Love and War-John Jakes 2012-07-10 The Main and Hazard families clash on and off the Civil War's battlefields as they grapple with the violent realities of a divided nation America's master storyteller continues his reign with Love and War, a story steeped in passion and betrayal. With the Confederate and Union armies furiously fighting, the once-steadfast bond between the Main and Hazard families continues to be tested. From opposite sides of the conflict, they face heartache and triumph on the frontlines as they fight for the future of the nation and their loved ones. With his impeccable research and unflinching devotion to the historical record, John Jakes offers his most enthralling and enduring tale yet. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The North and South Trilogy-John Jakes 2013-05-21 Two families are united—and torn apart—by the Civil War in these three dramatic novels by the #1 New York Times–bestselling master of the historical epic. In North and South, the first volume of John Jakes’s acclaimed and sweeping saga, a friendship is threatened by the divisions of the Civil War. In the years leading up to the Civil War, one enduring friendship embodies the tensions of a nation. Orry Main from South Carolina and George Hazard from Pennsylvania forge a lasting bond while training at the United States Military Academy at West Point. Together they fight in the Mexican-American War, but their closeness is tested as their regional politics diverge. As the first rounds are fired at Fort Sumter, Orry and George find themselves on different sides of the coming struggle. In John Jakes’s unmatched style, North and South launches a trilogy that captures the fierce passions of a country at the precipice of disaster. In Love and War, the Main and Hazard families clash on and off the Civil War’s battlefields as they grapple with the violent realities of a divided nation. With the Confederate and Union armies furiously fighting, the once-steadfast bond between the Main and Hazard families continues to be tested. From opposite sides of the conflict, they face heartache and triumph on the frontlines as they fight for the future of the nation and their loved ones. With his impeccable research and unflinching devotion to the historical record, John Jakes offers his most enthralling and enduring tale yet. In Heaven and Hell, the battle between the Mains and Hazards—and Confederate and Union armies—comes to a brilliant end. The last days of the Civil War bring no peace for the Main and Hazard families. As the Mains’ South smolders in the ruins of defeat, the Hazards’ North pushes blindly for relentless industrial progress. Both the nation and the families’ long-standing bond hover on the brink of destruction. In the series’ epic conclusion, Jakes expertly blends personal conflict with historical events, crafting a haunting page-turner about America’s constant change and unyielding hope. This “entertaining [and] authentic dramatization” (The New York Times) is a thrilling tale of shifting loyalties, set during one of the darkest moments in American history.

North and South-John Jakes 2012-07-10 The first volume of John Jakes’s acclaimed and sweeping saga

about a friendship threatened by the divisions of the Civil War. In the years leading up to the Civil War, one enduring friendship embodies the tensions of a nation. Orry Main from South Carolina and George Hazard from Pennsylvania forge a lasting bond while training at the United States Military Academy at West Point. Together they fight in the Mexican-American War, but their closeness is tested as their regional politics diverge. As the first rounds are fired at Fort Sumter, Orry and George find themselves on different sides of the coming struggle. In John Jakes's unmatched style, North and South launches a trilogy that captures the fierce passions of a country at the precipice of disaster. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

Heaven and Hell—John Jakes 2012-07-10 The searing conclusion to the North and South Trilogy brings the battle between the Mains and Hazards—and Confederate and Union armies—to a brilliantly satisfying end. The last days of the Civil War bring no peace for the Main and Hazard families. As the Mains' South smolders in the ruins of defeat, the Hazards' North pushes blindly for relentless industrial progress. Both the nation and the families' long-standing bond hover on the brink of destruction. In the series' epic conclusion, Jakes expertly blends personal conflict with historical events, crafting a haunting page-turner about America's constant change and unyielding hope. This ebook features an illustrated biography of John Jakes including rare images from the author's personal collection.

