No One Knows-Diane Ranker Riesen 2018-03-05 No One Knows By: Diane Ranker Riesen "God constantly speaks to us in some way or form. Sometimes to invite us; sometimes to comfort us; other times to encourage us, or on occasions to beseech us; but never to condemn us. I 'met' Diane Ranker Riesen during August 2015 during what was called (where I was employed at the time) the Nigerian 'rainy season.' Not in person, but through the magic of her words. After reading a number of her poems that she shared on Facebook I realized that this lady was someone special and that God uses her in a special way as an instrument of hope and love. Diane, even though she had published three books, was not yet widely known or recognized for the quality of her work as she most definitely deserves to be. I felt, and I told her, that her work deserves to be read and appreciated by millions. In this new collection of 400 poems, she again gives us a glimpse at the massive beauty that God has invested inside her heart. My wish is that God would bless many through her words and that she will continue to comfort, inspire, and encourage us with her beautiful poems for many years to come." -Coenraad Marneweck "Diane's poetry moves me, and I, too, feel FAITH, HOPE, PEACE, and PRAISE for our Heavenly Father. My soul sings when I read Diane's very deep and amazing words. Her poetry is like a 'sermon' that God has written, through Diane, who seems to have a direct line to His Power of Love for His children." -Leah Pallaris

The Butterfly Effect-Victoria Howard 2011-10-26 One of the most beautiful creations made from God is the colorful, free-spirited butterfly. But it was not always this way; it first had to go through several stages before she became that breath taking creature. Women, are like these butterflies, who must go through stages of transformation, in order to reach that final stage of freedom and tranquility that we have now achieved. In the beginning, women were conditioned to believe they were not equal to men. That is, until recently, when thanks to an organization called "I AM WOMAN", love and harmony between men and women have been rekindled along with co-independence, and an equality on every level and in every way. "The Butterfly Effect" is a program designed mainly for women. It is a program that teaches them how their mind works and that the information that is taken-in-through their five sensory systems is assimilated by their mind, and imprinted as a picture on their subconscious mind. That picture, like a magnet, begins to attract all the necessary pieces to, simultaneously, manifest it in our lives. So, women, be careful what you picture because that's exactly what you're going to get! And also remember, the important thing is not to get what you want but to want what you get! Through this simple awareness, we know the tremendous 'Power of Pictures.' As Aristotole said, "there is nothing in the universe that wasn't first a picture in someone's mind." And what picture is more beautiful than that of the two shimmering butterflies joining wings on their fight across the spectacular "Bridges of Equality," in love and harmony? So ladies and gentlemen, wherever you may be, imprint that gorgeous picture of the amazing butterflies that you truly are on your subconscious mind and gently, "I Am Butterfly, Watch Me Soar!".

Life, death, sex, politics--all are no more than entertainments to him. Dangers erupt. Police respond to a bomb threat. Rumors spread. One of the cars may be carrying explosives. Warnings come that a bridge is mined, a road booby-trapped. And a wild young British princess, driving incognito in a competing car, may be the target of terrorists. May be a terrorist herself. And tying uncontrolled rumor to barely repressed violence: the cynical manipulation of big money, willing to trade in anything--drugs, arms, nuclear fules, human lives. Moving as swiftly as the race it runs, No Brakes is a taut, erotic thriller in which speed, danger, and passion are players in a sinister game no one can win. At Last There Is Nothing Left to Say-Matthew Good 2001 This is the landscape of At Last There Is Nothing Left To Say, Matthew Good's debut book of stories. Taking the form of an artist's journal, Good's tales grind through dark, often violent places animated by voices warped by hallucination and flesh chafed by reality. From the ramblings of an opium-riddled adventurer to treatises on life from a mind rattled by the world; from the tragic end of a teen queen to a day in the life of a rock star; from the execution of the Self by the Other to the pull between rules and freedom, this is a landscape located halfway between imagination and reality, a world that rocks between imagination and reality, a world that rocks between sleep and wakefulness, sanity and insanity, sobriety and inebriation.

Your Best Life Now-Joel Osteen 2014-08-05 10th Anniversary Edition: Updated with New Chapter & Foreword Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In YOUR BEST LIFE NOW Osteen says, "I am what I am today because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator." He says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.

Spot-on observant, laugh-out-loud funny, yet laced with kindness through and through, No One Could Have Guessed the Weather is a story of what happens when you grow up and realize the middle part of your story might just be your beginning.

And if we feel overwhelmed by it all or fall short of perfection, many of us have learned to be our own worst critic rather than our own best friend. In Warrior Goddess Training, bestselling author HeatherAsh Amara provides the antidote to the flawed idea that you are not enough. Direct, honest, and unapologetic, Amara will show you how to release the layers of expectations to finally see yourself for the authentic, perceptive, perfect woman you really are. If you don't love and honor yourself with every fiber of your being, if you struggle with owning your power and passion, if you could use more joyful play and simple presence in your life, then it is time for an inner revolution. It is time to claim your Warrior Goddess energy. Drawing on the wisdom from Buddhism, Toltec wisdom, and ancient Earth-based goddess spirituality, the Warrior Goddess path includes personal stories, rituals, and exercises that will encourage and inspire you to become the true warrior goddess you are meant to be.
