starting with a revolution that swept away more than 2,000 years of monarchy, followed by World War II, and ending in the eventual loss to the Communists and exile in Taiwan. An epic historical tapestry, this wonderfully wrought narrative brings to life what Americans should know about China -- the superpower we are inextricably linked with -- the way its people think and their code of behavior, both vastly different from our own. The story revolves around one fascinating woman and her family: her father, a peasant who raised himself into Shanghai society and sent his daughters to college in America in a day when Chinese women were kept purposefully uneducated; her mother, an unlikely Methodist from the Mandarin class; her husband, a military leader and dogmatic warlord; her sisters, one married to Sun Yat-sen, the George Washington of China, the other to a seventy-fifth lineal descendant of Confucius; and her older brother, a financial genius. This was the Soong family, which, along with their partners in marriage, was largely responsible for dragging China into the twentieth century. Brilliantly narrated, this fierce and bloody drama also includes U.S. Army General Joseph Stilwell; Claire Chenault, head of the Flying Tigers; Communist leaders Mao Tse-tung and Chou En-lai; murderous warlords; journalists Henry Luce, Theodore White, and Edgar Snow; and the unfortunate State Department officials who would be purged for predicting (correctly) the Communist victory in the Chinese Civil War. As the representative of an Eastern ally in the West, Madame Chiang was befriended -- before being rejected -- by the Rooseveltvs, stayed in the White House for long periods during World War II, and charmed the U.S. Congress into giving China billions of dollars. Although she was dubbed the Dragon Lady in some quarters, she was an icon to her people and is certainly one of the most remarkable women of the twentieth century.

Eureka-Edgar Allan Poe 2017-04-18 Eureka (1848) is a lengthy non-fiction work by American author Edgar Allan Poe (1809-1849) which he subtitled "A Prose Poem", though it has also been subtitled as "An Essay on the Material and Spiritual Universe". Adapted from a lecture he had presented, Eureka describes Poe's intuitive conception of the nature of the universe with no antecedent scientific work done to reach his conclusions. He also discusses man's relationship with God, whom he compares to an author. It is dedicated to the German naturalist and explorer Alexander von Humboldt (1769-1859). Though it is generally considered a literary work, some of Poe's ideas anticipate 20th century scientific discoveries and theories. Indeed a critical analysis of the scientific content of Eureka reveals a non-causal correspondence with modern cosmology due to the assumption of an evolving Universe, but excludes the anachronistic anticipation of relativistic concepts such as black holes. Eureka was received poorly in Poe's day and generally described as absurd, even by friends. Modern critics continue to debate the significance of Eureka and some doubt its seriousness, in part because of Poe's many incorrect assumptions and his comedic descriptions of well-known historical minds. It is presented as a poem, and many compare it with his fiction work, especially science fiction stories such as "The Facts in the Case of M. Valdemar". His attempts at discovering the truth also follow his own tradition of "ratiocination", a term used in his detective fiction tales. Poe's suggestion that the soul continues to thrive even after death also parallels with works in which characters reappear from beyond the grave such as "Ligeia". The essay is oddly transcendental, considering Poe's disdain for that movement. He considered it his greatest work and claimed it was more important than the discovery of gravity. Eureka is Poe's last major work and his longest non-fiction work at nearly 40,000 words in length.

Will My Cat Eat My Eyeballs?-Big Questions from Tiny Mortals About Death-Caitlin Doughty 2019-09-10 New York Times Bestseller Winner of the 2019 Goodreads Choice Award for Science & Technology Best-selling author and mortician Caitlin Doughty answers real questions from kids about death, dead bodies, and decomposition. Every day, funeral director Caitlin Doughty receives dozens of questions about death. The best questions come from kids. What would happen to an astronaut's body if it were pushed out of a space shuttle? Do people poop when they die? Can Grandma have a Viking funeral? In Will My Cat Eat My Eyeballs?, Doughty blends her mortician's knowledge of the body and the intriguing history behind common misconceptions about corpses to offer factual, hilarious, and candid answers to thirty-five distinctive questions posed by her youngest fans. In her inimitable voice, Doughty details lore and science of what happens to, and inside, our bodies after we die. Why do corpses groan? What causes bodies to turn colors during decomposition? And why do hair and nails appear longer after death? Readers will learn the best soil for mummifying your body, whether you can preserve your best friend's skull as a keepsake, and what happens when you die on a plane. Beautifully illustrated by Dianné Ruz, Will My Cat Eat My Eyeballs? shows us that death is science and art, and only by asking questions can we begin to embrace it.

Buried Alive!-Arick Baker 2018-07-29 What goes through your mind when you're buried alive for hours before you die? On a Wednesday in June 2013, Arick Baker finds the answer when he climbs into one of the enormous grain bins that dot the Iowa landscape and is swallowed by 25,000 bushels of corn. Miraculously, he beats the odds and survives. For hours, four brave volunteer rescue workers toil inside the bin while more than 120 volunteers from across the state labor outside the bin trying to dig Arick out. This book takes you into the mind of Arick as he is being squeezed to death by hundreds of pounds of corn. Arick is a self-professed "smart ass," an attribute that comes to his rescue as he battles with fatigue, pain, and hopelessness. He hilariously recounts childhood incidents that motivate him to keep trying. Concurrently, Arick's mother is outside the grain bin trying to cope with the ultimate grief -- losing a child. This unbelievable, unforgettable memoir will take you on an emotional roller coaster of grief, humor, acceptance, and ultimately inspiration. This suspenseful tale of survival against insurmountable odds will open your eyes to how we can derive strength from our worst experiences, how we can quit judging ourselves and other, and how all of us can use painful lessons to enrich our own lives and the lives of all those we touch.

