The day I inherited my aunt's old house, everything changed. One moment, I was convinced that magic was a hoax. The next, I'm surrounded by four winged, fanged, ridiculously hot guys who are definitely nothuman, and who insist that I'm the only one who can break the curse that binds them to the night. I know I should run far, far away from this hot

mess, but there's a connection between us I can't deny. I'm seeing things I can't explain, feeling things that don't make sense. The detective in me has never been able to resist a mystery, and this one is just begging me to dig in. But all that will have to wait, because there's a new threat stalking my city. One with a taste for blood and bone, unable to be killed or captured by normal human means. It's a good thing I've got four new roommates to help me hunt them down. Academy of the Forgotten-Eva Chase 2020-03-11 Three haunted young men. A terrible curse. One girl who could break it... if this place doesn't break her first. From the first time my parents decided that getting

their next hit mattered more than keeping me fed, I learned I couldn't trust anyone--until Cade. My foster brother took me under his wing and sheltered me from the worst of the crap thrown at us. So when he heads off on an exclusive scholarship and everyone around me starts denying he ever existed, Roseborne College has some explaining to do. I'm not leaving until I get answers. The school I barge into isn't what I pictured. The staff claim Cade's never been here. The students glare like just looking at me offends them. The classes involve more torment than teaching, while sobs and howls fill the night. And three very different, unnervingly appealing guys--one of them a teacher--act way too invested in my arrival. Some unnatural power holds this place in its grip. The more I dig, the more horrors I uncover. Finding Cade might not be my biggest problem after all. It's looking like none of us, me included, will escape this place alive.

Signs of Cupidity-Raven Kennedy 2018-09-18 You'd think that basically being in charge of love would be an epic job, right? Wrong. Sure, I can blow some Lust into people's faces and watch the show, but I can't actually participate. It gets old, trust me. Same goes for love. I can pass it out like sugar-free lollipops at a dentist's office, but I can't get any love for myself. It totally sucks. I used to consider myself a hopeless

romantic, so why wouldn't I choose to become a cupid? Sounds like a good idea, right? Wrong again. They don't call us stupid cupids for nothing. I'm stuck in this never-ending afterlife where I'm invisible, lonely, and bitter as hell. And yeah, I'm probably responsible for some terrible matchmaking out there. Sorry, not sorry. All my bad cupid'ing might be why I was exiled from the human realm. You can only do so much before the cupid bosses get all huffy. Unfortunately, my bitterness carried over into the new realm, and then I attacked a fae prince with Love Arrows. Accidentally. Okay, not accidentally. But hey, he deserved it. What I didn't expect was for him to retaliate and hit my ass with some crazy magic mojo strong enough to push me into the physical realm. Whoa. That's right. This cupid just got a real body. And you know what that means...Now, it's my turn to get some. Love, I mean. Get your head out of the gutter. Wink, wink bitches. Author's Note: This is a medium-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

Academy of the Forsaken-Eva Chase 2020-04-29 When I arrived at Roseborne College searching for my foster brother, I had no idea what I was in for. In the past few weeks, I've endured torments both physical and emotional. I've looked death in the face. And I've made an unnerving discovery that's left me scrambling to pick up the pieces of the quest I started out on. But the supernatural beings who run this school haven't conquered me yet. I'll turn the tables on them with my newfound knowledge--and maybe with the help of three temptingly screwed-up guys I never expected to count on. At least, that's the plan. Everyone in this place is keeping secrets: me, the guys I might be falling for, and my brother. Secrets big enough to bring us together... or to tear us completely apart. How will I find the strength to continue the fight if it turns out I can't trust anyone--not even myself?

Trickery-Jaymin Eve 2017-02-28 Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a

position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series
