Don't Talk Back to Your Vampire-Michele Bardsley 2007 Unwed and undead, town librarian Eva LeRoy, dealing with her daughter's new boyfriend who is a vampire hunter, rival vamps, and unruly kids adjusting to night school, finds herself falling in love with Lorcan the Loner, the vampire who killed her. Original.

Don't Talk Back-Sarcastic Parenting Press 2019-07 Great gift for a parent! Use it to tell your kids that back talk will not be tolerated. Great for teachers to use in their classroom. 6"x9" Blank Lined Notebook College Ruled 120 Pages (60 Sheets)

Shaq Talks Back-Shaquille O'Neal 2014-07-01 It's rare to discover a candid sports autobiography-- even rare when the author is one of the most recognizable athletes in the world. But in Shaq Talks Back, Shaquille O'Neal for the first time talks frankly about his childhood, his life, his rivalries, and his career, culminating in a dramatic, behind-the-scenes account of the Los Angeles Lakers' drive to the NBA Championship. At seven feet one inch tall and 330 pounds, Shaq has always faced outsized expectations, even as a child when he towered over other kids. Shaq Talks Back is the story of how potential became reality-- how someone expected to be a champion finally learned to become one. Beginning with his memory of crying on the court after the Lakers defeated the Indiana Pacers, Shaq takes us back to his younger days in Newark and Jersey City, New Jersey, then to Georgia and finally to Germany, where he began to harness some of his height and strength. From there, he recounts the remarkable progress of his basketball career, changing from a big but inexperienced teenager to a dominant college and professional player. Shaq talks about: * Playing at Louisiana State University for the unpredictable coach Dale Brown * Signing the biggest rookie contract ever with the Orlando Magic- and going to the NBA Finals for the first time * What happened next: dissention, disappointment, and his decision to leave for Los Angeles * The dysfunctional Lakers who were never able to win the big games * Dealing with egos as he finds the right chemistry with Kobe Bryant, Phil Jackson, and new additions to the team * Rivalries with Alonzo Mourning, Patrick Ewing, Hakeem Olajuwon, David Robinson, and others * The trouble with free throws... * "Bling-bling" and women: the larger-than-life world of NBA players off the court * Inside the Lakers' comeback from the brink against Portland and the drive to the NBA championship Funny, insightful, opinionated, and unexpectedly moving, Shaq Talks Back is the true voice of the NBA's best player.

Our Only Shield-Michael J. Goodspeed 2010-09-21 In the opening turmoil of the Second World War, a Canadian is spirited into occupied Holland to assess the resistance, an ambitious but insecure Nazi officer is determined to crush Dutch opposition, and a brilliant young woman's life is irrevocably changed by both men.

Why French Children Don't Talk Back-Catherine Crawford 2013 Catherine Crawford, a mother of two young daughters, is tired of the indulgent brand of parenting so popular in her trendy Brooklyn neighbourhood. All of the negotiating and bargaining has done scant more than to create a generation of little tyrants. After being exposed to the well-behaved, respectful children of her French friends, une lumi re went on - French children don't talk back! Why French Children Don't Talk Back is a witty and insightful look at how the French manage to bring up obedient, well-adjusted kids. It occupies a pragmatic place on the book shelf and in life - an anti-Tiger Mother approach to parenting.

Positive Discipline-Jane Nelsen 1996 Explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive

Talking Back to OCD-John S. March 2006-12-28 No one wants to get rid of obsessive-compulsive disorder more than someone who has it. That's why Talking Back to OCD puts kids and teens in charge. Dr. John March's eight-step program has already helped thousands of young people show the disorder that it doesn't call the shots--they do. This uniquely designed volume is really two books in one. Each chapter begins with a section that helps kids and teens zero in on specific problems and develop skills they can use to tune out obsessions and resist compulsion. The pages that follow show parents how to be supportive without getting in the way. The next time OCD butts in, your family will be prepared to boss back--and show an unwelcome visitor to the door. Association for Behavioral and Cognitive Therapies (ABCT) Self-Help Book of Merit

Never Again-Michele Bardsley 2011-03-01 Welcome to Nevermore, Texas, population 503, where witches and wizards live side by side with humans, and where witch Lucy Rackmore is in trouble. Ever since her former lover snuffed out her magical abilities, everyone in town is looking to settle a score with her family. And Lucy's only hope for survival may be her ex-brother-in-law-whom her sister betrayed and nearly killed.

