Moon Tortured-Mckenzie Hunter 2015-06-20 Skylar's death came not at the end, after a long fulfilling existence, not in the middle, as a result of an untimely tragic event-but at the beginning, with her birth. As a final effort to save her dying unborn child, Skylar's pregnant mother, a witch, sacrificed herself by invoking a powerful spirit shade to inhabit Skylar's body, imbuing her with life. For twenty-three years, Skylar lived a life of oblivion, content with her simple job, loving adoptive mother and the monthly inconvenience of a full moon hangover after being sedated and caged when she changed into a wolf. It wasn't exciting but it was her life until one night, she woke up in a strange room in the middle of rural Illinois-bruised and with jumbled memories of her mother's death from a vampire attack. The Midwest pack comes to her rescue. Known for being more ruthless than altruistic, she doesn't know if she can trust them. But after an assassination attempt by a necromancer, an abduction attempt by a mercenary, and more aggressive and violent attacks by the vampires, she has no other choice but to accept their help. The Midwest pack quickly discover that Skylar is the host to a spirit shade, who gives her magical abilities, that make her as much of a danger as an asset and that she is the key to the vampires' plan to perform a ritual that will give them unrestricted power. Tension rises as the pack become divided between those who think her life is worth protecting as a potential ally and those who believe she is too dangerous to live. In the end, Skylar finds herself fighting for her life-a life that may be tragically taken too soon.

Moon Cursed-McKenzie Hunter 2017-06-08 Between life and death - there's magic. Friends of the Midwest Pack are missing, alliances are forming between enemies whose sole intent is to destroy the pack, and a mysterious group is trying to make a power grab using any means possible. With her pack and its allies in danger, and her love life threatened by secrets, Sky doesn't think things could possibly get worse. Then the spirit shade she's hosted all her life awakens-vengeful and powerful-and uses Sky to cast a dark spell over all were-animals. If she can't find a way to reverse it, they will die.

Midnight Sky-McKenzie Hunter 2019-04-22 Being part of the Midwest Pack isn't easy-especially now. Sky's life has never been simple-and it only gets more complicated. The Alphas, Ethan, and several key players in the otherworld go missing, thrusting Sky into the position of Elite Alpha and tasking her with finding them. The list of suspects grows as Sky realizes that her mating with Ethan has caused allies to become enemies. Will she locate the missing in time or will she be the last Alpha standing? Sky doesn't know who she can trust. Too many people want her dead, including a new group of witches who want to rid the world of were-animals, especially those that who can wield magic like Ethan and Sky. Adding to the problems is a new group of vampires, who would do anything necessary to gain control in the Midwest by taking over the Northern Seethe, including hurting Sky's friends.

Darkness Unchained-McKenzie Hunter 2015-06-20 "Just try to survive." That had been Skylar's goal since she discovered that she had died at birth and become a host to a very powerful spirit shade. She was a werewolf with the ability to manipulate magic, and that made Skylar an enigma that most viewed as either an asset or a danger. Being an anomaly in the otherworld was a hazard, and last year she had barely survived. After declining membership in the Midwest Pack, Skylar naively thought she could return to a normal life and fade into obscurity. She was wrong. After saving the life of a pack member who was brutally

attacked, Skylar finds herself pulled back into the otherworld to help the Northern Seethe and Midwest Pack find the person responsible for the recent attacks on their people. The situation is further complicated when the Seethe hires Chris, a hunter and the pack's Beta's ex. With her connections and extensive knowledge of the otherworld she should have been a welcomed asset; but her turbulent history with the pack, complicated relationship with the Master of the Northern Seethe, and the lingering feelings between her and the Beta create conflict between the enemies-turned-allies. Once again, Skylar must negotiate the lies, secrets and strange politics that govern the otherworld while struggling not to draw attention to her abilities. It falls apart when she inadvertently changes a peculiar vampire and Chris discovers the link between Skylar and the culprit responsible for the attacks on the vampires and were-animals. Now Skylar wonders if she will be able to survive the otherworld this time.

