My Forbidden Face-Latifa, 2008-09-04 Latifa was born into an educated middle-class Afghan family in Kabul in 1980. She dreamed of one day of becoming a journalist, she was interested in fashion, movies and friends. Her father was in the import/export business and her mother was a doctor. Then in September 1996, Taliban soldiers seized power in Kabul. From that moment, Latifa, just 16 years old became a prisoner in her own home. Her school was closed. Her mother was banned from working. The simplest and most basic freedoms - walking down the street, looking out a window - were no longer hers. She was now forced to wear a chadri. My Forbidden Face provides a poignant and highly personal account of life under the Taliban regime. With painful honesty and clarity Latifa describes the way she watched her world falling apart, in the name of a fanatical interpretation of a faith that she could not comprehend. Her voice captures a lost innocence, but also echoes her determination to live in freedom and hope. Earlier this year, Latifa and her parents escaped Afghanistan with the help of a French-based Afghan resistance group.

FIREARM SAFETY CERTIFICATE - M-California Department of Justice 2016-12-01 The growing concern over the number of accidental firearm shootings, especially those involving children, prompted passage of the initial handgun safety law which went into effect in 1994. The stated intent of the California Legislature in enacting the current FSC law is for persons who obtain firearms to have a basic familiarity with those firearms, including, but not limited to, the safe handling and storage of those firearms. The statutory authority for this program is contained in Penal Code sections 26840 and 31610 through 31700. These statutes mandate DOJ to develop, implement and maintain the FSC Program. Pursuant to Penal Code section 26840, a firearms dealer cannot deliver a firearm unless the person receiving the firearm presents a valid FSC, which is obtained by passing a written test on firearm safety. Prior to taking delivery of a firearm from a licensed firearms dealer, the purchaser/recipient must also successfully perform a safe handling demonstration with that firearm..

Anthem-Ayn Rand 2020-12-01 Equality 7-2521 finds himself out of step with the collectivist society of the future, and discovers a means to freedom in Ayn Rand's fable of the individual in conflict with society. First published in 1938, Anthem takes place in a dystopian future world in which humanity is enduring a new dark age, human life is regimented in every respect and personal identity has been all but snuffed out by a totalitarian government. The narrator, writing his story in secret, realizes he is a criminal simply for having thoughts of his own. Exploring the ruins of a previous civilization he discovers relics, conducts forbidden experiments and learns enough to question the very structure of his society. Can he share this knowledge with his fellow citizens? The author strips the relationship of humanity to civilization down to its bare essence in this modern parable that starkly illuminates the challenge an oppressive government presents to individuality. With an eye-catching new cover, and professionally typeset manuscript, this edition of Anthem is both modern and readable.

Church History Study Guide, Pt. 1-Randal S. Chase 2010-12-01 Church History 1805 to 1832. This volume is the first of three on Church History and the Doctrine and Covenants. It covers Church history and the revelations in the Doctrine and Covenants from the birth of Joseph Smith in 1805 through the beginnings of the Kirtland and Missouri periods. We learn concerning the First Vision, the coming forth of the Book of Mormon, the restoration of the priesthood, and many early revelations given to individual members of the Church. We study the organization of the Church in 1830 and the migration of the Saints to Kirtland, Ohio, where the law and order of the Church is given, the law of consecration begins, and spiritual gifts are manifested. We also read concerning the early events in Missouri, where the land of Zion is dedicated for the gathering of the Saints. In all, it covers 27 years of Church History, and covers sections 1-99 of the Doctrine and Covenants and the Joseph Smith History in the Pearl of Great Price. The cover features "Young Joseph," a painting of the Prophet Joseph Smith pondering in the Sacred Grove, by Walter Rane.

Book of Mormon Study Guide, Pt. 3-Randal S. Chase 2010-12-08 Helaman through Moroni. This volume is the third of three on the Book of Mormon. It covers the Book of Helaman through through the Book of Moroni. This includes the period of great wickedness just prior to the coming of Christ. We read of the missions of Nephi and Lehi, followed by Samuel the Lamanite. The signs of Christ's birth and death are given, followed by their fulfillment. Great destruction occurs on the American continent, and only the righteous survive in the Land of Bountiful. Christ appears to the Nephites, teaches and heals them, organizes His Church and ordains 12 disciples to lead them. After His departure, a Zion people live in peace for many years, then decline again into great wickedness. We read of the final days of the Nephites in the writings of Mormon and Moroni. We also read about the Jaredites, who were the first to inherit the land, long before Lehi's family arrived. In all, it covers 2,000 years of Jaredite history, and 469 years of Nephite history from 52 BC to 421 AD when the book of Moroni closes. The cover features a beautiful painting titled "Behold Your Little Ones," by Del Parson.

