Mathematics for Elementary School Teachers-Tom Bassarear 2015-01-01 MATHEMATICS FOR ELEMENTARY SCHOOL TEACHERS, 6E offers future teachers a comprehensive mathematics course designed to foster concept development through examples, investigations, and explorations. In this text, intended for the one- or two-semester course required of Education majors, Bassarear demonstrates that there are many paths to solving a problem, and sometimes problems have more than one solution. The author presents real-world problems--problems that require active learning in a method similar to how archaeologists explore an archaeological find: they carefully uncover the site, slowly revealing more and more of the structure. Visual icons throughout the main text allow instructors to easily connect content to the hands-on activities in the corresponding Explorations Manual. With this exposure, future teachers will be better able to assess student needs using diverse approaches. FOCUS on College Success, Concise Edition-Constance Staley 2011-01-01 According to recent market research, students are less academically engaged than ever before--a downward trend that has nothing to do with intellect, but everything to do with motivation, focus, and discipline. Visually appealing, research-based, and highly motivational, FOCUS ON COLLEGE SUCCESS, CONCISE EDITION, completely engages students with direct applications and immediate results. Thoroughly researched, the text covers the topics most important to student success and incorporates underlying themes of motivation and self-discipline throughout. Rather than talking down to students or speaking over their heads, FOCUS ON COLLEGE SUCCESS, CONCISE EDITION, initiates a personal and informal conversation with readers--directly connecting with and drawing them into text discussions. Like FOCUS ON COLLEGE SUCCESS, this concise version of the text addresses the needs of today's college students. In this smaller version, chapters on information literacy, writing, speaking skills, and wellness have been removed to concentrate on the core elements of the college success class. By holding to one good example for each chapter, Staley allows for the hands-on learning at which she excels, while creating a concise, student-focused option for the classroom.