The Titans—John Jakes 2012-07-10 The Kent family faces internal clashes as the Civil War ignites—from the #1 New York Times–bestselling author of North and South. In the hellish years of the Civil War, the Kent family faces its greatest trials yet. Louis, the devious son of the late Amanda Kent, is in control of the dynasty—and of its seemingly inevitable collapse. His cousin Jephtha Kent, meanwhile, backs the abolitionist cause, while his sons remain devoted Southerners. As the country fractures around the Kents, John Jakes introduces characters that include some of the most famous Americans of this defining era. Spanning the full breadth of the Civil War—from the brutal frontlines in the South to the political tangle in Washington—The Titans chronicles two struggles for identity: the country's and the Kents'. This ebook

features an illustrated biography of John Jakes including rare images from the author's personal collection.

Love & War-Mai Lee 2020-02-15 This is the inspiring journey of Mai Lee who overcomes her life of poverty, violence, and abuse, through miracles, the kindness of others, and faith. Born in the Year of the Tiger in South Vietnam in 1950, Mai is convinced that she is destined for an inescapable fate of suffering. When her father is assassinated by the Viet Cong, her mother, pregnant with child number six, neglects her children. Abandoned and often homeless growing up, Mai helps her siblings survive. She learns sufficient English to work on an American air base during the Vietnam War, where she falls in love with an USAF Captain. When the US pulls out of Vietnam, her Captain has to leave, and Mai must marry a South Korean man to help her family survive. When the violent North Vietnamese Communists invade her homeland, Mai struggles to protect her young family. Eventually able to escape, Mai is forced to leave two of her children and her husband behind. From Vietnam to Thailand and then South Korea with two little children, Mai becomes a homeless refugee living at a Red Cross camp on a frosty Seoul rooftop. Mai later finds shelter with her husband's family and is finally united with her two eldest children and husband. But drinking and prosperity twists her husband into an abuser and philanderer, and his erratic behavior only worsens after they move to Saudi Arabia. Mai has to walk the knife's edge, fearing for the safety of her children and self, but fearing more to leave him (especially in the male-dominated Middle East). While in Saudi Arabia, a man high on hashish begins events that bring Mai to learn about The Book of Mormon. Her life is transformed as she is baptized a member of The Church of Jesus Christ of Latter-Day Saints. Doors miraculously open and Mai ends up with her four children in the safety of a small town called Midway, Utah. Although English is not her native language, to stave off deportation and to provide for her children, Mai overcomes the language and education barriers and eventually graduates from Brigham Young University as a Registered Nurse. She settles down in a new home, raises her children, works double shifts, and helps family members in Vietnam who are starving under the Communist stranglehold.

She finally feels peace and contentment as she provides a better life for her children and extended family. However, the tragic death of her youngest daughter shatters Mai's budding hopes and darkens her path for a time. Faith in God and love for her remaining children and grandchildren help Mai pull through the despair, and replace her bitterness and anger with love and hope. Life holds both suffering and peace, war and love, but we are not ill-fated, and faith and hope in God survives and triumphs over all. (Note: names in this book have been changed to protect identity.)

Everything You Were Taught about the Civil War Is Wrong, Ask a Southerner!-Lochlainn Seabrook
2016-03-19 "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" is the book that every Civil War house, museum, gift shop, and Website has been waiting for, and which every Civil War buff and student of history has been asking for! Unreconstructed Southern historian and award-winning Tennessee author Lochlainn Seabrook sets the record straight in this easy-to-read, well documented handbook that confronts the North's many falsehoods about the American Civil War. Divided into convenient chapters, such as "Cause of the War," "Secession," "Slavery," "The Abolition Movement," "Jefferson Davis," "Abraham Lincoln," "The Emancipation Proclamation," "The Union and Blacks," "Yankee War Crimes," "Prisons," and "The Confederate Flag" (among many others), this bestselling expose of Yankee anti-South propaganda has the power to heal hearts and change minds. For in reeducating the world about Lincoln's War it will give Northerners a better understanding of the conflict itself, while making Southerners, of all races and political persuasions, proud to be Southern. Read the sensational politically incorrect but historically factual book that everyone's talking about - the book that totally blows the lid off Yankee mythology - and learn the Truth for yourself! Contains over 1,000 endnotes and a 700-book bibliography, and is endorsed by Dixie Outfitters, the Southern National Congress, League of the South, and numerous other pro-South organizations and individuals. The Foreword is by noted African-American educator and Sons of Confederate Veterans member Nelson W. Winbush, M.Ed., the grandson of Private Louis Napoleon Nelson, just one of the hundreds of thousands of black Confederate soldiers who

