L'enigma dei templari-Robin Mackness 2013-06-13 Il mistero di Rennes-le-Château e il potere delle società segreteL'indagine esplosiva su un'oscura trama storica di conflitti e cospirazioniChe cosa lega il sacco di Gerusalemme compiuto dai Romani nel 70 d.C., l'improvvisa ricchezza di un prete a Rennes-le-Château nell'Ottocento, le SS e il corpo di un banchiere italiano impiccato sotto il Blackfriars Bridge? La risposta si trova nella straordinaria scoperta fatta da Guy Patton e Robin Mackness: un'eccezionale traccia storica che risale a più di 2000 anni fa. Gli autori ipotizzano che le “società segrete” del Medioevo e del Rinascimento - dai Templari ai precursori degli attuali massoni - siano state create per proteggere questa ricchezza nascosta. E, cosa ancora più sorprendente, Patton e Mackness rivelano la campagna di “insabbiamento” organizzata da coloro che si considerano gli attuali “guardiani” del tesoro: il misterioso Priorato di Sion. Si evince quindi, incredibilmente, come forze associate a questo antico tesoro possano aver manipolato grandi eventi come la fondazione dello Stato d’Israele o l’elezione di François Mitterrand.Guy Pattonvive attualmente a Londra. Ha iniziato a condurre ricerche storiche quando viveva a Malta, la patria dei Cavalieri Ospedalieri di San Giovanni. Nel corso di otto anni di studi sui misteri della Linguadoca ha stabilito contatti importanti con ricercatori del posto ed è divenuto membro della Terre de Rhedae Association e del Centre d’Études et de Recherches Templières. Di ritorno in Gran Bretagna, si è unito al Gruppo di Ricerca di Rennes-le-Château, del quale attualmente è il segretario. Ampliando il raggio della sua ricerca, ha scoperto le fondamenta di questa storia straordinaria. La lettura del libro di Robin Mackness, Massacre at Oradour, si è rivelata illuminante, tanto che i due hanno deciso di collaborare per mettere per iscritto la vicenda della più estesa cospirazione della storia. Robin Macknessha studiato alla Bedford School e al Fitzwilliam College di Cambridge, dove si è laureato in Legge. Sposato, vive nel Berkshire e ha due figli. Il suo primo libro, Massacre at Oradour, che rivela la controversa verità di una delle più grandi atrocità della seconda guerra mondiale, è stato un autentico bestseller.

Il Cristianesimo celtico-Jean Markale 2014-12-04T00:00:00+01:00 Come fu possibile la cristianizzazione dei Celti? Cos'è stato dell'antica religione druidica? Perché l'Irlanda, mai romanizzata, accettò di buon grado la nuova religione? La morte e la resurrezione del Cristo, afferma Jean Markale, non fecero che confermare la ricerca pagana dell'Altro Mondo, e il druidismo accettò quello che a quell'epoca era solo il messaggio evangelico. Grazie a una vera e propria fusione, soprattutto nella Bretagna armoricana, nell'Isola di Bretagna e in Irlanda, scaturì il cristianesimo celtico, con le sue diocesi abbaziali, il suo monachesimo, i suoi santi eroici, il pelagianesimo, i vescovi itineranti, i pellegrinaggi pro amore Dei, l'integrazione delle donne nel culto, il digiuno contro Dio... Oltre a tanti altri elementi, la pratica della confessione e la concezione del Purgatorio provengono dai Celti: nell'Alto Medioevo l'Irlanda non fu forse il fermento spirituale necessario alla nuova cristianizzazione del continente? Ai nostri giorni, nelle campagne, soprattutto nella Bretagna armoricana, Jean Markale ha scoperto le sopravvivenze popolari di questo cristianesimo, sia nel calendario sia nel culto dei santi e nei santuari. Combattuto dalla Chiesa romana per le sue tendenze libertarie, il cristianesimo celtico conoscerà diverse forme di evoluzione che segeranno profondamente il mondo cristiano nel suo complesso. Uno dei testi di riferimento sul cristianesimo celtico, citato in numerosi studi sull'argomento. Il frutto di un'attenta ricerca sul campo e di un'analisi minuziosa delle fonti storiche e letterarie.

The Stone Puzzle of Rosslyn Chapel-Philip Coppens 2004 Rosslyn Chapel has fuelled controversy and debate, both recently in several best-selling books as well as in past centuries. Revered by Freemasons as a vital part of their history, believed by some to hold evidence of pre-Columbian voyages to America, assumed by others to hold important relics, from the Holy Grail to the Head of Christ, the Scottish chapel is a place full of mystery. This book will guide you through the theories, showing and describing where and what is being discussed; what is impossible, what is likely... and what is fact. At the same time, the book will virtually guide you around all enigmatic and important aspects of the chapel. The history of the chapel, its relationship to freemasonry and the family behind the scenes, the Sinclairs, is brought to life, incorporating new, forgotten and often unknown evidence. Finally, the story is placed in the equally enigmatic landscape surrounding the chapel, from Templar commanderies to prehistoric markings, from an ancient kingly site to the South, to Arthur’s Seat directly north from the Chapel -- before its true significance and meaning is finally unveiled: that the Chapel was a medieval stone book of esoteric knowledge, 'written' by the Sinclair family, one of the most powerful and wealthy families in Scotland, chosen patrons of Freemasonry.

