Thank you totally much for downloading **come back dr caligari donald barthelme**. Maybe you have knowledge that, people have see numerous times for their favorite books once this come back dr caligari donald barthelme, but end stirring in harmful downloads.

Rather than enjoying a good ebook in the same way as a mug of coffee in the afternoon, then again they juggled subsequent to some harmful virus inside their computer. **come back dr caligari donald barthelme** is clear in our digital library an online right of entry to it is set as public in view of that you can download it instantly. Our digital library saves in fused countries, allowing you to get the most less latency time to download any of our books next this one. Merely said, the come back dr caligari donald barthelme is universally compatible taking into consideration any devices to read.

Come Back, Dr. Caligari-Donald Barthelme 1964

Not-Knowing-Donald Barthelme 2008-01-01 The wildly varied essays in Not-Knowing combine to form a posthumous manifesto of one of America’s masters of literary experiment. Here are Barthelme’s thoughts on writing (his own and others); his observations on art, architecture, film, and city life; interviews, including two previously unpublished; and meditations on everything from Superman III to the art of rendering “Melancholy Baby” on jazz banjolele. This is a rich and eclectic selection of work by the man Robert Coover has called “one of the great citizens of contemporary world letters.”

Flying to America-Donald Barthelme 2010-10-08 Donald Barthelme was one of the most influential and inventive writers of the 20th century. In this volume of unpublished and previously uncollected stories, he transforms the absurd into the real in his usual epiphanic and engaging style. Delving into such themes as the perils of the unfulfilled existence and the relationships among politics, sex, art, and life, this collection will delight both old fans and new readers.

Sadness-Donald Barthelme 1972 Short stories, chiefly reprinted from the New Yorker.

Donald Barthelme-Helen Moore Barthelme 2001-05-01 Chronicling a literary life that ended not so long ago, Donald Barthelme: The Genesis of a Cool Sound gives the reader a glimpse at the years when Barthelme began to find his literary voice. A revealing look at Donald Barthelme’s influences and development, this account begins with a detailed biographical sketch of his life and spans his growth into a true avant-garde literary figure. Donald Barthleme was born in Philadelphia but raised in Houston, the son of a forward-thinking architect father and a literary mother. Educated at the University of Houston, he became a fine arts critic for the Houston Post; then, following duty in the Korean conflict, he returned to the Post for a short time before becoming editor for Forum literary magazine. After that, he was also director of the Contemporary Arts Museum while writing and publishing his first stories. In the 1960s he moved to New York, where he became editor of Location and was able to practice the art of short fiction in such vehicles as the New Yorker and Harper’s Bazaar. In a witty, playful, ironic, and bizarrely imaginative style, he wrote more than one hundred short stories and several novels over the years. In this literary memoir, Donald Barthelme’s former wife, Helen Moore Barthelme, offers insights into his career as well as his private life, focusing especially on the decade they were married, from the mid-fifties to the mid-sixties, a period when he was developing the forms and genres that made him famous. During that time Barthelme was finding his voice as a writer and his short stories were beginning to receive notice. In her memoir, Helen Moore Barthelme writes about Donald’s early years and her life with him in Houston and New York. In open, straightforward language she tells about their love for each other and about the events that finally divided them. She also describes, from the point of view of the person closest to Donald during that time, the making of one of the most original and imaginative American writers of the twentieth century. Scholars of avant-garde American literature will gain insider perspective to one man’s life and the years which, for all their myriad joys and downturns, produced some of the best-remembered works in the literary canon.

The Dead Father-Donald Barthelme 2014-05-06 The Dead Father is a gargantuan half-dead, half-alive, part mechanical, wise, vain, powerful being who still has hopes for himself—even while he is being dragged by means of a cable toward a mysterious goal. In this extraordinary novel, marked by the imaginative use of language that influenced a generation of fiction writers, Donald Barthelme offered a glimpse into his fictional universe. As Donald Antrim writes in his introduction, "Reading The Dead Father, one has the sense that its author enjoys an almost complete artistic freedom . . . a permission to reshape, misrepresent, or even ignore the world as we find it . . . Laughing along with its author, we escape anxiety and feel alive."

