The Other Wes Moore-Wes Moore 2010-04-27 The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. Two kids named Wes Moore were born blocks apart within a year of each other. Both grew up fatherless in similar Baltimore neighborhoods and had difficult childhoods; both hung out on street corners with their crews; both ran into trouble with the police. How, then, did one grow up to be a Rhodes Scholar, decorated veteran, White House Fellow, and business leader, while the other ended up a convicted murderer serving a life sentence? Wes Moore, the author of this fascinating book, sets out to answer this profound question. In alternating narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. Praise for *The Other Wes Moore* "Moving and inspiring, *The Other Wes Moore* is a story for our times."—Alex Kotlowitz, author of *There Are No Children Here* "A tense, compelling story and an inspirational guide for all who care about helping young people."—Juan Williams, author of *Enough* "This should be required reading for anyone who is trying to understand what is happening to young men in our inner cities."—Geoffrey Canada, author of *Fist Stick Knife Gun* "The Other Wes Moore gets to the heart of the matter on faith, education, respect, the hard facts of incarceration, and the choices and challenges we all face. Spirit Run—Noé Alvarez 2020-03-03 In this New York Times Book Review Editors' Choice, the son of working-class Mexican immigrants flees a life of labor in fruit-packing plants to run in a Native American marathon from Canada to Guatemala in this "stunning memoir that moves to the rhythm of feet, labor, and the many landscapes of the Americas" (Catriona Menzies-Pike, author of *The Long Run*). Growing up in Yakima, Washington, Noé Alvarez worked at an apple-packing plant alongside his mother, who "slouched over a conveyor belt of fruit, shoulder to shoulder with mothers conditioned to believe this was all they could do with their lives." A university scholarship offered escape, but as a first-generation Latino college-goer, Alvarez struggled to fit in. At nineteen, he learned about a Native American/First Nations movement called the Peace and Dignity Journeys, epic marathons meant to renew cultural connections across North America. He dropped out of school and joined a group of Dené, Secwépemc, Gitksan, Dakelh, Apache, Tohono O'odham, Seri, Purépecha, and Maya runners, all fleeing difficult beginnings. Telling their stories alongside his own, Alvarez writes about a four-month-long journey from Canada to Guatemala that pushed him to his limits. He writes not only of overcoming hunger, thirst, and fear—dangers included stone-throwing motorists and a mountain lion—but also of asserting Indigenous and working-class humanity in a capitalist society where oil extraction, deforestation, and substance abuse wreck communities. Running through mountains, deserts, and cities, and through the Mexican territory his parents left behind, Alvarez forges a new relationship with the land, and with the act of running, carrying with him the knowledge of his parents' migration, and—against all odds in a society that exploits his body and rejects his spirit—the dream of a liberated future. "This book is not like any other out there. You will see this country in a fresh way, and you might see aspects of your own soul. A beautiful run." —Luís Alberto Urrea, author of *The House of Broken Angels* "When the son of two Mexican immigrants hears about the Peace and Dignity Journeys—'epic marathons meant to renew cultural connections across North America'—he's compelled enough to drop out of college and sign up for one. Spirit Run is Noé Alvarez's

account of the four months he spends trekking from Canada to Guatemala alongside Native Americans representing nine tribes, all of whom are seeking brighter futures through running, self-exploration, and renewed relationships with the land they've traversed." —Runner's World, Best New Running Books of 2020 "An anthem to the landscape that holds our identities and traumas, and its profound power to heal them." —Francisco Cantú, author of *The Line Becomes a River*

Make Love the Bruce Campbell Way-Bruce Campbell 2015-10-01 What you're reading right now is known as the "cover copy," or "flap copy." This is where the 84,951 words of my latest book are cooked down to 350 words or less to capture your imagination/download. I pondered how to do that. Should I cut to the chase and reveal pivotal plot points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts, "the killer is Mr. Porter"? No. I have too much respect for you as an intelligent consumer to attempt such an obvious ruse. But let's not play games here. You clicked your way to this page, so you either: A. Know who I am. B. Like the cool smoking jacket I'm wearing on the cover. Or: C. Thought this was a secret link to Ashley Madison. Is it a sequel to my autobiography If Chins Could Kill: Confessions of a B Movie Actor? Sadly, no, which made it much harder to write. Is it an "autobiographical novel"? Yes. I am the lead character in the story (coincidentally an actor), and I am a

real person, and everything in the book actually happened - except for the stuff that didn't. The action revolves around my preparations for a pivotal role in the A-list relationship film, Let's Make Love! My Homeric attempt to break through the glass ceiling of B-grade genre fair is hampered by a vengeful studio executive and a production that becomes infected by something called the "B-movie virus" - symptoms of which include excessive use of cheesy special effects, slapstick, and projectile vomiting. From a violent fistfight with a Buddhist to a life-altering stint in federal prison, this novel has it all. And if the 84,951 words are too time-consuming, there are lots and lots of cool graphics - all of which have been upgraded to vibrant color since the first publication. I hope you enjoy the book - and if you learn anything at all about making love, please share it with me! Regards, Bruce "Go Ahead and Call Me Ash" Campbell
