Embrace-Jessica Shirvington 2012-09-01 It starts with a whisper: "It's time for you to know who you are..." On her 17th birthday, everything will change for Violet Eden. The boy she loves will betray her. Her enemy will save her. She will have to decide just how much she's willing to sacrifice. A centuries old war between fallen angels and the protectors of humanity chooses a new fighter. It's a battle Violet doesn't want, but she lives her life by two rules: don't run and don't quit. If angels seek vengeance and humans are the warriors, you could do a lot worse than betting on Violet Eden. LINCOLN: He's been Violet's one anchor, her running partner and kickboxing trainer. Only he never told her he's Grigori-part human, part angel-and that he was training her for an ancient battle between Angels and Exiles. PHOENIX: No one knows where his loyalties lie, yet he's the only one there to pick up the pieces and protect her after Lincoln's lies. In a world of dark and light, he is all shades of gray. Two sides: Angel or Exile. Two guys: Lincoln or Phoenix. The wrong choice could cost not only her life, but her eternity... East of Eden-John Steinbeck 2002-02-05 A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

The setting is L.A., a city as beautiful as it is dangerous, and within this landscape of beauty and pain Violet and Claire vow to make their own movie. Together they will show the world the way they want it to be, and maybe then the world will become that place--a place where people no longer hate or fight or want to hurt.
