The Greatest Salesman in the World-Og Mandino 2011-01-05 What you are today is not important. . . for in this runaway bestseller you will learn how to change your life by applying the secrets you are about to discover in the ancient scrolls. "I will persist until I succeed. I was not delivered into this world into defeat, nor does failure course in my veins. I am not a sheep waiting to be prodded by my shepherd. I am a lion and I refuse to talk, to walk, to sleep with the sheep. The slaughterhouse of failure is not my destiny. I will persist until I succeed." --From the ancient scroll marked III in The Greatest Salesman in the World Praise for The Greatest Salesman in the World "The Greatest Salesman in the World is one of the most inspiring, uplifting, and motivating books I have ever read. I can well understand why it has had such a splendid acceptance."--Norman Vincent Peale "At last! A book on sales and salesmanship that can be read and enjoyed by veteran and recruit alike! I have just completed The Greatest Salesman in the World for the second time—it was too good for just one reading—and in all sincerity, I say that it is the most readable, most constructive and most useful instrument for the teaching of sales as a profession that I have ever read."—F.W. Errijo, Manager, U. S. Sales Trainer at Parke, Davis & Company "I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in The Greatest Salesman in the World. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read."—Paul J. Meyer, President of Success Motivation Institute, Inc. "Every sales manager should read The Greatest Salesman in the World. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration."—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations "I was overwhelmed by The Greatest Salesman in the World. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two mousts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it."—Robert B. Hensley, President, Life Insurance Co. of Kentucky "Og Mandino provocatively prods your attention into fascination as he masterfully relates his story. The Greatest Salesman in the World is a book with emotional appeal for millions."—Roy Garn, Executive Director, Emotional Appeal Institute "There are very few men who have the writing talent with which Og Mandino has been blessed. The thoughts contained in this book symbolize the importance of selling to the entire world's existence."—Sol Polk, President, Polk Bros., Inc.

Eight Pillars of Prosperity-James Allen 1911 In "Eight Pillars of Prosperity," James Allen reveals exact qualities we must meditate upon in order to achieve lasting success. Prosperity rests on eight pillars: Energy, Economy, Integrity, System, Sympathy, Sincerity, Impartiality, and Self-reliance. "A business built up on the faultless practice of all these principles," Allen writes, "would be so firm and enduring as to be invincible. Nothing could injure it; nothing could undermine its prosperity, nothing could interrupt its success." This is a "Book of Virtues" for adults, distilling the wisdom of the ages in one compact volume. The moral virtues are the foundation and support of prosperity as they are the soul of greatness. They endure for ever, and all the works of man which endure are built upon them. Without them there is neither strength, stability, nor substantial reality, but only ephemeral dreams. To find moral principles is to have found prosperity, greatness, truth, and is therefore to be strong, valiant, joyful and free.

An Apartment on Uranus-Paul B. Preciado 2020-01-28 A "dissident of the gender-sex binary system" reflects on gender transitioning and political and cultural transitions in technoscientific capitalism. Uranus, the frozen giant, is the coldest planet in the solar system as well as a deity in Greek mythology. It is also the inspiration for uranism, a concept coined by the writer Karl Heinrich Ulrich in 1864 to define the "third sex" and the rights of those who "love differently." Following Ulrich, Paul B. Preciado dreams of an apartment on Uranus where he might live beyond existing power, gender and racial structures invented by modernity. "My trans condition is a new form of uranism," he writes. "I am not a man. I am not a woman. I am not heterosexual. I am not homosexual. I am not bisexual. I am a dissident of the gender-sex binary system. I am the multiplicity of the cosmos trapped in a binary political and epistemological system, shouting in front of you. I am a uranist confined inside the limits of technoscientific capitalism." This book recounts Preciado's transformation from Beatriz into Paul B., but it is not only an account of gender transitioning. Preciado also considers politics, cultural, and sexual transition, reflecting on issues that range from the rise of neo-fascism in Europe to the technological appropriation of the uterus, from the harassment of trans children to the role museums might play in the cultural revolution to come. An Apartment on Uranus is a bold, transgressive, and necessary book.

Success God's Way-Charles F. Stanley 2002-02-03 "Success is defined by a continuing desire to be the person God called you to be and to achieve those goals that God helps you to set," says Charles Stanley. In Success God's Way, Stanley teaches God's principles for success, including ten steps to help you reach God's goals in your life, and what to do about the seven success blockers that entangle believers. "Dr. Stanley has defined success in a timeless manner?knowing and doing the will of God. When a person knows Christ personally and consistently obeys the principles of Scripture, he is prepared for success God's way." ?Franklin Graham, Chairman and CEO, Samaritan's Purse; CEO, Billy Graham evangelistic Association "In a society that increasingly judges the success of individuals by the clothes they wear, the car they drive, the club they belong to, or the career they choose, the church desperately needs to reaffirm biblical standards. Once again, Dr. Stanley has brought clear focus to a timely issue. Success God's Way challenges readers to reexamine whether or not they are sacrificing genuine, lasting success on the altar of a worldly, temporary counterfeite and therefore settling for a lot less than what God wants to give them." ?Anne Graham Lotz, International Bible Teacher and Bestselling Author "In an age when our thinking is skewed, our zeal is waning, and our desire for excellence is deadened by apathetic self-centeredness, this book presents many biblical insights that challenge us to hear God's Word to Joshua to meditate on God's Word and be strong and courageous so we can have success." ?Kay Arthur, Precept Ministries International

The Art of the Start 2.0-Guy Kawasaki 2015-03-03 Fully revised and expanded for the first time in a decade, this is Guy Kawasaki's classic, bestselling guide to launching and making your new product, service, or idea a success. Whether you're an aspiring entrepreneur, small-business owner, intrapreneur, or not-for-profit leader, there's no shortage of advice on topics such as innovating, recruiting, fund raising, and branding. In fact, there are so many books, articles, websites, blogs, webinars, and conferences that many startups get paralyzed, or they focus on the wrong priorities and go broke before they succeed. The Art of the Start 2.0 solves that problem by distilling Guy Kawasaki's decades of experience as one of the most hardworking and irreverent strategists in the business world. Guy has totally overhauled this iconic, essential guide for anyone starting anything. It's 64 percent longer than version 1.0 and features his latest insights and practical advice about social media, crowdfunding, cloud computing, and many other topics. Guy understands the seismic changes in business over the last decade: Once-invulnerable market leaders are struggling. Many of the basics of getting established have become easier, cheaper, and more democratic. Business plans are no longer necessary. Social media has replaced PR and advertising as the key method of promotion. Crowdfunding is now a viable alternative to investors. The cloud makes basic infrastructure affordable for almost any new venture. The Art of the Start 2.0 will show you how to effectively deploy all these new tools. And it will help you master the fundamental challenges that have not changed: building a strong team, creating an awesome product or service, and facing down your competition. As Guy likes to say, "Entrepreneur is a state of mind, not a job title." His book will help you make your crazy ideas stick, through an adventure that's more art than science - the art of the start.
