Digital Rights Management-Catherine A. Lemmer 2016-09-02 In a world of users that routinely click “I Agree” buttons, librarians may be the lone voice raising an alert to the privacy, use, and ownership issues arising in connection with the design and implementation of digital rights management (DRM) technologies. DRM reflects the efforts of copyright owners to prevent the illegal distribution of copyrighted material – an admirable goal on its face. A common misunderstanding is that DRM is copyright law. It is not. Rather it is a method of preventing copyright infringement; however, if unchecked, DRM has the potential to violate privacy, limit ownership rights, and undermine the delicate balance of rights and policies established by our current system of copyright. All three of these arenas are critical for both librarians and their users. Reflecting the shift from ownership to access, libraries are increasingly providing access to rights-protected digital content. Libraries strive to provide access to rights-protected content in a manner that protects both the content creator and the privacy of the user. DRM encompasses a variety of technologies and strategies utilized by content owners and managers to limit access to and the use of rights-protected content. Librarians need to understand DRM to effectively enable users to access and use rights-protected digital content while at the same time protecting the privacy of the user. Designed to address the practical operational and planning issues related to DRM, this guide explores the critical issues and challenges faced by librarians. After reading it, librarians will better understand: the digital content rights protection scheme; the various DRM technologies and how they are used; how to use authentication and authorization standards, strategies, and technologies; and, the privacy and security issues related to DRM. Edited by two librarians who also hold law degrees, this is a best practices guide for front-line librarians on how to best respond to the impact of DRM schemes on collection development, staffing, budget, service, and other library concerns.

Trick Mirror-Jia Tolentino 2020-07-14 NEW YORK TIMES BESTSELLER * "From The New Yorker's beloved cultural critic comes a bold, unflinching collection of essays about self-deception, examining everything from scammer culture to reality television."--Esquire "A whip-smart, challenging book."--Zadie Smith * "Jia Tolentino could be the Joan Didion of our time."--Vulture FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE'S JOHN LEONARD PRIZE FOR BEST FIRST BOOK * NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORKER PUBLIC LIBRARY AND HARVARD CRIMSON AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review * Time * Chicago Tribune * The Washington Post * NPR * Variety * Esquire * Vox * Elle * Glamour * GQ * Good Housekeeping * The Paris Review * Paste * Town & Country * BookPage * Kirkus Reviews * BookRiot * Shelf Awareness Jia Tolentino is a peefish voice of her generation, tackling the conflicts, contradictions, and sea changes that define us and our time. Now, in this dazzling collection of nine entirely original essays, written with a rare combination of give and sharpness, wit and fearlessness, she delves into the forces that warp our vision, demonstrating an unparalleled stylistic potency and critical dexterity. Trick Mirror is an enlightening, unforgettable trip through the river of self-delusion that surges just beneath the surface of our lives. This is a book about the incentives that shape us, and about how hard it is to see ourselves clearly through a culture that revolves around the self. In each essay, Tolentino writes about a cultural prism: the rise of the nightmare social internet, the advent of scamming as the definitive millennial ethos; the literary heroine's journey from brave to blank to bitter; the punitive dream of optimization, which insists that everything, including our bodies, should become more efficient and beautiful until we die. Gleaming with Tolentino's sense of humor and capacity to elucidate the impossibly complex in an instant, and marked by her desire to treat the reader with profound honesty, Trick Mirror is an instant classic of the worst decade yet. FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY

Ex Libris-Michiko Kakutani 2020 From "the most powerful book critic in the English-speaking world" (Vanity Fair) comes 100 personal, thought-provoking essays of the life-changing books she wouldn't want you to miss—beautifully illustrated throughout. Legendary former New York Times critic and bestselling author Michiko Kakutani once again brings her wealth of knowledge and passion about books to eager readers—but this time with her personal selections of more than 140 works of fiction, nonfiction, and poetry that have had a profound effect on her life. "Why do we love books so much," she asks in her introduction. "These magical brick-sized objects are actually tiny time machines that can transport us back to the past to learn the lessons of history, and forward to the future, where we may be granted glimpses of more ideal worlds, or more dystopian ones that serve as dark mirrors of what we could become, should we misuse the gifts of science, or fail to protect our ideals and our planet." Books have always been her escape and sanctuary, the characters of some novels feeling so real to her childhood self that she worried they might leap out of the pages at night if she left the book cover open. In fact, Kakutani is so connected to her beloved books, she refuses to see certain movie adaptations—even the iconic Lord of the Rings—for fear of the cinematic scenes crowding out the detailed images in her head. More than just recommendations, Ex Libris covers a broad range of topics that help build a well-rounded reader and citizen of the world—from the historical (Federalist Papers, The Writings and Speeches of Martin Luther King, Jr.) to the timely (Elizabeth Kolbert's harrowing The Sixth Extinction, Margaret Atwood's The Handmaid's Tale) to the fantastical (the Harry Potter novels, Where the Wild Things Are). With richly detailed illustrations by lettering artist Dana Tanamachi that evoke vintage bookplates leafed between Kakutani's passionate essays, Ex Libris is always pointing us to our next great read.

