What part of the rainforest do you want to see?

Historical Abstracts- 1990

The Gathering-Anne Enright 2007-12-01 A crowd of siblings gathers in Dublin for the wake of their wayward brother in this "stunning" novel by the award-winning author of Actress (The Washington Post). The surviving children of the Hegarty clan are gathering for the wake of their wayward, alcoholic brother, Liam, drowned in the sea after filling his pockets with stones. He is the third of the twelve Hegarty siblings to die. His sister, Veronica, collects the body and keeps the dead man company, guarding the secret she shares with him—something that happened in their grandmother's house in the winter of 1968. As prize-winning author Anne Enright traces the line of betrayal and redemption through three generations, her distinctive intelligence twists the world a fraction and gives it back to us in a new and unforgettable light. The Gathering is an "wonderfully elegant and unsparing" epic of an Irish family (Los Angeles Times)—a novel about love and disappointment, how memories warp and secrets fester, and how fate is written in the body, not in the stars. "Entrancing...a haunting look at a broken family stifled by generations of hurt and disappointment, struggling to make peace with the irreparable."—Entertainment Weekly "A melancholic love and rage bubbles just beneath the surface of this Dublin clan, and Enright explores it unflinchingly."—Publishers Weekly "Her sympathy for her characters is as tender and subtle as Alice McDermott's; her vision of Ireland is as brave and original as Edna O'Brien's. The Gathering is her best book."—Colm Toibin "Hypnotic."—Booklist (starred review)

Noseweek- 1993

Staten Island-John Louis Sublett 2011 This, my third book about Staten Island, takes a look into our islands rich and diverse past in a series of short stories. Be they myth, folklore, legend or tales, they have been past down from generation to generation. Some are proven true, some are believed to be false but the one thing they all have in common, they have been repeated time after time and they are fascinating stories. I am sure that some of these stories will bring up fond memories of Staten Islands past. Some of what you will discover in this book are, tales of a Mad Monk in St. Augustine Monastery, Lost Treasure off Staten Island shores, a story about a colorful character called The Indian Lady from Shooters Island, find out why a Nazi prisoner returned after his escape from the army's Halloran General Hospital (Willowbrook State School), discover the connection that Ichabod Crane, the Lindbergh baby, Willie Sutton and the Queen of England had to Staten Island, sit back and enjoy stories of stills and moonshine, gangsters, buried treasures, local ghosts and much more.

The Diary of a Bookseller-Shaun Bythell 2018-09-04 A WRY AND HILARIOUS ACCOUNT OF LIFE AT A BOOKSHOP IN A REMOTE SCOTTISH VILLAGE "Among the most irascible and amusing bookseller memoirs I've read." --Dwight Garner, New York Times "Warm, witty and laugh-out-loud funny..."—Daily Mail The Diary of a Bookseller is Shaun Bythell's funny and fascinating memoir of a year in the life at the helm of The Bookshop, in the small village of Wigtown, Scotland—and of the delightfully odd locals, unusual staff, eccentric customers, and surreal buying trips that make up his life there as he struggles to build his business . . . and be polite . . . When Bythell first thought of taking over the store, it seemed like a great idea: The Bookshop is Scotland's largest second-hand store, with over one hundred thousand books in a glorious old house with twisting corridors and roaring fireplaces, set in a tiny, beautiful town by the sea. It seemed like a book-lover's paradise . . . Until Bythell did indeed buy the store. In this wry and hilarious diary, he tells us what happened next—the trials and tribulations of being a small businessman; of learning that customers can be, um, eccentric; and of wrangling with his own staff of oddballs (such as ski-suit-wearing, dumpster-diving Nicky). And perhaps none are quirker than the charmingly cantankerous bookseller Bythell himself turns out to be. But then too there are the buying trips to old estates and auctions, with the thrill of discovery, as well as the satisfaction of pressing upon people the books that you love . . . Slowly, with a mordant wit and keen eye, Bythell is seduced by the growing charm of small-town life, despite —or maybe because of—all the peculiar characters there.

