Intimate Terrorism-Michael Vincent Miller 1996 We live in an age when love and power have become virtually interchangeable. Intimate Terrorism is a profound and beautifully written exploration of this condition that draws from psychology, literature, popular culture, current events, and the author's own therapeutic practice to examine the contemporary crisis of intimacy--and suggest what we all might do about it. In doing so it offers one of the most probing readings of the American psyche in years.

The Grammaring Guide to English Grammar with Exercises-Péter Simon 2016-01-05 The Grammaring Guide to English Grammar is a resource book on the grammar of Standard British English. It is intended for intermediate to advanced students of English as a second or foreign language who have already studied the basic grammar of English. It covers the most important areas of English grammar and concentrates on structures which may cause difficulty at an intermediate level or above. The book starts with a pretest that helps you identify the areas you need to work on. The pretest is followed by eleven chapters, broken down to a number of subchapters that each deal with a specific grammar point. The related explanations are accompanied by real-life sample sentences, timeline diagrams, tables, and quotes. If a similar point or the same point is discussed in a different part of the book, you will find cross-references to that point. Where appropriate, chapters begin with guiding questions and end with revision questions. Most of the chapters are followed by exercises, including multiple choice, sentence transformation, error correction, gap filling and matching exercises, as well as communicative tasks that can be done in language lessons. At the end of the book, there is an appendix which contains a list of the most common irregular verb forms and the most important spelling rules, a list of the quotes that appear in the book, and a glossary that defines grammatical terms frequently used in the explanations. The chapters in this book are not arranged in order of difficulty. This way, the book can be used for quick reference on specific points of interest, as well as for systematic study, either as a self-study grammar book or as additional material in an ESL/EFL course. No matter which way you use the book, it is recommended that you follow the cross-references, which will lead you to further information on a given item. The exercises, which come with suggested answers, are best done using pen and paper. These exercises will not only help you to practise grammar but also to tie grammatical forms to real-world meaning.

Witness to Medjugorje-Vincent Michael Duffy 2016-03-24 The First Apparitions to Medjugorje. It is said by millions of pilgrims who have visited Medjugorje, that it is one of the most special and peaceful places in the entire world. It is known as the land of peace, for the reason that Our Lady, Queen of Peace first appeared there on the 24th of June 1981. Dissimilar to Lourdes or Fatima, the Blessed Mother continues to appear there ever since. A Roman Catholic parish in former Yugoslavia, Medjugorje is a town land located in Herzegovina, a region of Bosnia and is close to the border of Croatia. The name Medjugorje literally means "between mountains." It is a place of prayer, fruits and graces that draws people to our Holy Mother's embrace. Not knowing what to expect on my first visit to Medjugorje, however when I enter the church I was overwhelmed when Padre Pio appeared to me on the tabernacle. And then to witness the beautiful smile of the Blessed Virgin Mary, Queen of Peace. It was from then on Jesus Christ Our Saviour was to enter my life. I had many life changing experiences, in the form of many physical healing, peace and tranquillity. By God's blessing, I have received the fruits and blessings of Medjugorje and I have been living there since 2010. I dedicate this book to the Holy Trinity, and to Our Lady Queen of Peace, and my upmost gratitude to those who have helped me in my hour of need. Also to those who are lost in faith, to those who are ill, to those who are the sufferers of Alcohol and Drug addiction, and to those who have lost their lives through suicide, and to their families they have left behind.
