Epicureans and Stoics-Axios Institute 2008 This little book contains some of the greatest wisdom literature of the ages. Everyone, and especially young people, should be familiar with it. Both Epicureanism and Stoicism taught that if we want to be happy and productive, we must strengthen and train our willful and wayward minds. There are echoes of the Buddha's Dhammapada. The passages selected are both beautiful and moving.

Oxford Bookworms Library: Stage 6: Cry Freedom-John Briley 2008 They said Steve Biko was a man of violence; then why did he talk of peace? They said he wanted revolution; so why did he talk of friendship? They said he died of hunger; why was his body broken and bruised? This is the story of a man's fight with the government of South Africa. It is the story of all people who prefer truth to lies. It is the story of all people who cry 'Freedom', and who are not afraid to die.

Creek Walking-Jacqueline Jones 2001 Explores the Christiana, Delaware area, including the economic, social, racial, and cultural background through the region's history and the author's personal experiences.

Dublin People-Maeve Binchy 2000-01-01 The Oxford Bookworms Library offers new editions of the original Oxford Bookworms Black and Green series, merging the two series into one with new covers. Each new edition builds on the success of the original series and provides enhanced teaching support. Sixteen additional pages inside each book allow extra pages of activities and increased author and series information. Some of the titles have new illustrations. For those titles which had associated cassettes, the cassettes will remain available with the same ISBNs as before.

A Century of Violence in a Red City-Lesley Gill 2016-02-26 In A Century of Violence in a Red City Lesley Gill provides insights into broad trends of global capitalist development, class disenfranchisement and dispossession, and the decline of progressive politics. Gill traces the rise and fall of the strong labor unions, neighborhood organizations, and working class of Barrancabermeja, Colombia, from their origins in the 1920s to their effective activism for agrarian reforms, labor rights, and social programs in the 1960s and 1970s. Like much of Colombia, Barrancabermeja came to be dominated by alliances of right-wing politicians, drug traffickers, foreign corporations, and paramilitary groups. These alliances reshaped the geography of power and gave rise to a pernicious form of armed neoliberalism. Their violent incursion into Barrancabermeja's civil society beginning in the 1980s decimated the city's social networks, destabilized life for its residents, and destroyed its working-class organizations. As a result, community leaders are now left clinging to the toothless discourse of human rights, which cannot effectively challenge the status quo. In this stark book, Gill captures the grim reality and precarious future of Barrancabermeja and other places ravaged by neoliberalism and violence.

American Crime Stories- 2000 'Curtis Colt didn't kill that liquor store woman, and that's a fact. It's not right that he should have to ride the lightning - that's what prisoners call dying in the electric chair. Curtis doesn't belong in it, and I can prove it.' But can Curtis's girlfriend prove it? Murder has undoubtedly been done, and if Curtis doesn't ride the lightning for it, then who will? These seven short stories, by well-known writers such as Dashiell Hammett, Patricia Highsmith, and Nancy Pickard, will keep you on the edge of your seat.

The Winnowing-Vikki VanSickle 2017-09 In a world where the familiar has sinister undertones, two friends are torn apart just when they need one another most. Can they both survive? Marivic Stone lives in a small world, and that's fine with her. Home is with her beloved grandfather in a small town that just happens to be famous for a medical discovery that saved humankind -- though not without significant repercussions. Marivic loves her best friend, Saren, and

the two of them promise to stick together, through thick and thin, and especially through the uncertain winnowing procedure, a now inevitable -- but dangerous -- part of adolescence. But when tragedy separates the two friends, Marivic is thrust into a world of conspiracy, rebellion and revolution. For the first time in her life, Marivic is forced to think and act big. If she is going to avenge Saren and right a decade of wrongs, she will need to trust her own frightening new abilities, even when it means turning her back on everything, and everyone, she's known and loved. A gripping exploration of growing up, love and loss, *The Winnowing* is a page-turning adventure that will have readers rooting for their new hero, Marivic Stone, as they unravel the horror and intrigue of a world at once familiar but with a chilling strangeness lurking beneath the everyday.

With emphasis on the European historical perspective, particularly the pioneering developments which occurred in Germany, *World History of the Automobile* chronicles the early vehicles by Daimler, Maybach and Benz, the "Mercedes Era," the role of motor vehicles in World Wars I and II, and the numerous technological and business revolutions of the second half of the 20th century.

Summer Days, Starry Nights-Vikki VanSickle 2013-06 A famous rock star, a family secret and a boy with a great smile make for one unforgettable summer. It's 1962, and thirteen-year-old Reenie Starr comes alive the minute guests begin to arrive at her family's summer resort. She dreams of the day she can run Sandy Shores, and she spends her time helping out at the resort, swimming, climbing trees, and singing under the stars. One day, Reenie's mother announces that she thinks the resort could use some entertainment. She invites Gwen, her best friend's almost-grown daughter, to come and teach a dance class. Although Gwen seems sad and remote, Reenie's thrilled to have her there. As Reenie starts to learn more about the world beyond Sandy Shores, she comes up with a plan that could really put it on the map. She also finds herself caught between the simpler world of her childhood and all of the wonderful new discoveries (boys) and heartaches (boys) that growing up can bring. Reenie thought she wanted Sandy Shores to never change, but after this summer nothing will ever be the same again. With the same humour and insight that she brought to the acclaimed *Words That Start With B*, Vikki VanSickle expertly captures those lazy, hazy, crazy days of the last summer before high school. Though set in a different time, *Summer Days, Starry Nights* is sure to resonate with all young readers on the verge of adolescence.

Caedmon's Song-Peter Robinson 2009-08-21 Peter Robinson's psychological thriller *Caedmon's Song* follows two characters and their mysterious connection. On a balmy June night, Kirsten, a young university student, strolls home through a silent moonlit park. Suddenly her tranquil mood is shattered as she is viciously attacked. When she awakes in hospital, she has no recollection of that brutal night. But then, slowly and painfully, details reveal themselves - dreams of two figures, one white and one black, hovering over her; wisps of a strange and haunting song; the unfamiliar texture of a rough and deadly hand . . . In another part of England, Martha Browne arrives in Whitby, posing as an author doing research for a book. But her research is of a particularly macabre variety. Who is she hunting with such deadly determination? And why?

The Promise-Ida Linehan Young 2019-03-27 Orphaned at a young age, Erith Lock has a cruel upbringing at the hands of a harsh stepmother. At the tender age of sixteen, a ruthless act leaves her shattered, struggling for survival. When all she has is her word, she makes a solemn vow to three small children. But circumstances drastically change, and the promise could take years to fulfill. She fears it might be better broken. When her past must be confronted, Erith finds herself facing unbearable choices that resound with adversity and might cost her everything. Enduring self-doubt pushes Erith to her breaking point. Will she allow hope and kindness to guide her, or will it be safer to remain captive in the grip of her unfortunate past?