Grounds for Marriage, Book and Study Guide-Jade G. Stone 2011-02-17 Your marriage is in crisis, and you've read countless books on how to make it work, but to no avail. You haven't seen sustainable change in your relationship, and you're ready to give up hope that counseling will be effective. You're weary of striving, and you may have even considered having an affair, doing violence to yourself or to your partner, or indulging in an addiction. Perhaps you already have. You cannot stomach another false promise or simplistic solution to the complex problems in your marriage, and you wonder, is there any other way? Grounds for Marriage speaks into the wreckage of broken covenants with a fresh perspective on relationship, refusing to apply flimsy bandages to fractured relationships and insisting that the core brokenness be addressed and genuinely repaired. This material helps couples and their counselors to honestly evaluate troubled marriages, providing a much-needed compassionate, sensible, hopeful, sound, and sometimes unexpected understanding of the scriptures and of relationship. Synchronizing personal story, anecdotes from her work as a Licensed Professional Counselor, and a review of literature in psychology and theology, Jade G. Stone helps couples in crisis to: --study the scriptures to determine what they say constitutes a marriage covenant --recognize how both partners contribute to failure in their marriage --heal from old wounds so they can be in covenantal relationship with God and with a covenant companion With no-nonsense directness and high-definition clarity, Stone helps you envision how human covenantal commitments must function in order to mirror intimacy with God. She presents the criteria of wholehearted covenant as a measuring stick for relational intimacy (grounds for marriage), without which you cannot determine what comprises broken intimacy (grounds for divorce). From a covenantal/relational perspective, you can maintain scriptural integrity, understanding, and wisdom as you evaluate a marriage in crisis. Grounds for Marriage includes a study guide to help readers personalize the concepts presented.

Amanda Fisher & the Source Crystals-Rev Cherie Ruffo 2016-04-23 Amanda Fisher sees things in her dreams most people don't. Her world is turned upside down when she begins receiving messages through her dreams from her grandmother, who died recently. This leads thirteen-year-old Amanda and her younger brother, Danny, on an adventure where they learn an ancient family secret. They are the last in line of guardians of the mysterious Source Crystals, the most powerful stones in the world. Hunted by the Hraefn Corporation, and horrible, dark creatures who have been after their family for thousands of years, they are caught in a battle between light and dark forces. The guardians seek help from the wise Elders they meet in a mystical place inside the earth. They will be challenged far beyond the training they receive from the Elders. If they are not successful, millions of people will be in danger and the planet will return to the terror of the Dark Ages. A Book Club Discussion Guide is included in the book, perfect for Middle Readers reading groups and study guides. This is the first of a series.

Hospice and Palliative Medicine Handbook-Susan Bodtke 2016-02-24 This comprehensive pocket-size handbook is the essential reference for clinicians and others serving patients with advanced or life-limiting illness. It offers up-to-date, relevant, and highly practical guidance to expertly meet the challenges of serving these patients and their families. This user-friendly manual emphasizes the importance of honoring patients' wishes throughout their medical journey while meeting their whole-person, often complex needs-from symptom management to attending to spiritual and emotional suffering-and always acknowledges the context of patients' lives, including the needs of loved ones supporting them. The layout makes finding information quick and easy, with alphabetically organized chapter headings and a detailed index. Organ-system-based chapters offer disease-specific, goals-of-care discussion guidance and reviews of etiology, signs and symptoms, assessment, and management-including standard treatment as well as palliative options. Other chapters cover communication with patients and families, consultation with colleagues, and code status discussions, along with valuable subjects such as withdrawing life support, ethics, spirituality, physician-assisted death, and palliative options of last resort. Readers will find practical management strategies for symptoms such as pain, nausea, dyspnea, and delirium. In addition, chapters on opioid use and dosing, and pharmacology of commonly used palliative medications, make this guide an invaluable resource.