Donald Barthelme-Jerome Klinkowitz 1991-05-22 Donald Barthelme (1931-1989) is regarded as one of the most imitated and influential American fiction writers since the early 1960s. In Donald Barthelme: An Exhibition, Jerome Klinkowitz presents both an appreciation and a comprehensive examination of the life work of this pathbreaking contemporary writer. A blend of close reading, biography, and theory, this retrospective—informed by Klinkowitz’s expert command of postmodern American fiction—contributes significantly to a new understanding of Barthelme’s work. Klinkowitz argues that the central piece in the Barthelme canon, and the key to his artistic method, is his widely acknowledged masterpiece, The Dead Father. In turning to this pivotal work, as well as to Barthelme’s short stories and other novels, Klinkowitz explores the way in which Barthelme reinvented the tools of narration, characterization, and thematics at a time when fictive techniques were largely believed to be exhausted. Klinkowitz, who was one of the first scholars to study Barthelme’s work and became its definitive bibliographer, situates Barthelme’s life and work within a broad spectrum of influences and affinities. A consideration of developments in painting and sculpture, for example, as well as those of contemporaneous fiction, contribute to Klinkowitz’s analysis. This astute reading will provide great insight for readers, writers, and critics of contemporary American fiction seeking explanations and justifications of Barthelme’s critical importance in the literature of our times.

Donald Barthelme-Helen Moore Barthelme 2001-05-01 Chronicling a literary life that ended not so long ago, Donald Barthelme: The Genesis of a Cool Sound gives the reader a glimpse at the years when Barthelme began to find his literary voice. A revealing look at Donald Barthelme’s influences and development, this account begins with a detailed biographical sketch of his life and spans his growth into a true avant-garde literary figure. Donald Barthleme was born in Philadelphia but raised in Houston, the son of a forward-thinking architect father and a literary mother. Educated at the University of Houston, he became a fine arts critic for the Houston Post; then, following duty in the Korean conflict, he returned to the Post for a short time before becoming editor for Forum literary magazine. In open, straightforward language she tells about their love for each other and about the events that finally divided them. She also describes, from the point of view of the person closest to Donald during that time, the making of one of the most original and imaginative American writers of the twentieth century. Scholars of avant-garde American literature will gain insider perspective to one man’s life and the years which, for all their myriad joys and downturns, produced some of the best-remembered works in the literary canon.

A Manual for Sons-Donald Barthelme 2010

Hiding Man-Tracy Daugherty 2009-02-03 In the 1960s Donald Barthelme came to prominence as the leader of the Postmodern movement. He was a fixture at the New Yorker, publishing more than 100 short stories, including such masterpieces as "Me and Miss Mandible," the tale of a thirty-five-year-old sent to elementary school by clerical error, and "A Shower of Gold," in which a sculptor agrees to appear on the existentialist game show Who Am I? He had a dynamic relationship with his father that influenced much of his fiction. He worked as an editor, a designer, a curator, a news reporter, and a teacher. He was at the forefront of literary Greenwich Village which saw him develop lasting friendships with Thomas Pynchon, Kurt Vonnegut, Tom Wolfe, Grace Paley, and Norman Mailer. Married four times, he had a volatile private life. He died of cancer in 1989. The recipient of many prestigious literary awards, he is best remembered for the classic novels Snow White, The Dead Father, and many short stories, all of which remain in print today. Hiding Man is the first biography of Donald Barthelme, and it is nothing short of a masterpiece.

The Teachings of Don B.-Donald Barthelme 2018-04-01 A wildly inventive and deeply humorous collection of literary delights by one of the great contemporary masters of the short story. A hypothetical episode of Batman hilariously slowed down to soap-opera speed. A game of baseball as played by T. S. Eliot and Willem Big Bull de Kooning. A recipe for feeding sixty pork-sotted celebrants at your daughter’s wedding. An outlandishly illustrated account of a scientific quest for God. Acclaimed as “a small education in laughter, melancholy, and the English language” (The New York Times Book Review), these astonishingly brilliant literary fragments could only have been generated by Donald Barthelme, who until his death in 1989 seemed intent on goosing American letters into taking a quantum leap. Gleeful, melancholy, erudite, and wonderfully subversive, The Teachings of Don B. is a literary testament cum time bomb, with the power to blast any reader into an altered state of consciousness. As Thomas Pynchon intones in his admiring Introduction, “Barthelme . . . happens to be one of a handful of American authors, there to make us look bad, who know instinctively how to stash the merchandise, bamboozle the inspectors, and smuggle their nocturnal contraband right on past the checkpoints of daylight ‘reality.’” “Barthelme, who died in 1989, was a distinctive master of fragments . . . Anger, wit, extravagant associations and disassociations; these would be less memorable if it were not for Barthelme’s ability to evoke dreams and the tenderness with which he does it.” —Los Angeles Times “Donald Barthelme may have influenced the short story in his time as much as Hemingway and O’Hara did in theirs.” —New York Times “Every sentence I read makes me want to stop and write something of my own. He fires all of my synapses and connects them in new ways.” —Dave Eggers “One of the great citizens of contemporary world letters.” —Robert Coover

