Gypsy Magic-Patrinella Cooper 2002-02-15 "Gypsies are justly famed for their psychic powers and the

ability to curse or bring good luck to those that cross their path." A sparkling compilation of secrets passed down from one generation to the next, *Gypsy Magic* offers readers simple techniques for harnessing "zee energy" to bring about good luck, health, wealth, happiness, and love. Author Patrinella Cooper draws upon her Romany heritage and tells readers "how the Gypsy tradition helped me to develop my own power, which in turn enables me to help other people, through magic and fortune-telling." Perfect for anyone interested in the interplay between nature and divination, this introduction to the gypsy traditions shows how to unlock the power of palmistry, tarot, dreams, tea leaves, and, of course, crystal balls. In addition to sharing time-tested natural remedies and healing herbs, Cooper shares her traveler's insight into reading nature's signs and omens, from stars and seasons to birds and plants. *Gypsy Magic* also reveals how to attract good luck with charms, protect against curses, harness the power of the planets, and weave simple spells.

D-Day Girls-Sarah Rose 2019-04-23 NATIONAL BESTSELLER • The dramatic, untold history of the heroic women recruited by Britain's elite spy agency to help pave the way for Allied victory in World War II "Gripping. Spies, romance, Gestapo thugs, blown-up trains, courage, and treachery (lots of treachery)—and all of it true."—Erik Larson, author of *The Devil in the White City* and *Dead Wake* In 1942, the Allies were losing, Germany seemed unstoppable, and every able man in England was on the front lines. To "set Europe ablaze," in the words of Winston Churchill, the Special Operations Executive (SOE), whose spies were trained in everything from demolition to sharpshooting, was forced to do something unprecedented: recruit women. Thirty-nine answered the call, leaving their lives and families to become saboteurs in France. In *D-Day Girls*, Sarah Rose draws on recently declassified files, diaries, and oral histories to tell the thrilling story of three of these remarkable women. There's Andrée Borrel, a scrappy and streetwise Parisian who blew up power lines with the Gestapo hot on her heels; Odette Sansom, an unhappily married suburban mother who saw the SOE as her ticket out of domestic life and into a meaningful adventure; and Lise de Baissac, a fiercely independent member of French colonial high society and the SOE's unflappable "queen." Together, they destroyed train lines, ambushed Nazis, plotted prison breaks, and gathered crucial intelligence—laying the groundwork for the D-Day invasion that proved to be the turning point in the war. Rigorously researched and written with razor-sharp wit, *D-Day Girls* is an inspiring story for our own moment of resistance: a reminder of what courage—and the energy of politically animated women—can accomplish when the stakes seem incalculably high. Praise for *D-Day Girls* "Rigorously researched . . . [a] thriller in the form of a non-fiction book."—Refinery29 "Equal parts espionage-romance thriller and historical narrative, *D-Day Girls* traces the lives and secret activities of the 39 women who answered the call to infiltrate France. . . . While chronicling the James Bond-worthy missions and love affairs of these women, Rose vividly captures the broken landscape of war."—The

Washington Post “Gripping history . . . thoroughly researched and written as smoothly as a good thriller, this is a mesmerizing story of creativity, perseverance, and astonishing heroism.”—Publishers Weekly (starred review)

Every Breath-Nicholas Sparks 2018-10-16 Treat yourself to an epic #1 New York Times bestselling love story that spans decades and continents as two people at a crossroads -- one from North Carolina and one from Zimbabwe -- experience the transcendence and heartbreak of true love. Hope Anderson has some important choices to make. At thirty-six, she's been dating her boyfriend, an orthopedic surgeon, for six years. With no wedding plans in sight, and her father recently diagnosed with ALS, she decides to use a week at her family's cottage in Sunset Beach, North Carolina, to ready the house for sale and mull over some difficult decisions about her future. Tru Walls has never visited North Carolina but is summoned to Sunset Beach by a letter from a man claiming to be his father. A safari guide, born and raised in Zimbabwe, Tru hopes to unravel some of the mysteries surrounding his mother's early life and recapture memories lost with her death. When the two strangers cross paths, their connection is as electric as it is unfathomable . . . but in the immersive days that follow, their feelings for each other will give way to

choices that pit family duty against personal happiness in devastating ways. Illuminating heartbreaking regrets and enduring hope, Every Breath explores the many facets of love that lay claim to our deepest loyalties while asking a life-changing question: How long can a dream survive?

Lost City of the Incas-Hiram Bingham 2010-12-16 First published in the 1950s, this is a classic account of the discovery in 1911 of the lost city of Machu Picchu. In 1911 Hiram Bingham, a pre-historian with a love of exotic destinations, set out to Peru in search of the legendary city of Vilcabamba, capital city of the last Inca ruler, Manco Inca. With a combination of doggedness and good fortune he stumbled on the perfectly preserved ruins of Machu Picchu perched on a cloud-capped ledge 2000 feet above the torrent of the Urubamba River. The buildings were of white granite, exquisitely carved blocks each higher than a man. Bingham had not, as it turned out, found Vilcabamba, but he had nevertheless made an astonishing and memorable discovery, which he describes in his bestselling book LOST CITY OF THE INCAS.

Organized Crime-Howard Abadinsky 2016-01-11 Ever dynamic, organized crime continues to change. For example, efforts to combat one aspect of the phenomenon, the American Mafia, have reached high levels of prosecutorial success -- resulting in a decline in the organization's relative importance. Meanwhile, criminal organizations operating on a global scale have become more sophisticated and more threatening, and additional crime groups have been added to the pantheon we refer to as organized crime. Reflecting changes that have occurred in recent years, this eleventh edition updates information and analyses of organized crime, including how criminal groups around the world are organized; the widening of their business activities; and the statutes, agencies, and techniques used to combat them. Revelations Tarot-Zach Wong 2005 The Ultimate Solution to Tarot Reversals Whether you're new to

divination or an experienced professional, working with reversed Tarot cards is always a challenge. After all, the image is upside-down and everything appears, well, reversed. How can you possibly work with such inverted symbols? Zach Wong has come up with the ultimate solution. He presents different symbolism on the bottom part of the card, so it appears upright when the card is inverted. This is like having a 156-card deck while only using 78 cards. There is much more to this deck than just ease with reading reversals. All of the characters wear masks. This shows them to be similar to mythical deities who assume human form and stand among us to make their spiritual messages easier for us to understand. Similarly, they make the message of the cards easier to comprehend. These cards, with their stained glass imagery, match the traditional RWS interpretations. Wong, however, has added his own twists that energize and add additional meaning to the RWS concepts. You can bring these additional insights into your divinations with any Tarot. This is a beautiful, unique, and powerful deck that matches and expands upon traditional Tarot ideas. The new realizations and revelations you'll get when you use this deck for divination or meditation validate the name and give another reason for you to use this deck regularly. Ideal for meditation, study, and divination, treat this deck as something special...because it is!
