Its roughly what you obsession currently. This educacion de un kabbalista rav berg libros tematika, as one of the most working sellers here will extremely be along with the best options to review.

Educacion de Un Cabalista-Rav Berg 2005-07-01
Legendary Kabbalist Rav Yehuda Brandwein empowered his student Rav Berg with bringing the wisdom of Kabbalah to the world. In his studies, Berg had become familiar with the brilliant insights, complete dedication, and loving heart of his master, never expecting that the mantle of a centuries old spiritual tradition would be placed upon his shoulders. In this book, Berg paints a portrait of his master and reveals the details of his own transition from student to scholar.

Education of a Kabbalist-Rav Berg 2012-06-29
In this memoir, Rav Berg illuminates the profound bond between teacher and student, painting a beautiful portrait of one of the greatest kabbalists of our time—Rav Yehuda Brandwein. Set in Israel during the tumultuous days before and after the Six Day War, this book traces the development of their special relationship and shares the wisdom gleaned from it. Within its pages, we sense their passion for bringing the ancient wisdom of Kabbalah to the contemporary world. This is the spiritual journey that ultimately resulted in Rav Brandwein passing the responsibility of leadership of The Kabbalah Centre to Rav Berg.

Amarres perros-Jorge G. Castañeda 2014-11-01
Leer esta autobiografía es como tener una serie de conversaciones con Jorge Castañeda, y conocer también sus amores, manías, debilidades, su ambición por el poder. Es conocer a un hombre de su tiempo, que también es el nuestro. Amarres perros es el testimonio biográfico de Jorge Castañeda, un protagonista de la vida política e intelectual del México de nuestros días. Jorge Castañeda desempeñó un papel relevante en el camino hacia la democracia en este país y que no sólo ha sido testigo de grandes acontecimientos a nivel nacional e internacional, sino también participante. El autor relata cómo fueron sus años formativos, su entorno familiar y afectivo, sus mentores y los diversos aprendizajes que lo convirtieron, sucesiva o simultáneamente, y de modo temporal o para siempre, en académico, escritor, militante de la izquierda, canceller, padre obsesivo, candidato independiente a la Presidencia, lector compulsivo, polemista y hombre polémico, miembro destacado de organizaciones internacionales... El tono de esta obra no es autocomplaciente; su autor es un sero juez de sus decisiones y de su estilo de vida. Por estas páginas desfilan personas renombradas como Carlos Fuentes, Adolfo Aguilar Zinser, Carlos Salinas de Gortari, Fidel Castro, Colin Powell, Vicente Fox, Carlos Slim, Gabriel García Márquez y Elba Esther Gordillo, y sucesos intrincados y tan interesantes como las repercusiones del TLC, el viraje en la política mexicana de relaciones exteriores, el movimiento estudiantil del 68, los delicados equilibrios entre naciones, la odisea de los refugiados guatemaltecos en los años ochenta, el famoso "comes y te vas", diversas campañas hacia la Presidencia y los controvertidos comicios electorales de 1988. Por su amenedad, leer esta autobiografía es como tener una serie de conversaciones con Jorge Castañeda, y conocer también sus amores, manías, debilidades, su ambición por el poder, su entorno íntimo y familiar. Es conocer una vida intensa, de trabajo incansable. Es conocer a un hombre de su tiempo, que también es el nuestro.

To the Power of One-Philip S. Berg 1991
The universe, according to modern day physics, is not composed of the individual parts and pieces that we perceive with our five senses but instead is described as being one unified whole through a mysterious invisible force that instantly connects every part of the cosmos. These and many other incredible findings in the area of Quantum Physics have shaken the foundations of the scientific community. Even more important, the general public at large is not aware of these discoveries. Book jacket.

Kabbalistic Astrology-Rav P. S. Berg 2010-09-17
Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.

Kabbalah for Beginners-Michael Laitman 2004-01-01
The Kabbalist Rabbi Laitman, who was the student and personal assistant to Rabbi Baruch Ashlag from 1979-1991, follows in the footsteps of his rabbi in passing on the wisdom of Kabbalah to the world. This book is based on sources that were passed down by Rabbi Baruch's father, Rabbi Yehuda Ashlag (Baal HaSulam), the author of 'the Sulam', the commentaries on The Book of Zohar, who continued the ways of the Ari and Rabbi Shimon Bar Yochai and many great Kabbalists throughout the generations before them. The goal of this book is to assist individuals in confronting the first stages of the spiritual realm. This unique method of study, which encourages sharing this wisdom with others, not only helps overcome the trials and tribulations of everyday life, but initiates a process in which individuals extend themselves beyond the standard limitations of today's world.

