Mistborn-Brandon Sanderson 2007 Experiencing an epiphany within the most daunting prison of the monstrous Lord Ruler who has enslaved his people for a thousand years, half-Skaa Kelsier finds himself taking on the powers of a Mistborn and teams up with ragged orphan Vin in a desperate plot to save their world. By the author of Elantris. Reprint.

The Hero of Ages-Brandon Sanderson 2009-04-28 Emperor Elend Venture, having survived only to become a Mistborn himself, struggles to find clues by the Lord Ruler that will save his world, while a guilt-consumed Vin takes on a task of ending the cosmic power of the Ruin mystic force.

The Well of Ascension-Brandon Sanderson 2010-04-01 From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. The impossible has been accomplished. The Lord Ruler -- the man who claimed to be god incarnate and brutally ruled the world for a thousand years -- has been vanquished. But Kelsier, the hero who masterminded that triumph, is dead too, and now the awesome task of building a new world has been left to his young protégé, Vin, the former street urchin who is now the most powerful Mistborn in the land, and to the idealistic young nobleman she loves. As Kelsier's protégé and slayer of the Lord Ruler she is now venerated by a budding new religion, a distinction that makes her intensely uncomfortable. Even more worrying, the mistis have begun behaving strangely since the Lord Ruler died, and seem to harbor a strange vaporous entity that haunts her. Stopping assassins may keep Vin's Mistborn skills sharp, but it's the least of her problems. Luthadel, the largest city of the former empire, doesn't run itself, and Vin and the other members of Kelsier's crew, who lead the revolution, must learn a whole new set of practical and political skills to help. It certainly won't get easier with three armies - one of them composed of ferocious giants - now vying to conquer the city, and no sign of the Lord Ruler's hidden cache of armor, the rarest and most powerful allomantic metal. As the siege of Luthadel tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. The Stormlight Archive is the wildly imaginative epic fantasy from New York Times bestselling author Brandon Sanderson: welcome to the remarkable world of Roshar, a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Roshar is shared by humans and the enigmatic, humanoid Parshendi, with whom they are at war. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them, but in the war against the Parshendi, the ancient weapons and armor may not be enough. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. --- Other Tor books by Brandon Sanderson The Cosmere The Stormlight Archive The Way of Kings Words of Radiance Edgedancer (Novella) Oathbringer The Mistborn trilogy Mistborn: The Final Empire The Well of Ascension The Hero of Ages Mistborn: The Wax and Wayne series Alloy of Law Shadows of Self Bands of Mourning Collection Arcanum Unbounde Other Cosmere novels Elantris Warbreaker The Alcatraz vs. the Evil Librarians series Alcatraz vs. the Evil Librarians The Scrivener's Bones The Knights of Crystallia The Shattered Lens The Dark Talent The Rithmatist series The Rithmatist Other books by Brandon Sanderson The Reckoners Steelheart Firefight Calamity At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Well of Ascension-Brandon Sanderson 2014-08-05 #1 New York Times bestselling author Brandon Sanderson's epic Mistborn Trilogy continues with The Well of Ascension. They did the impossible, deposing the godlike being whose brutal rule had lasted a thousand years. Now Vin, the street urchin who has grown into the most powerful Mistborn in the land, and Elend Venture, the idealistic young nobleman who loves her, must build a healthy new society in the ashes of an empire. They have barely begun when three separate armies attack. As the siege tightens, an ancient legend seems to offer a glimmer of hope. But even if it really exists, no one knows where to find the Well of Ascension or what manner of power it bestows. It may just be that killing the Lord Ruler was the easy part. Surviving the aftermath of his fall is going to be the real challenge.