As a Child-Randall Jones 2017-06-14 A child being born in this world how different each child actions are and how! Parents raise each child different how! Each child act! When they leave their parents site and be around with other children and adults, knowing right from wrong.

Dogs Don't Talk-Nancy May 2015-01-23 "A funny, warm-hearted and engaging story." -- Blueink Review ????? A really fun book to read." -- Jackie Timmons, Readers' Favorite Life is pretty bad when you're jealous of an old mutt and an autistic brother, Benjamin thinks to himself. If only he knew how to talk to girls, he could achieve both his goals: get a reasonably hot looking girlfriend and that, get respect from his wrestling teammates. But communication doesn't come easy in the McDowell family. Ben's mother has better conversations with Rosie the dog than she does with him. His older brother, Johnny can only communicate by singing Beatles' songs. His younger tattletale sister Elizabeth has her own problems dealing with the gossipy dance team. Ben's father, meanwhile, keeps his wishes for Ben short and to the point: make top grades and be a champion wrestler. Through his love of reading, Ben meets Emily and life takes a happy turn until circumstances beyond their control intervene. How Ben learns to deal with his family drama, a school bully and most of all, with his own insecurities.

Special Panel on the Strategic Defense Initiative-United States. Congress. House. Committee on Armed Services. Special Panel on the Strategic Defense Initiative 1989

All American Boys-Jason Reynolds 2015-09-29 A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens--one black, one white--grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins--a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan--and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team--half of whom are Rashad's best friends--start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

Skunk Stev-Hellen Parmore 2008-03-04 Sissy, the narrator of this haunting family drama, was eight when her father committed suicide. The family hid its shame and never talked about his death, especially to the children, who were more involved than anyone knew. As Sissy matured, she struggled with phobias, nightmares, and recurring dreams. Slowly she came to realize she had played a part in his death, but could not remember how. Determined to discover the truth, she began an astonishing pursuit that lasted many years. Psychological counseling brought some pieces of memory to light, but she knew more was buried in inaccessible parts of her mind. She researched birth and death records. She questioned those still living who could tell her more about his death. Her mother, who knew more than anybody, was an inventive liar who shed blame like a dog shakes off water. Her mother's sister and her mother's oldest friend each had their own versions of the story. How much of what they say can Sissy believe? After years of piecing together fragments of this tormenting puzzle, she underwent therapy for trauma amnesia to pry out the last buried memories. A horrifying story emerged, but it brought an understanding long overdue.

Jessie's Mountain-Kerry Madden-Lunsford 2008-02-14 Livy Two has always dreamed of becoming a singer, and her decision to run off to Nashville's Music Row is made with confidence?she figures the money she'll bring home will buy the family's house as well as forgiveness for running away. The Nashville adventure is a disaster, though; even her cherished guitar is stolen. Livy Two takes her failure hard, but finds comfort in the girlhood diary of her mother, Jessie. Outraged to discover that young Jessie had dreams now long-forgotten, Livy Two puts the whole family to work and makes Mama's ultimate dream come true. Jessie's Mountain concludes the captivating three-book saga of Livy Two and her mountain family, the Weems of Maggie Valley, North Carolina.

Backtalk-Carolyn Crowder 2011-01-18 "So what? All the other kids get to do it!" Few behavioral problems challenge and frustrate parents, caregivers, and teachers as does verbal rudeness in children of any age. Reinforced by the wise-cracking kids on TV and in the movies, backtalk has become all too common among today's youngsters. But there is nothing cute about this behavior. Remarks like "Yeah, right," "Big deal," and "Make me" -- form children as young as three -- get in the way of real communication between parents and kids, and can also be detrimental to a child's social and intellectual development. Now two experts in the field share their simple and specific four-step program for ending backtalk and restoring balance in relationships between parents and children, from preschoolers to teens. You'll learn how to recognize backtalk, how to choose and enact a response that will make sense to you and the backtalker, and when to disengage from the struggle and move forward. Full of advice and encouragement as well as suggestions on how to keep track of what works and what doesn't, Backtalk can be put to use immediately, before you hear another "Whatever."