The Prosperity Revolution-David Conger 2016-09-18 The Blockchain Is The Future What if you could call yourself back in 1987 and tell yourself what a big deal the Internet was going to be? Would your younger self invest in Google? Or would Younger You be the first to build an auction site like eBay? Maybe it would have been you that created Craig's list. A similar opportunity is before you right now What if you could get in on the ground floor of a technology that will change the world as much as the Internet did? The New Big Bang In 2009, a new technology, called the blockchain, was quietly released that is as pivotal as the invention of the Internet itself. Even today, few people have heard of the blockchain. But it will change the lives of virtually everyone on this planet. The first implementation of the blockchain was Bitcoin, a form of digital cash. But the blockchain is much more than Bitcoin and its spinoffs. The blockchain has the power to enable you and I to build grassroots economies that are freer, fairer, and more humane. The new forms of currency and the new economies that we invent can help us protect our Constitutional freedoms, provide real paths out of poverty, and set off a prosperity revolution. This is The Blockchain Book For Everyone You don't have to be a programmer to get in on the infancy of the blockchain revolution. The Prosperity Revolution provides you with the essentials of what the blockchain is, what it does, and how it has the power to reshape our world. And it does it all in clear concepts and examples that make the blockchain accessible to anyone. In this book, you'll get an overview of the biggest problems that we currently face. You'll also see how the blockchain, along with Constitutional freedoms and free market economics, can be applied to these problems in ways that will preserve liberty, fight income inequality, and provide real paths out of poverty. The Prosperity Revolution explains how the government was originally set up by the American Founders and describes the genius of the American Experiment. It sets forth the proper role of the government in the lives of the people and the economy. Next, The Prosperity Revolution shows why the free market is the embodiment of freedom itself. It spells out how the free market lifts nations from poverty, promotes equality, and walks hand-in-hand with Constitutional freedoms. The author also clarifies why Marxism, in all of its radical forms, can never work, and will only impoverish and oppress the masses. The Prosperity Revolution then shows that applying free market principles to money itself solves many of the insurmountable problems we face today. It introduces the idea of a free market of competing currencies, first proposed by Nobel Prize-winning economist F. A. von Hayek. The Prosperity Revolution provides examples of how we can use blockchain technology to reinvent money itself. And we can do it without curtailing freedoms or a forced redistribution of wealth. As radical as this all sounds, it's only the beginning. The Prosperity Revolution describes how smart contracts and side chains, two derivatives of the blockchain, can enable us to solve insurmountable social problems and streamline business like never before. With these three technologies, we can build solutions to our healthcare crisis, growing poverty, and income inequality. We can also supercharge business and democratize the economy like never before. Simply put, we can bring the power of Wall Street to Main Street. You can compete directly with major corporations and win. The Prosperity Revolution will tell you how to get started. If you care about liberty, fighting poverty, protecting the environment, and leaving a better world for our children, then this book is for you.

Book of Mormon Study Guide, Pt. 2-Randal S. Chase 2010-12-08 The Book of Alma. This volume is the second of three on the Book of Mormon. It covers the last chapters of Mosiah and all of the book of Alma. It begins with the story of the conversion of Alma the Younger. We learn of the beginning of the reign of the judges. Then we follow the missionary efforts of Alma and Amulek in the land of Zarahemla, followed by the missions of the sons of Mosiah to the Lamanites in the Land of Nephi. We follow the fate of the Anti-Nephi-Lehies. We read Alma's letters to his sons, including an in-depth discussion of the Great Plan of Happiness. Then we finish with the stories of Captain Moroni and Helaman's stripling warriors. In all, it covers 67 years of Nephite history from 130 to 63 BC when the book of Helaman began. The cover features a beautiful painting of "The Title of Liberty," by Joseph Brickey.

Old Testament Study Guide, Pt. 1-Randal S. Chase 2010-12-01 Genesis to Numbers. This volume is the first of three on the Old Testament. It begins with a discussion of the importance of studying the Old Testament, and the role of Jesus Christ in the Plan of Salvation and His selection as our Savior in the premortal council in heaven. We read concerning the process of creation, the placing of Adam and Eve in the Garden of Eden, and their fall into mortality. We learn briefly about Cain and Abel, followed by brief discussions of all the patriarchs from Adam to Abraham, Isaac, and Jacob. We follow the story of Joseph in Egypt followed by the migration of Jacob's family to that land for survival. We read of the rise of Moses, the Exodus, and the events at Mt. Sinai. Then we study the rebellion of the children of Israel and their wandering in the wilderness for 40 years. The cover features a beautiful image of Abraham's Journey from Ur to Canaan, painted by Jozsef Molnar in 1880.