Paradise-Donald Barthelme 2005 "No other word for it: a charming book." Peter S. Prescott, Newsweek

Sixty Stories-Donald Barthelme 2003 Presents a collection of sixty short stories by twentieth-century American author Donald Barthelme.

The Metafictional Muse-Larry McCaffery 1982-10-15 McCaffery interprets the works of three major writers of radically experimental fiction: Robert Coover; Donald Barthelme; and Willam H. Gass. The term “metafiction” here refers to a strain in American writing where the self-concious approach to the art of fiction-making is a commentary on the nature of meaning itself.

The Slightly Irregular Fire Engine-Donald Barthelme 2006 When Mathilda discovers a mysterious Chinese house in her backyard, she enters a new world of imagination and adventure.

The Blue Flowers-Raymond Queneau 1985-04-17 Only a pataphysician nurtured lovingly on surrealist excess could have come up with The Blue Flowers, Queneau’s 1964 novel. At his death in 1976, Raymond Queneau was one of France’s most eminent men of letters—novelist, poet, essayist, editor, scientist, mathematician, and, more to the point, pataphysician. And only a pataphysician nurtured lovingly on surrealist excess could have come up with The Blue Flowers, Queneau’s 1964 novel, now reissued as a New Directions Paperback. To a pataphysician all things are equal, there is no improvement or progress in the human condition, and a "message" is an invention of the benighted reader, certainly not the author or his perplexing creations--the sweet, fennel-drinking Cidrolin and the rampaging Duke d’Auge. History is mostly what the duke rampages through—700 years of it at 175-year clips. He refuses to crusade, clobbers his king with the "in" toy of 1439—the cannon—dabbles in alchemy, and decides that those musty caves down at Altamira need a bit of sprucing up. Meanwhile, Cidrolin in the 1960s lolls on his barge moored along the Seine, sips essence of fennel, and ineffectually tries to catch the graffitist who nightly defiles his fence. But mostly he naps. Is it just a coincidence that the duke appears only when Cidrolin is dozing? And vice versa? In the tradition of Villon and Céline, Queneau attempted to bring the language of the French streets into common literary usage, and his mad word-plays, bad puns, bawdy jokes, and anachronistic wackiness have been kept amazingly and glitteringly intact by the incomparable translator Barbara Wright.

The Right Stuff-Tom Wolfe 2008-03-04 From "America’s nerviest journalist" (Newsweek)—a breath-taking epic, a magnificent adventure story, and an investigation into the true heroism and courage of the first Americans to conquer space. "Tom Wolfe at his very best" (The New York Times Book Review) Millions of words have poured forth about man’s trip to the moon, but until now few people have had a sense of the most engrossing side of the adventure; namely, what went on in the minds of the astronauts themselves - in space, on the moon, and even during certain odysseys on earth. It is this, the inner life of the astronauts, that Tom Wolfe describes with his almost uncanny empathetic powers, that made The Right Stuff a classic.

Unspeakable Practices, Unnatural Acts-Donald Barthelme 1969

Great Days-Donald Barthelme 1979

The Asylum of Dr. Caligari-James Morrow 2017-05-30 “No one does history-meets-the-fantastic like Morrow. The Asylum of Dr. Caligari is a great example—Impressionism versus expressionism, psychology in the asylum of ‘dreams,’ the weaponization of art, big laughs and big ideas, a wild imagination, and smooth, subtle writing.” —Jeffrey Ford, author of A Natural History of Hell It is the summer of 1914. As the world teeters on the brink of the Great War, a callow American painter, Francis Wyndham, arrives at a renowned European insane asylum, where he begins offering art therapy under the auspices of Alessandro Caligari—sinister psychiatrist, maniacal artist, alleged sorcerer. And determined to turn the impending cataclysm to his financial advantage, Dr. Caligari will—for a price—allow governments to parade their troops past his masterpiece: a painting so mesmerizing it can incite entire regiments to rush headlong into battle. The Asylum of Dr. Caligari is a timely tale that is by turns funny and erotic, tender and bayonet-sharp—but ultimately emerges as a love letter to that mysterious, indispensable thing called art.

