Fortune Teller Miracle Fish-Cathryn Hankla 2011-01-01 A mentally challenged teen in a coma, a WWII veteran weighing his beliefs, an intersexed man anticipating a relationship, a single woman who has kissed far too many frogs, and a first grader suffering at the hands of a family friend. These are just a few of the unforgettable characters in Fortune Teller Miracle Fish, an innovative collection of stories from award-winning novelist and poet Cathryn Hankla. The figures in these stories struggle toward more truthful expressions of themselves, as outsiders whose dilemmas, emotions, and desires make them unmistakably human. As varied as they are vivid, they strive for closer connections of love and community. Through humor and understanding, Hankla intrepidly navigates the transitions that define them—unplanned pregnancy, divorce, death, and gender change, to name a few. Acutely attuned to her subjects' inner landscapes, Hankla captures the full spectrum of human experience, from childhood to old age, with heart, rare skill, and nerve.

Awakenings-Hally Willmott 2013-05-02 When sixteen-year old Jacey Adison's parents tell her they must move again, she has never questioned their life style. Until now...When Jacey was two, her parents fled the protection of their birthplace, the mystical dimension of Nemele. Leaving was the only solution her parents believed might allow them to keep their family together and alive. The Adisons have been running from a sect of iniquitous beings from Nemele who covet Jacey. Her parents have repressed their adversaries' relentless tracking efforts by not utilizing their own mystical powers. They have chosen to conceal themselves within the only realm they knew they'd be able to survive. They are living under their self-imposed powerless sanctions on Earth, which constitutes the nineteenth nation of Nemele. Her parents have never revealed their true identities to Jacey, consequently keeping her true lineage and unique birthright from her. Jacey's family has pretended to be non-magical humans as a ploy to prevent an ancient omnipotent entity from killing more innocent beings in its relentless quest to possess Jacey. Nemele's inhabitants have been the elemental architectural guides of a number of nations throughout the cosmos. As Elemental Governors, they've influenced the evolution of eighteen other realms throughout the galaxy. Air, earth, wind, fire and water are gifted to each member within the Nemelite Society. It is during their Awakening, or adolescent stage of development, that their talents emerge. Every legend, myth and folklore human beings have believed in and have worshiped since the beginning of time originate within Nemele. Representatives from each of the nineteen nations form the Guild of Elders, a federation to oversee and rule Nemele. From Greek Gods to shape-shifting dragons, all exist. Born as an anomaly, Jacey possesses rare abilities that both virtuous and corrupt entities seek to use as their own. Should either side prevail, Jacey may be the saviour or downfall of every world within Nemele's domains. Blindly thrust into life and death situations, Jacey learns of her true powers within her dreaming and conscious states.

Of Mobsters and Magic-Chris Solaas 2015-06-29 The second installment in A Prince Of Lynvia series: When Jason Fentris, Kyne Goodrum's double, finds out his dad is still alive, he and his friends head out to rescue him from the Mob, confident in their newfound superpowers. But the Mob isn't going to let Jason's dad go quite so easily. After all, there's a contract out on him - and they have a rep to protect. In Lynvia, angry dragons are demanding assistance in hunting down a band of thieves - thieves dressed in the green uniforms of the royal Lynvian guard! These imposters have entered the forbidden dragon graveyard and made off with various dragon body parts... But what could anyone want with old dragon bones?

More Magic Of The Minimum Dose-Dr Dorothy Shepherd 2011-09-30 Dr Dorothy Shepherd had wide experience both in Harley Street and in clinics in the poorer parts of London. Although she had leanings towards homoeopathy during her student years, it was not until she visited Dr J.T. Kent in the U.S.A., and experienced great benefit from this therapy that she fully adopted this method of treatment in her practice. Having embarked upon a career as a homoeopath she studied the subject deeply and the more she learned the more she became convinced that it is the finest method of dealing with every type of ailment. Being a true healer she believed that every sufferer should know of homoeopathy and in order to make it more widely known she began writing a much acclaimed series of books, the best known of which is Magic of the Minimum Dose and this book, More Magic of the Minimum Dose.