fought for the South. "Everything You Were Taught About the Civil War is Wrong, Ask a Southerner!" is an international blockbuster that has become required reading in homes and schools all over the world. It's available in paperback, hardcover, and large print. Blurbs are by Thomas Moore (Chairman, the Southern National Congress), Ronny Mangrum (President of The Green Cannon Tennessee Flag Conservation Foundation, and Adjutant for Roderick, Forrest's War Horse Camp 2072, Sons of Confederate Veterans), Timothy D. Manning (Executive Director, "The Southern Partisan Reader"), J. T. Thompson (Executive Director, Lotz House Museum, Franklin, Tennessee), Scott Bowden (nine-time award-winning historian and author of "Last Chance for Victory: Robert E. Lee and the Gettysburg Campaign"), and Barbara Marthal, B.A., M.Ed., (African-American educator, lecturer, Civil War reenactor, and member of the Tennessee Society Order of the Confederate Rose). Civil War scholar Lochlainn Seabrook, a descendant of the families of Alexander H. Stephens and John S. Mosby, is the most prolific and popular pro-South writer in the world today. Known as the "new Shelby Foote," he is a recipient of the prestigious Jefferson Davis Historical Gold Medal and the author of over 45 books that have introduced hundreds of thousands to the truth about the War for Southern Independence. A seventh-generation Kentuckian of Appalachian heritage and the sixth great-grandson of the Earl of Oxford, Mr. Seabrook has a forty-year background in American and Southern history, and is the author of the runaway bestseller "Everything You Were Taught About American Slavery is Wrong, Ask a Southerner!" Seabrook's other titles include: "Confederate Flag Facts: What Every American Should Know About Dixie's Southern Cross"; "The Great Yankee Coverup: What the North Doesn't Want You to Know About Lincoln's War"; "Give This Book to a Yankee: A Southern Guide to the Civil War for Northerners"; and "Confederacy 101: Amazing Facts You Never Knew About America's Oldest Political Tradition.""

A Farewell to Arms-Ernest Hemingway 2014-07-08 Featuring a previously published author introduction, a personal foreword by his son and a new introduction by his grandson, a definitive edition of the lauded World War I classic collects all 39 of the Nobel Prize-winning author's alternate endings to offer new

insights into his creative process. Reprint.

The Civilian War-Lisa Tendrich Frank 2015-04-06 LISA TENDRICH FRANK received her Ph.D. in history from the University of Florida. She is the author and editor of numerous works relating to the Civil War, including *Women in the American Civil War* and the forthcoming *The World of the Civil War: A Daily Life Encyclopedia*.

Lincoln and the Decision for War-Russell McClintock 2008-04-01 When Abraham Lincoln's election in 1860 prompted several Southern states to secede, the North was sharply divided over how to respond. In this groundbreaking and highly praised book, McClintock follows the decision-making process from bitter partisan rancor to consensus. From small towns to big cities and from state capitals to Washington, D.C., McClintock highlights individuals both powerful and obscure to demonstrate the ways ordinary citizens, party activists, state officials, and national leaders interacted to influence the Northern response to what was essentially a political crisis. He argues that although Northerners' reactions to Southern secession were understood and expressed through partisan newspapers and officials, the decision fell into the hands of an ever-smaller group of people until finally it was Lincoln alone who would choose whether the future of the American republic was to be determined through peace or by sword.

Leaders of the North and South-Diane Yancey 2000 Discusses the leaders of the Civil War and their accomplishments, including statesmen, abolitionists, commanders of the Union and the Confederacy, cavalymen, and women of courage.