Forty Stories-Dave Eggers 2012-04-05 This collection of pithy, brilliantly acerbic pieces is a companion to Sixty Stories, Barthelme’s earlier retrospective volume. Barthelme spotlights the idiosyncratic, haughty, sometimes downright ludicrous behavior of human beings, but it is style rather than content which takes precedence.

Amateurs-Donald Barthelme 1977

Jubilee Hitchhiker-William Hjortsberg 2012-04-01 “Brautigan’s life unfolds as a tragicomedy, and the book vividly evokes the heady 1960s and 1970s, especially in the Bay Area.” —The San Francisco Chronicle Confident and robust, Jubilee Hitchhiker is an comprehensive biography of late novelist and poet Richard Brautigan, author of Trout Fishing in America and A Confederate General from Big Sur, among many others. When Brautigan took his own life in September of 1984, his close friends and network of artists and writers were devastated though not entirely surprised. To many, Brautigan was shrouded in enigma, erratic and unpredictable in his habits and presentation. But his career was formidable, an inspiration to young writers like Hjortsberg trying to get their start. As Hjortsberg guides us through his search to uncover Brautigan as a man, the reader is pulled deeply into the writer’s world. Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984, while revealing the close ties between his writing and the actual events of his life. Part history, part biography, and part memoir, this etches the portrait of a man destroyed by his genius. “It’s Hjortsberg’s ability to work like a novelist—to shape his mountain of material, the enormous chaos of Brautigan’s life, into a narrative—that makes Jubilee Hitchhiker most remarkable.” —Harper’s Magazine “One of the merits of Jubilee Hitchhiker is that it not only tracks Brautigan’s life but also deftly flips open any number of worlds, from the Beat and counterculture scenes in San Francisco to gonzo times in Montana.” —The New York Times

The Dead Father-Donald Barthelme 2014-05-06 The Dead Father is a gargantuan half-dead, half-alive, part mechanical, wise, vain, powerful being who still has hopes for himself—even while he is being dragged by means of a cable toward a mysterious goal. In this extraordinary novel, marked by the imaginative use of language that influenced a generation of fiction writers, Donald Barthelme offered a glimpse into his fictional universe. As Donald Antrim writes in his introduction, "Reading The Dead Father, one has the sense that its author enjoys an almost complete artistic freedom . . . a permission to reshape, misrepresent, or even ignore the world as we find it . . . Laughing along with its author, we escape anxiety and feel alive."

Snow White-Donald Barthelme 2013-01-29 An inventive, satiric modern retelling of the classic fairy tale provides an incisive and biting commentary on the absurdities and complexities of modern life. In Snow White, Donald Barthelme subjects the traditional fairy tale to postmodern aesthetics. In the novel, the seven dwarves are men who live communally with Snow White and earn a living by washing buildings and making Chinese baby food. Snow White quotes Mao and the dwarves grapple with low self-esteem in this raucous retelling of the classic tale.

Donald Barthelme’s Fiction-Charles Molesworth 1982 "Molesworth studies Barthelme’s progression, and regression, as ironist, humorist, and serious writer through all six original collections of short fiction: Come Back, Dr. Caligari (1964); Unspeakable Practices, Unnatural Acts (1968); City Life (1970); Sadness (1972); Amateurs (1976); and Great Days (1979). He also touches on two novels, Snow White and The Dead Father, and the "nonfiction" collection, Guilty Pleasures. Molesworth’s study is an appropriate complement to Barthelme’s latest collection, Sixty Stories, an anthology gathered from the fiction collections examined in this critical work. Molesworth demonstrates that Barthelme is a true innovator within the medium of the short story."—Jacket.

A Hundred Years of Japanese Film-Donald Richie 2005-05-27 Richie offers movie buffs and serious film students a lively, comprehensive overview of Japanese cinema from the end of the 19th century to the present. Updated DVD and VHS listings feature new releases, classic films, and reviews.