Dragonsbane-Barbara Hamby 2011-03-29 An idealistic young prince convinces an aging warrior and a struggling witch to help him kill the dragon that is terrorizing his kingdom As a vicious dragon stalks the Southlands, Crown Prince Gareth ventures to the forbidding North in search of the only man who can kill it. He is Lord Aversin, the Dragonsbane, whose dragon-slaying days have won him renown across the land. But when Gareth finds Lord Aversin, he discovers the mighty hero is squat and bespectacled, the ruler of a mud-village who admits that he killed the dragon not with a lance, but with ignoble poison. Still, he'll have to do. Gareth and Aversin set off in company with Jenny Waynest, a witch with great ambitions but disappointingly puny powers—a ragtag crew destined to become legendary, or die in the attempt. This ebook features an illustrated biography of Barbara Hamby, including rare photos and never-before-seen documents from the author's personal collection.

Mistborn-Brandon Sanderson 2011-11 A boxed set of the landmark fantasy from Brandon Sanderson, the man credited with breathing fresh life into Robert Jordan's WHEEL OF TIME. The Hero of Ages-Brandon Sanderson 2014-10-07 The Hero of Ages is the thrilling conclusion to the epic fantasy Mistborn Trilogy for ages 13 and up by the #1 New York Times bestselling author, Brandon Sanderson. This epic fantasy adventure begins with Mistborn. To end the Final Empire and restore freedom, Vin killed the Lord Ruler. But as a result, the Deepness—the lethal form of the ubiquitous mists—is back, along with increasingly heavy ashfalls and ever more powerful earthquakes. Humanity appears to be doomed. Having escaped death at the climax of The Well of Ascension only by becoming a Mistborn himself, Emperor Elend Venture hopes to find clues left behind by the Lord Ruler that will allow him to save the world. Vin is consumed with guilt at having been tricked into releasing the mystic force known as Ruin from the Well. Ruin wants to end the world, and its near omniscience and ability to warp reality make stopping it seem impossible. She can't even discuss it with Elend lest Ruin learn their plans! The conclusion of the Mistborn trilogy fulfills all the promise of the first two books. Revelations abound, connections rooted in early chapters of the series click into place, and surprises, as satisfying as they are stunning, blossom like fireworks to dazzle and delight. It all leads up to a finale unmatched for originality and audacity that will leave readers rubbing their eyes in wonder, as if awaking from an amazing dream.

The Alloy of Law-Brandon Sanderson 2012-10-30 After twenty years in the Roughs, Waxillium Ladrian is forced by family tragedy to return to Elendel, where he learns the hard way that the elegant streets of the city can be more dangerous than the dusty plains of the Roughs.

Elantris-Brandon Sanderson 2015-10-06 In 2005, Brandon Sanderson debuted with Elantris, an epic fantasy unlike any other then on the market. To celebrate its tenth anniversary, Tor is reissuing Elantris in a special edition, a fresh chance to introduce it to the myriad readers who have since become Sanderson fans. This new edition begins with a preface by author Dan Wells, the first person to read the completed novel, and a new afterword by Sanderson explaining how he came to write the book and its place in the Cosmere, the unified universe of all his Tor novels. Also included is an expanded version of the "Ars Arcanum" appendix, with more of the technical details of the book's magic that fans can never get enough of. Elantris was truly a milestone both for Sanderson and for the genre of epic fantasy. It deserves this special treatment, something Tor has done only once before, with Orson Scott Card's Ender's Game. Sanderson fans old and new will be excited to discover it.

Legion: Lies of the Beholder-Brandon Sanderson 2020-03-10 The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems. . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. Shadows of Self-Brandon Sanderson 2015-10-06 The #1 New York Times bestselling author returns to the world of Mistborn with his first novel in the series since The Alloy of Law. With The Alloy of Law, Brandon Sanderson surprised readers with a New York Times bestselling spinoff of his Mistborn books, set after the action of the trilogy, in a period corresponding to late 19th-century America. The trilogy's heroes are now figures of myth and legend, even objects of religious veneration. They are succeeded by wonderful new characters, chief among them Waxillium Ladrian, known as Wax, hereditary Lord of House Ladrian but also, until recently, a lawman in the ungoverned frontier region known as the Roughs. There he worked with his eccentric but effective buddy, Wayne. They are "twinborn," meaning they are able to use both Allomantic and Feruchemical magic. Shadows of Self shows Mistborn's society evolving as technology and magic mix, the economy grows, democracy contends with corruption, and Scadrial becomes a growing cultural force, with four faiths competing for converts. This bustling, optimistic, but still shaky society now faces its first instance of terrorism, crimes intended to stir up labor strife and religious conflict. Wax and Wayne, assisted by the lovely, brilliant Marasi, must unravel the conspiracy before civil strife stops Scadrial's progress in its tracks. Shadows of Self will give fans of The Alloy of Law everything they've been hoping for and, this being a Brandon Sanderson book, more, much more.