The War of the Worlds-H. G. Wells 2017-01-01 When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military

science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

Hope Returns-Carolyn Digh Griffin 2008-07 On the heels of her mother's death, Hope Logan reluctantly returned to her grandparents' home place in search of a journal that revealed explosive crimes and atrocities of the past that had haunted her grandma for nearly sixty-five years. Bitterness, unforgiveness, and anger consumed her as she set out to solve the mystery that surrounded her grandma's life. The dark evil secret that was contained in the journal only deepened her resentment of God. Because of her quest, she came in contact with many strong believers, especially a handsome young pastor and three senior citizens. In that small town in the foothills of the mountains of North Carolina, Hope's bitterness, unforgiveness, and anger slowly began to fade in the light of the strong faith of the young pastor and three senior citizens. She discovered the true meaning of faith and hope in Christ in the midst of adversity. Carolyn Digh Griffin, a native North Carolinian, resides in Waxhaw, North Carolina, with her husband, Hoyle. She is retired from Union County Public Schools where she was an Administrative Assistant to the Assistant Superintendent. She has two daughters and four grandchildren who also reside in the Old North State.

The War Chief of the Six Nations-Louis Aubrey Wood 1921 This 1920 volume is an illustrated biography of Iroquois Confederacy leader Joseph Brant.

Whirlybirds-Lieut.-Col. Ronald J. Brown 2018-04-03 On 25 June 1950, Communist North Korea unexpectedly invaded its southern neighbor, the American-backed Republic of Korea (ROK). The poorly equipped ROK Army was no match for the well prepared North Korean People's Army (NKPA) whose armored spearheads quickly thrust across the 38th Parallel. The stunned world helplessly looked on as the outnumbered and outgunned South Koreans were quickly routed. With the fall of the capital city of Seoul imminent, President Harry S. Truman ordered General of the Army Douglas MacArthur, C-in-C, Far East, in Tokyo, to immediately pull all American nationals in South Korea out of harm's way. On 27 July, an

American combat air patrol protecting Kimpo Airfield near the South Korean capital actively engaged menacing North Korean planes and promptly downed three of the five Soviet-built Yak fighters. Soon thereafter American military forces operating under the auspices of the United Nations Command (UNC) were committed to thwart a Communist takeover of South Korea. Thus, only four years and nine months after V-J Day marked the end of WWII, the United States was once again involved in a shooting war in Asia.... The United Nations issued a worldwide call to arms to halt Communist aggression in Korea, and America's armed forces began to mobilize. Marines were quick to respond. Within three weeks a hastily formed provisional Marine brigade departed California and headed for the embattled Far East. Among the aviation units on board the U.S. Navy task force steaming west was a helicopter detachment, the first rotary-wing aviation unit specifically formed for combat operations in the history of the Marine Corps. Although few realized it at the time, this small band of dedicated men and their primitive flying machines were about to radically change the face of military aviation. Arguably, the actions of these helicopter pilots in Korea made U.S. Marines the progenitors of vertical envelopment operations, as we know them today.

A Very Stable Genius-Philip Rucker 2020-01-21 Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's unique presidency with shocking new reporting and insight into its implications. "I alone can fix it." So went Donald J. Trump's march to the presidency on July 21, 2016, when he accepted the Republican presidential nomination in Cleveland, promising to restore what he described as a fallen nation. Yet over the subsequent years, as he has undertaken the actual work of the commander in chief, it has been hard to see beyond the daily chaos of scandal, investigation, and constant bluster. It would be all too easy to mistake Trump's first term for one of pure and uninhibited chaos, but there were patterns to his behavior and that of his associates. The universal value of the Trump administration is loyalty - not to the country, but to the president himself - and Trump's North Star has been the perpetuation of his own power, even when it meant imperiling our shaky and mistrustful

democracy. Leonnig and Rucker, with deep and unmatched sources throughout Washington, D.C., tell of rages and frenzies but also moments of courage and perseverance. Relying on scores of exclusive new interviews with some of the most senior members of the Trump administration and other firsthand witnesses, the authors reveal the forty-fifth president up close, taking readers inside Robert Mueller's Russia investigation as well as the president's own hap-hazard but ultimately successful legal defense. Here for the first time certain officials who have felt honor-bound not to publicly criticize a sitting president or to divulge what they witnessed in a position of trust tell the truth for the benefit of history. This peerless and gripping narrative reveals President Trump at his most unvarnished and exposes how decision making in his administration has been driven by a reflexive logic of self-preservation and self-aggrandizement - but a logic nonetheless. This is the story of how an unparalleled president has scrambled to survive and tested the strength of America's democracy and its common heart as a nation.