Mundos Superiores-Rav Dr. Michael Laitman 2014-02-17
El libro "Mundos Superiores", tal como nos lo cuenta su nombre, describe la estructura de los mundos espirituales y el proceso de su formación, desde el plan de la creación del alma del primer hombre hasta su rompimiento, y hasta la evolución del hombre en nuestro mundo y el despertar del deseo por la espiritualidad en nuestros días. Lo principal está, como nos dicen los grandes cabalistas, en ver "desde el principio hasta su fin". Es decir, ver el final desde su comienzo. Es imposible aprender cosa alguna sin saber con qué fin existe, ya que en todo estado existente, lo principal no es el estado en sí sino la meta por la cual existe. De aquí comprendemos la importancia del estudio de los mundos superiores. Este estudio nos permite conocer el proceso de desarrollo del creado y su propósito, y desde este propósito comprender las frases previas por las que pasa el creado; todos los discernimiento, hasta llegar al hombre de nuestro mundo.El beneficio del estudio de la estructura de los mundos superiores es muy grande, y no una sola vez sino varias. Tenemos que tener una imagen general de la estructura de los mundos superiores y un estudio repetitivo de dicha estructura de los mundos superiores lo da al individuo una imagen clara sobre la estructura de la realidad y la capacidad de conectar entre los dos mundos, el espiritual y el terrenal.El libro "Mundos Superiores" está basado en su mayoría en su mayoría en el artículo

"Prefacio de la Sabiduría de la Cabalá" del cabalista Rabi Yehudá Ashlag. En esta composición, el rabino Ashlag nos entrega una descripción concisa de la estructura de los mundos espirituales que se desprenden desde arriba hacia abajo, desde el Infinito hasta el mundo.

A Guide to Hidden Wisdom of Kabbalah-Rav Michael Laitman 2003-01-01
An important goal in the study of Kabbalah is to use one's knowledge to influence one's destiny. Firstly, one has to realise what life is, what its meaning is, why it is given to us, where it begins, and where it ends. After pondering and meditating on the above questions, one has to relate all this to Kabbalah. Kabbalah states that the Creator created all the worlds simultaneously, including our world, and we human beings have to use Kabbalah in our world, the finite material world. In order to further advance our understanding of the wisdom of Kabbalah, we need to lift our mind's eye above the horizon of our material world. Kabbalah clarifies our perception of reality. What we see around us is subjective and exists only in relation to ourselves. Our perception depends on our organs of sensation: if they were different, we would perceive another world around us. This book provides the reader with a solid foundation for understanding the role of Kabbalah in our world. The contents was designed to allow individuals all over the world to begin traversing the initial stages of spiritual ascent toward the apprehension of the upper realms.

Attaining the Worlds Beyond-Michael Laitman 2003-01-01
In the words of Michael Laitman, "It is beyond human comprehension to understand the essence of such spiritual qualities as total altruism and love. This is for the simple reason that human beings cannot comprehend how such feelings can exist at all, as everyone seemingly requires an incentive to perform any act, without some personal gain, people are not prepared to extend themselves. That is why a quality such as altruism can only be imparted to a person from Above, and only those who have experienced it can understand it." Attaining The Worlds Beyond is a first step toward discovering the ultimate fulfillment of spiritual ascent in our lifetime. This book reaches out to all those who are searching for answers, who are seeking a logical and reliable way to understand the world's phenomena. This magnificent introduction to the wisdom of Kabbalah provides a new kind of awareness that enlightens the mind, invigorates the heart, and moves the reader to the depths of their soul.

Miracles, Mysteries, and Prayer-Philip S. Berg 1993
Why do our prayers seem to go unanswered? Do miracles really exist? Can we ever know all the mysteries of our universe? In Miracles, Mysteries and Prayer, Rav Berg takes us on a compelling journey where we discover many insightful secrets revealing a mysterious connection between the universe out there and the universe within ourselves. The life-enriching concepts of Kabbalah provide a clear light onto the profound answers and solutions that we personally seek. We begin to realize that prayer can solve many of our own mysteries and create a miracle or two in our own lives as well. The ancient Kabbalists provided us with a technology for activating the power of prayer. For the first time in 2000 years, this ancient technology is being made available to the layperson. This is volume two of a two-volume set.

