A TV Guide to Life-Jeff Alexander 2008-07-01 Read Jeff Alexander's posts on the Penguin Blog. A couch potato's book of wisdom— 100% commercial free! Some say that entire generations of Americans are being raised by the television...like that's a bad thing. Not so, says author Jeff Alexander, long-time television writer, advocate of education by television, and recapper for the popular website Television Without Pity. Here, he offers the ultimate in life lessons as seen on TV. Topics include: • Saved by the Bell: School on TV • Somebody Save Me: Super Powers and Magic Spells • Tell Me Why I Love You Like I Do: Relationships on TV • Making A Living: The Workplace • And more With a smart, snarky style, Alexander guides readers through important lessons gleaned from years of TV reviewing (now in convenient book form!), freeing up a whole new generation to learn other things, like how to cure cancer or solve world hunger...or anything more useful than watching TV (Author's note: Just joking... there is no such thing).

The Message of the Cross-Jimmy Swaggart For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.

The Last Wish-Andrzej Sapkowski 2008-12-14 Geralt the Witcher -- revered and hated -- holds the line against the monsters plaguing humanity in this collection of adventures in the New York Times bestselling series that inspired the Netflix show and the hit video games. Geralt is a Witcher, a man whose magic powers, enhanced by long training and a mysterious elixir, have made him a brilliant fighter and a merciless assassin. Yet he is no ordinary murderer: his targets are the multifarious monsters and vile fiends that ravage the land and attack the innocent. But not everything monstrous-looking is evil and not everything fair is good. . . and in every fairy tale there is a grain of truth. The Last Wish story collection is the perfect introduction to a one of a kind fantasy world. And look out for The Tower of Fools, book one of Andrzej Sapkowski's Hussite Trilogy, coming in October 2020!

The Path Made Clear-Oprah Winfrey 2019-03-26 Everyone has a purpose. And, according to Oprah Winfrey, "Your real job in life is to figure out as soon as possible what that is, who you are meant to be, and begin to honor your calling in the best way possible." That journey starts right here. In her latest book, The Path Made Clear, Oprah shares what she sees as a guide for activating your deepest vision of yourself, offering the framework for creating not just a life of success, but one of significance. The book's ten chapters are organized to help you recognize the important milestones along the road to self-discovery, laying out what you really need in order to achieve personal contentment, and what life's detours are there to teach us. Oprah opens each chapter by sharing her own key lessons and the personal stories that helped set the course for her best life. She then brings together wisdom and insights from luminaries in a wide array of fields, inspiring readers to consider what they're meant to do in the world and how to pursue it with passion and focus. Renowned figures such as Eckhart Tolle, Brene Brown, Lin-Manuel Miranda, Elizabeth Gilbert, Jay-Z, and Ellen DeGeneres share the greatest lessons from their own journeys toward a life filled with purpose. Paired with over 100 awe-inspiring photographs to help illuminate the wisdom of these messages, the Path Made Clear provides readers with a beautiful resource for achieving a life lived in service of your calling - whatever it may be.

Photographer's Guide to the Fujifilm Finepix X100-Alexander S. White 2011-11 This book, a complete guide to the operation and features of the Fujifilm FinePix X100 digital camera, is a follow-up to the author's earlier guides to advanced compact digital cameras. The new book explains all operations, features, menus, and controls of the FinePix X100 camera in clear language, providing guidance not only about how to accomplish things with the camera, but when and why to use certain features. The book does not assume any specialized knowledge by the reader, but adopts a patient tone in explaining topics such as autofocus, manual focus, depth of field, aperture priority, shutter priority, HDR (High Dynamic Range) photography, white balance, and macro photography. The book also includes discussions of the camera's special features, including its "hybrid" viewfinder system. The book's more than 190 photographs, almost all in full color, provide illustrations of the camera's controls and menus, and also include examples of the various types of photographs that can be taken using the many creative settings of the camera, including the Film Simulation settings, which let the photographer alter the color processing of images; various menu options such as Dynamic Range, Highlight Tone, and Shadow Tone; and the camera's strong array of features for continuous shooting. In addition, the book goes beyond the realm of everyday photography, providing introductions to more advanced topics such as infrared photography, street photography, astrophotography, and creating 3D (three-dimensional) images that can be viewed with conventional red and blue 3D glasses. The book also includes a full discussion of the video recording abilities of the FinePix X100, which can record high-definition (HD) video with stereo sound. In three appendices, the book provides information about accessories available for the camera, including cases, filter adapters, and external flash units; sets forth a list of useful web sites and other resources for further information; and includes a section with helpful "quick tips" that give particular insights into how to take advantage of the camera's features in the most efficient ways possible.

