Close reading of the text is required to answer text-dependent questions. Included are student pages with the text-dependent questions as well as suggested answers.

Teaching Social Studies to English Language Learners-Stephen J. Thornton 2013-03-12 Teaching Social Studies to English Language Learners provides readers with a comprehensive understanding of both the challenges that face English language learners (ELLs) and ways in which educators might address them in the social studies classroom. The authors offer context-specific strategies for the full range of the social studies curriculum, including geography, U.S. history, world history, economics, and government. These practical instructional strategies will effectively engage learners and can be incorporated as a regular part of instruction in any classroom. An annotated list of web and print resources completes the volume, making this a valuable reference to help social studies teachers meet the challenges of including all learners in effective instruction. Features and updates to this new edition include: • An updated and streamlined Part 1 provides an essential overview of ELL theory in a social studies specific-context. • "Teaching Tips" offer helpful suggestions and ideas for creating and modifying lesson plans to be inclusive of ELLs. • Additional practical examples and new pedagogical elements in Part 3 include more visuals, suggestions for harnessing new technologies, discussion questions, and reflection points. • New material that takes into account the demands of the Common Core State Standards, as well as updates to the web and print resources in Part 4.

Leveled Reading-Response Activities for Guided Reading-Rhonda Graff 2013-01-01 Contains tiered reading-response sheets enabling teachers to match the right activity to their students' reading level.

Pancho Rabbit and the Coyote-Duncan Tonatiuh 2013-05-07 In this allegorical picture book, a young rabbit named Pancho eagerly awaits his papa's return. Papa Rabbit traveled north two years ago to find work in the great carrot and lettuce fields to earn money for his family. When Papa does not return, Pancho sets out to find him. He packs Papa's favorite meal—mole, rice and beans, a heap of warm tortillas, and a jug of aguamiel—and heads north. He meets a coyote, who offers to help Pancho in exchange for some of Papa's food. They travel together until the food is gone and the coyote decides he is still hungry . . . for Pancho! Duncan Tonatiuh brings to light the hardship and struggles faced by thousands of families who seek to make better lives for themselves and their children by illegally crossing the border. Praise for Pancho Rabbit and the Coyote STARRED REVIEWS "Tonatiuh's great strength is in the text. No word is wasted, as each emotion is clearly and poignantly expressed. The rabbits' future is unknown, but their love and faith in each other sustains them through it all. Accessible for young readers, who may be drawn to it as they would a classic fable; perfect for mature readers and the classroom, where its layers of truth and meaning can be peeled back to be examined and discussed. An incandescent, humane and terribly necessary addition to the immigrant-story shelf." —Kirkus Reviews, starred review "In both prose and art, Tonatiuh expertly balances folkloric elements with stark, modern realities; Pancho Rabbit's trip has the feel of a classic fable or fairy tale, with the untrustworthy coyote demanding more and more of him." —Publishers Weekly, starred review "The book shows the fragility of making a living, the desperation that many migrants experience, and the deep family ties that bind the characters. Classrooms studying the migrant experience will find plenty to discuss here." —School Library Journal "This will spark strong responses and needed discussion." —Booklist "Tonatiuh is so careful in weaving his allegory that his empathetic contemporary tale feels like age-old folklore, with simple but compelling text and a step-by-step escalation of the story through gripping, kid-understandable challenges." —The Bulletin of the Center for Children's Books Awards Pura Belpré Author and Illustrator Honor book 2014 New York Public Library's annual Children's Books list: 100 Titles for Reading and Sharing 2013 Kirkus Best Books of 2013 Best Multicultural Children's Books 2013 (Center for the Study of Multicultural Children's Literature) Notable Children's Books from ALSC 2014 Notable Books for a Global Society Book Award 2014

Close Reading Literature Activities for Grades 2-3 (Set B)- 2014-06-01 Students analyze three children's books using key skills from the Common Core. Close reading of the text is required to answer text-dependent questions. Included are student pages with the text-dependent questions as well as suggested answers.

Mixed Me!-Taye Diggs 2015-10-06 Mom and Dad say I'm a blend of dark and light: "We mixed you perfectly, and got you just right." Mike has awesome hair. He has LOTS of energy! His parents love him. And Mike is a PERFECT blend of the two of them. Still, Mike has to answer LOTS of questions about being mixed. And he does, with LOTS of energy and joy in this charming story about a day in the life of a mixed-race child.

Zeely-Virginia Hamilton 1967 Geeder's summer at her uncle's farm is made special because of her friendship with a very tall, composed woman who raises hogs and who closely resembles the magazine photograph of a Watutsi queen.

Close reading of the text is required to answer text-dependent questions. Included are student pages with the text-dependent questions as well as suggested answers.

Scholastic Update- 1986

Building Vocabulary: Level 11 Kit-Timothy Rasinski, Nancy Padak, Rick M. Newton, and Evangeline Newton 2010-06-09 Building Vocabulary from Word Roots provides a systematic approach to teaching vocabulary using Greek and Latin prefixes, bases, and suffixes. Over 90% of English words of two or more syllables are of Greek or Latin origin. Instead of learning words and definitions in isolation, students learn key roots and strategies for deciphering words and their meanings across all content areas. Building Vocabulary from Word Roots: Level 11 kit includes: Teacher's Guide; Student Guided Practice Book (Each kit includes a single copy; additional copies may be ordered in quantities of 10 or more); Assessments to support data-driven instruction; and Digital resources including modeled lessons, 50 bonus activities, and more.

The World's Best One Hundred Detective Stories (In Ten Values): Volume Seven- 1929

The Literacy Center-Lesley Mandel Morrow 2002 The value of small-group instruction cannot be emphasized enough, but many teachers have found it difficult to manage, especially when class sizes remain large. Here is practical, theoretically-sound guidance for language arts teachers from pre-K through grade 5 who want help setting up literacy-rich classrooms that support guided reading or other small-group teaching. This new edition of The Literacy Center provides meaningful activities that extend small-group instruction in both comprehension and word study. Like the popular first edition, this updated handbook is teacher friendly. Clear suggestions for each center, together with charts, diagrams, black-line masters and photographs, help implement a "real" work place for young learners. Supported by Dr. Morrow's extensive research in motivation theory and exemplary instruction, here are sound ideas that engage students collaboratively and independently. You can spend time teaching small groups of students, attending to their individual needs, all the while knowing the rest of your class will be independently engaged in real learning. The book is divided into two distinct parts. The first section gives the research background and rationale for using literacy centers. It provides the tools for thoughtful design and use of centers along with helpful hints on how best to motivate students. The second section provides activities for modeling literature to interest children in reading in social collaborative settings. These activities are designed to foster the development of comprehension skills and strategies through the use of children's literature. The book gives equal time to the development of word study skills, such as phonemic awareness and phonics, with manipulative materials to ensure fluent reading. Included are: smart suggestions for introducing centers; management ideas; black-line masters; ways to foster student collaboration and cooperation; ways to assess students' center work and suggestions for promoting student accountability; a completely new section on word study, phonics and phonemic awareness; practical and effective suggestions for family involvement. The Literacy Center can help you develop your students' enthusiasm for reading and writing. It is perfect for introducing pre-service teachers to classrooms that are literacy-rich and purposeful, as well as for continuing staff development for classroom teachers who are seeking better ways to engage students in reading and writing.
