Handbook of Strategic e-Business Management-Francisco J. Martinez-López 2013-11-19 This research handbook provides a comprehensive, integrative, and authoritative resource on the main strategic management issues for companies within the e-business context. It covers an extensive set of topics, dealing with the major issues which articulate the e-business framework from a business perspective. The handbook is divided into the following e-business related parts: background; evolved strategic framework for the management of companies; key business processes, areas and activities; and, finally, emerging issues, trends and opportunities, with special attention to diverse Social Web-related implications. The articles are varied, timely and present high-quality research; many of these unique contributions will be especially valued and influential for business scholars and professionals interested in e-business. Many of the contributors are outstanding business scholars who are or have been editors-in-chief of top-ranked management and business journals or have made significant contributions to the development of their respective fields.

From the Universities to the Marketplace: The Business Ethics Journey-Marilynn Fleckenstein 2012-12-06 From the Universities to the Marketplace: The Business Ethics Journey arose from the awareness of the slow progression of academic theory into market practice. The contributions in this volume reflect a diversity of disciplines and approaches to research, study and teaching business ethics, such as philosophy, accounting, theology, marketing, management and finance. The contributors represent a wide variety of professional and geographical backgrounds, creating a fruitful discussion of a large number of issues related to implementation and measurement of business ethics, and feedback from all parties involved.

Uniqueness-C.R. Snyder 2012-12-06 My Red Shirt and Me The red shirt incident begins with a rather ordinary red shirt. Not a brightly colored red shirt, not a dramatic cherry or firehouse red, more like a faded burgundy. But, for several days, my very identity was bound up in its redness. It was me, and I wore it with the pride a matador takes in his splendid cape, a hero in his medals of bravery, or a nun in her religious habit. I'll never forget the boundless joy I felt wearing that simple, pullover, short-sleeved red shirt in the hospital—or the rush of relief that I experienced when, at last, I decided to surrender it. However, we are getting ahead of our story, which starts a short time earlier with a most unfortunate accident. A light flurry of wet snow had begun to fall as the university limousine turned the corner on its way from the Bronx campus of New York University to the downtown campus. Although eight of us were packed into the car and had resigned ourselves to the usual boring faculty meeting awaiting us, somehow a spontaneous air of joviality was created.