The West Virginia School Journal- 1903

Ghosts of El Grullo-Patricia Santana 2008-03-15 Having left her much-loved San Diego barrio, Yolanda Sahag n is now living in the university dorms when a series of events--her mother dies and her father sells their home--forces her to re-examine her life. Yolanda visits her parents' hometown of El Grullo, Mexico, struggling to understand the ghosts in her life--her mother, her father, and her seemingly idyllic childhood. She fears losing herself in the disintegration of the family. For Yolanda, her father is her enemy (or so she thinks), and in the course of the novel we see him at his best and worst, and we see Yolanda at her best and worst. This is a story of Yolanda's initiation into womanhood and about her fierce struggle to make sure her family does not dissolve. Family and sexual politics; love, death, and abandonment; the struggle to resolve a personal identity in the context of a shattered, first-generation immigrant American family--these are the hugely painful obstructions Yolanda must surmount or incorporate into her own being as she makes her life's journey. Ghosts of El Grullo is a sequel to Santana's critically acclaimed and prize-winning Motorcycle Ride on the Sea of Tranquility.

Don't Even Think About It-Roisin Meaney 2013-06-07 Hi, I'm Liz Jackson. I'm 13 (almost). I'm also a latchkey kid since Mam walked out: now it's just me and Dad and big-bum Marjorie, oh, and my best friend Bumble (soon to be ex-best friend). Things I love: White Musk perfume, Eminem, pepperoni and pineapple pizza and the pizza delivery boy. Things I hate: the girl next door, my Dad's lumpy porridge and my gross chin dimple. Things I'm terrified of: my first date (coming up soon), my first date (not long now), and my first date (not long on the corner). This is my diary. Anyone who opens it will die a slow and horrible death. So Don't Even Think About It! Don't Even Think About It is part of the O'Brien Press's new Journal series for girls.

Men Don't Talk about... Cancer of the Prostate and Depression-Jan Newbergin 2013-04-17 Men are wimps when it comes to their health. Many avoid seeing a doctor and do not like to talk about prostate issues or depression. Author Ian Newbergin's life changed when he was diagnosed with prostate cancer, but with optimism, he created a way of life that allowed him to not just survive but thrive. Men Don't Talk About... chronicles his journey from fear to acceptance and ultimately survival. His story is one designed to encourage men to visit their doctors more frequently, particularly when they suffer from any urinary complications- one of the early signs of a potential problem. He explores his experiences with both prostate cancer and the resulting depression through candid insight. From a patients view point, he provides simple explanations about each disease. Knowledge is power for anyone facing cancer and he shares his research and experiences to help others. His story is one intended to demystify the diseases. He reminds the reader that there is no stigma involved with either disease and encourages them to take control of their own care. His message is simple: If he can survive the ordeal of having cancer and depression, so can you. You can increase your chances by having regular medical checkups. Remember, you're worth it.

Talking Back to Facebook-James P. Steyer 2012-05-08 The founder of Common Sense Media counsels parents and teachers on how to protect children from vulnerabilities in today's online and social technology outlets, providing coverage of such topics as content filters, unhealthy media messages, ADD and privacy. Original.

Motivational Writing Lessons- R. E. Myers 2005-10-01 Includes 38 writing activities.

Learning to Laugh-Gary McGuire The attitude of a person measures the altitude of his or her success and happiness. Success, and as a resultant happiness, is not determined by how much you earn or what is your status in society. It is determined by whether or not you achieve your chosen goals in life and how you view them. Each person's goals are different. Therefore it is essential for every individual to crystallize his or her vision in order to develop his/her own paradigm and path to success. And this book presents a practical guide to achieve success and happiness in life. Much of what is written is based on the author's own experiences and the philosophy which he has developed by active interaction with others as well as the study of the writings and experiences of great personalities across the world.