Parody and Social Satire in the Fiction of Donald Barthelme-Thomas Leonard Costello 1976

Donald Barthelme: Collected Stories (LOA #343)-Donald Barthelme 2021-05-04 The definitive collection of a twentieth-century master of the short story, whose unforgettable inventions revolutionized the form The short stories of Donald Barthelme, revered by the likes of Thomas Pynchon and George Saunders, are gems of invention and pathos that have dazzled and delighted readers since the 1960s. Here, for the first time, these essential stories are preserved as they were published in Barthelme’s original collections, beginning with Come Back, Dr. Caligari (1964), a book that made a generation of readers sit up and take notice. Collected Stories also includes the work that appeared for the first time in Barthelme’s two retrospective anthologies, Sixty and Forty, as well as a selection of uncollected stories. Discover, in this comprehensive gathering, Barthelme’s unique approach to fiction, his upside-down worlds that are nonetheless grounded in fundamental human truths, his scrambled visions of history that yield unexpected insights, and his genius for dialogue, parody, and collage, which was for him "the central principle of all art in the twentieth

century." Engage with sophisticated works of fiction that, often in just the space of a few pages, wrest profundities out of what might first seem merely ephemeral, even trivial. And experience, along with Barthelme's imaginative and frequently subversive ideas, the pleasures of a consummate stylist whose sentences are worth marveling at and savoring. Introduced with a sharp and discerning essay by editor Charles McGrath and annotation that clarifies Barthelme's freewheeling, wide-ranging allusions, the landmark volume is a desert-island edition for fans and the ideal introduction to new readers eager to find out why, as Dave Eggers writes, Barthelme's "every sentence ... makes me want to stop and write something of my own. He fires all of my synapses and connects them in new ways."

Divisadero-Michael Ondaatje 2009-04-16 From the celebrated author of *The English Patient* and *In the Skin of a Lion* comes a remarkable new novel of intersecting lives that ranges across continents and time. In the 1970s in northern California, near Gold Rush country, a father and his teenage daughters, Anna and Claire, work their farm with the help of Coop, an enigmatic young man who makes his home with them. Theirs is a makeshift family, until it is riven by an incident of violence — of both hand and heart — that sets fire to the rest of their lives. Divisadero takes us from the city of San Francisco to the raucous backrooms of Nevada's casinos, and eventually to the landscape of south central France. It is here, outside a small rural village, that Anna becomes immersed in the life and the world of a writer from an earlier time — Lucien Segura. His compelling story, which has its beginnings at the turn of the century, circles around "the raw truth" of Anna's own life, the one she's left behind but can never truly leave. And as the narrative moves back and forth in time and place, we discover each of the characters managing to find some foothold in a present rough-hewn from the past. Breathtakingly evoked and with unforgettable characters, Divisadero is a multi-layered novel about passion, loss, and the unshakable past, about the often discordant demands of family, love, and memory. It is Michael Ondaatje's most intimate and beautiful novel to date. From the Hardcover edition.

A Reader's Book of Days: True Tales from the Lives and Works of Writers for Every Day of the Year-Tom Nissley 2013-11-04 A witty and addictively readable day-by-day literary companion. At once a love letter to literature and a charming guide to the books most worth reading, *A Reader's Book of Days* features bite-size accounts of events in the lives of great authors for every day of the year. Here is Marcel Proust starting *In Search of Lost Time* and Virginia Woolf scribbling in the margin of her own writing, "Is it nonsense, or is it brilliance?" Fictional events that take place within beloved books are also included: the birth of Harry Potter's enemy Draco Malfoy, the blood-soaked prom in Stephen King's *Carrie*. *A Reader's Book of Days* is filled with memorable and surprising tales from the lives and works of Martin Amis, Jane Austen, James Baldwin, Roberto Bolano, the Brontë sisters, Junot Díaz, Philip K. Dick, Charles Dickens, Joan Didion, F. Scott Fitzgerald, John Keats, Hilary Mantel, Haruki Murakami, Flannery O'Connor, Orhan Pamuk, George Plimpton, Marilynne Robinson, W. G. Sebald, Dr. Seuss, Zadie Smith, Susan Sontag, Hunter S. Thompson, Leo Tolstoy, David Foster Wallace, and many more. The book also notes the days on which famous authors were born and died; it includes lists of recommended reading for every month of the year as well as snippets from book reviews as they appeared across literary history; and throughout there are wry illustrations by acclaimed artist Joanna Neborsky. Brimming with nearly 2,000 stories, *A Reader's Book of Days* will have readers of every stripe reaching for their favorite books and discovering new ones.