But a scandalous headline about her lover, Bérenger Sinclair, shatters Maureen’s plans and sends her to Florence. In Tuscany, Maureen and Bérenger seek out their spiritual teacher Destino, who insists the besieged couple study one of history’s great Poet Princes: Lorenzo de’ Medici, the godfather of the Italian Renaissance. Bérenger must uncover the heretical secrets of the Medici family—and the shocking truth behind the birth of the Renaissance—if he is to fulfill his own destiny. These heretical secrets were hidden for a reason, and there are those who would stop at nothing to prevent Bérenger’s assumption of his rightful role. The Renaissance comes vividly to life as Maureen decodes the clues contained within the great masterpieces of Lorenzo the Magnificent’s friends: Donatello, Botticelli, and Michelangelo. Maureen uncovers truths connected to the legend of Longinus Gaius, the Roman centurion who used pierced the crucified Jesus with his spear. Could Longinus Gaius, doomed to live forever, be someone she knows? Could his infamous Spear of Destiny, sought even by Hitler, be the key to Bérenger’s fate? As Maureen and Bérenger race to find the answers, someone is after them, hell-bent on settling a five-hundred-year old blood feud and destroying the heresy once and for all. Rich in Kathleen McGowan’s signature insights into art, architecture, and history and set in the beauty of Renaissance and present-day Italy, this is a spiritual detective story of the highest order. Fulcanelli and the Alchemical Revival-Geneviève Dubois 2005-11-10 Sheds new light on the identity of the alchemist Fulcanelli • Provides new understanding of the relationships between the most important figures of the esoteric milieu of Paris in the first half of the 20th century • Includes a wealth of rarely seen documents, photos, and letters Fulcanelli, operative alchemist and author of The Mystery of the Cathedrals and The Dwellings of the Philosophers--two of the most important esoteric works of the twentieth century--remains himself a mystery. The true identity of the man who allegedly succeeded in creating the philosopher’s stone has never been discovered, despite ardent searches by many--even the OSS (the wartime U.S. intelligence agency, later to become the CIA) claimed to have looked for him following the end of World War II. Geneviève Dubois looks at the esoteric milieu of Paris at the turn of the century, a time that witnessed a great revival of the alchemical tradition, and investigates some of its salient personalities. Could one of these have been this enigmatic man, reported to have last appeared in Seville, Spain, in 1952 when he would have been 113 years of age? The trail followed by the author encounters such figures as Papus, René Guénon, Schwaller de Lubicz, Pierre Dujols, Eugene Canseliet, and Jean-Julien Champagne. Working from rare documents, letters, and photos, Dubois suggests that one of these men could have been hiding his activity behind the pseudonym of Fulcanelli or that Fulcanelli may even have been a composite fabricated by several of these individuals working together. Beyond its attempt to reveal the actual identity of Fulcanelli, Fulcanelli and the Alchemical Revival also presents an explanation of the alchemical doctrine and reveals the unsuspected relationships among the important twentieth-century truth seekers it highlights.

Key to the Sacred Pattern: The Untold Story of Rennes-Le-Chateau-Henry Lincoln 2015-09-20 Ten years before the publication of Holy Blood, Holy Grail, Henry Lincoln began his odyssey into the mysteries of an insignificant village in the French Pyrenees. In the 1890s, Berenger Sauniere, the penniless priest of Rennes-le-Chateau became spectacularly wealthy after finding coded parchments hidden in his church. His largesse transformed the village. His Magdala Tower and his mysterious renovation of his church still stand as silent testament to the enduring mysteries of Rennes-le-Chateau. Fifty years after Sauniere's death, Henry Lincoln picked up the trail to discover the truth behind the priest's unexplained wealth. Lincoln's dogged and methodical research culminated in three BBC television documentaries and the world-wide best-sellers Holy Blood, Holy Grail and The Messianic Legacy, which put forward the hypothesis that perhaps the priest had stumbled upon facts known only to a secret society, the Priory of Sion. Is it possible that Jesus was married? Did he father a blood-line which still survives? Was the Priory of Sion behind the Knights Templar? Did Sauniere find some - or all - of their fabled treasure? But to say that Key to the Sacred Pattern is the chronicle of a hunt for lost Templar gold or chasing a shadowy secret society would be a mistake. The true gem of Key to the Sacred Pattern is Lincoln's presentation of the unarguable and astonishing facts behind this strange and gripping mystery. Far older than Jesus, it stretches back into an undreamt past. Is there a geometric pattern to the placement of holy places throughout Europe? Discover the true Rennes-le-Chateau and the reality which lies beyond the mountaintop village. This second edition of Key to the Sacred Pattern contains additional material as well as new and updated images."