Working the Skies-Drew Whitelegg 2007-06-01 Get ready for takeoff. The life of the flight attendant, a.k.a., stewardess, was supposedly once one of glamour, exotic travel and sexual freedom, as recently depicted in such films as Catch Me If You Can and View From the Top. The nostalgia for the beautiful, carefree and ever helpful stewardess perhaps reveals a yearning for simpler times, but nonetheless does not square with the difficult, demanding and sometimes dangerous job of today's flight attendants. Based on interviews with over sixty flight attendants, both female and male labor leaders, and drawing upon his observations while flying across the country and overseas, Drew Whitelegg reveals a much more complicated profession, one that in many ways is the quintessential job of the modern age where life moves at record speeds and all that is solid seems up in the air. Containing lively portraits of flight attendants, both current and retired, this book is the first to show the intimate, illuminating, funny, and sometimes dangerous behind-the-scenes stories of daily life for the flight attendant. Going behind the curtain, Whitelegg ventures into first-class, coach, the cabin, and life on call for these men and women who spend week in and week out in foreign cities, sleeping in hotel rooms miles from home. Working the Skies also elucidates the contemporary work and labor issues that confront the modern worker: the demands of full-time work and parenthood; the downsizing of corporate America and the resulting labor lockouts; decreasing wages and hours worked; job insecurity; and the emotional toll of a high stress job. Given the events of 9/11, flight attendants now have an especially poignant set of stressful concerns to manage, both for their own safety as well as for those they serve, the passengers. Flight attendants, originally registered nurses charged with attending to passengers' medical needs, now find themselves wearing the hats of therapist, security guard and undercover agent. This last set of tasks pushing some, as Whitelegg shows, out of the business altogether.

Unspeakable Things-Laurie Penny 2014-07-03 Shortlisted for the Green Carnation Prize 2014 Laurie Penny, one of our most prominent young voices of feminism and dissent, presents a trenchant report on our society today--and our society tomorrow, as she is willing to fight to see it. Smart, clear-eyed, and irreverent, Unspeakable Things is a fresh look at gender and power in the twenty-first century, which asks difficult questions about desire and desire, money and masculinity, sexual violence, mental health, queer politics, and the Internet. Celebrated journalist and activist Laurie Penny draws on a broad history of feminist thought and her own experience in radical subcultures in America and Britain to take on cultural phenomena from the Occupy movement to online dating, give her unique spin on economic justice and freedom of speech, and provide candid personal insight to rally the defensive against eating disorders, sexual assault, and internet trolls. Unspeakable Things is a book that is eye-opening not only in the critique it provides, but also in the revolutionary alternatives it imagines.

Knowing Jesus Through Love, Fellowship & Worship-Quency Gardner 2004-03

A Summer of Kings-Han Nolan 2006-04-01 It's 1963 and fourteen-year-old Esther Young is looking for excitement. Cursed with a lack of talent in a family filled with artistic types, Esther vows to get some attention by initiating a summer romance with a black teen accused of murdering a white man in Alabama. King-Roy Johnson shows up on Esther's doorstep that summer, an angry young man who feels betrayed by the nonviolent teachings of Martin Luther King Jr. Sent north by his mother to escape a lynch mob, he meets a follower of Malcolm X's who uses radical teachings about black revolution to fuel King-Roy's anger and frustration. But with each other's help, both Esther and King-Roy learn the true nature of integrity and find the power to stand up for what is right and true. National Book Award-winning author Han Nolan brings readers a bold new voice--by turns funny and poignant, innocent and worldly--in this powerful coming-of-age story set during the turbulent struggle for civil rights.

Quitting Smoking for Life-Wendy Beckett 2004 An understanding approach to giving up smoking. This book give s you information on a range of issues including: understan ding why smoking is a habit you can break physical and psycholo gical aids to help you quit preparing for your estop day,, coping with withdrawal symptoms the many benefits of quit ting where to find help when you most need it

Bamboo Shoots After the Rain-Ann C. Carver 1993-01-01 This remarkable anthology introduces the short fiction of fourteen writers, major figures in the literary movements of three generations, who represent a range of class, ethnic, age, and political perspectives.It is filled with "unexpected gems", writes Scarlet Cheng in Belles Lettres, including Lin Hai-yin's story of a woman suffering under a feudal system that dominated Old China; Chiang Hsiao-yun's optimistic solutions to problems of the elderly in the rapidly changing Taiwan of the 1980; and in between, a dozen richly diverse stories of aristocrats, comrades, wices, concubines, children, mothers, sexuality, rape, female initiation, and the tensions between traditional and modern life. "This is not western feminism with an Asian accent", says Bloomsbury Review, "but a description of one culture's reality... The woman protagonists survive both despite and because of their existence in a changing Taiwan." This book includes biographical headnotes, an introduction that addresses the literary movements represented, and an extensive bibliography.