The Reluctant Film Art of Woody Allen-Peter J. Bailey 2010-09-29 For three decades, no American filmmaker has been as prolific -- or as paradoxical -- as Woody Allen. From *Play It Again, Sam* (1972) through *Celebrity* (1998) and *Sweet and Lowdown* (1999), Allen has produced an average of one film a year, yet in many of these films Allen reveals a progressively skeptical attitude toward both the value of art and the cultural contributions of artists. In examining Allen's filmmaking career, *The Reluctant Film Art of Woody Allen* demonstrates that his movies often question whether the projected illusions of magicians/artists benefit audience or artists. Other Allen films dramatize the opposed conviction that the consoling, life-redeeming illusions of art are the best solution humanity has devised to the existential dilemma of being a death-foreseeing animal. Peter Bailey demonstrates how Allen's films repeatedly revisit and reconfigure this tension between image and reality, art and life, fabrication and factuality, with each film reaching provisional resolutions that a subsequent movie will revise. Merging criticism and biography, Bailey identifies Allen's ambivalent views of the artistic enterprise as a key to understanding his entire filmmaking career. Because of its focus upon filmmaker Sandy Bates's conflict between entertaining audiences and confronting them with bleak human actualities, *Stardust Memories* is a central focus of the book. Bailey's examination of Allen's art/life dialectic also draws from the off screen drama of Allen's very public separation from Mia Farrow, and the book accordingly construes such post-scandal films as *Bullets Over Broadway* and *Mighty Aphrodite* as Allen's oblique cinematic responses to that tabloid tempest. By illuminating the thematic conflict at the heart of Allen's work, Bailey seeks not only to clarify the aesthetic designs of individual Allen films but to demonstrate how his oeuvre enacts an ongoing debate the screenwriter/director has been conducting with himself between creating cinematic narratives affirming the saving powers of the human imagination and making films acknowledging the irresolvably dark truths of the human condition.

Torn from the Nest-Clorinda Matto de Turner 1999-04-29 Clorinda Matto de Turner was the first Peruvian novelist to command an international reputation and the first to dramatize the exploitation of indigenous Latin American people. She believed the task of the novel was to be the photograph that captures the vices and virtues of a people, censuring the former with the appropriate moral lesson and paying its homage of admiration to the latter. In this tragic tale, Clorinda Matto de Turner explores the relationship between the landed gentry and the indigenous peoples of the Andean mountain communities. While unfolding as a love story rife with secrets and dashed hopes, *Torn from the Nest* in fact reveals a deep and destructive class disparity, and criticizes the Catholic clergy for blatant corruption. When Lucia and Don Fernando Marin settle in the small hamlet of Killac, the young couple become advocates for the local Indians who are being exploited and oppressed by their priest and governor and by the gentry allied with these two. Considered meddling outsiders, the couple meet violent resistance from the village leaders, who orchestrate an assault on their house and pursue devious and unfair schemes to keep the Indians subjugated. As a romance blossoms between the a member of the gentry and the peasant girl that Lucia and Don Fernando have adopted, a dreadful secret prevents their marriage and brings to a climax the novel's exposure of degradation: they share the same father--a parish priest. *Torn from the Nest* was first published in Peru in 1889 amidst much enthusiasm and outrage. This fresh translation--the first since 1904--preserves one of Peru's most distinctive and compelling voices.

The Further Adventures of Sherlock Holmes - The Instrument of Death-David Stuart Davies 2019-03-05 A brand-new Sherlock Holmes mystery from acclaimed Sherlockian author David Stuart Davies, featuring the sinister Dr Caligari Sherlock Holmes has just uncovered the truth about the theft of a priceless ruby. The wealthy Lady Damury staged the theft and tried to frame her husband - but just as Holmes reveals the truth, Lady Damury is found murdered. Holmes deduces that this is no crime of passion, but the work of a ruthless killer with no connection to the jewel. With reports of a man in a strange, trance-like state, Holmes finds himself entangled in a dangerous game of cat and mouse with the sinister Dr Caligari...

Presents-Donald Barthelme 1980
