God Has Smiled on Me-Daniel Whyte, III 2009-06-17 Daniel Whyte III's father, Rev. Daniel White, Jr., was not a perfect man but he loved his family dearly. And even though there were many problems in the family, Rev. White did what so many black fathers today do not do--he stayed with his family through thick and thin. This book is a tribute to him--a father who stayed. "If we are honest with ourselves, we'll admit that what too many fathers also are, is missing--missing from too many lives and too many homes. They have abandoned their responsibilities, acting like boys instead of men. And the foundations of our families are weaker because of it." --President Barack Obama The Chapters Below will Inspire You to be the Best Father that You Can Be: The Importance of Fathers Staying What Great Men Have Said About Their Fathers Great Black Fathers Besides My Own Father A Tribute to My Father's Legacy ...and much more What God Whispered to Me-Delores Wilson-Johnson 2011-04 Delores Wilson Johnson resides in College Park, Maryland with her husband, Attorney Gene Randolph Johnson and her son, Duane Johnson. That was my first book When God says move, move. Now I'm writing my second book which the Lord God instructed me to do as well, it is about some of the thinks God and I have gone thru together and some things He wants me to reveal to other believers. I would appreciate if you would take the time to read what He has to say to the church.

Girl on a Swing-Nancy Kennedy 2010-10-27 God Delights in You! Imagine a girl on a swing: leaning backward and easily pumping her legs back and forth, closing her eyes while the wind blows through her hair. She is safe, she is secure, she is free and forgiven. Perhaps you find yourself thinking, I want to feel loved and safe and secure. I want to feel free. I want to turn my face toward heaven and experience God's smile . Did you know that girl can be you? Because God's love--a love not based upon your performance, but on Christ's--proclaims the truth that you are His and He is glad He chose you. This freedom in Christ is meant to become a part of you, something you relish every day. It's like learning how to swing: it can't ever be unlearned. So climb on...your time to soar has arrived! Who Is that Girl on a Swing? She's free. She's safe. She's secure. She's forgiven. She's happy. She's a child of God. And so are you. With warm understanding, refreshing humor, and striking biblical honesty, Nancy Kennedy reflects on the ways women often keep themselves from enjoying the freedom that's already theirs. Because not only do you belong to God, He is glad He chose you. Not only does He love you unconditionally, He likes you! And not only does He lavish you with grace, He smiles upon you. Once you learn how to swing, you can't un-learn it. Once you know true freedom in Christ, you can't un-know it. It's yours for good (and it's a lot fun). So climb on...it's time to soar! Endorsements "Ahhh. Nancy 's words let me be my imperfect self and still know that there is no wind strong enough to release me from my Father's grip." Karon Phillips Goodman author of Another Fine Mess, Lord! and the Woman's Guide series "Nancy Kenndy writes with amazing humor, heart, and insight. Girl on a Swing soars!" Heather Kopp author of Roar: A Christian Family Guide to the Chronicles of Narnia Story Behind the Book The Story Behind the Book "Girl on a Swing came from a greeting card image where a young girl is soaring on a swing. She's free and at peace, with herself and her surroundings. As I studied that image I came to realize that the girl is me--because in Christ I am free and at rest. God smiles on His own, and I am at peace. But my experience as a speaker at women's retreats has shown me that many women have difficulty believing that for themselves. This book will help them grasp the truth." --Nancy Kennedy

As Martez tries to live an upright life serving a Baptist church in South Carolina, he is beset by sexual urges. He meets a young lady he's attracted to and eventually gives in to his desires. Then he discovers the love of his life and decides to marry her. But in a twist of fate, his past lover shows up on the scene. Because God Smiled, I am Laughing!-Apostle E. Uche Nyeche 2013-04-23 Because God Smiled, I am Laughing is a book that shares some of the Supernatural moves of God in my life, from prophecies fulfilled to the appearance of ministering angels. I also write to dispel some of the false doctrines that limit spiritual growth in the lives of Christians and the church at large. My vision of who God is comes from years of devotion to prayer, study of His written Word and seeking not the approval of man.

Downhome Gospel-Jerrilyn McGregory 2010-10-05 Jerrilyn McGregory explores sacred music and spiritual activism in a little-known region of the South, the Wiregrass Country of Georgia, Alabama, and North Florida. She examines African American sacred music outside of Sunday church-related activities, showing that singing conventions and anniversary programs fortify spiritual as well as social needs. In this region African Americans maintain a social world of their own creation. Their cultural performances embrace some of the most pervasive forms of African American sacred music—spirituals, common meter, Sacred Harp, shape-note, traditional, and contemporary gospel. Moreover, the contexts in which they sing include present-day observations such as the Twentieth of May (Emancipation Day), Burial League Turnouts, and Fifth Sunday. Rather than tracing the evolution of African American sacred music, this ethnographic study focuses on contemporary cultural performances, almost all by women, which embrace all forms. These women promote a female-centered theology to ensure the survival of their communities and personal networks. They function in leadership roles that withstand the test of time. Their spiritual activism presents itself as a way of life. In Wiregrass Country, “You don’t have to sing like an angel” is a frequently expressed sentiment. To these women, “good” music is God’s music regardless of the manner delivered. Therefore, Downhome Gospel presents gospel music as being more than a transcendent sound. It is local spiritual activism that is writ large. Gospel means joy, hope, expectation, and the good news that makes the soul glad.