Epic-John Joseph Adams 2012-10-05 There is a sickness in the land. Prophets tell of the fall of empires, the rise of champions. Great beasts stir in vaults beneath the hills, beneath the waves. Armies mass. Gods walk. The world will be torn asunder. Epic fantasy is storytelling at its biggest and best. From the creation myths and quest sagas of ancient times to the mega-popular fantasy novels of today, these are the stories that express our greatest hopes and fears, that create worlds so rich we long to return to them again and again, and that inspire us with their timeless values of courage and friendship in the face of ultimate evil—tales that transport us to the most ancient realms and show us the most noble sacrifices, the most astonishing wonders. Now acclaimed editor John Joseph Adams (Wastelands, The Living Dead) brings you seventeen tales by today's leading authors of epic fantasy, including George R. R. Martin (A Song of Ice and Fire), Ursula K. Le Guin (Earthsea), Robin Hobb (Realms of Elderlings), Kate Elliott (Crown of Stars), Tad Williams (Of Memory, Sorrow & Thorns), Patrick Rothfuss (The Kingkiller Chronicle), and more. Return again to lands you've loved or visit magical new worlds. Victory against the coming darkness is never certain, but one thing's for sure—your adventure will be epic.

Shadows for Silence in the Forests of Hell-Brandon Sanderson 2015-03-03 Originally appearing in the Dangerous Women anthology and now available as a solo ebook, Shadows for Silence in the Forests of Hell is a chilling novella of the Cosmere, the universe shared by Brandon Sanderson's Mistborn series and the #1 New York Times bestselling Stormlight Archive. When the familiar and seemingly safe turns lethal, therein danger lies. Amid a forest where the shades of the dead linger all around, every homesteader knows to follow the Simple Rules: "Don't kindle flame, don't shed the blood of another, don't run at night. These things draw shades." Silence Montane has broken all three rules on more than one occasion. And to protect her family from a dangerous gang with high ambitions on their heads, Silence will break every rule again, at the risk of becoming a shade herself.

The Rithmatist-Brandon Sanderson 2013-05-14 From #1 New York Times bestselling author Brandon Sanderson: his debut novel for the young adult audience More than anything, Joel wants to be a Rithmatist. Chosen by the Master in a mysterious inception ceremony, Rithmatists have the power to infuse life into two-dimensional figures known as Chalkings. Rithmatists are humanity's only defense against the Wild Chalkings—merciless creatures that leave mangled corpses in their wake. Having nearly overrun the territory of Nebraska, the Wild Chalkings now threaten all of the American Isles. As the son of a lowly chalkmaker at Armedius Academy, Joel can only watch as Rithmatist students study the magical art that he would do anything to practice. Then students start disappearing—kidnapped from their rooms at night, leaving trails of blood. Assigned to help the professor who is investigating the crimes, Joel and his friend Melody find themselves on the trail of an unexpected discovery—one that will change Rithmatics—and their world—forever. Bestselling author Brandon Sanderson brings his unique brand of epic storytelling to the teen audience with an engrossing tale of danger and suspense—the first of a series. With his trademark skills in world-building, Sanderson has created a magic system that is so inventive and detailed that that readers who appreciate games of strategy and tactics just may want to bring Rithmatics to life in our world. The Stone Key-Isobelle Carmody 2011-08-15 Friend becomes foe and trust is a thing of the past when the Misfits' most relentless enemy, on the cusp of ultimate revenge, turns Elspeth's world upside down. Before it's too late, Elspeth must rescue a former ally whose mind and body have been manipulated to unleash a plague that will destroy all it touches.

