John Mitchell Kemble and Jakob Grimm-John Mitchell Kemble 1971

Grimm-Mike Nicholson 2014-03-20 If you have the misfortune to spend a night at Hotel Grimm, it may be the last one you spend anywhere! Or so the residents of Aberfintry believe. From its vantage point high above the town, the hotel has long been the source of dead guests and terrifying stories. When eleven-year-old Rory McKenna becomes an overnight advertising sensation for Zizz Cola, Hotel Grimm's mysterious owner, Granville Grimm, presents Rory with the task of giving his hotel a new image. Refusal is not an option... Can "Zizz Boy" do it again, or will he become Hotel Grimm's next victim? Full of unexpected twists and turns, surprising allies and things that go bump in the night, Rory's life is about to get very complicated. Set in the fictional town of Aberfintry, located roughly in Scotland's Trossachs region, this is a humorous adventure story from the prize-winning author of Catscape.

A Guide to Folktales in the English Language-D. L. Ashliman 1987 Students of folklore and storytellers will find this new guide useful. Ashliman has followed the Aarne-Thompson classification system fairly closely in his geographical classification and his tale type headings. . . . Ashliman's main aim is to 'help readers find reliable texts of any given folktale, not only in its best-known version, but also in less familiar variants.' There are cross-references from one tale type to another, a complete listing of Grimm's 200 tales with type classifications as an appendix, and an index of best-known titles and key words from typical plots. Choice A Guide to Folktales in the English Language is designed to assist both the folklore specialist and the general reader in locating the texts of folktales published in collections. Author D.L.Ashliman follows the widely accepted type classification established by folklorists Annti Aarne and Stith Thompson and last revised in 1961, organizing more than 5,000 stories and episodes under some 1,000 basic plots. Each plot is presented in capsule form, followed by the titles and essential bibliographic data of published variants. The result is a comprehensive overview of all major European folktales that will be invaluable for students of folklore, literature, and popular culture.

Sea Enchantress-Gwen Benwell 1965

An Illustrated Treasury of Grimm's Fairy Tales-Jacob Grimm 2013 Two hundred years ago, the Brothers Grimm published their famous collection of folk tales, including these thirty much-loved stories of helpful elves; giants who can see into the next land; foolish but good-hearted lads; princesses with golden hair; faithful servants and wicked queens. This sumptuously illustrated collection of essential Grimm classics includes stories every childhood needs: The Princess

and the Frog, Little Red Riding Hood, Sleeping Beauty, Cinderella, Rumpelstiltskin and dozens more. Each tale is brought to life with radiant, faithful pictures from Daniela Drescher, one of Germany's best-loved illustrators, which are sure to fire any child's imagination.