Spirit Speech-Luke A. Powery 2010-10-01 That the Holy Spirit is present in preaching is something we take for granted. How the Spirit is present is a question we seldom ask. Luke Powery suggests that we fail to ask that question to the detriment of our preaching. Drawing on the tradition of African American preaching, he locates the Spirit’s activity in the sermon in two primary places; First, in celebration, the joyous acceptance of God’s gifts to the church and to the world. But equally as powerful is the expression of lament, the lifting up of our sorrow, grief, and suffering. In these two experiences the Spirit plays the decisive role, enabling the preacher to lay the congregation’s joys and sorrows at the feet of the living God, and announcing God’s presence in both our celebration and our lament.

By the Morning of Our Healing-Steven C. House 2010-11 By The Morning of Our Healing contains poems with passion, depth, sincerity and the stuff of living. They convey honestly and vigorously the joys, pains and rough resolutions of living and loving in the world. The book calls the reader to reflect on that invisible contract we all have with life. Remember that naive and idealistic state of sweet young love, becoming aware for the first time of the immense power of the ocean or the unpredictable impact of growling death? In response, we are all called to show up and participate. These poems convey one man's journey through these unique yet universal experiences. With confusion and anxiety, joy and sudden pleasure, the book takes the reader on a powerful journey through the geography of relationships. The book calls to mind the awareness that suffering does not stop us from succeeding. Healing happens all the time and in quite gentle and subtle ways. The book reaches into scenes and senses of living, loving and loss. It reflects the wisdom, triumphs and tragedies encountered along the way. Expressed here as well, is how we are shaped by the power of the wind, the grandeur of the mountains, the ethereal presence of the ocean and God's subtle voice in all. You will find here an eclectic collection of poems. Some are as serious as leaving home. Others are as carefree as an ice cream sundae. Hopefully you will identify with and hear echoes of your own voice and journey. These friendly poems will take you on a pleasant and challenging ride through living and loving that may get your heart pumping again and remind you that you are still alive and the fat lady hasn't sung yet!

To: honbarrsedd4za@yahoo.co.in PROPOSAL FOR URGENT ASSISTANCE Dear Sir: I must solicit your confidence in this transaction. I am a high placed official with the Department of Finance Affairs in Lagos, Nigeria. I and two other colleagues are in need of a silent foreign partner whose bank account we can use to transfer the sum of \$18,000,000. This are monies left by a barrister who died tragically in a plane crash last year. . . Sound familiar? Congratulations. You have been selected to become a mugu, an expression African con artists use to describe the targets of their e-mail scams. But they drew a bead on the wrong guy when they started spamming Steve H. Graham. Like many Internet users, Graham eventually got tired of receiving mugu mail and decided to fire back at his wannabe swindlers. Armed with a scathing sense of humor, Graham quickly turned the tables on his tormenters—with side-splittingly hilarious results. Whether he's referring to his fictional lawyer Biff Wellington, complaining about the injury he received while milking a lactating sloth, or offering the Preparation H helpline as his phone number, Graham—using aliases such as Wile E. Coyote, Barney Rubble, and Herman Munster—offers proof that spamming the spammers is the best revenge. Steve H. Graham is a retired attorney. Since childhood, he has been fighting for truth, justice, and free movie passes. For each copy sold of this book, he will donate 100 percent of the proceeds to himself. He is also the author of the cookbook Eat What You Want and Die Like a Man. He lives in Miami.

The James Brown Reader-Nelson George 2008-04-29 Nelson George and Alan Leeds have assembled the first comprehensive collection of writings about the late, great Godfather of Soul, creating a fascinating mosaic of the man and the musician. Known as the hardest-working man in show business, James Brown embodied rhythm and blues, funk and soul, and sensuality. His musical innovations in such indelible grooves as “Get Up (I Feel Like Being a) Sex Machine,” “I Got You (I Feel Good),” and “Papa’s Got a Brand New Bag,” transformed American music. To appreciate Brown’s immeasurable influence, to chronicle his professional and personal triumphs and struggles, and to capture his essence, writers from four decades weigh in on the legendary Soul Brother Number One. What emerges is a tribute to a trailblazer—one that no dedicated fan or music history buff will want to be without.

Adding a depth of understanding that can’t be obtained by looking only at the commandment itself, he shows how each commandment echoes elsewhere in the Old Testament, how it was violated in Israel’s history, and how it surfaces again in the New Testament. In conclusion, Rooker includes an extended section on the theological significance of each commandment and its contemporary implications.

Account of the Experience of Hester Ann Rogers-Hester Ann Rogers 1837

The Death of Christian Britain-Callum G. Brown 2013-04-15 The Death of Christian Britain uses the latest techniques to offer new formulations of religion and secularisation and explores what it has meant to be 'religious' and 'irreligious' during the last 200 years. By listening to people's voices rather than purely counting heads, it offers a fresh history of de-christianisation, and predicts that the British experience since the 1960s is emblematic of the destiny of the whole of western Christianity. Challenging the generally held view that secularization has been a long and gradual process beginning with the industrial revolution, it proposes that it has been a catastrophic short term phenomenon starting with the 1960's. Is Christianity in Britain nearing extinction? Is the decline in Britain emblematic of the fate of western Christianity? Topical and controversial, The Death of Christian Britain is a bold and original work that will bring some uncomfortable truths to light.
