All We Know of Love-Nora Raleigh Baskin 2013-01-22 A boldly original tale about a girl who journeys through love and loss to find her mother — and discovers that everyone has a story to tell, including herself. "I used to think that a person would not know who I was, not really know me, until they heard about my mother." Four years, four months, and fifteen days ago, Natalie Gordon's mother walked out mid-sentence, before she finished what she was going to say. Now Natalie is traveling twenty-four hours on a bus to Florida to find her mother, to find herself, to find out something about love. Along the way, Natalie struggles to understand her relationship with Adam, a boy she pines for with near-obsession, and to her surprise, she meets people with stories like her own, stories about giving love and getting lost in the desire to be wanted. Acclaimed middle-grade novelist Nora Raleigh Baskin makes her young adult debut with a deeply resonant novel about secrets held and secrets shared, about having the courage to uncover all we know — and don't know — of love.

What Love Is-Yonda Morrison Fletcher 2006-05-30 "What Love Is" is a book that was written about and for people that I work with. It is a book about how they feel about the loves, family, friends, and pets in and out of their lives. I wrote this book by asking people if they wanted to be in the book, and whom or whatdid they want me to write about. It was a wonderful experience for me to put in words what they were feeling about the special people that they share their lives with everyday. I am glad that I could also share in someway the joys and happiness that they give to the people and pets who mean so much to them. It was truly an honor for me to share this time with them. And I am hoping that there is a message in "What Love Is" for someone else too.

There's always room for improvement. Change what you can change and leave the rest in God's hands. About the Author Author Janine Witcher Singleton is originally from Chicago Illinois. She currently resides in Dallas Texas and she has two beautiful daughters. Although she is a single mom, she has managed to accomplish many of her goals in life, such as pursuing her goal of becoming a writer. Fortunately, she was able to accept the things that had already occurred and use her infidelities as learning tools to redefine her position in life. Writing Now I Know gave her so much relief from the burdens and the demons that had been haunting her for years in her mind and plaguing any relationships that she attempted to pursue. Once she opened up her life through her writing, a big weight was lifted and she was able to redirect her energy toward her passion for living a prosperous and meaningful life again.

What Love Is-Carrie Jenkins 2017-01-24 What is love? Aside from being the title of many a popular love song, this is one of life's perennial questions. In What Love Is, philosopher Carrie Jenkins offers a bold new theory on the nature of romantic love that reconciles its humanistic and scientific components. Love can be a social construct (the idea of a perfect fairy tale romance) and a physical manifestation (those anxiety- inducing heart palpitations); we must recognize its complexities and decide for ourselves how to love. Motivated by her own polyamorous relationships, she examines the ways in which our parameters of love have recently changed—to be more accepting of homosexual, interracial, and non-monogamous relationships—and how they will continue to evolve in the future. Full of anecdotal, cultural, and scientific reflections on love, What Love Is is essential reading for anyone seeking to understand what it means to say "I love you." Whether young or old, gay or straight, male or female, polyamorous or monogamous, this book will help each of us decide for ourselves how we choose to love.
