Colossal Caterpillar : The Ultimate Earthmover-Eric C. Orlemann This awe-inspiring collection covers the largest, top-of-the-line mining equipment in each of the manufacturer's five major classes; haulers, wheel loaders, hydraulic shovels, graders, and bulldozers. Design, development, and production histories are accompanied by the stories of these gargantuan machines in service, as well as details of the Herculean efforts required for their assembly. Incredible modern color photography from both the author and the Caterpillar archives provide shots of the equipment in action and production, not to mention detail shots to help explain their working componentry.
ASME Technical Papers-
Giant Earthmovers : An Illustrated History-Keith Haddock A comprehensive review of earthmoving and construction equipment from the birth of primitive industrial tools to today's awe-inspiring machines! The biggest haulers, dozers, scrapers and unusual specialty equipment in the field are presented here in over 500 black-and-white photographs. The author's expertly written text details machine categories and discusses the history, evolution, design and manufacture of these industry giants. Packed full of top-quality archival photographs, most taken from manufacturer archives.
