Glencoe Algebra 2-John A. Carter 2018
Reasons We Believe (Foreword by John MacArthur)-Nathan Busenitz 2008-07-22 Reasons We Believe will reinforce your personal faith and will provide you with a clear, concise, evangelistic tool to help you share that faith with others. In an age of cynics and skeptics, Christianity is constantly under attack. Believers need resources that defend the veracity of their faith. They are searching for clear, concise, and credible answers to both doubts of their own and objections from their unbelieving friends. Nathan Busenitz provides such resources to believers. Reasons We Believe confirms and strengthens the faith of believers by demonstrating the reliability of the twofold authority on which Christianity rests: the Word of God and the person of Jesus Christ. Reasons builds a biblical foundation for the authority of the Bible and then shows how extra-biblical evidence corresponds with and thereby attests to what the Bible claims. This study seeks to reinforce the faith of Christians while also providing them with a straightforward evangelistic tool for reaching non-Christians.
Reveal Algebra 2-MCGRAW-HILL EDUCATION. 2020 High school algebra, grades 9-12.
Teen Health Course 1, Student Edition-McGraw-Hill Education 2002-03-28 Teen Health is the integrated, activities-based health program written especially for middle school students. This sequential, three-course program provides the perfect combination of course material and interactive multimedia resources. Teen Health helps students understand that good health affects their school performance, their friendships, their looks, and their lives. In middle school, life changes quickly. There's more freedom and more peer pressure. Students might be faced with life-changing decisions when they least expect it. That's one reason why mastering good health skills is so essential during the teen years. Teen Health stretches far beyond traditional health topics to cover the subjects your students really want to know about. It explains the importance of avoiding risky behaviors and provides step-by-step guidelines on how to do so. Course 1 Student Modules . Adolescence: Growing and Changing . Building Character . Conflict Resolution