Midnight Falls-McKenzie Hunter 2015-10-16 Skylar has finally accepted that her life will never be simple again. As a host to a spirit shade and a werewolf with the ability to manipulate magic, she has many enemies in the otherworld just for being what she is-an anomaly. In possession of dark magic that she can barely control, she lived in constant fear for her life until she joined the Midwest Pack. The Midwest Pack was supposed to keep her safe and make things less chaotic. Instead, she is pulled into a clandestine world with strange politics and secrets. With secrets come danger and when some are discovered, Skylar finds herself protecting the pack and saving the life of the Beta. But Skylar is cursed for her good deed by the Creed, the ruling body of the witches. Complicating her life even more, the Midwest Pack becomes responsible for protecting the Clostra, a book of magic. In the wrong hands, it can destroy the otherworld and force a battle that no one can win. All Skylar ever wanted was a normal life, so when she meets a charismatic, powerful and mysterious witch, who claims that he can remove her curse and her lycanthropy, Skylar is enticed. But this too comes at a price-the betrayal of her pack. Which will she choose?

Darkness Unleashed-McKenzie Hunter 2018-04-02 The Midwest Pack stands together -and they might fall together. The denizens of the otherworld have always hidden their existence from humans, but when a video of a were-animal in a violent confrontation goes viral, they must take drastic measures to protect themselves. Alliances are broken and friendships strained as were-animals, vampires, witches, and elves all work to protect their own interests. When a group of humans backed by an old enemy sets out to expose the pack's existence, it becomes increasingly difficult for them to remain undiscovered. Having more secrets than just their existence, the Midwest Pack has drawn the attention of a threat greater than their exposure to humankind. As the world around them unravels, Sky, Ethan, and Josh must confront the dangerous consequences of their own secrets. When all are revealed, will any of them survive?

Speak-Laurie Halse Anderson 2011-05-10 The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

The Psychosocial Implications of Disney Movies-Lauren Dundes 2019-07-11 In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Shadow Walker-L. A. Banks 2011-01-10 Sarah Rivera has a lot going on in her life right now. It's bad enough that she's being shipped off to Temt Tchaas Academy also known as Neteru Academy, a high school for future Guardians of the Light who have special powers, but she has to go there with her cocky twin brother and the rest of her compound brothers and sisters. To make matters worse, everyone has ridiculous expectations of her all because her parents are like supernatural rock stars for saving the planet sixteen years ago. But what nobody, not even her best girlfriend Tami seems to be getting is the fact that, Sarah doesn't think she's special, doesn't want to be a demon-hunting hero, and is even afraid of the dark! So what that her mother was a Warrior Angel and her Dad used to be a Hell Council-level Vampire? Opposites attract. Go figure. As far as Sarah is concerned, all she got from the combination was a pair of fangs that lengthen at inappropriate times to embarrass her in front of her secret crush; whereas her brother, Alejandro, got the good looks and cool wings. However, what her parents' status has created is drama in her life by ensuring that the mean girls at school will make her life a living nightmare. Sarah knows her family's renowned slayer reputation will also ensure that everyone at school will assume she had it easy and should be able to do everything her famous rebel parents can do, when the heartbreaking truth is, she can't. Not by a long shot. Once at the hidden boarding school in the Appalachian Mountains, things go from bad to worse as Sarah tries to fit in. Her nightmares increase and it isn't just anxiety; her second sight is suddenly developing at a record pace. Layers of secrets are held in the building, held by her parents, and nothing is as it seems. There is something really bad going on at the school, worse than bad - deadly. Only, faculty and administrators don't know where to begin to look for the cause as students start to disappear. Sarah must then make a choice to stand on the sidelines or to help use her gifts to save someone dear. But to do that means facing all of her greatest fears, along with a demon or two.