The Essential Zohar-Rav P.S. Berg 2011-11-30
For thousands of years, no book has been more shrouded in mystery than the Zohar, yet no book offers us greater wisdom. The central text of Kabbalah, the Zohar is a commentary on the Bible's narratives, laws, and genealogies and a map of the spiritual landscape. In The Essential Zohar, the eminent kabbalist Rav P. S. Berg decodes its teachings on evil, redemption, human relationships, wealth and poverty, and other fundamental concerns from a practical, contemporary perspective. The Zohar and Kabbalah have traditionally been known as the world's most esoteric sources of spiritual knowledge, but Rav Berg has dedicated his life to making this concentrated distillation of infinite wisdom available to people of all faiths so that we may use its principles to live each day in harmony with the divine.

Becoming Like God-Michael Berg 2011-04-01
New in paperback, from the best-selling author of The Way, comes a revolutionary method for becoming all powerful. Written with extraordinary clarity, Michael Berg presents a logical approach to achieving our supreme birthright. In revealing this opportunity for humanity, Michael highlights ways to develop our natural God-like attributes and diminish the aspects of our nature that interfere with our destiny. In his succinct style, Michael provides the answer to the eternal question of why we are here: to become like God.

The 72 Names of God-Yehudah Berg 2003
Rabbi Berg offers a concise explanation of the Kabbalah's 72 names of God and how the three letters of each name of God can be used to connect with the infinite spiritual current to enhance individual lives and transform the entire world.

The Spiritual Rules of Engagement-Yehudah Berg 2008
Draws on the teachings of Kabbalah to counsel spiritually minded women on how to understand relationships in accordance with the differences between the sexes, sharing advice on how to date, engage in mutually beneficial intimacy, and embark on a long-term commitment.

O Zohar-Michael Laitman 2015-03-03
A sabedoria da Cabalá ensina como perceber e viver a real idade que se propaga diante de nós. Ela constitui um método sistemático que tem evoluído ao longo de milhares de anos, cultivado por pessoas cuja tarefa era assegurar que a verdadeira sabedoria pudesse ser oferecida para aqueles que estivessem prontos para recebê-la.O LIVRO DE ZOHAR (O LIVRO DO ESPLENDOR) é uma fonte de sabedoria eterna e base para toda a literatura cabalista. Desde seu aparecimento há quase 2.000 anos atrás, ele tem sido a fonte primária, e muitas vezes a única, usada pelos cabalistas.Por séculos a Cabalá foi ocultada do público, que não era consi de rado ainda pronto para recebê-la. Contudo, a nossa geração acabou sendo designada pelos Cabalistas com a primeira pronta para reter os conceitos contidos no O ZOHAR. Agora, podemos por em prática estes princípios em nossas vidas.Os três pilares da Cabalá, Rabi Shimon Bar-Yochai (au - tor do O LIVRO DE ZOHAR), o Santo Ari (autor de A ARVORE DA VIDA) e o Baal HaSulam (Rabi Yehuda Ashlag, autor de SULAM [ESCADAD], comentários ao O LIVRO DE ZOHAR) concordam que desde o fi nal do Século XX, os ensinamentos da Cabalá se tornariam disponíveis para todos, sem restrições.Escrito em uma linguagem metafórica e única, O LIVRO DE ZOHAR enriquece a compreensão da realidade, além de expandir a nossa visão de mundo. Contudo, este texto não deve ser lido da mesma forma que outros. Ele deve ser lido, com paciência. Cada frase deve ser repetidamente lida, para extrair as nuances do texto. O leitor deve tentar penetrar nos sentimentos do autor.

Zohar, the Book of Enlightenment-Daniel Chanan Matt 1983
This is the first translation with commentary of selections from The Zohar, the major text of the Kabbalah, the Jewish mystical tradition. This work was written in 13th-century Spain by Moses de Leon, a Spanish scholar.

Immortality-Rav Berg 2000
In this revolutionary, thought-provoking book, Kabbalist Rav Berg dares to take on a subject long considered taboo by medical and scientific establishments -- immortality. And that the ultimate getting of Kabbalah is really getting eternal life. Some of the greatest Kabbalists never died. Drawing upon the personal story of his own journey towards spiritual enlightenment, Rav Berg shares compelling kabbalistic insights into the origins of death, and the spiritual tools necessary for its final disappearance from the world. This is the remarkable story about how one of the greatest Kabbalists of this century got Kabbalah. This deeply felt memoir illuminates Rav Berg's relationship with his master, the great Kabbalist Rabbi Yehuda Brandwein, as well as the growth of The Kabbalah Centre, the world's largest organisation dedicated to spreading the wisdom of Kabbalah.