The War in the Air-Herbert George Wells 1917

Of Love and War-Lynsey Addario 2018-10-23 The Pulitzer Prize-winning photojournalist returns with a stunning collection of more than two hundred of her photographs from across the Middle East, South Asia, and Africa. Featuring revelatory essays from esteemed writers, such as Dexter Filkins and Suzy Hansen, and public figures, like Christy Turlington, Of Love & War is an utterly compelling and singular statement about the world, and all its inescapable chaos and conflict, from one of the most brilliant and influential journalists working today in any medium.

How the South Won the Civil War-Heather Cox Richardson 2020-03-12 While the North prevailed in the Civil War, ending slavery and giving the country a "new birth of freedom," Heather Cox Richardson argues in this provocative work that democracy's blood-soaked victory was ephemeral. The system that had sustained the defeated South moved westward and there established a foothold. It was a natural fit. Settlers from the East had for decades been pushing into the West, where the seizure of Mexican lands at the end of the Mexican-American War and treatment of Native Americans cemented racial hierarchies.

The South and West equally depended on extractive industries-cotton in the former and mining, cattle, and oil in the latter-giving rise a new birth of white male oligarchy, despite the guarantees provided by the 13th, 14th, and 15th Amendments, and the economic opportunities afforded by expansion. To reveal why this happened, *How the South Won the Civil War* traces the story of the American paradox, the competing claims of equality and subordination woven into the nation's fabric and identity. At the nation's founding, it was the Eastern "yeoman farmer" who galvanized and symbolized the American Revolution. After the Civil War, that mantle was assumed by the Western cowboy, singlehandedly defending his land against barbarians and savages as well as from a rapacious government. New states entered the Union in the late nineteenth century and western and southern leaders found yet more common ground. As resources and people streamed into the West during the New Deal and World War II, the region's influence grew. "Movement Conservatives," led by westerners Barry Goldwater, Richard Nixon, and Ronald Reagan, claimed to embody cowboy individualism and worked with Dixiecrats to embrace the ideology of the Confederacy. Richardson's searing book seizes upon the soul of the country and its ongoing struggle to provide equal opportunity to all. Debunking the myth that the Civil War released the nation from the grip of oligarchy, expunging the sins of the Founding, it reveals how and why the Old South not only survived in the West, but thrived.

Beloved-Toni Morrison 2004 Sethe, an escaped slave living in post-Civil War Ohio with her daughter and mother-in-law, is haunted persistently by the ghost of the dead baby girl whom she sacrificed, in a new edition of the Nobel Laureate's Pulitzer Prize-winning novel. Reader's Guide available. Reprint. 60,000 first printing.

Love and War in the Apennines-Eric Newby 2013-02-21 Hailed as Newby's 'masterpiece', 'Love and War in the Apennines' is the gripping real-life story of Newby's imprisonment and escape from an Italian prison camp during World War II.

Noble Cause-Jessica James 2015-02-17 "Noble Cause is a riveting piece of historical fiction, very much

highly recommended reading." - Midwest Book Review Noble Cause: A Novel of the Civil War, is the winner of the 2011 John Esten Cooke Award for Southern Fiction and the Next Generation Award for Regional Fiction. It was a Finalist in both the Romance and Historical Fiction categories. The award-winning historical fiction novel Shades of Gray now has a new happily-ever-after ending in this special edition entitled, Noble Cause. This is the tale of Colonel Alexander Hunter, a dauntless and daring Confederate cavalry officer, who, with his band of intrepid outcasts, becomes a legend in the rolling hills of northern Virginia. Inspired by love of country and guided by a sense of duty and honor, Hunter must make a desperate choice when he discovers the woman he promised his dying brother he would protect is the Union spy he vowed to his men he would destroy. Readers will discover the fine line between friends and enemies when the paths of these two tenacious foes cross by the fates of war and their destinies become entwined forever. Author Jessica James uniquely blends elements of romantic and historical fiction in this deeply personal and poignant tale that, according to one reviewer, "transcends the pages to settle in the very marrow of the reader's bones." Winner of numerous national awards, James has received critical acclaim for this page-turning story of courage, honor, and enduring love. Destined for an honored place among the classics of the American Civil War, Noble Cause is a book to read, and keep, and remember forever.