Magic Is Dead-Ian Frisch 2019-02-26 In the vein of Neil Strauss' The Game and Joshua Foer's Moonwalking with Einstein comes the fascinating story of one man's colorful, mysterious, and personal journey into the world of magic, and his unlikely invitation into an underground secret society of revolutionary magicians from around the world. Magic Is Dead is Ian Frisch's head-first dive into a hidden world full of extraordinary characters and highly guarded secrets. It is a story of imagination, deception, and art that spotlights today's most brilliant young magicians—a mysterious club known as the52, who are revolutionizing an ancient artform under the mantra Magic Is Dead. Ian brings us with him as he not only gets to know this fascinating world, but also becomes an integral part of it. We meet the52's founding members—Laura London, Daniel Madison, and Chris Ramsay—and explore their personal demons, professional aspirations, and what drew them to their craft. We join them at private gatherings of the most extraordinary magicians working today, follow them to magic conventions in Las Vegas and England, and discover some of the best tricks of the trade. We also encounter David Blaine; hang out with Penn Jillette; meet Dynamo, the U.K.'s most famous magician; and go behind the scenes of a Netflix magic show. Magic Is Dead is also a chronicle of magic's rich history and how it has changed in the internet age, as the young guns embrace social media and move away from the old-school take on the craft. As he tells the story of the52, and his role as its most unlikely member, Ian reveals his own connection with trickery and deceit and how he first learned the elements that make magic work from his poker-playing mother. He recalls their adventures in card rooms and casinos after his father's sudden death, and shares a touching moment that he had, as a working journalist, with his childhood idol Shaquille O'Neal. "Magic—the romanticism of the inexplicable, the awe and admiration of the unexpected—is an underlying force in how we view the world and its myriad possibilities," Ian writes. As his journey continues, Ian not only becomes a performer and creator of magic—even fooling the late Anthony Bourdain during a chance encounter—he also cements a new brotherhood, and begins to understand his relationship with his father, fifteen years after his death. Written with psychological acuity and a keen eye for detail, Magic Is Dead is an engrossing tale full of wonder and surprise.

Magic House-Frank H. Weeden 2016-10-20 Regina and her brother, Dyson, find themselves in foster care along with four other children. Though distraught after seeing their parents die, and ignorant of a secret magical society, they are grateful to be living in a loving home. All that changes when Veronica, their oldest sibling, brings a dangerous stranger into their lives; A stranger who wants to steal their magic by killing them. Regina and her three younger siblings hide in a dilapidated mansion, safe from the killer. It turns out to be the magical refuge of a lost race from Atlantis. There, they learn that Mrs. Hillsdale, their foster mother, has a mortal wound and only magic can save her. The children set out on a quest, against the wishes of the leaders of Magic House, to save Mrs. Hillsdale. They enlist the help of dragons, brownies, and unicorns; all living under the protection of Magic House, and all willing to lay down their lives for Regina Edwards.

Petter the Skier-Anita Hager 2016-08-09 On a Norwegian farm lived a boy named Petter. He got a new pair of skies for his birthday, and that's where all the fun began... What started out as a fun activity turned out to become his biggest dream, to be an Olympic skier! He skied up and down the hills that surrounded their farm and everybody started to notice his extraordinary talent. Petter the Skier is a powerful tale of a boy with big dreams and a courageous heart. This exhilarating story is packed with adventure, life lessons, motivational messages, and much more.

Eon's Door-J. G. McKenney 2011 ***A Reader Views Award winner and Eric Hoffer Award finalist*** The Dark Forest is moving and a horde of bloodthirsty monsters is on the hunt. For the peaceful denizens of Erla, time is running out.

Two thousand years have passed since the three clans fled the world of humans through Eon's Door to find sanctuary in a realm called Erla, and now a prophecy left to them by the ancient race that created the tree portal is coming true. A trusted sage has stolen the portal's key and is using the awesome power that separated the worlds to tear apart the very soul of Nature. The key must be taken back and Eon's Door closed--before it's too late. Hope lies with a "child of doubt" from the world the clans left behind and the courageous young Erlan who's been sent to find him. Together they must retrieve the key and close Eon's Door. It won't be easy. Abominations of beasts and trees stand between them and their goal. Even worse, the sage knows the prophecy and is expecting them. "Avatar meets The Lord of the Rings."
