Grace in the Wings-Kari Bovée 2019-10-08 New York City, 1920. Grace Michelle has everything she wants: a home, a family, and a future career as a costume designer for famed showman Florenz Ziegfeld, Jr.'s Ziegfeld Follies. Pretty good for a girl who once lived on the streets of New York City. But when her sister, Sophia, the star of the show, is murdered, Grace's safe and protected life is shattered. Battle-scarred by the war and emotionally scarred by his past, Chet Riker has made it a practice to keep his distance from others; love, after all, leads only to pain. But Chet has a problem—a big one: he's become indebted to mob-boss Joe Marciano in an attempt to save his estranged mother's life, and Marciano wants him to pay up or else. Desperate to get the money, he contacts former client Florenz Ziegfeld for work. Soon, Chet finds himself playing bodyguard for introverted Grace, who has reluctantly agreed to be Ziegfeld's new leading lady—on the condition that Ziegfeld promises to find Sophia's killer. Upon meeting Grace, Chet quickly finds his hardened theory that love equals pain tested. Grace, meanwhile, is swept up in a life she never wanted as the Follies' star, and as the pawn in a series of publicity stunts during a transcontinental train trip to California that puts her life at risk. Who would want her and Sophia dead? Together, she and Chet must confront publicity-hungry Florenz Ziegfeld, power-driven Joe Marciano, and their own pasts to find Sophia's killer—and let themselves love once again.

Girl with a Gun-Kari Bovée 2018-06-19 Fifteen-year-old Annie Oakley is the sole supporter of her widowed mother and two siblings. After a stunning performance in a shooting contest against the handsome and famous sharpshooter Frank Butler, Annie is offered a position in the renowned Buffalo Bill's Wild West Show. Finally, she has a chance to save the nearly foreclosed family farm and make her dreams come true. But then her Indian assistant is found dead in her tent, and Annie is dubious when the local coroner claims the death was due to natural causes. When another innocent is murdered, Annie begins to fear the deaths are related to her. And to make matters worse, her prized horse, Buck, a major part of her act, is stolen. Annie soon discovers that the solution to her problems lies buried in a padlocked Civil War trunk belonging to the show's manager, Derence LeFleur. And so, with the help of a sassy, blue-blooded reporter, Annie sets out to find her horse, solve the murders, and clear her name.

In this revised and updated third edition, Dr Warner analyses the latest research to extend the conclusions of the original work and tells us whether conditions and outcomes for people with schizophrenia are getting better or worse for people in Britain and America in recent years. In addition, he * critiques recent approaches to preventing the occurrence of schizophrenia * suggests innovative strategies for advancing the economic situation of people with mental illness * describes the latest advances in the rehabilitation of people with schizophrenia * provides a guide on how to combat the stigma of mental illness at local and national level.