Uglies: Cutters (Graphic Novel)-Scott Westerfeld 2012-12-04 Experience the riveting, dystopian Uglies series seen as never before—through the eyes of Shay, Tally Youngblood's closest and bravest friend, who refuses to take anything about society at face value. "From the moment we are born, we are considered threats in need of 'special' management. We are watched and shaped and exploited by a force most of us never see. . . . All to keep us safe. . . . Do you feel safe?! Or do you feel like you're in a cage?"—Shay In Pretties, Tally Youngblood and her daring best friend, Shay, both underwent the operation that turned them from ordinary Uglies into stunning beauties. Now this thrilling new graphic novel reveals Shay's perspective on living in New Pretty Town . . . and the way she sees it, there's more to this so-called paradise than meets the eye. With the endless parties and custom-made clothes, life as a Pretty should be perfect. Yet Shay doesn't feel quite right. She has little to no memory of her past; it's as if something in her brain has inexplicably changed. When she reunites with Tally and the Crims—her rebellious group of friends from Uglyville—she begins to recall their last departure to the wild, and the headstrong leader she used to be. And as she remembers the truth about what doomed their escape, Shay decides to fight back—against the status quo, against the mysterious Special Circumstances, even against her own best friend.

Dictionary of the British English Spelling System-Greg Brooks 2015-03-30 This book will tell all you need to know about British English spelling. It's a reference work intended for anyone interested in the English language, especially those who teach it, whatever the age or mother tongue of their students. It will be particularly useful to those wishing to produce well-designed materials for teaching initial literacy via phonics, for teaching English as a foreign or second language, and for teacher training. English spelling is notoriously complicated and difficult to learn; it is correctly described as much less regular and predictable than any other alphabetic orthography. However, there is more regularity in the English spelling system than is generally appreciated. This book provides, for the first time, a thorough account of the whole complex system. It does so by describing how phonemes relate to graphemes and vice versa. It enables searches for particular words, so that one can easily find, not the meanings or pronunciations of words, but the other words with which those with unusual phoneme-grapheme/grapheme-phoneme correspondences keep company. Other unique features of this book include teacher-friendly lists of correspondences and various regularities not described by previous authorities, for example the strong tendency for the letter-name vowel phonemes (the names of the letters) to be spelt with those single letters in non-final syllables.

Emily of New Moon Illustrated-L M Montgomery 2020-11-02 Emily of New Moon is the first in a series of novels by Lucy Maud Montgomery about an orphan girl growing up on Prince Edward Island. It is similar to the author's Anne of Green Gables series. It was first published in 1923.

Whale Talk-Chris Crutcher 2009-09-22 "A truly exceptional book."—Washington Post There's bad news and good news about the Cutter High School swim team. The bad news is that they don't have a pool. The good news is that only one of them can swim anyway. Bestselling author Chris Crutcher's controversial and acclaimed novel follows a group of outcasts as they take on inequality and injustice in their high school. "Crutcher's superior gifts as a storyteller and his background as a working therapist combine to make magic in Whale Talk. The thread of truth in his fiction reminds us that heroes can come in any shape, color, ability or size, and friendship can bridge nearly any divide."—Washington Post T.J. Jones hates the blatant preferential treatment jocks receive at his high school, and the reverence paid to the varsity lettermen. When he sees a member of the wrestling team threatening an underclassman, T.J. decides he's had enough. He recruits some of the biggest misfits at Cutter High to form a swim team. They may not have very much talent, but the All-Night Mermen prove to be way more than T.J. anticipated. As the unlikely athletes move closer to their goal, these new friends might learn that the journey is worth more than the reward. For fans of Andrew Smith and Marieke Nijkamp. "Crutcher offers an unusual yet resonant mixture of black comedy and tragedy that lays bare the superficiality of the high-school scene. The book's shocking climax will force readers to re-examine their own values and may cause them to alter their perception of individuals pegged as 'losers.'"—Publishers Weekly An American Library Association Best Book for Young Adults New York Public Library Books for the Teen Age Features a new afterword by Chris Crutcher

