Diary of a U-Boat Commander-Stephen King-Hall 2017-04-18 Captain Karl von Schenk of the Kaiser's Navy is a stereotypical German nobleman - supremely self-confident, touchy about the divisions of class and any infringement on his place. He thinks he is handsome, has a suitably manly physique, an excellent singing voice, and a facility with writing. His wartime service related in his diary is a series of triumphs over harrowing circumstances, bringing his boat back in spite of the best efforts of the Royal Navy to stop him. His one vulnerability is a young lady he meets on leave in Bruges, Belgium. Although she is the trophy girlfriend of a German colonel who could cause him much harm if he were to find out, von Schenk pursues his Zoe with Teutonic straightforwardness. And both he and the reader are entirely blind-sided by the unexpected thunderclap that puts an end to the sweet affair. Stephen King-Hall, a Royal Navy officer during the war and writing as "Etienne", penned this book as if he had simply discovered it on a surrendered submarine. In fact, some editions of the book list the author as "anonymous." King-Hall's knowledge of naval affairs lend authority to this yarn of men that go to the sea in ships that sink... on purpose. Worry-Free Money-Shannon Lee Simmons 2017-12-19 NATIONAL BESTSELLER "A fresh way to think about your money." David Chilton, author of The Wealthy Barber Stop budgeting. Start living. Managing your money can be frustrating and confusing. Life is expensive. Whether you make \$30,000 or \$130,000 a year, it can feel like you're constantly broke. Can you afford that new car, that vacation, that night out? You think so, but it feels impossible to know. And rigid budgets that force you to spend your money in unrealistic ways (like \$9.50 per week for pants) don't make things any clearer. But what if there was a new way to manage your money? One that left you certain you had your bases covered—both for your monthly bills and your future retirement—and then let you enjoy your money by spending it. (Yes, really.) Enter Shannon Lee Simmons, a fresh voice in the world of personal finance, one who understands the new and very real pressures to survive modern life and keep up in the age of social media. Shannon doesn't lecture, judge or patronize. The founder of the wildly popular New School of Finance, Shannon recognized that most of her thousands of financial planning clients felt broke, no matter what their income. And feeling broke can be as bad as actually being broke, because it leads to overspending and misery. So she came up with a new plan: Worry-Free Money. Worry-Free Money takes a fresh approach to finances, looking at the root cause of the pressure to spend and showing why traditional budgets don't work. It is a deeply practical book that will help you break the cycle of guilt, understand why you overspend, banish unhappy spending from your life, learn to recognize your f*ck it moments and find hope—and fun—in getting your money under control.
