Into the Real-Z Brewer 2020-10-06 In this gripping, genre-defying YA novel from New York Times bestselling author Z Brewer, three teens—one who presents as genderqueer, one who presents as female, and one who presents as male—are caught up in three very different stories of survival. But those stories intersect as the teens start to realize that they might in fact be a single, singular “they,” alternating among worlds—and that accepting themselves might be the key to defeating the monsters that plague them in all three. Three Quinns. Three Brumes. Three realities. The first Brume is a waking nightmare, overrun by literal monsters and cutthroat survivors. For Quinn, who is openly genderqueer, the silver lining is their friendship with Lia—and that there might still be hope for salvation. The second Brume is a prison with no bars. Forced to “sort out” their sexuality with other teens at Camp Redemption, Quinn must also figure out why presenting as female has never felt quite right. The third Brume is a war zone. For Quinn, who presents as male, leading the Resistance against an authoritarian government is difficult, since even the Resistance might not accept them if they knew Quinn's truth. As Quinn starts to realize that they might be one person alternating among these three worlds and identities, they wonder: Which world is the real one? Or do they all contain some deeper truth?

The Cemetery Boys-Heather Brewer 2015-03-31 Part Hitchcock, part Hinton, this first-ever stand-alone novel from Heather Brewer, New York Times bestselling author of the acclaimed Chronicles of Vladimir Tod series, uses classic horror elements to tell a darkly funny coming-of-age story about the dangerous power of belief and the cost of blind loyalty that Kirkus Reviews called "a slick, spooky, chilling mystery." When Stephen's dad says they're moving, Stephen knows it's pointless to argue. They're broke from paying Mom's hospital bills, and now the only option left is to live with Stephen's grandmother in Spencer, a backward small town that's like something out of The Twilight Zone. Population: 814. Stephen's summer starts looking up when he meets punk girl Cara and her charismatic twin brother, Devon. With Cara, he feels safe and understood—and yeah, okay, she's totally hot. In Devon and his group, he sees a chance at making real friends. Only, as the summer presses on, and harmless nights hanging out in the cemetery take a darker turn, Stephen starts to suspect that Devon is less a friend than a leader. And he might be leading them to a very sinister end. . . .

Steering Toward Normal-Rebecca Petruck 2014-05-13 Eighth grade is set to be a good year for Diggy Lawson: He's chosen a great calf to compete at the Minnesota State Fair, he'll see a lot of July, the girl he secretly likes at 4-H, and he and his dad Pop have big plans for April Fool's Day. But everything changes when classmate Wayne Graf's mother dies, which brings to light the secret that Pop is Wayne's father, too. Suddenly, Diggy has a half brother, who moves in and messes up his life. Wayne threatens Diggy's chances at the State Fair, horns in on his girl, and rattles his easy relationship with Pop. What started out great quickly turns into the worst year ever, filled with jealousy, fighting, and several incidents involving cow poop. But as the boys care for their steers, pull pranks, and watch too many B movies, they learn what it means to be brothers and change their concept of family as they slowly steer toward a new kind of normal. Praise for Steering Toward Normal "First-time author Petruck's account of country life is never dull as she depicts the strong work ethic of cattlemen and women, along with the universal conflicts between siblings." --Publishers Weekly "The plot is full of pranks and humorous situations but at its heart, it is a story about navigating the complicated and sometimes unexpected dynamics that come with being part of a family. Petruck captures the setting of rural Minnesota well, creating a small town where it seems like nearly everyone is related or at the very least always knows everyone else's business." --VOYA Magazine "In Petruck's capable hands, raising a steer—caring for it, loving it, and eventually letting it go—becomes a keen metaphor for the loss of a loved one. Diggy is a perceptive narrator, but not unusually so for his age, and it's reassuring to see him sort out his tangled feelings." --Booklist

Deciding that means he can use a class project to feed everyone grasshoppers, Will bargains for Eloy's help in exchange for helping him with wrestling, but their growing friendship only ticks off Darryl more. Will may have bitten off more than he can chew as crickets, earthworm jerky—even a scorpion—end up on his plate, but insects are the least of his problems. When things with Darryl and Eloy heat up, Will wrestles with questions of loyalty, honor—and that maybe not all friendships are worth fighting for.

Before I wrote this book I thought all vampires were night-stalking, fangpopping, bloodsucking fiends. Then I met Morning McCobb. He's a vegan vampire who drinks a soy-blood substitute called Blood Lite. He believes staking should be a hate crime. And someday he hopes to march in a Vampire Pride Parade. He was also the first vampire to out himself and try to show people of mortality, like you and me, that vampires are just another minority with special needs. Trust me—this is like no other vampire book you'll ever feed on. So, as my buddy Morning says, "Pop the lid, and suck it up." From the Hardcover edition.
