James Potter and the Hall of Elders' Crossing-Samar Dana 2007-01-01 Based upon the characters and worlds of J. K. Rowling, this book tells the story of Harry Potter's son James, and his first year at Hogwarts School of Witchcraft and Wizardry. Kustomland-Thom Taylor 2008 In the late 1950s, as designers from the Big Three became more daring, their do-it-yourself counterparts in the custom-car world found that the new designs from Detroit worked exceptionally well with custom treatments like shaving, lowering, "lakes pipes," and the ever-wilder custom painting of the day—aesthetics that would come to dominate this peak custom car era. Professional freelance photographer James Potter captured the epicenter of this landmark scene in what was then suburban Los Angeles. In this photographic history of that time and place, Thom Taylor presents the best of Potter's collection depicting the cars of "Kustomland." Two- and four-page features on two-dozen renowned customs from mild to radical feature not only Potter's exemplary work, but brief capsule histories of the cars and their owners and captions detailing the cars' features. Taylor also includes features on legendary custom painter Larry Watson and the Renegades car club, as well as a biography of Potter and a historic overview of Kustomland and the areas it encompassed. Blood Standard-Laird Barron 2019-04 Award-winning author Laird Barron makes his crime fiction debut with a novel set in the underbelly of upstate New York that's as hardboiled and punchy as a swift right hook to the jaw—a classic noir for fans of James Ellroy and John D. Macdonald. Isaiah Coleridge is a mob enforcer in Alaska—he's tough, seen a lot, and dished out more. But when he forcibly ends the moneymaking scheme of a made man, he gets in the kind of trouble that can lead to a bullet behind the ear. Saved by the grace of his boss and exiled to upstate New York, Isaiah begins a new life, a quiet life without gunshots or explosions. Except a teenage girl disappears, and Isaiah isn't one to let that slip by. And delving into the underworld to track this missing girl will get him exactly the kind of notice he was warned to avoid. Wizard's Hall-Jane Yolen 2015-10-27 An inept wizard-in-training is the only one who can save his classmates from the terrible sorcery that threatens to devour their magical school Acclaimed master fantasist Jane Yolen imagines an academic world of wonders where paintings speak, walls move, monsters are made real, and absolutely anything can happen—as she introduces readers to a hero as hapless as the legendary Merlin is powerful. It was Henry's dear ma who decided to send him off to Wizard's Hall to study sorcery, despite the boy's apparent lack of magical talent. He has barely stepped through the gates of the magnificent school when he is dubbed Thornmallow ("prickly on the outside, squishy within"). Still, regardless of his penchant for turning even the simplest spell into a disaster, Thornmallow's teachers remain kind and patient, and he soon has a cadre of loyal, loving friends. But there is something that no one is telling the boy: As the 113th student to enroll in the wondrous academy, Thornmallow has an awesome and frightening duty to fulfill—and failure will mean the destruction of Wizard's Hall and everyone within its walls. The Freezing Season-G. Norman Lippert 2015-08-24 Ashley is a young woman broken by choices- some her own, some not. Looking to escape the haunting grip of her past, she embarks on a several-state winter road trip only to pass a sight that changes her life completely: jutting from a dirty snow bank, a small human hand holds its palm up to the sky. Driven by an uncharacteristic need for redemption, Ashley returns to investigate. There, she encounters a seemingly helpful, if disturbed local man and the county sheriff. It isn't until the sheriff begins to question Ashley that the terror of her situation dawns: the body in the snow isn't a snowplow accident, but a murder victim, and by coming back to investigate, Ashley has placed herself directly in the serial killers' path. As the next twenty-two hours unfold, Ashley is confronted with a terrible choice: take advantage of her one chance for escape, or attempt rescue of the killers' last remaining victim, possibly sacrificing herself in the process. Only by embracing the ghosts of her past will Ashley survive her descent into the disturbing madness of the freezing season. Michael McDowell (1950-1999) is best known for his screenplays to the films "Beetlejuice" and "The Nightmare Before Christmas," but he was also the author of several excellent and underrated Southern Gothic horror novels, of which "The Amulet" (1979) was the first. Stuart Hall Lives: Cultural Studies in an Age of Digital Media-Peter Decherney 2018-10-18 The work of cultural and political theorist Stuart Hall, a pioneer of Cultural Studies who passed away in 2014, remains more relevant than ever. In Stuart Hall Lives, scholars engage with Hall's most enduring essays, including "Encoding/Decoding" and "Notes on Deconstructing the Popular," bringing them into the context of the 21st century. Different chapters consider resistant media consumers, online journalism, debates around the American Confederate flag and rainbow flags, the #OscarsSoWhite controversy, and contemporary moral panics. The book also includes Hall's important essay on French theorist Louis Althusser, which is introduced here by Lawrence Grossberg and Jennifer Slack. Finally, two reminiscences by one of Hall's former colleagues and one of his former students offer wide-ranging reflections on his years as director of Centre for Contemporary Cultural Studies at the University of Birmingham, UK, and as head of the Department of Sociology at The Open University. Together, the contributions paint a picture of a brilliant theorist whose work and legacy is as vital as ever. This book was originally published as a special issue of Critical Studies in Media Communication. William James Potter from Convinced Quaker to Prophet of Free Religion-Richard Allen Kellaway 2014-08-15 Potter's name is virtually unknown to contemporary Unitarian Universalists, even by many of those who consider themselves scholars of the movement. Why forgotten? He was a founder and the mainstay of the Free Religious Association, an organization whose members radically transformed American Unitarianism. Few remember that association; still fewer, Potter. Coming of humble origins, and shy and withdrawn by temperament, he did little to put himself forward. He preferred to let his organizational skills and his brilliant and powerful writings do his talking. In the New Bedford of his thirty-two year ministry, he was a major public figure, universally respected for his integrity and his commitment to the community, especially to the disadvantaged. He initiated many major programs and organizations. But he shied away from assertive leadership, preferring to initiate and then move on. With his congregation, he was awkward in personal relationships, avoided parish calling, and only agreed that he would be available when needed. He was respected more than loved. The Canadian legal tradition strives to balance the rights of copyright holders with public needs to engage with copyright protected material, but there is now a substantial gap between what people actually do with cultural forms and how the law understands those practices. Digital technologies continue to shape new forms of cultural production, circulation, and distribution that challenge both the practicality and the desirability of Canada's fair dealing provisions. Dynamic Fair Dealing presents a range of insightful and provocative essays that rethink our relationship to Canadian fair dealing policy. With contributions from scholars, activists, and artists from across disciplines, professions, and creative practices, this book explores the extent to which copyright has expanded into every facet of society and reveals how our capacities to actually deal fairly with cultural goods has suffered in the process. In order to drive conversations about the cultural worlds Canadians imagine, and the policy reforms we need to realize these visions, we need Dynamic Fair Dealing.