Building a Better Teacher: How Teaching Works (and How to Teach It to Everyone)-Elizabeth Green 2014-08-04 A New York Times Notable Book "A must-read book for every American teacher and taxpayer." —Amanda Ripley, author of The Smartest Kids in the World Launched with a hugely popular New York Times Magazine cover story, Building a Better Teacher sparked a national conversation about teacher quality and established Elizabeth Green as a leading voice in education. Green's fascinating and accessible narrative dispels the common myth of the "natural-born teacher" and introduces maverick educators exploring the science behind their art. Her dramatic account reveals that great teaching is not magic, but a skill—a skill that can be taught. Now with a new afterword that offers a guide on how to identify—and support—great teachers, this provocative and hopeful book "should be part of every new teacher's education" (Washington Post).

Human Croquet-Kate Atkinson 2013-03-29 A New York Times Book Review Notable Book of the Year Part fairy tale, part mystery, part coming-of-age novel, this novel tells the story of Isobel Fairfax, a girl growing up in Lythe, a typical 1960s British suburb. But Lythe was once the heart of an Elizabethan feudal estate and home to a young English tutor named William Shakespeare, and as Isobel investigates the strange history of her family, her neighbors, and her village, she occasionally gets caught in Shakespearean time warps. Meanwhile, she gets closer to the shocking truths about her missing mother, her war-hero father, and the hidden lives of her close friends and classmates. A stunning feat of imagination and storytelling from Kate Atkinson, Human Croquet is rich with the disappointments and possibilities every family shares.

Jurassic Park-Michael Crichton 2012 An American bioengineering research firm erects a theme park on a Caribbean island, complete with living dinosaurs, and invites a group of scientists to be its first terrified guests.

The Ambassador and Me-Mia Villano 2015-08-04 Isabella Piori is twenty six years old, beautiful, feisty and smart. The daughter of a loving Italian family, she has never left the family business. Although her family is against her leaving, Isabella pursues a career outside as the assistant to the French Attache. This is a job of her dreams working at the French Embassy and pursuing her own career. The one thing Isabella was not looking for was Fabrice Arbidoux, the French Ambassador. The night of the Starlight Gala, Isabella meets the man who will change her life in ways she never could imagine. Recently out of a relationship that caused her much pain, Isabella isn't ready to fall in love. Though, there is something about Fabrice Arbidoux that she finds overwhelmingly attractive. The way he speaks, carries himself and the power he exudes all make Isabella sexually aware of her need to be with him. He can't keep his eyes off of her during the gala, and the sexual tension is high the next Monday when she starts her job. When the Ambassador can't hold back his feelings for her, she runs, afraid this will ruin her career she has tried so hard to achieve. After taking some time to think about it, Isabella realizes maybe a sexual relationship with no strings attached is what she needs. One night she accepts his invitation for a date and things heat up. When he takes her back to his house, they give in to their lust for each other, but it is not what Isabella expected. Fearing that he may have issues, Isabella insists that he tell her what's wrong, and Fabrice comes clean with a secret he was afraid would push her away. Isabella has a secret as well, and one she is not ready to tell him just yet. An unforgettable story of two people looking for true love and happiness from different lives brought together for one thing, true love. It is a story of what life can be like if you open your heart and mind to something new and wonderful."

Participatory Workshops-Robert Chambers 2002 This sourcebook is for all who work with others on participatory learning and change. Written in a spirit of critical reflection and serious fun, it provides 21 sets of ideas and options for facilitators, trainers, teachers and presenters, and anyone who organises and manages workshops, courses, classes and other events for sharing and learning ideas. It covers topics such as getting started, seating arrangements, forming groups, managing large numbers, helping each other learn, analysis and feedback, dealing with dominators, evaluation and ending, coping with horrors, and common mistakes.