The Treasure of Rennes-le-Château-Bill Putnam 2005-01-01 It is said that, Berenger Sauniere, priest of the village Rennes-le-Chateau, was guarding a secret about Jesus Christ. The Priory of Sion, an organisation apparently founded in the 12th century, is said to lie behind the tale. This book publishes a study of the village, and reveals the source of Sauniere's wealth and nature of the Priory of Sion.

Web of Gold-Guy Patton 2000-01-01 Positing that the treasure of the Jews was brought to France after the Visigoth sack of Rome, the authors explore the Middle Ages and Renaissance profusion of secret societies, and suggest that they were established to protect this hidden wealth, which remains a political power in the 1990s.

The Bonnot Gang-Richard Parry 2016-07-01 This is the story of the infamous Bonnot Gang: the most notorious French anarchists ever, and as bank expropriators the inventors of the motorized “getaway.” It is the story of how the anarchist taste for illegality developed into illegalism--the theory that theft is liberating in itself. And how a number of young anarchists met in Paris in the years before the First World War, determined to live their lives to the full, regardless of the consequences. Paris in 1911 was a city of riots, strikes, and savage repression of the working class. A stronghold of foreign exiles and homegrown revolutionaries, it was also the base of l’anarchie, the outspoken individualist weekly. L’anarchie drew together people for whom crime and revolution went hand in hand. There was Victor Kibalchich (later known as Victor Serge), whose inflammatory articles would put him on trial with the rest. Then there was the gang itself: Victor’s childhood friend Raymond-La-Science, the tuberculous André Soudy, the serious-minded René Valet, Simentoff the southerner, and lastly the prime motivators of the group--the remorseless Octave Garnier and the experienced Jules Bonnot. Their robberies, daring and violent, would give them a lasting notoriety in France. Their deaths, as spectacular as their lives, would make them a legend among revolutionaries the world over. Extensively researched and fully illustrated with rare period photos, drawings, and maps, this updated edition is the best account of the Bonnot Gang to appear in any language.

Exposed, Uncovered, & Declassified: Lost Civilizations & Secrets of the Past-Michael Pye 2011-12-22 Were Atlantis and Lemuria factual places? Who built the pyramids and for what purpose? How advanced was the technology of ancient cultures? All this and more is covered in Exposed, Uncovered, & Declassified: Lost Civilizations & Secrets of the Past--the latest in the all-original series that is already sparking lively debate. Erich von Däniken, best-selling author of Chariots of the Gods, examines the Egyptian pyramids, studying their astronomical implications and what message they were meant to convey. Thomas G. Brophy, PhD, focuses on the mysterious Nabta Playa site in southern Egypt and its connection to African history. Intrepid explorer of ancient America Frank Joseph covers archeological scandals and attempts to suppress evidence, including the Smithsonian’s “loss” of Maya skulls discovered in the Aleutian Islands. Researcher Steven Sora, author of The Lost Colony, delves into evidence that Scotland’s Picts originated in North America and were connected to the ancient Micmac tribe of the Americas. Philip Coppens of the History Channel’s Ancient Aliens explores an ancient Celtic network of roads that may be connected to a 4,000-year-old land-based reproduction of Atlantis. Scholar and mystery explorer Oberon Zell-Ravenheart brings together the Garden of Eden, the Tree of Life, the great deluge, and the sinking of Lemuria. Marie D. Jones & Larry Flaxman (11:11: The Time Prompt Phenomenon) explore what ancient civilizations knew about sound and resonance, and how they may have used them to build megaliths and pyramids, and achieve altered states. Journalist Nick Redfern reveals the U.S. government’s abiding interest in our ancient past, religious mysteries, and enigmatic artifacts. Evidence of these ancient mysteries is everywhere—if you know what to look for. Whether you’re a believer, a skeptic, or somewhere in between, Exposed, Uncovered, and Declassified: Lost Civilizations & Secrets of the Past is sure to entertain and educate.

The Ancient Alien Question-Philip Coppens 2011-11-15 Have we been visited by extraterrestrial beings? Did these “ancient aliens” contribute to the birth of human civilization? Do our ancient monuments contain evidence of their

presence? The Ancient Alien Question reveals an array of astonishing truths, including: A radically different understanding of the pyramids and how they were constructed The origins of crystal skulls and how they were found The extraordinary stories behind monuments such as the Nazca lines and Puma Punku, and who built them How extraterrestrials came to our planet and the evidence that supports this Analyzing the historical and archaeological evidence, Philip Coppens demonstrates that there is substantial proof that our ancestors were far more technologically advanced than currently accepted, and that certain cultures interacted with non-human intelligences. Our ancestors were clearly not alone. Forty years after Erich von Däniken posed these questions in Chariots of the Gods, Coppens provides clear and concise answers to the great historical enigmas in a most accessible and readable format. Your view of human history will never be the same again!