Kabbalah-Yehuda Berg 2009-10-01
From best-selling author and noted teacher and speaker Yehuda Berg comes a thought-provoking call to action on our current global crisis. Positing that our collective abdication of responsibility -- in every facet of our lives, including business and the economy, the environment, government and politics, healthcare, education, and religion -- has contributed to the problems and challenges we face, Berg asserts that taking responsibility for our actions (or lack thereof) and their consequences is the key to achieving change for the better. Berg urges readers to access the power within each of us, using the principles of Kabbalah, in order to create the consciousness shift required for lasting positive change.

Rome and Jerusalem-Moses Hess 1918

La guía de la sabiduría oculta de la Cabalá-Rav Michael Laitman 2011-01-01
Rav Michael Laitman, profesor en Ontología, doctor en Filosofía y Cabalá y magíster en medicina cibernética. Ha escrito alrededor de 40 libros sobre ciencia y la cabalá que han sido traducidos a más de 17 idiomas. Ha sido además discípulo y asistente personal del Rabi Baruj Ashlag, hijo del Rabi Yehuda Ashlag, autor del Comentario Sulam (Escalera) sobre El libro del Zohar. Actualmente trata de promover y volver accesible la sabiduría de la cabalá alrededor del mundo.

Shamati (I Heard)-Yehuda Ashlag 2019-10-29
Among all the texts and notes of Rabbi Baruch Shalom Halevi Ashlag (the Rabash), there was one special notebook he always carried. This notebook contained the transcripts of his conversations with his father, Rabbi Yehuda Leib Halevi Ashlag (Baal HaSulam), author of the Sulam (Ladder) commentary on The Book of Zohar and of many other works on Kabbalah. Not feeling well on the Jewish New Year in September 1991, the Rabash summoned his primary student and personal assistant, Michael Laitman, to his bedside and handed him that notebook. Its cover contained only one word, Shamati (I Heard). As he handed the notebook to him, he said to Laitman, "Take it and learn from it." The following morning, he perished in Laitman's arms, leaving him and many of his other students without guidance in this world. Committed to Rabash's legacy to spread the wisdom of Kabbalah, Laitman published the notebook just as it was written, thus retaining the text's transforming powers. Among all the books of Kabbalah, Shamati is a unique and compelling composition whose power persists long after the reading is through.

Satan-Yehuda Berg 2010-10-01
A lighthearted self-portrait written from the perspective of the devil himself traces how he successfully deceived most of the human race into believing he does not exist and reveals his fear that Kabbalistic wisdom can overcome his mastery of negativity and evil influences.

שם שם דניאל- Daniel Chanan Matt 2011
Sefer ha-Zohar (The Book of Radiance) has amazed and overwhelmed readers ever since it emerged in medieval Spain toward the end of the thirteenth century. Written in a unique, lyrical Aramaic, this masterpiece of Kabbalah exceeds the dimensions of a normal book; it is virtually a body of literature, comprising over twenty discrete sections. The bulk of the Zohar consists of a fascinating mystical commentary on the Torah, from Genesis through Deuteronomy. This sixth volume of The Zohar: Pritzker Edition completes the Zohar's commentary on the book of Exodus. Some of the volume focuses on the Dwelling (or mishkan) built by Moses and the Israelites in the Sinai Desert. The mishkan symbolizes Shekhinah, the feminine presence of God who "dwells" on earth. The construction of the mishkan is intended to ensure Her intimacy with the people;and especially with Moses, who is actually called Her husband. The dramatic episode of the Golden Calf receives special treatment. The worship of the calf is seen as a rejection of Shekhinah. Normally, She would have restrained the wrath of God's masculine aspect and prevented Him from striking Israel; but having been rejected, She instead departed, leaving the people vulnerable. Whereupon the blessed Holy One hinted to Moses that it was up to him to defend Israel from divine destruction. By invoking the three patriarchs, Moses pinned God's arms, as it were, and immobilized Him, saving his people. With the appearance of this volume, The Zohar: Pritzker Edition has reached its halfway point. The projected Volumes VII-IX will complete the Zohar's main commentary on the Torah. Volumes X-XII will include the Zohar's commentary on various other books of the Bible (such as Ruth and Song of Songs) as well as several independent compositions.