The Wellness Remodel-Christina Anstead 2020-04-14 The star of HGTV's Flip or Flop Christina Anstead partners with celebrity nutritionist Cara Clark to help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV's Flip or Flop and Christina on the Coast, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already drained body. It wasn't until Christina met nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In The Wellness Remodel, Christina chronicles her health journey and shares what she's learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—"Gut Rehab" (food and nutrition); "Building a Strong Foundation" (exercise); and "The Rewire" (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and easy-to-follow instructions. Inspiring, informative, fun, and empowering, The Wellness Remodel will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

Sony Alpha Nex-6: Beginner's Guide-Jacob Gleam 2015-02-20 The Alpha Nex-6 camera from Sony is the newest in the NEX line and is also among the smallest. Reviews have applauded the improved features and capabilities despite its higher price in the market. The compact Nex-6 camera bears a 16-megapixel image sensor, Wi-Fi connectivity and a built-in 2.3 megapixel OLED EVF as part of its design. The camera also offers high-powered interchangeable zoom lens and a 3" rear display that is designed to tilt. When the display, which offers 921k-dot resolution is tilted, it improves both viewing and image capturing potential for users. Another of the innovative offerings of the NEX-6 is the proprietary in-camera apps, the multi-interface hot shoe and the electronic first curtain shutter. The Nex-6 improves function and is ideal for both the average photographer as well as the more enthusiastic. The purpose of this book is to present to users the various functions of the Nex-6 camera.

The EDCF Guide to Digital Cinema Production-Lars Svanberg 2013-06-26 A professional introduction to the end-to-end process of digital filmmaking! The EDCF Guide to Digital Cinema Production sheds light on the ongoing and confusing transition from analog to digital technology in film production. In addition to a complete analysis of technical concerns, this text deals with a number of issues where European and Hollywood priorities differ. It adds fuel to the discussion on "Photo-Chemical Fundamentalism" and the future of traditional film-based cinematography. With special emphasis on new HD production techniques for the big cinema screen, this guide is the one and only resource available from a European perspective. The EDCF Guide to Digital Cinema Production provides film professionals and decisions-makers in European cinema with an excellent basis for discussions on how to handle the transition from analog to digital technology. Look no further for: * Several production case studies, among them Ingmar Bergman's last film "Saraband" (2003) and Lars von Trier's "Dogville" (2003). * Surveys of HD Systems & Cameras and "The 37 MFAQ on HD Production." * Expert reports on Audio Recording for HD and the Digital Intermediate Process. * Detailed European initiatives in Digital Cinema. * An up-to-date survey of the problematic standards situation for Digital Cinema. * A comprehensive look at archiving - the "Achilles Heel" of digital production. * The pros and cons of producing feature films digitally - a unique and professional view of "the agony and ecstasy." Editor-in-Chief Lasse Svanberg is a founding member of EDCF. He was DoP on 14 feature films 1966-81, founded TM (Technology & Man) Magazine at the Swedish Film Institute in 1968 and was its Chief Editor until 1998 He was elected Fellow of BKSTS 1979, Fellow of SMPTE 1995 and granted Professor's title by the Swedish Government 2002. He is the author of six books on the history and possible future of film, video and television. The European Digital Digital Cinema Forum (EDCF) was constituted in June 2001 as joint Swedish-British-French effort to establish a European forum for discussions, information exchange and industrial activities in the field of Digital Cinema. This project was initiated because digital production, digital distribution and digital exhibition of film is the most radical technical change facing the film industry since sound film was introduced.

On Her Own Ground-A'Lelia Bundles 2002-01-01 Soon to be a Netflix series starring Octavia Spencer On Her Own Ground is the first full-scale, definitive biography of Madam C. J. Walker—the legendary African American entrepreneur and philanthropist—by her great-great-granddaughter, A'Lelia Bundles. The daughter of slaves, Madam C. J. Walker was orphaned at seven, married at fourteen and widowed at twenty. She spent the better part of the next two decades laboring as a washerwoman for \$1.50 a week. Then—with the discovery of a revolutionary hair care formula for black women—everything changed. By her death in 1919, Walker managed to overcome astonishing odds: building a storied beauty empire from the ground up, amassing wealth unprecedented among black women and devoting her life to philanthropy and social activism. Along the way, she formed friendships with great early-twentieth-century political figures such as W.E.B. Du Bois and Booker T. Washington. On Her Own Ground is not only the first comprehensive biography of one of recent history's most amazing entrepreneurs and philanthropists, it is about a woman who is truly an African American icon. Drawn from more than two decades of exhaustive research, the book is enriched by the author's exclusive access to personal letters, records and never-before-seen photographs from the family collection. Bundles also showcases Walker's complex relationship with her daughter, A'Lelia Walker, a celebrated hostess of the Harlem Renaissance and renowned friend to both Langston Hughes and Zora Neale Hurston. In chapters such as "Freedom Baby," "Motherless Child," "Bold Moves" and "Black Metropolis," Bundles traces her ancestor's improbable rise to the top of an international hair care empire that would be run by four generations of Walker women until its sale in 1985. Along the way, On Her Own Ground reveals surprising insights, tells fascinating stories and dispels many misconceptions.
