Good-bye to All That-Robert Graves 2014-05-01 "There was no patriotism in the trenches. It was too remote a sentiment, and rejected as fit only for civilians. A new arrival who talked patriotism would soon be told to cut it out. As Blighty, Great Britain was a quiet, easy place to get back to out of the present foreign misery, but as a nation it was nothing." This is the original version of Robert Graves's intense memoir of the First World War, restoring this raw, emotionally truthful, darkly comic work to the way it was first written, by a young man still reeling from the trenches. 'We see the dark heart of the book even more clearly, and hear it beating even more loudly, in this original edition than we do in the comparatively careful and considered terms of the later one' Andrew Motion 'One of the most candid self-portraits, warts and all, ever painted' TLS

The Declaration of the Rights of Women-Olympe de Gouges 2018-03-08 Olympe de Gouges was the most important fighter for women's rights you've never heard of. An activist and writer in revolutionary Paris, she published 'The Declaration of the Rights of Women' in 1791, and was beheaded two years later, her articulate demands for equality proving too much for their time. Over one hundred and fifty years later, the key statements of her declaration were internationally endorsed by the United Nations in its Declaration on the Elimination of Discrimination Against Women, which in turn went on to be legally recognized by nearly every country in the world. This volume presents both of these key texts along with enlightening and inspiring commentary from a host of powerful women, from Virginia Woolf to Hillary Clinton.

The Psychology of Jingoism-John Atkinson Hobson 1901

The Taste of Conquest-Michael Krondl 2008-10-28 The smell of sweet cinnamon on your morning oatmeal, the gentle heat of gingerbread, the sharp piquant bite from your everyday peppermill. The tales these spices could tell: of lavish Renaissance banquets perfumed with cloves, and flimsy sailing ships sent around the world to secure a scented prize; of cinnamon-dusted custard tarts and nutmeg-induced genocide; of pungent elixirs and the quest for the pepper groves of paradise. The Taste of Conquest offers up a riveting, globe-trotting tale of unquenchable desire, fanatical religion, raw greed, fickle fashion, and mouthwatering cuisine—in short, the very stuff of which our world is made. In this engaging, enlightening, and anecdote-filled history, Michael Krondl, a noted chef turned writer and food historian, tells the story of three legendary cities—Venice, Lisbon, and Amsterdam—and how their single-minded pursuit of spice helped to make (and remake) the Western diet and set in motion the first great wave of globalization. In the sixteenth and seventeenth centuries, the world's peoples were irrevocably brought together as a result of the spice trade. Before the great voyages of discovery, Venice controlled the business in Eastern seasonings and thereby became medieval Europe's most cosmopolitan urban center. Driven to dominate this trade, Portugal's mariners pioneered sea routes to the New World and around the Cape of Good Hope to India to unseat Venice as Europe's chief pepper dealer. Then, in the 1600s, the savvy businessmen of Amsterdam "invented" the modern corporation—the Dutch East India Company—and took over as spice merchants to the world. Sharing meals and stories with Indian pepper planters, Portuguese sailors, and Venetian foodies, Krondl takes every opportunity to explore the world of long ago and sample its many flavors. The spice trade and its cultural exchanges didn't merely lend kick to the traditional Venetian cookies called peverini, or add flavor to Portuguese sausages of every description, or even make the Indonesian rice table more popular than Chinese takeout in trendy Amsterdam. No, the taste for spice of a few wealthy Europeans led to great crusades, astonishing feats of bravery, and even wholesale slaughter. As stimulating as it is pleasurable, and filled with surprising insights, The Taste of Conquest offers a fascinating perspective on how, in search of a tastier dish, the world has been transformed. From the Hardcover edition.

Discourses on Livy-Niccolò Machiavelli 2009-02-27 Discourses on Livy is the founding document of modern republicanism, and Harvey C. Mansfield and Nathan Tarcov have provided the definitive English translation of this classic work. Faithful to the original Italian text, properly attentive to Machiavelli's idiom and subtlety of thought, it is eminently readable. With a substantial introduction, extensive explanatory notes, a glossary of key words, and an annotated index, the Discourses reveals Machiavelli's radical vision of a new science of politics, a vision of "new modes and orders" that continue to shape the modern ethos.

"[Machiavelli] found in Livy the means to inspire scholars for five centuries. Within the Discourses, often hidden and sometimes unintended by their author, lie the seeds of modern political thought. . . . [Mansfield and Tarcov's] translation is careful and idiomatic."—Peter Stothard, The Times "Translated with painstaking accuracy—but also great readability."—Weekly Standard "A model of contemporary scholarship and a brave effort at Machiavelli translation that allows the great Florentine to speak in his own voice."—Choice

World Civilizations-Peter N. Stearns 2007 Taureans, ever wondered what the Sun-signs tell you about love and life? This unique anthology of poems for love and life relates directly to your Sun-sign, Taurus. If you were born between the 21st of April and the 21st of May, you will relate to many of the themes identified with your sign's characteristics and personality traits. The poems in this collection have been chosen because they reflect a Taurean attitude to life. They appeal to the interests 'ruled' by your sign; the animals, flowers, trees, plants and places celebrated by the poets and associated with the sign of Taurus over three thousand years of traditional astrology. Some have been chosen simply because we believe you will enjoy them, and that they will awaken or re-awaken your love of poetry.