Sepher Yetzirah-William Wynn Westcott 2018-10-26
The ?Sepher Yetzirah, ? or ?Book of Formation, ? is perhaps the oldest philosophical treatise which is yet extant in the Hebrew language. The great interest which has been evinced of late years in the Hebrew Kabalah, and the modes of thought and doctrine allied to it, has induced me to translate this volume from the original Hebrew texts, and to collate with them the Latin versions of mediaeval authorities. Three important books of the ?Zohar, ? or ?Splendour, ? which is the great storehouse of Kabalistic teaching, have been for the first time translated into English by that skilful and erudite Kabalist, my fellow student in occult science, MacGregor Mathers, and the ?Sepher Yetzirah? in an English translation is almost a necessary companion to these even more abstruse disquisitions: the two books indeed mutually explain each ot

The Kabbalah Method-Rav Berg 2004-10
The renowned kabbalist explores the metaphysical questions raised by the ancient Jewish practice of mysticism, using kabbalistic principles to explore the limits of both the inner and outer universe. Original.

Rebooting-Yehuda Berg 2007
Outlines a drug-free approach to overcoming depression, drawing on ancient Kabbalah philosophies to counsel sufferers on how to break cycles of depression, reconnect with desire, and reclaim their lives, in a guide that is complemented by inspirational case stories.

Dispersión y reencuentro-Jacobo Cohenca 2003
Historia familiar del autor Jacobo Cohenca. Raíces, troncos, y ramificaciones de una genealogía familiar, su historia y legado. Incluye historias de personas relacionadas con los apellidos de su padre Cuenca y Yeoshua y de su madre Mizrahí y Paredes. Acompaña un resumen histórico-geográfico de los lugares donde se establecieron a lo largo de los siglos, focalizando circunstancias e influencias que pudieron haber marcado rasgos perdurables en el carácter del individuo o la familia.

Angel Intelligence-Yehuda Berg 2013-01-01
According to the teachings of Kabbalah, angels are the infrastructure of the universe, the invisible conduit that moves energy along. Some have existed forever: archangels, angels of the days of the week and the zodiac, guardian angels, the angels of death and judgment. Other angels, both positive and negative, are created through our actions. Inteligencia angelical reveals the power behind these unseen forces and shows how, through Kabbalah, readers can harness that power, transform their lives, and find greater fulfillment.

שם שם דניאל-Saverio Campanini 2005

The Writings of Baal HaSulam – Volume One-Yehuda Leib HaLevi Ashlag 2019-05-02
For the first time, we are seeing the publication of the essential writings of the greatest Kabbalist of the 20th century, Rav Yehuda Leib HaLevi Ashlag (1885-1954), also known as Baal HaSulam [author of the Sulam (Ladder commentary on The Zohar)]. The Writings of Baal HaSulam contains all the texts required for any person interested in learning the wisdom of Kabbalah. The book contains all of Baal HaSulam’s introductions and forewords, all his essays, letters, the articles contained in the book Shamati [I Heard], the book Beit Shear HaKavanot [Gatehouse of Intentions]: Commentaries on the writings of the ARI, and The Writings of the Last Generation, in which Baal HaSulam analyzes political regimes and presents a model for the construction of the future society. In addition to the learning material, we included poems that Baal HaSulam wrote. Delving into the authentic writings of Baal HaSulam will help those who do so on their spiritual advancement and search for life’s meaning, and will help advance all of humanity to a new and better world.

Consciousness and the Cosmos-Rav Berg 2013-02-01
With his signature penetration of non-traditional thought, Kabbalist Rav Berg investigates quantum physics, astrology and the Bible, and uncovers a link between them. Within the pages of Consciousness and the Cosmos, Berg delves into subjects ranging from extraterrestrials, to parallel universes, and the tree of life. Throughout it all he posits that random chance is non-existent. Things that happen through a conjunction of events, whether moments apart or centuries removed, are intimately related. Through the information presented, we come to understand that Time is the distance between Cause and Effect. If one can go back in time and change the cause (the seed) then one can change the effect (the tree). This book reveals how to use consciousness to travel through time and space, and how to tap the forces of intelligence that pervade our cosmos. For readers who are interested in science and question the Bible, and for readers who cherish the Bible and question, this book provides a logical bridge. Humanity is at the center; we affect everything that happens. Berg unveils a kabbalistic view of the universe, which proposes that mankind is not only a participant but a determinant of all energy activity. Every event, every action,