American Heiress-Jeffrey Toobin 2017 A National Bestseller From New Yorker staff writer and bestselling author of The Nine and The Run of His Life: The People v. O. J. Simpson, the definitive account of the kidnapping and trial that defined an insane era in American history On February 4, 1974, Patty Hearst, a sophomore in college and heiress to the Hearst Family fortune, was kidnapped by a ragtag group of self-styled revolutionaries calling itself the Symbonese Liberation Army. The weird turns that followed in this already sensational take are truly astonishing--the Hearst family tried to secure Patty's release by feeding the people of Oakland and San Francisco for free; bank security cameras captured "Tania" wielding a machine gun during a robbery; the LAPD engaged in the largest police shoot-out in American history; the first breaking news event was broadcast live on television stations across the country; and then there was Patty's circuslike trial, filled with theatrical courtroom confrontations and a dramatic last-minute reversal, after which the term "Stockholm syndrome" entered the lexicon. Ultimately, the saga highlighted a decade in which America seemed to be suffering a collective nervous breakdown. American Heiress portrays the electrifying lunacy of the time and the toxic mix of sex, politics, and violence that swept up Patty Hearst and captivated the nation.

Stray Magic-Kelly Meding 2018-06-19 Shiloh Harrison was hoping for a few days off to recover from a particularly nasty assignment, preferably with the help of the talented hands (and, well, the rest of his body too) of her sexy boyfriend, Vincent. But when a group of vampires takes an entire trailer park hostage, there's nothing to do but make her apologies and get to the scene. Such is the life of a Federal Marshal in the Paranormal Investigators Unit. Yet this isn't like her typical track-and-nab case: something is going on that has vampires scared, and it takes all her strength not to imagine what could frighten such powerful creatures. Unfortunately, she doesn't have that option. Her boss is MIA, someone is snatching vampires, and there's a ticking clock that can only end one way: a bloodbath. Unless she can stop it. The first book in a new series, Stray Magic is a dark and sexy mystery, with enough twists and curves to keep you on the edge of your seat until the very end.

Magic Hunter-C. N. Crawford 2016-05-09 Rosalind's mission is simple: hunt demons and mages. As a member of the Brotherhood, she's dedicated to protecting the world from dark magic. Someone's got to stop the supernatural bloodlust-plus, hunting's a hell of a lot more exciting than her computer science classes. Everything's going to plan until she meets Caine, a mage in league with the demons. He's scary as hell and just as sexy. Worse, he's brought her a warning: rumors are spreading that Rosalind is a mage, too. Now, the Hunters have chosen their next target-and it's her. To save her own life, Rosalind must form an uneasy alliance with Caine. But what if the rumors about her are true? If she can't figure out who to trust, and fast, she'll be exiled to the realm of the very demons she once hunted.

Knights Magica-Br Kingsolver 2020-05-07 If the Knights Magica want a war, I'm willing to give them one. I damned my soul long ago. What I do from this point forward is about redemption. If I burn in Hell because of fighting for others, for shouldering their sins, so be it. The Knights are powerful, and they have taken control of the Universal Church. All across the world, the Knights find themselves in conflict with other paranormals and supernaturals. Human governments scramble to cope with the new reality of magic. Cities become battlegrounds. And in Westport, Rosie O'Grady's Bar and Grill becomes a center for organizing the Resistance. Then the Fae decide it's time to act.

Spiked-C. P. Rider 2019-09-14 A telepath with a lethal twist. My name is Neely and I'm a telepath-spiker. Not only can I read a person's thoughts, I can also spike deadly power straight into their brain. But don't worry, I have strict rules about that sort of thing. I'm hiding again. This time in a California desert truck stop town run by Lucas Blacke, a tiger shifter and alpha leader who's as handsome as Lucifer and twice as slippery. I've been running from alphas like him my whole life. They either want to own me or kill me-there is no middle ground. Now a homicidal alpha from my past is threatening everything I care about and I know I can't fight him alone. Lucas Blacke is dangerous, and his intentions are murky at best, but I've run out of options. If I want to live, I'm going to have to put my faith in a man I know I can't trust. If you like urban fantasy with a side order of romance, fast-paced action and slow-burn love, you'll love SPIKED.