He Started It-Samantha Downing 2020-07-21 AN INSTANT INTERNATIONAL BESTSELLER "Wholly original. Scarily clever. Completely mesmerizing. You will never look at family road trips the same way again."—Lisa Gardner, #1 New York Times bestselling author A most anticipated book by Hello Sunshine • Cosmo • Entertainment Weekly • Betches • Hollywood Reporter • Parade • PopSugar • OK! Magazine • Hello Giggles • Bustle • Yahoo! • She Reads • Book Page • CrimeReads • New York Post Best Book of the Week • Goodreads From the twisted mind behind mega hit My Lovely Wife comes the story of a family—not unlike your own—just with a few more violent tendencies thrown in.... Beth, Portia, and Eddie Morgan haven't all been together in years. And for very good reasons—we'll get to those later. But when their wealthy grandfather dies and leaves a cryptic final message in his wake, the siblings and their respective partners must come together for a cross-country road trip to fulfill his final wish and—more importantly—secure their inheritance. But time with your family can be tough. It is for everyone. It's even harder when you're all keeping secrets and trying to forget a memory, a missing person, an act of revenge, the man in the black truck who won't stop following your car—and especially when at least one of you is a killer and there's a body in the trunk. Just to name a few reasons. But money is a powerful motivator. It is for everyone.

Oh No, George!-Chris Haughton 2012 George finds it hard to be a good dog when there are cats to chase, flowers to dig up, and a delicious cake sitting on the kitchen table.

The Weight of Blood-Laura McHugh 2014-03-11 For fans of Gillian Flynn, Scott Smith, and Daniel Woodrell comes a gripping, suspenseful novel about two mysterious disappearances a generation apart. INTERNATIONAL THRILLER WRITERS AWARD WINNER AND BARRY AWARD NOMINEE FOR BEST FIRST NOVEL • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE The town of Henbane sits deep in the Ozark Mountains. Folks there still whisper about Lucy Dane's mother, a bewitching stranger who appeared long enough to marry Carl Dane and then vanished when Lucy was just a child. Now on the brink of adulthood, Lucy experiences another loss when her friend Cheri disappears and is then found murdered, her body placed on display for all to see. Lucy's family has deep roots in the Ozarks, part of a community that is fiercely protective of its own. Yet despite her close ties to the land, and despite her family's influence, Lucy—darkly beautiful as her mother was—is always thought of by those around her as her mother's daughter. When Cheri disappears, Lucy is haunted by the two lost girls—the mother she never knew and the friend she couldn't save—and sets out with the help of a local boy, Daniel, to uncover the mystery behind Cheri's death. What Lucy discovers is a secret that pervades the secluded Missouri hills, and beyond that horrific revelation is a more personal one concerning what happened to her mother more than a decade earlier. The Weight of Blood is an urgent look at the dark side of a bucolic landscape beyond the arm of the law, where a person can easily disappear without a trace. Laura McHugh proves herself a masterly storyteller who has created a harsh and tangled terrain as alive and unforgettable as the characters who inhabit it. Her mesmerizing debut is a compelling exploration of the meaning of family: the sacrifices we make, the secrets we keep, and the lengths to which we will go to protect the ones we love. Praise for The Weight of Blood "[An] expertly crafted thriller."—Entertainment Weekly, "The Must List" "Haunting . . . [a] riveting debut."—Los Angeles Times "Laura McHugh's atmospheric debut . . . conjures a menacingly beautiful Ozark setting and a nest of poisonous family secrets reminiscent of Daniel Woodrell's Winter's Bone."—Vogue "Fantastic . . . a mile-a-minute thriller."—The Dallas Morning News

Dynamic Linear Models with R-Giovanni Petris 2009-06-12 State space models have gained tremendous popularity in recent years in as disparate fields as engineering, economics, genetics and ecology. After a detailed introduction to general state space models, this book focuses on dynamic linear models, emphasizing their Bayesian analysis. Whenever possible it is shown how to compute estimates and forecasts in closed form; for more complex models, simulation techniques are used. A final chapter covers modern sequential Monte Carlo algorithms. The book illustrates all the fundamental steps needed to use dynamic linear models in practice, using R. Many detailed examples based on real data sets are provided to show how to set up a specific model, estimate its parameters, and use it for forecasting. All the code used in the book is available online. No prior knowledge of Bayesian statistics or time series analysis is required, although familiarity with basic statistics and R is assumed.

Goodnight Everyone-Chris Haughton 2021-07-06 The animals in the forest are ready to snuggle up with their families for the night, but Little Bear thinks he can stay awake a while longer.
Little Owl Lost-Chris Haughton 2013-08-27 Friendly forest animals help a newborn owl find his mother.