Buried Dreams-Tim Cahill 1986 Electronic Inspection Copy available for instructors here This new edition of Doing Business in Europe covers all of the key topics covered on European Business courses at both undergraduate and postgraduate level, making it a must-have for students and practitioners alike. Written in a clear and accessible way, this new textbook has been fully revised and updated to take into account recent developments in Europe, changing European Union policies and the resulting business implications. This new edition draws a stronger link between the European business environment and the real business implications facing companies operating in Europe. This easy-to-follow text addresses the challenges and opportunities facing those doing business in Europe, while setting these in a global context. New to this edition: • Expanded coverage of lobbying, SMEs and globalization • New real-life case studies using a wide range of examples from across Europe • Extensive pedagogical features including a glossary, revised discussion questions and more mini case studies An accompanying comprehensive companion website www.sagepub.co.uk/suder2e provides you with full-text journal articles, an Instructor's Manual, PowerPoint slides and a country-by-country study. The website also provides additional case studies, video material, and a multiple choice testbank for lecturers.

Livia-Lawrence Durrell 2012-06-12 At the dawn of World War II, Livia and her sister Constance commit themselves to separate sides of a historic struggle in the second volume of the Avignon Quintet. The second book of Durrell's inventive and inspiring Avignon Quintet, Livia follows the currents of longing and regret, and the shifting illusions of memory, that began in Monsieur. Two sisters, Livia and Constance, have already led remarkable lives as scholars, lovers of artists, and seekers of the forbidden wisdom of Gnostic sages. As Europe is shaken by the rise of fascism, the two sisters find themselves driven apart by shifting alliances. Livia is rich with Durrell's unmistakable, gorgeous prose and breathtaking insights into love and the idiosyncrasies of the human heart.

Buried-Ken Wylie 2014-10-07 On January 20, 2003, at 10:45 a.m., a massive avalanche in the Selkirk Range of British Columbia struck three members of two guided backcountry skiing groups and buried them. After a frantic hour of digging by those still standing, an unthinkable outcome became reality: seven people were dead. The tragedy made international news, splashing photos of the seven dead Canadian and US skiers on television screens and newspaper pages. The official analysis was that guide error was not a contributing factor in the accident. This interpretation was insufficient for some of the victims' families, the public and some members of the guiding community. Buried is the assistant guide's story. It renders an answerable truth about what happened by delving deep into the human factors that played into putting people in harm's way as well as the peace that comes from accountability and the personal growth that results from understanding.

The God of Small Things-Arundhati Roy 2011-07-27 The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rabel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

Walter Gropius-Fiona MacCarthy 2020-02-06 * A Times and New Statesman Book of the Year * * BBC Radio 4 Book of the Week * * Illustrated with over 130 colour photographs and drawings * "A masterpiece". Edmund de Waal "Commanding, intelligent, gripping". The Times From 1910 to 1930 Gropius was at the very centre of European modern art and design, as the founder of the German art school, the Bauhaus. Yet Gropius's beliefs and affiliations left him little choice but to leave Germany when Hitler came to power. In this riveting book, Fiona MacCarthy draws on new research to re-evaluate Gropius's work and life. From his shattering experiences in the First World War to his turbulent marriage to the notorious Alma Mahler and the tragic early death of their daughter, MacCarthy leads us through his disorientating years in London, to his final peaceful and productive life in America. This is biography at its finest and most vivid.

Dead Simple-Peter James 2010-09-09 Four bodies, one suspect, no trace. The first case for Detective Superintendent Roy Grace, and the first entry in a bestselling mystery series by Peter James. It was meant to be a harmless bachelor party prank. A few hours later four of his best friends are dead and Michael Harrison has disappeared. With only three days to the wedding, Detective Superintendent Grace—a man haunted by the shadow of his own missing wife—is contacted by Michael's beautiful, distraught fiancée, Ashley Harper. Grace discovers that the one man who ought to know Michael Harrison's whereabouts is saying nothing. But then he has a lot to gain—more than anyone realizes. For one man's disaster is another man's fortune . . . Dead simple . . .

Detective Carson Ryder Thriller Series Books 7-9: Buried Alive, Her Last Scream, The Killing Game-J. A. Kerley 2013-11-07 Three thrillers featuring Detective Carson Ryder.

Buried Lives-Carla Killough McClafferty 2018-12-18 The untold story of the enslaved people of Mount Vernon, and the illuminating history that is still being discovered in George Washington's historic home today. When he was eleven years old, George Washington inherited ten human beings. His own life has been well chronicled, but the lives of the people he owned—the people who supported his plantation and were buried in unmarked graves there—have not. Using fascinating primary source material and photographs of historical artifacts, Carla McClafferty sheds light on the lives of several people George Washington owned; the property laws of the day that complicated his decision to free them; and the Cemetery Survey, an archeological dig that is shaping our understanding of Mount Vernon's Slave Cemetery. Poignant and thought-provoking, Buried Lives blends the past with the present in a forward-looking account of a haunting piece of American history. Includes a foreword by Zsuz-nee Matema, a descendant one of the enslaved people at Mount Vernon who is highlighted in this book, backmatter outlining the author's sources, and an index. A Junior Library Guild selection A Bank Street Best Children's Book of the Year