All the Light We Cannot See-Antoine Doerr 2014-11-04 WINNER OF THE PULITZER PRIZE From the highly acclaimed, multiple award-winning Anthony Doerr, the beautiful, stunningly ambitious instant New York Times bestseller about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History, where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the resistance. Unbound-Dean King 2010-03-24 In October 1934, the Chinese Communist Army found itself facing annihilation, surrounded by hundreds of thousands of Nationalist soldiers. Rather than surrender, 86,000 Communists embarked on an epic flight to safety. Only thirty were women. Their trek would eventually cover 4,000 miles over 370 days. Under enemy fire they crossed highland awamps, climbed Tibetan peaks, scrambled over chain bridges, and trudged through the sands of the western deserts. Fewer than 10,000 of them would survive, but remarkably all of the women would live to tell the tale. Unbound is an amazing story of love, friendship, and survival written by a new master of adventure narrative.

The Darwin Affair-Tim Mason 2019-06-11 "Intellectually stimulating and viscerally exciting, The Darwin Affair is breathtaking from start to stop." — The Wall Street Journal Get ready for one of the most inventive and entertaining novels of 2019—an edge-of-your-seat Victorian-era thriller, where the controversial publication On the Origin of Species sets off a string of unspeakable crimes. London, June 1860: When an assassination attempt is made on Queen Victoria, and a petty thief is gruesomely murdered moments later—and only a block away—Chief Detective Inspector Charles Field quickly surmises that these crimes are connected to an even more sinister plot. Was Victoria really the assassin's target? Are those closest to the Crown hiding something? And who is the shadowy figure witnesses describe as having lifeless, coal-black eyes? Soon, Field's investigation exposes a shocking conspiracy in which the publication of Charles Darwin's controversial On the Origin of Species sets off a string of murders, arson, kidnapping, and the pursuit of a madman named the Chorister. As the investigation takes Field from the dangerous alleyways of London to the hallowed halls of Oxford, the list of possible conspirators grows, and the body count escalates. And as he edges closer to the Chorister, he uncovers dark secrets that were meant to remain forever hidden. Tim Mason has created a rousing page-turner that both Charles Dickens and Sir Arthur Conan Doyle would relish and envy.

Flat Broke with Two Goats-Jennifer McGaha 2018-01-23 When life gets your goat, bring in the herd Jennifer McGaha never expected to own a goat named Merle. Or to be setting Merle up on dates and naming his doeling Merlene. She didn't expect to be buying organic yogurt for her chickens. She never thought she would be pulling camouflage carpet off her ceiling or rescuing hostages from her barn and calling it "date night." Most importantly, Jennifer never thought she would only have \$4.57 in her bank account. When Jennifer discovered that she and her husband owed back taxes—a lot of back taxes—her world changed. Now desperate to save money, they foreclosed on their beloved suburban home and moved their family to a one-hundred-year-old cabin in a North Carolina holler. Soon enough, Jennifer's life began to more closely resemble her Appalachian ancestors than her upper-middle-class upbringing. But what started as a last-ditch effort to settle debts became a journey that revealed both the joys and challenges of living close to the land. Told with bold wit, unflinching honesty, and a firm foot in the traditions of Appalachia, Flat Broke with Two Goats blends stories of homesteading with the journey of two people rediscovering the true meaning of home.

Valentine-Elizabeth Wetmore 2020-03-31 An instant New York Times Bestseller A Read with Jenna Today Show Book Club Pick! "A thrilling debut that deserves your attention." —Ron Charles, the Washington Post Written with the haunting emotional power of Elizabeth Strout and Barbara Kingsolver, an astonishing debut novel that explores the lingering effects of a brutal crime on the women of one small Texas oil town in the 1970s. Mercy is hard in a place like this. . . . It's February 1976, and Odessa, Texas, stands on the cusp of the next great oil boom. While the town's men embrace the coming prosperity, its women intimately know and fear the violence that always seems to follow. In the early hours of the morning after Valentine's Day, fourteen-year-old Gloria Ramirez appears on the front porch of Mary Rose Whitehead's ranch house, broken and barely alive. The teenager had been viciously attacked in a nearby oil field—an act of brutality that is tried in the churches and barrooms of Odessa before it can reach a court of law. When justice is evasive, the stage is set for a showdown with potentially devastating consequences. Valentine is a haunting exploration of the intersections of violence and race, class and region in a story that plumbs the depths of darkness and fear, yet offers a window into beauty and hope. Told through the alternating points of view of indelible characters who burrow deep in the reader's heart, this fierce, unflinching, and surprisingly tender novel illuminates women's strength and vulnerability, and reminds us that it is the stories we tell ourselves that keep us alive.

The Public Library- 2014-05-27 A gorgeous visual celebration of America's public libraries including 150 photos, plus essays by Bill Moyers, Ann Patchett, Anne Lamott, Amy Tan, Barbara Kingsolver, and many more. Many of us have vivid recollections of childhood visits to a public library: the unmistakable musty scent, the excitement of checking out a stack of newly discovered books. Today, the more than 17,000 libraries in America also function as de facto community centers offering free access to the internet, job-hunting assistance, or a warm place to take shelter. And yet, across the country, cities large and small are closing public libraries or curtailing their hours of operation. Over the last eighteen years, photographer Robert Dawson has crisscrossed the country documenting hundreds of these endangered institutions. The Public Library presents a wide selection of Dawson's photographs— from the majestic reading room at the New York Public Library to Aliensworth, California's one-room Tulare County Free Library built by former slaves. Accompanying Dawson's revealing photographs are essays, letters, and poetry by some of America's most celebrated writers. A foreword by Bill Moyers and an afterword by Ann Patchett bookend this important survey of a treasured American institution.
