Station Eleven-Emily St. John Mandel 2014-09-09 An audacious, darkly glittering novel set in the eerie days of civilization's collapse, Station Eleven tells the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. A National Book Award Finalist A PEN/Faulkner Award Finalist Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, The Glass Hotel, available in March.

The Witches-Stacy Schiff 2015-10-27 The Pulitzer Prize-winning author of Cleopatra, the #1 national bestseller, unpacks the mystery of the Salem Witch Trials. It began in 1692, over an exceptionally raw Massachusetts winter, when a minister's daughter began to scream and convulse. It ended less than a year later, but not before 19 men and women had been hanged and an elderly man crushed to death. The panic spread quickly, involving the most educated men and prominent politicians in the colony. Neighbors accused neighbors, parents and children each other. Aside from suffrage, the Salem Witch Trials represent the only moment when women played the central role in American history. In curious ways, the trials would shape the future republic. As psychologically thrilling as it is historically seminal, THE WITCHES is Stacy Schiff's account of this fantastical story-the first great American mystery unveiled fully for the first time by one of our most acclaimed historians.

An Episode of War-Stephen Crane 2009-04-28 Though best known for The Red Badge of Courage, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice.

Crucible of Faith-Philip Jenkins 2017-09-19 One of America's foremost scholars of religion examines the tumultuous era that gave birth to the modern Judeo-Christian tradition In The Crucible of Faith, Philip Jenkins argues that much of the Judeo-Christian tradition we know today was born between 250-50 BCE, during a turbulent "Crucible Era." It was during these years that Judaism grappled with Hellenizing forces and produced new religious ideas that reflected and responded to their changing world. By the time of the fall of the Temple in 70 CE, concepts that might once have seemed bizarre became normalized-and thus passed on to Christianity and later Islam. Drawing widely on contemporary sources from outside the canonical Old and New Testaments, Jenkins reveals an era of political violence and social upheaval that ultimately gave birth to entirely new ideas about religion, the afterlife, Creation and the Fall, and the nature of God and Satan.

After the Fall-Arthur Miller 2015-04-23 This Student Edition of After the Fall is perfect for students of literature and drama and offers an unrivalled and comprehensive guide to Miller's play. It features an extensive introduction by Brenda Murphy which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. After the Fall (1964) is embedded in historical events that were bound up with Arthur Miller's personal life. It is an intensely personal psychological study of its protagonist Quentin and a moral and philosophical commentary on the Holocaust, McCarthyism, and the career and death of Marilyn Monroe. The play marks the full realisation of Miller's modernist experimentation in trying to create a form that dramatises both human consciousness or subjectivity and its interrelationship with social and familial dynamics. A drama that takes place in the mind and thoughts of its protagonist, where memories are overshadowed by the Holocaust, the play is a moving study of human consciousness, morality and how we should live our lives once we have come to the realisation that we exist 'after the Fall'.

In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. The Crucible is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. All the Light We Cannot See-Anthony Doerr 2014-11-04 WINNER OF THE PULITZER PRIZE From the highly acclaimed, multiple award-winning Anthony Doerr, the beautiful, stunningly ambitious instant New York Times bestseller about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History, where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great-uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's “stunning sense of physical detail and gorgeous metaphors” (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, a National Book Award finalist, All the Light We Cannot See is a magnificent, deeply moving novel from a writer “whose sentences never fail to thrill” (Los Angeles Times).

Secretly Bound-Jade 2015-12-07 " My inner dragon is constantly forcing me forward faster and faster. SHE pushes the boundaries of my passions. I become so strong in HER presence, yet SHE presses. I am forced to walk the line... Dangling my feet over the edge, fearlessly challenging the abyss to swallow me, I enjoy it." (p241). For centuries, artists have explored the duality of the soul. We are married to both good and evil, a co-existence held in balance by the power of choice. Echoed from the pens of poets and prose come the things that go bump in the heart, the monsters that frighten us most, the ones that live within. Wrapped in sensually seductive disguises between black covers erupts Jade and her Dragon. They are Secretly Bound. Leading a successful life with the right career, house and home, wife and child, Jade has it all. Or so it seems. Beneath the peaceful waters lies the emptiness of a relationship barely sparking. The passion is gone. Life is going through the motions, especially in the bedroom. Fantasy remains in the ashes of a once out of control fire, and Jade finds that reality is such a poor substitute. When we thirst, we seek to quench that thirst. We are built to survive, no matter the cost. Jade's soul yearns to quench the desert that has become her sexuality. Her quest for an oasis leads her to Mylifeseeker.com, an internet-based social network, and like so many who have sought out friendship through the internet, Jade ends up with so much more. A storm cloud appears and her name is Emma, bringing with her correspondence sprinkles of rain that soon bursts into a mysterious monsoon flooding Jade's desert and awakens the dragon within. With each email, readers ride on the dragon's breath, holding tightly to the scales glistening in erotic adventures that will assuredly awaken the dragon in every reader. The darkest sexual desires kept from the home are openly explored with a virtual stranger, the lover born of dreams on a screen glowing with the increasing heat of wildfire. Emma soon succeeds in flooding Jade's existence to the point that she must meet the source of her dragon's fire. But as in every cautionary tale, let the reader beware. One always pays for forbidden pleasure, and Jade's price is more than the reader could possibly imagine. Truth turns into lies. Lies become truth. Reality is fantasy. Fantasy is reality. The beginning is an end. The end is a beginning. And just when you think you've got the answer, there's another riddle to solve. If you are ready, take this dragon by the tail and just try to hang on. You just might find that it is the dragon that has you, and that from this day forward, like Jade, you will forever be Secretly Bound. J AGuilera Professional Reviewer