The Bands of Mourning-Brandon Sanderson 2016-01-26 From #1 New York Times bestselling author Brandon Sanderson, the Mistborn series is a heist story of political intrigue and magical, martial-arts action. Three hundred years after the events of the Mistborn trilogy, Scadrial is now on the verge of modernity, with railroads to supplement the canals, electric lighting in the streets and the homes of the wealthy, and the first steel-framed skyscrapers racing for the clouds. The Bands of Mourning are the mythical metal minds owned by the Lord Ruler, said to grant anyone who wears them the powers that the Lord Ruler had at his command. Hardly anyone thinks they really exist. A kandra researcher has returned to Elendel with images that seem to depict the Bands, as well as writings in a language that no one can read. Waxillium Ladrian is recruited to travel south to the city of New Seran to investigate. Along the way he discovers hints that point to the true goals of his uncle Edwam and the shadowy organization known as The Set. Shadows Beneath-Brandon Sanderson 2014-06-29 From the Hugo Award-winning hosts of the Writing Excuses writing advice show comes a collection of all-new stories of the fantastic, with beautiful illustrations and a behind-the-scenes look at each story's creation. Brandon Sanderson's "Sixth of the Dusk," set in his Cosmere universe shared by the Mistborn books and the #1 New York Times bestselling Stormlight Archive, showcases a society on the brink of technological change. On the deadly island of Patji, where predators can sense the thoughts of their prey, a lone trapper discovers that the island is not the only thing out to kill him. Mary Robinette Kowal's "A Fire in the Heavens" is a powerful tale of a refugee seeking to the near-mythical homeland her oppressed people left centuries ago. When Katin discovers the role the "eternal moon" occupies in the Center Kingdom, and the nature of the society under its constant light, she may find enemies and friends in unexpected places. Dan Wells's "I.E.Demon" features an Afghanistan field test of a piece of technology that is supposed to handle improvised explosive devices. Or so the engineers have told the EOD team that will be testing it; exactly what it does and how it does it are need-to-know, and the grunts don't need to know. Until suddenly the need arises. Howard Taylor's "An Honest Death" stars the security team for the CEO of a biotech firm about to release the cure for old age. When an intruder appears and then vanishes from the CEO's office, the bodyguards must discover why he is lying to them about his reason for pressing the panic button. For years the hosts of Writing Excuses have been offering tips on brainstorming, drafting, workshoppping, and revision, and now they offer an exhaustive look at the entire process. Not only does Shadows Beneath have four beautifully illustrated fantastic works of fiction, but it also includes transcripts of brainstorming and workshoppping sessions, early drafts of the stories, essays about the stories' creation, and details of all the edits made between the first and final drafts. Come for the stories by award-winning authors; stay for the peek behind the creative curtain.

Mistborn: Secret History-Brandon Sanderson 2016-01-26 Note: This novella is included in Arcanum Unbounde: The Cosmere Collection, now available in print, ebook, and audiobook from Tor (US/Canada) and Gollancz (UK/Commonwealth). Mistborn: Secret History is a companion story to the original Mistborn Trilogy. As such, it contains huge spoilers for the books Mistborn (The Final Empire), The Well of Ascension, and The Hero of Ages. It also contains very minor spoilers for the book The Bands of Mourning. Mistborn: Secret History builds upon the characterization, events, and worldbuilding of the original trilogy. Reading it without that background will be a confusing process at best. In short, this isn't the place to start your journey into Mistborn. (Though if you have read the trilogy—but it has been a while—you should be just fine, so long as you remember the characters and the general plot of the books.) Saying anything more here risks revealing too much. Even knowledge of this story's existence is, in a way, a spoiler. There's always another secret.