Borrowed Children-George Ella Lyon 2010-09-29 " Golden Kite Award winner, 1989 Booklist, Editor's Choice School Library Journal, Best Books of 1988 Publisher's Weekly, Best Books of 1988 Twelve-year-old Amanda Perritt is pitched head-first into adult responsibilities when she has to quit school to care for her newborn brother and invalid mother. She gets an escape, she thinks, when she's offered a trip to stay with her grandmother and her sophisticated Aunt Laura in Memphis. But during the visit, she discovers unexpected parallels between her mother's childhood and her own and comes to understand her own individuality as well as what it means to be part of a family.

Translated!-Sunny Isekebbor 2013-09-01 Salvation, the chief subject of the Christian faith, is an inexplicably neglected subject in the subjects and contents of today's Christian literature - consequently,there is so little understanding about this foundation;many church people don't know how to explain the new birth and an astonishing number of people in churches are not born again. Now it seems good to the Holy Spirit and to us to write a timeless classic on this foundational area. Translated is perhaps the most unique book so far written on salvation and fills a gaping void.Translated reads like a terrific novel of distinct and yet uniquely connected stories; it provides answers to many questions that have begged answers for generations!How do the Words of Jesus connect with the happenings and news headlines in our world today?Did Jesus address homosexuality, terrorism, wars and global warming? Why did Jesus use the expression 'Ye must be born again'?Considering how important it is to be born again why did Jesus only use that expression when talking to Nicodemus?Why did Jesus never use the words 'Born again' after the night meeting with Nicodemus?If to be born again is the most important ingredient of the Christian faith and if the New Testament is a continuation of the old, why was the expression 'born again' never used in the Old Testament?How does the story of Zacheus in Luke exemplify transgression?What did Jesus want us to learn by giving salvation to the thief on the cross just before He gave up the ghost?What connects the story of the woman of Samaria at the well with that of Zachues and the thief on the cross?Have you ever wondered how some of the key leaders in the body of Christ all over the world got saved?Why is it so important for people to make an open confession of their faith before they can be saved?How do natural things help us understand the power of translation?Why did Jesus use the word Kingdom more than 100 times in the gospels of Matthew, Mark, Luke & John?What is the difference between the power of darkness and the kingdom of God?How can believers in Jesus discover their calling?Why do some preachers make little or no emphasis on translation (salvation) and the kingdom of God?How can I spot a false preacher or ministry?Why should I believe in Jesus?Why is salvation so scarce among celebrities? Chapters of Civility-HiTech Students 2013-10-28 Teen students at HCLS Hi-Tech wrote and developed an e-book, Chapters of Civility, that addresses key concepts of how civility relates to their lives. The chapters include Importance of Civility, Ways to Stop Bullying, Inspirational Messages, and Helping the World. Each chapter contains a variety of messages from teens to their peers in a variety of formats, such as poems, letters, pictures, and thoughtful passages. In some sections, the authors present information and advice, while in other areas they promote action and living kindly. Debuting during this year's Choose Civility Week, the e-book was the culmination of a six-week Hi-Tech seminar.

Current Opinion-Edward Jewitt Wheeler 1915

Positive Parenting from A to Z-Karen Renshaw Joslin 2011-05-18 "A valuable book for the busy parent. Karen Joslin knows how to use both love and power in parenting, and presents easily understood solutions to common problems." GLENN AUSTIN, M.D., F.A.A.P. Former President, American Academy of Pediatrics Parenting expert and mother Karen Renshaw Joslin provides concrete age-specific solutions to more than 140 child misbehaviors. With this reassuring guide, alphabetically organized for easy access, you can: look up the problem and immediately pinpoint the case, learn specifically what to do, according to your child's age, know the exact words to say with actual dialogue examples, and more.

The Guy's Guide to God, Girls, and the Phone in Your Pocket-Jonathan McKee 2014-04-01 The Guy's Guide to God, Girls, and the Phone in Your Pocket melds spiritual and practical advice with humor--a winning combination for teens trying to navigate the ups and downs of real-life situations with confidence and wisdom. Guys will be encouraged and challenged with sound, biblically-based advice equipping them to stand up for their faith and live the Christian walk every day--plus, they'll encounter some humorous, common-sense tips along the way. Each of the 101 accessible chapters wraps up with thought-provoking questions, making The Guy's Guide a perfect book to work through with friends or small groups.