Taming Chaos-Rav Berg 2010-09
In this significant work, eminent Kabbalist Rav Berg explains how it's possible to simply and easily tame the chaos in life with the tools found in the wisdom of Kabbalah. According to Rav Berg, chaos is not random but the result of an incomplete understanding of one's own personal power and the spiritual systems that can energize life. Only by becoming fully conscious can the human mind bring lasting order out of chaos. Here readers discover a millennia-old methodology that provides access to a bank account of positive energy. Designed to help people keep chaos out of their life, even when it seems to be all around them, a copy of this book belongs on every shelf.

The Talmud-Arsene Darmesteter 1897

Kabbalistic Nanotechnology-Rav Berg 2005-08-01
In this book, Kabbalist Rav Berg isolates the common points of science and spirit to reveal the elusive path toward achieving humanity's noblest and most challenging aspiration--the manipulation of the physical world.

Unlocking the Zohar-Michael Laitman 2011-01-01
The Book of Zohar (Book of Radiance), also known as The Zohar is one of the most mysterious and misunderstood compositions ever written. The awe, admiration, and even fear it has evoked over the years are unsurpassed. This book contains the secrets of the whole of Creation, but until recently these secrets were shrouded in a cloud of mystery and misconceptions. Now The Zohar is openly unfolding its wisdom throughout the world, to show humanity a way forward, as the book itself declares (VaYera, Item 460). When the days of the Messiah draw near, even infants will discover the secrets of the wisdom. The greatest Kabbalist of the 20th century, Rav Yehuda Ashlag (1884-1934) paved a new way for us by which we can reveal the secrets of The Zohar. He wrote the Sulam [Ladder] Commentary and the four introductions for The Zohar. He help us come to know the forces that govern our lives, and teach us how we can assume control over our destinies. This book is an invitation to a wondrous journey to a higher world. The author, Kabbalist Dr Michael Laitman, wisely ushers us into the revelations of the Sulam commentary. In so doing, Laitman helps us fine-tune our thoughts as we read in The Zohar, to maximize the spiritual benefit derived from reading it. In addition to explaining The Book of Zohar, the book contains numerous inspiring quotes from The Zohar, specifically translated, edited, and compiled for easy reading and understanding of this powerful text.

The Palm Tree of Deborah-Shelomo Alfassa 2009-01-01

The Kabbalah Book of Sex-Yehuda Berg 2010-09-17
The world is full of sex manuals instructing the reader on the ins and outs of great sex, but these tend to focus on only one aspect; the physical mechanics. According to Kabbalah, the key to fulfilling sex lies in self-awareness, not simply technique. The Kabbalah Book of Sex is a ground-breaking guide by acclaimed author and teacher Yehuda Berg. It offers readers kabbalistic tips for overcoming shame and lack of self-respect, as well as a way for accessing higher levels of connection to ourselves, to our partners, and to spirit. Through the ancient wisdom revealed here, the floodgates of passion and desire will open wide. Your sex will become the truly sacred connection it was always meant to be.

Shamati-Yehudah Ashlag 2009-01-01
Rav Michael Laitman's words on "Shamati" (as appeared in Attaining the Worlds Beyond): "Among all the texts and notes that were used by my teacher, Rabbi Baruch Shalom Halevi Ashlag (the Rabash), there was one, special notebook he always carried. This notebook contained transcripts of his conversations with his father, Rabbi Yehuda Leib Halevi Ashlag (Baal HaSulam), author of the "Sulam" (Ladder) commentary on "The Book of Zohar", "The Study of the Ten Sefirot" (a commentary on the texts of the Kabbalist, Ari), and many other works on Kabbalah. "Not feeling well on the Jewish New Year in September 1991, the Rabash summoned me to his bedside and handed me the notebook, whose cover contained only one word - "Shamati" (I Heard). As he handed me the notebook, he said, "Take it and learn from it". The following morning, my teacher perished in my arms, leaving me and many of his disciples without guidance in this world." Committed to Rabash's legacy to disseminate the wisdom of Kabbalah, Michael Laitman published the notebook just as it was written, thus retaining the text's transforming powers. Among all the books of Kabbalah, Shamati is a unique and compelling composition.