Bridge to the Sun-Gwen Terasaki 2012-10-27 Discusses the author's marriage to a Japanese diplomat during World War II, their internment in White Sulphur Springs and Hot Springs, their voyage on the Gripsholm and their life in Japan during the war.

The Sheikh's Christmas Baby-Leslie North 2016-12-19 Their passionate affair ended in heartbreak when he left without warning. When he returns unexpectedly, can their heat melt away the hurt of the past? Kashif Shadid has always craved adventure. With one last chance to win the Iditarod dog sled race before assuming his role as Sheikh, he's returned to the Alaskan wilderness to train at a legendary sled dog farm. But returning means coming face to face with Kristy Cohen, the woman who captured his attention years

ago. He's thrilled once again by her icy beauty, but her farm is facing financial ruin. Kashif's eager to take control, however, getting her to agree with his plans may be a challenge. Kristy Cohen works hard to keep her sled dog farm afloat while raising her young daughter. Faced with declining revenues and a changing climate, Kristy's struggling, but she's not willing to turn her back on her business model. When Kashif Shadid shows up out of the blue pushing her to make changes, Kristy's response is as cold as the Alaskan snow. She fell for tall, handsome Kashif once before. After four years without a word from him, she won't be making that mistake again. This time, Kristy's guarding more than just her heart. With her farm and her daughter to consider, can she ever risk taking a chance on Kashif again?

The Book of Songs-The Arthur Waley Estate 2012-11-12 First published in 1937. The Book of Songs is a collection of ancient Chinese songs, dating from 800 to 600 B.C. Until this was published in 1937 it had not been translated into English since the middle of nineteenth century, when sinology was still in its infancy. For the first time the original meaning of 290 out of the 305 songs is given, use being made of the advances in the study of old Chinese. The result is not merely a clear picture of early Chinese life, but also the restoration to its proper place in world literature of one of the finest collection of traditional songs.

Love & War-Amber Chen 2018-09-24 The year is 1940 and the North and South territories of the former Republic of Goryeo are at war. When her parents become casualties of war and her only brother takes over command of the South's resistance forces, Hwang So Eun is sent undercover to infiltrate the household of the infamous Lieutenant General Han Jinhwan

The Wisdom of Crowds-James Surowiecki 2005-08-16 In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we

live our lives, select our leaders, run our companies, and think about our world.

North and South-Elizabeth Gaskell 2018-01-12 North and South, Elizabeth Gaskell skillfully fuses individual feeling with social concern, and in Margaret Hale creates one of the most original heroines of Victorian literature. When her father leaves the Church in a crisis of conscience, Margaret Hale is uprooted from her comfortable home in Hampshire to move with her family to the north of England.

Initially repulsed by the ugliness of her new surroundings in the industrial town of Milton, Margaret becomes aware of the poverty and suffering of the local mill workers and develops a passionate sense of social justice. This is intensified by her tempestuous relationship with the mill-owner and self-made man, John Thornton, as their fierce opposition over his treatment of his employees masks a deeper attraction.

