It covers the third-best-selling Honda in American Honda history, the long-running Mini Trail CT-70, along with the CL, SL, and XL 72-cc motorcycles manufactured from 1969 to 1994. Polson begins with a brief introduction of the models that led to the first CL-70, and then jumps into a thorough analysis of the many models and iterations that Honda offered through the years. With more than 25 years of experience collecting, restoring, and selling more than 200 small-displacement Hondas, Polson is the ideal author for this must-have look at a group of Honda's most popular motorcycles. In addition to the hard facts, this book is filled with many rare photos that track the evolution of Honda's 72-cc motorcycles and unravels their mystery. Compiled during more than 30 years of research, this reference even lists companies that produced just one car. Any builder of passenger-carrying vehicles on at least two but no more than eight wheels, of any design, either mass produced or built as one-off specials, experimental cars, prototypes, or kit cars, is included. Builders of internal combustion, steam and electric powered vehicles are all covered; companies that built only trucks, buses, racing cars, or motorcycles are not included. Marrying her Catholic faith with a passion for social justice, she came to prominence for her eloquent condemnation of the abuses of some of the world's biggest pharmaceutical companies. She has gone on to found a leading Catalanion anti-capitalist independence movement and is one of the leading voices in the world today against the injustices of capitalism and the patriarchy of modern society and of her own church. In Faith and Freedom, her first book written in English, she skilfully weaves together her personal experiences with a reflection on morality, religion and politics to give a trenchant account of how the Christian faith can be a dynamic force for radical change. Placing herself in a powerful tradition of Catholic social doctrine and Liberation Theology, she applies her perspective to the issues most precious to her: freedom and love, social justice and political engagement, public health, feminism, faith and forgiveness. Structured around the five canonical hours that give its peculiar rhythm to the monastic day, this book is a thoughtful and bold polemic against the exploitation and injustice of the status quo. Its call for liberty, love and justice will resonate with anyone disaffected with a savage and destructive political and economic system that marginalises and murders the poor and undermines the very fabric of social life.</div> <div>Cycle World- 1999-07</div> <div>Honda OHC Sngls 100-350cc 69-82- 2000-05-24 CB100 (1970-1972), CB125S (1973-1982), XL125 (1974-1978), XL175 (1973-1978), XL250 (1972-1976), CT125 (1977), SL100 (1969-1973), SL125 (1971-1973), XL100 (1974-1978), TL125 (1973-1975), CL100 (1970-1972), TL250 (1975-1976), XL350 (1974-1978)</div>