Essential Radio Skills-Peter Stewart 2010-06-25 "One of the few books we'd recommend" BBC Training "The perfect guide for anyone who wants to get on in this ever-changing and challenging media" Controllor BBC Radio 5 Live "A rich repository of real, practical experience" Director - BBC Nations & Regions "An invaluable guide" Director - The Radio Academy This is a practical, how-to guide to producing and presenting radio to a professional standard. Packed with day-to-day advice that captures the essence and buzz of live broadcasting; from preparing your show before it goes out, last minute changes to running orders, deciding what to drop in over a track, how to sell a feature or promote a programme, setting up competitions, thinking fast in a phone in - this book will help you do all that and more. It covers network and commercial, music and talk radio skills and is particularly suited to the independent local or community radio. It features advice from professionals, covers industry-wide best practice with enough 'need-to-know' technical information to get you up and running. This edition has been updated throughout and has more than 500 weblinks to downloads and audio and video examples, as well as cross-references to the official National Occupational Standards for Radio Content.

Lost Souls-Sunwon Hwang 2009-11-19 These captivating short stories portray three major periods in modern Korean history: the forces of colonial modernity during the late 1930s; the postcolonial struggle to rebuild society after four decades of oppression, emasculation, and cultural exile (1945 to 1950); and the attempt to reconstruct a shattered land and a traumatized nation after the Korean War. Lost Souls echoes the exceptional work of China's Shen Congwen and Japan's Kawabata Yasunari. Modernist narratives set in the metropolises of Tokyo and Pnyongang alternate with starkly realistic portraits of rural life. Surrealist tales suggest the unsettling sensation of colonial domination, while stories of the outcast embody the thrill and terror of independence and survival in a land dominated by tradition and devastated by war. Written during the chaos of 1945, "Booze" recounts a fight between Koreans for control of a former Japanese-owned distillery. "Toad" relates the suffering created by hundreds of thousands of returning refugees, and stories from the 1950s confront the catastrophes of the Korean War and the problematic desire for autonomy. Visceral and versatile, Lost Souls is a classic work on the possibilities of transition that showcases the innovation and craftsmanship of a consummate and widely celebrated storyteller.

Talking Back-bell hooks 2014-10-10 In childhood, bell hooks was taught that "talking back" meant speaking as an equal to an authority figure and daring to disagree and/or have an opinion. In this collection of personal and theoretical essays, hooks reflects on her signature issues of racism and feminism, politics and pedagogy. Among her discoveries is that moving from silence into speech is for the oppressed, the colonized, the exploited, and those who stand and struggle side by side, a gesture of defiance that heals, making new life and new growth possible.

The Wall-William Sutcliffe 2013-06-04 Joshua lives with his mother and step-father in Amarias, an isolated town, where all the houses are brand new. Amarias is surrounded by a high wall, guarded by soldiers, which can only be crossed through a heavily fortified checkpoint. Joshua has been taught that the Wall is the only thing keeping his people safe from a brutal and unforgiving enemy. One day, Joshua stumbles across a tunnel that leads underneath the Wall. The chance to catch a glimpse of life on the other side of The Wall is too tempting to resist. He's heard plenty of stories about the other side, but nothing has prepared him for what he finds. . . . Set in a tense reality closely mirroring Israel's West bank, this deeply affecting parable of a boy who undertakes a short journey to another world lingers long after completion.

Freaks Talk Back-Joshua Gamson 2009-02-13 Using extensive interviews, hundreds of transcripts, focus-group discussions with viewers, and his own experiences as an audience member, Joshua Gamson argues that talk shows give much-needed, high-impact public visibility to sexual nonconformists while also exacerbating all sorts of political tensions among those becoming visible. With wit and passion, Freaks Talk Back illuminates the joys, dilemmas, and practicalities of media visibility. "This entertaining, accessible, sobering discussion should make every viewer sit up and ponder the effects and possibilities of America's daily talk-fest with newly sharpened eyes."--Publishers Weekly "Bold, witty. . . . There's a lot of empirical work behind this deceptively easy read, then, and it allows for the most sophisticated and complex analysis of talk shows yet."--Elayne Rapping, Women's Review of Books "Funny, well-researched, fully theorized. . . . Engaged and humane scholarship. . . . A pretty inspiring example of what talking back to the mass media can be."--Jesse Berrett, Village Voice "An extraordinarily well-researched volume, one of the most comprehensive studies of popular media to appear in this decade."--James Ledbetter, Newsday