Love Rises-Bella Battle 2016-11-10 LOVE RISES is pure, well, not so pure, fiction based on fact. A young Confederate lieutenant and a daring, older woman break all the taboos of the South in their efforts to survive a war-shattered world. When the Civil War ends, dashing Confederate Lieutenant Charlie Irving helps Julia's husband, General Robert Toombs, flee to France to avoid Union charges for treason. For years, Charlie has lusted after Julia even though she is a married woman twenty years his senior, and the South's most celebrated beauty. Under Charlie's smoldering looks, Julia goes weak in the knees and dreams of falling with Charlie on the thick, Persian carpet in her mansion's parlor. The aftermath of war offers a world based on survival and a chance to explore their passion if the two can survive the North's continuing effort to crush the South. But Julia still loves her husband, and code-of-honor-bound Charlie has sworn to take care of Julia in the General's absence. Is General Toombs' desperate plea to Charlie to do whatever is necessary to keep his wife safe and happy, curse or blessing on what the future holds?

Glorieta Pass-P. G. Nagle 2000-05-15 It's called the "Gettysburg of the West," the battle for control of Glorieta Pass, near Santa Fe. At stake is a route to Colorado's gold and San Francisco's unblockadable sea coast, two goals that would give the Confederate States a vital edge. General H.H. Sibley's Texas Confederates are opposed by a Union army under Colonel E.R.S. Canby. Before the war, Sibley and

Candby were on the same side. Now there's just no winning in this bloody battle between countrymen torn apart by money, politics, and geography. History will ignore the fate of Lieutenant Franklin of New York, Captain O'Brien of the Colorado Volunteers, Jamie Russell of San Antonio, and Miss Laura Howland, recently arrived from Boston. They will be utterly changed, however, in the cauldron of battle where the fate of Glorieta Pass--and hundreds of lives--is decided.

The General in His Labyrinth-Gabriel García Márquez 2014-10-15 AVAILABLE FOR THE FIRST TIME IN eBOOK! General Simon Bolivar, "the Liberator" of five South American countries, takes a last melancholy journey down the Magdalena River, revisiting cities along its shores, and reliving the triumphs, passions, and betrayals of his life. Infinitely charming, prodigiously successful in love, war and politics, he still dances with such enthusiasm and skill that his witnesses cannot believe he is ill. Aflame with memories of the power that he commanded and the dream of continental unity that eluded him, he is a moving exemplar of how much can be won—and lost—in a life.

Civil War Speeches-Maureen Harrison 2011-02 No television, no internet, no twitter. 150 years ago public opinion was shaped, not by 30-second sound bytes, banner ads, or 140-character messages. It was shaped by people climbing upon the stage and speaking persuasively to audiences large and small. One speech, carefully constructed, passionately given, and widely circulated, could and did turn obscure politicians into national figures. Civil War Speeches is a collection of passionate words spoken by the people most intimately involved in the great debates of their time. There is an unmistakable truth that one man's traitorous zealot is another man's passionate patriot. The difference is geography. To Southerners, Frederick Douglass and William Garrison, proponents of the abolition of slavery, were extremists threatening a cherished way of life. To Northerners, firebrands like William Loundes Yancy and Robert Barnwell Rhett were fanatics seeking to destroy the union of the states. Their war of words soon devolved into the bloodiest war in American history. These volumes chronicle the drama that was played out over the 15-year period (1850-1865) leading up to and comprising the Civil War. Read chronologically, these

speeches show the evolution of public sentiment, molded by the speakers that placed great masses on a collision course. There are no glorious, death-defying bayonet charges to be found in these volumes. The weapons used by the speakers were simple appeals to patriotism and the defense of home and hearth; it was a question of whose flag was to fly over whose country. Civil War Speeches is designed to be every reader's speech reference and every librarian's resource. The editors have made every effort to either obtain the original text, or to reconcile differing texts, to provide the reader the authentic words of the speakers. The only change we have made to the text is to carefully edit the essential sections presented into modern spelling and grammar. Civil War Speeches presents 37 important speeches (20 in the North's volume, 17 in the South's volume) each placed in its correct historic context by a biographical sketch of the speaker, a history of the speech, and a thorough bibliography. Edited for readers, writers, and researchers at all levels, Civil War Speeches provides the user with a right-at-the-fingertips, easy-to-access speech reference. A century and a half after the guns have fallen silent, and long after the speakers have gone to their graves, their words still have power to stir the American soul, North and South.

War Brothers-Patrick Slaney 2014-09-27 Born in Lubeck, Germany, in 1917, Markus Bekker is brought up by his mother and his grandparents. Like many other young boys of his age he had been told that his father was killed, fighting for Germany at the Battle of the Somme in 1916. His personality is moulded during his childhood in the chaotic and hostile environment of post war Germany. The Hitler Youth movement indoctrinates him to a level where he is prepared to give his life for the Fatherland and to obey any orders, whether they are morally correct or not. This even includes being sexually abused at the summer camp. Twenty years after his birth, while rowing for Kiel University at Henley-on-Thames, he discovers, to his amazement, that he has a twin brother and also that his father is still alive having been captured by the British at the Battle of the Somme and not killed. Unknown to him they have been living in the north of England. In 1939 the Second World War starts. Markus ends up in the Luftwaffe, and Chris, his twin brother, is flying for the RAF. Inevitably, fate takes control, and they meet in the skies over

Southern England with tragic consequences. Read how Markus is captured and starts to question the values that have been instilled in him during his years in the Hitler Youth. After much heart searching, he agrees to work for the British and returns as a spy to Germany, to obtain information on their new jet engined fighter. War Brothers illustrates how blood is thicker than water and that fate will overcome all human effort and desire. The love for a brother proves to be far more effective than anything that indoctrination can achieve.

Elizabeth Gaskell, Collection Novels II-Elizabeth Gaskell 2014-07-18 Elizabeth Cleghorn Gaskell, nee Stevenson (29 September 1810 - 12 November 1865), often referred to simply as Mrs Gaskell, was a British novelist and short story writer during the Victorian era. Her novels offer a detailed portrait of the lives of many strata of society, including the very poor, and are of interest to social historians as well as lovers of literature. Gaskell was also the first to write a biography of Charlotte Bronte, *The Life of Charlotte Bronte*, which was published in 1857. Mrs Gaskell's first novel, *Mary Barton*, was published anonymously in 1848. The best-known of her remaining novels are *North and South* (1854), and *Wives and Daughters* (1865). In this book: Ruth Sylvia's Lovers -- Complete Cousin Phillis My Lady Ludlow Curious, if True, Strange Tales"

A Rose for Emily-William Faulkner 1990 William Faulkner [RL 8 IL 7-12] An aristocratic Southern woman hides a macabre secret. Themes: lost love; secret passions. 36 pages. Tale Blazers.

To Put Down the Rebellion-Bruce A. Smith 2014 When the Civil War threatened to destroy the United States, three brothers from rural Miami County Indiana, Joseph, Abner and Charles Wait, volunteered to fight for their country and help put down the Southern rebellion. This is their story spanning four years of war and the death of the youngest brother, 19-year-old Charles, at a hellish POW camp in Salisbury, North Carolina. The diaries of Joseph Wait, the oldest brother, and Benjamin Booth, a Salisbury survivor, vividly depict the sacrifices made by the Wait brothers--and thousands like them--that saved the Union and gave America a new birth of freedom.

Guns of Ava-Brenda Rose Womble 2016-11-05 This story, based on Ken Dula's true life experiences, travels from the foothills of Lenoir, North Carolina to the treacherous war-torn jungles of South Vietnam where his survival was sustained purely by his love for Ava. Bravery in the war earns him the Purple Heart and Bronze Star, but his endurance afterwards saves his life. Guns of Ava is a vivid depiction of love and war that shows the fragility of mankind, the effects of PTSD, and the incredible resilience of the heart.

Murder at the North Pole-D. Gunn 2016-12-13 CHRISTMAS ELVES: EVERYTHING YOU THOUGHT YOU KNEW IS WRONG Newly appointed Christmas Special Investigator Steingrim Og's first day on the job is interrupted by a murder and theft of a magic item, which threatens to destroy all society at the North Pole. With no mentor, on the job training is all Steingrim has to rely on. Fighting racism, corruption, and politics, Steingrim finds his first case more complex than he imagined. He only has five days to find the murderer and the missing magic item or everything the Elves know will come undone.

Mafeking Road-Herman Charles Bosman 2016
